संक्षिप्त शीर्षक और लागू होने की तारीख

परिभाषाएं

विषय या संदर्भ में कोई बात प्रतिकूल न होने पर इन विनियमों में—

(1) किसी कर्मचारी के संबंध में 'औसत वेतन' का अर्थ है (क) उस पर लागू मूल वेतन, जिसकी यहां व्याख्या की गई है, (ख) स्थानापन्न वेतन, (ग) विशेष वेतन, (घ) वैयक्तिक वेतन, और (ङ) कोई अन्य परिलब्धियां जिन्हें निगम ने 'वेतन' के रूप में वर्गीकृत किया हो,

(ख) किसी अन्य कर्मचारी के मामले में वह तारीख जिससे यह निगम की सेवा में नहीं रहता है;

और "सेवानिवृत्ति का मास" अभिव्यक्ति का अर्थ भी इसी के अनुसार माना जाएगा।

3. 'वेतन' का अर्थ है—

(क) किसी ऐसे कर्मचारी के मामले में जो अपनी सेवानिवृत्ति की तारीख से ठीक पहले बारह महीने या इससे अधिक अवधि तक लगातार छुट्टी पर रहा हो, उस तारीख को उसका मूल वेतन या जिस महीने वह छुट्टी पर गया हो उस महीने से ठीक पहले बारह पंचांग महीनों में ड्यूटी पर रहते हुए उसके द्वारा अर्जित औसत वेतन, इनमें से जो भी अधिक हो,

(ख) किसी अन्य मामले में उसकी सेवानिवृत्ति की तारीख को उसका मूल वेतन या सेवानिवृत्ति के महीने के ठीक पहले बारह पंचांग महीनों में ड्यूटी पर रहते हुए उसके द्वारा अर्जित औसत वेतन, इनमें से जो भी अधिक हो।

(4) किसी कर्मचारी के संबंध में 'मूल वेतन' का अर्थ है वह वेतन जिसके लिए वह उस वेतनमान के वेतन का पात्र है जो उसके मूल पद पर लागू होता है।

(5) "निगम में सेवा" में—

(ख) वह अवधि शामिल है जिसके दौरान कोई कर्मचारी ड्यूटी पर रहा है अथवा सक्षम प्राधिकारी द्वारा विधिवत् प्राधिकृत छुट्टी पर रहा है;

(ग) ऐसी कोई अवधि शामिल नहीं है जिसके दौरान कोई कर्मचारी ड्यूटी से अनुपस्थित रहा है या स्वीकृत छुट्टी से अधिक दिन अनुपस्थित रहा है बशर्ते कि ऐसी छुट्टी सक्षम प्राधिकारी ने विशेष रूप से स्वीकृत न की हो।

दिए जाने की शर्तें

4. अनुवर्ती विनियमों में दी गई शर्तों और अन्य उपबंधों के अधीन निगम में सेवा की समाप्ति पर किसी स्थाई कर्मचारी को या उपदान प्राप्त करने से पूर्व किसी स्थाई कर्मचारी की मृत्यु हो जाने की स्थिति में जैसा कि विनियम 8 में निर्धारित किया जाय—उपदान दिया जाएगा, किन्तु इन विनियमों से यह अर्थ न लिया जाय कि किसी ऐसे कर्मचारी को कोई अधिकार या लाभ प्राप्त होगा जिसकी निगम में सेवा किसी ऐसी संविदा द्वारा शासित है जिसमें इस बात का स्पष्ट उल्लेख है कि उसकी सेवा एक विशिष्ट अवधि के लिए है।

किन स्थितियों में स्वीकार्य नहीं होगा

5. (1) किसी ऐसे कर्मचारी को या किसी ऐसे कर्मचारी के मामले में कोई उपदान नहीं दिया जाएगा जिसने निगम में न्यूनतम दस वर्ष की सेवा नहीं की है;

(2) उप-नियम (1) में उल्लिखित किसी बात के होते हुए भी, किसी कर्मचारी को या किसी ऐसे कर्मचारी के मामले में उपदान दिया जाएगा जिसने निगम में न्यूनतम दस वर्ष की सेवा नहीं की है, बशर्ते कि—

(i) निगम की सेवा के दौरान उसकी मृत्यु हो जाती है; या

(ii) शारीरिक अथवा मानसिक अशक्तता के फलस्वरूप प्रमाणित स्थायी अक्षमता के कारण वह सेवानिवृत्त हो जाता है या उससे सेवानिवृत्त होने के लिए कहा जाता है अथवा स्थापना में कमी के कारण उसकी नियुक्ति समाप्त कर दी जाती है।

स्वीकार्य राशि

6. विनियम 5 के उपबन्धों पर कोई प्रतिकूल प्रभाव डाले बिना किसी कर्मचारी को स्वीकार्य उपदान की राशि इस प्रकार होगी—

(क) निगम में की गई सेवा के प्रत्येक पूरे वर्ष के लिए एक महीने के वेतन के बराबर राशि लेकिन यह राशि पन्द्रह महीने के वेतन या चौबीस हजार रुपये—इनमें से जो भी कम हो—से अधिक नहीं होगी; और

(ख) तीस वर्ष से अधिक निगम में की गई सेवा के प्रत्येक पूरे वर्ष के लिए आधे महीने के वेतन के बराबर अतिरिक्त राशि।

विशेष मामलों में कम राशि की अदायगी

7. पूर्ववर्ती विनियमों में उल्लिखित किसी बात के होते हुए भी, किसी कर्मचारी को देय उपदान की राशि का निर्धारण करते समय निगम उस कर्मचारी की अध्यक्षता या सदाचार के कारण निगम को हुई किसी वित्तीय हानि को ध्यान में रख सकता है और उपदान की घटी हुई राशि दे सकता है;

परन्तुक यह कि पूर्ववर्ती विनियमों के अधीन सामान्यतया स्वीकार्य उपदान की राशि और इस प्रकार से घटाई गई उपदान की राशि का अन्तर निगम को हुई वित्तीय हानि की राशि से अधिक नहीं होगा।

कर्मचारी की मृत्यु हो जाने की स्थिति में अदायगी

8. उपदान प्राप्त करने से पूर्व किसी कर्मचारी की मृत्यु हो जाने की स्थिति में स्वीकार्य उपदान की राशि की अदायगी इस प्रकार की जाएगी—

(क) उस व्यक्ति को जिसे कर्मचारी ने भारतीय औद्योगिक वित्त निगम कर्मचारी भविष्य निधि विनियम के विनियम 15 के अधीन नामित किया हो और यदि एक से अधिक व्यक्ति इस प्रकार से नामित हों तो उन व्यक्तियों को उपदान की राशि उस अनुपात में वितरित की जाएगी जिस अनुपात में कर्मचारी ने अपनी निर्वाह निधि में जमा राशि वितरित की हो; और

(ख) यदि इस प्रकार का कोई नामन नहीं किया गया हो या जारी न हो तो इस बात का निर्धारण निगम का अध्यक्ष करेगा कि उपदान की राशि किस व्यक्ति या किन व्यक्तियों को अदा की जाए और राशि किस अनुपात में वितरित की जाए।

निगम के उन कर्मचारियों को उपदान देने के संबंध में बोर्ड की शक्तियां जो 1-7-1965 को या इसके बाद सेवा में नहीं रहे

9. बोर्ड अपने विवेक से किसी ऐसे कर्मचारी को उपदान की उतनी राशि दे सकता है जो इन विनियमों के अधीन स्वीकार्य राशि से अधिक नहीं होगी, जो जुलाई, 1965 के पहले दिन या इसके बाद निगम की सेवा में नहीं रहा, बशर्ते कि उस दिन यदि ये विनियम लागू होते तो वह इन विनियमों के अधीन उपदान का पात्र होता।

टिप्पणियां

(Remarks)

यद्यपि सारे भारतवर्ष में पंजीयन का प्रबन्ध है, फिर भी कई सूचनायें पंजीयक को नहीं दी जाती। इस कारण पंजीयन का विवरण अपूर्ण रह जाता है। इसके अतिरिक्त पंजीयकों से राज्य सरकारों के मुख्यालयों को विवरण भेजने की व्यवस्था भी बहुत असंतोषजनक है जिसके कारण पंजित घटनाओं का बड़ा अंश दरें निकालते समय रह जाता है। इस पत्रिका में दी गई जन्म, मृत्यु तथा शिशु मृत्यु दरें कहीं अधिक और कहीं कम अपूर्ण हैं। इनको पूर्ण करने के लिये और विवरण भेजने की व्यवस्था को सुदृढ़ करने के लिए प्रयत्न किए जा रहे हैं।

जिन नगरों के आंकड़े प्राप्त नहीं हो सके उनकी जनसंख्या दरें निकालते समय छोड़ दी गई थीं।

[While arrangements for the registration of births and deaths exist in most parts of the country, a large proportion of births and deaths fails to be reported to the Registrars. The registration of births and deaths is, thus, incomplete. Further, arrangements for the transmission of returns from the Registrars to the State Head-quarters are far from satisfactory with the result that a large proportion of events, although registered, are missed at the time of compilation of vital rates. The birth, death and infant mortality rates presented in this publication are, thus deficient to a varying degree. Efforts are being made to improve the completeness and ensure efficiency in the transmission of returns.

Appropriate adjustments in the population base were made in cases, where the data for any town could not be included.]

AWARD

This reference arises out of a unanimous resolution dated the 12th December, 1964, passed by the Wage Board for non-Journalist workmen in the Newspaper industry, granting interim relief. I wish to state some facts before mentioning the exact terms of the reference.

2. The journalist as well as the non-journalist employees of the newspaper industry formed an organisation called the All India Newspaper Employees' Federation. The Bombay employees of the Bennett Coleman & Co. Ltd., joined the Federation through their union named the Times of India and Allied Publications Employees' Union. The Delhi employees of the Company joined the Federation through their union known as Bennett Coleman & Company's Employees' Union.

3. An Act applicable to the working journalists was passed in 1955. This was called the Working Journalists (conditions of service and miscellaneous provisions) Act, 1955. No such Act was, however, passed for the benefit of the non-journalist employees of the newspaper industry.

4. The Government of India appointed a Wage Board for the Journalist workmen by its notification dated the 13th November, 1963. Thereafter, on the 25th February 1964, by its notification No. WB-17(2)/63, the Ministry of Labour and Employment of the Government of India constituted a Wage Board for non-journalist employees. Both the Wage Boards were placed under the Chairmanship of Mr. Justice Shinde (Retd.). Representatives of the employers and employees were also put on the Board.

5. The All India Newspaper Employees Federation made a request to the Wage Board for grant of interim relief to the non-journalist employees. The Wage Board for non-jourlanists was in some doubt and hence it sought a clarification from the Government of India as to whether it had jurisdiction to decide the question and recommend the payment of interim relief. The Government of India then issued a notification in which it said among other things.

> "the Board shall also consider the demands for grant of interim relief to the non-journalist employees of the newspaper establishments pending the submission of its final report."

Under the instruction of the Wage Board, the managements of the different newspaper establishments including those of the Times of India supplied certain informations on proformas prepared by the Board.

6. After taking all available materials into consideration, the Wage Board, at its meeting in Bombay, dated the 12th December, 1964, unanimously decided that the non-journalist employees in the newspaper industry should be paid interim relief. According to their resolution, non-journalist employees of the newspaper establishments for A, B. class of newspapers were to be paid a flat relief of Rs. 15/- per month which was to be payable with effect from the 1st May, 1964. This resolution was signed by the Chairman and other members including Shri Upendra Acharya, a representative of the employers.

7. The All India Newspaper Employees' Federation then raised the contention that it was erroneous on the part of the Wage Board to divide a newspaper establishment having more than one newspaper into different categories for the purpose of payment of inteim relief. The Federation's contention was that there should be one uniform interim relief for employees of one particular establishment. At its meeting dated the 15th February, 1965, the Wage Board modified its earlier recommendation regarding classification of newspaper establishments, dividing one establishment into several for the payment of interim relief and recommended that interim relief be paid on the basis of the average. I understand from both parties that the average interim relief in the case of Bennett Coleman and Company

Limited comes to Rs. 11·00 per month for each employee. This recommendation was accepted by the Government of India and it published the same in the Government of India Gazette Part I, Section I, dated the 24th April, 1965. The Unions began demanding fulfilment of this recommendation but the Company consistently refused the payment on the ground that the recommendations of the Wage Board in respect of non-journalists were not statutorily binding on the management.

8. The Wage Board for journalists also gave interim relief to the journalist employees. Admittedly, these recommendations were statutorily binding upon the Company but it filed a writ application in the Bombay High Court for quashing the notification of the Government of India whereby it accepted the recommendations of the Wage Board for journalists for interim relief.

9. I may also mention that, previously, there was a dispute between the employers and the employees of the Bennett Coleman & Co., because certain demands were made by the Times of India and Allied Publications' Employees' Union in or about October, 1961. The Government of Maharashtra referred these demands for adjudicatiion to the Industrial Tribunal at Bombay, presided over by Mr. Meher. On the 14th March, 1963, the company and the Bombay Union agreed to refer all the disputes to the sole arbitration of Shri S. T. Desai, who made his award on the 13th July, 1963. According to that award, among other things, dearness allowance payable by the Company was not only linked to the consumer price index in Bombay but also to the basic salary drawn by the particular employee. Hence the dearness allowance paid by the Company increased with the increase in the consumer price index. Various percentages of increase was also provided for each wage group. The award of Shri S. T. Desai was filed by the parties before the Industrial Tribunal as a settlement on the 9th September, 1963. The Industrial Tribunal made its award in terms of Shri Desai's award, treating the award as a settlement to the extent that it covered the reference before it. The award was to remain binding for 5 years from the 1st August, 1962. The terms which were laid down by Shri Desai were made applicable by the Company to its Delhi employees also and thus the conditions of services of the employees of Bennett Coleman and Company, both in Delhi and Bombay, came to be the same.

10. As the Union insisted upon payment of the interim relief and the Company persisted in its refusal, the Union gave two notices of strike and ultimately all the employees of the Delhi and Bombay establishments of Bennett Coleman and Company went on strike with effect from 6 P.M. on the 17th February, 1967. This was followed by a lockout which was declared by the Company on and from the 27th February, 1967. Both the strike and the lockout came to an end on the 26th March, 1967, when the parties entered into a settlement at the intervention of the Ministry of Labour, Government of India.

11. By its order No. 17/4/67-LRIII, dated the 4th July, 1967, the Central Government in the Department of Labour and Employment made this reference to the National Tribunal at Bombay for adjudication of the issues put in the schedule as follows:—

SCHEDULE

(a) Whether the non-journalist workmen of Bennett Coleman & Co. Ltd., have been excluded by the Wage Board for Non-journalists, for payment of interim relief in their recommendations notified by the Government of India in the Gazette of India dated 24th April, 1965 (Part I, Section I); if not, to what relief are the non-journalist workmen entitled?

(b) Whether the Bennett Coleman & Company Limited was justified in not paying wages to its workmen, both in Bombay and Delhi, during the periods of strike commencing from the 17th February, 1967 and lockout, declared from the 27th February, 1967 to the 26th March, 1967; if not, to what relief are the workmen entitled?

12. It was numbered as Reference No. 4(N.T.) of 1967. By the Ministry's Order No. 17/4/67-LRIII, dated 5th December, 1967, the reference has been transferred for adjudication to this Tribunal.

13. The Bombay and Delhi Unions have jointly filed a statement of claims which is a rather voluminous document. I propose to state their case as shortly as possible. After quoting the first issue, they have said that the Government of India enacted the Working Journalists (Conditions of Service and Miscellaneous

Provisions) Act, 1955 and thereafter the non-journalist employees in the Newspaper Industry started agitation for application of that Act to them. The Newspaper Employees of all over India formed the All India Newspaper Employees Federation, a national organisation, belonging to both sections of the industry. The Bombay and the Delhi unions of the Bennett Coleman and Co., joined the Federation from its inception. On the agitation made by the Federation, the Government of India appointed the two Wage Boards, one for journalists and another for non-journalists. As I have already stated in the beginning, both were under the Chairmanship of Mr. Justice Shinde (Retd.). The General Secretary of the unions, Shri S. Y. Kolhatkar, was nominated by the Federation as a representative of the non-journalist employees and the Government of India accepted this nomination and appointed him on the Board as a representative of the non-journalist employees.

14. The Federation submitted a petition on the 6th August, 1964 to the Wage Board for non-journalists to consider the question of payment of interim relief. In the post-war period, the industry has prospered greatly; but it was represented that payment made to the employees were miserable as compared with other industries. The Board referred the question of jurisdiction to the Government of India and—*vide* its notification, dated the 7th October, 1964—the Government said that the "Board shall also consider the demands for grant of interim relief to the non-journalist employees of the Newspaper establishments.....".

15. The Unions have given details about the Wage Board modifying its earlier resolution and stating that, where one establishment runs several News Papers of different classes, the employees of that establishment will be paid interim relief on the basis of the average of all those classes. As I have already mentioned, the Government of India accepted the modified recommendations of the Wage Board relating to the Interim Relief. They said in paragraph 2(3) of their resolution dated the 9th April, 1965:—

"In the case of group, multiple and chain newspapers of different class in the same establishments, the non-journalist employees should be given interim relief equal to the average of the quantum of the interim relief recommended for the different classes of newspapers in the said establishments.".

'In paragraph 3 of the same resolution, the Government of India said:—

"Government have decided to accept the recommendation of the Wage Board and to request the concerned employers to implement the same as early as possible"."

16. The unions have then given details of the correspondance which passed between the union and the management wherein the unions pressed for payment of the interim relief and the management refused to make the payments, mainly on the ground that the recommendations of the Wage Board in respect of the non-journalists were not statutorily binding upon the management.

17. The Union have further alleged that employees of Bennett Coleman and Company were compelled to resort to an indefinite strike with effect from the 17th February, 1967 when they went on sit down strike. During the period of strike the company took the stand that it did not pay interim relief because it (the company) was not covered within the recommendations of the Wage Board for non-journalists. The unions, therefore made representations to the Government of India that the question whether the recommendations of the non-journalist Wage Board were applicable to the Times of India establishment should be resolved by reference of the dispute for adjudication.

18. The unions have given figures in support of their statement that the Times of India has not been paying exhorbitant dearness allowance to its employees as contended by it and has further stated that, during the past ten years, the total gross revenue of the Times of India has increased from 3,06,75,517 in 1957 to 7,63,79,470 in 1966.

19. The Times of India management cannot claim exemption from the payment of interim relief to its employees and that too on the fallacious ground that the company is paying dearness allowance at a very high rate. The employer's representatives who were on the Board, also accepted the recommendations on behalf of the industry as a whole and, therefore, the said recommendations amount to a bipartite agreement between the Newspaper Employees on the one hand and the Newspaper management on the other and no employer can flout it under any pretext.

20. Shri P. K. Roy, the General Manager of the Times of India, was a member of the Wage Board when it was constituted on the 25th February, 1964 and remained a member of the Board until the 29th May, 1964 on which date he submitted his resignation. He did not claim at any time any special treatment for the Times of India.

21. In the course of their statement of claim, the unions had originally quoted demand No. 2 as follows:—

"Whether the non-journalist workmen of Bennett Coleman & Co. Ltd., are entitled to the payment of wages for the period of strike from February 17, 1967 and the period of lockout from February 27, 1967 to March 26, 1967".

In the course of the argument of Mr. Sule on their behalf, a slip was made over to me which quotes demand No. 2 as follows:—

"Whether the Bennett Coleman & Co. Ltd., was justified in not paying wages to its workmen, both in Bombay and Delhi, during the periods of strike commencing from the 17th February, 1967 and lock-out declared from the 27th February, 1967 to the 26th March, 1967. If not, to what relief are the workmen entitled?"

22. Mr. Phadkhe, appearing on behalf of the company, has argued that the unions made out a case in their original written statement that demand No. 2 also related only to non-journalists but they have tried subsequently to make out that demand No. 2 related to both journalists and non-journalists. On the other hand, Mr. Sule has argued that mistake in the original quotation is only a typing mistake because the typist has, instead of typing the first line of issue No. 2, typed the 1st line of issue No. 1. In my opinion, the other statements of the union in connection with issue No. 2 supports the submission of Mr. Sule.

23. In any case, the statement of claims filed by the unions proceeds further to state that the period of strike was from the 17th February, 1967 to the 26th February, 1967 and the period of lock-out by the management was from the 27th February, 1967 to the 26th March, 1967 and that all the employees in the Bombay and Delhi establishments went on an indefinite sit-down strike as per the notice given by the respective employees' unions to the management of Bennett Coleman and Company. This was entirely due to the illegal attitude of the management in refusing to implement the decision of the Wage Board in regard to interim relief inspite of the fact that "the entire industry in the country had implemented the said notification ungrudgingly and honoured the recommendation of the Wage Board". With regard to the working journalists, the Wage Board for journalists recommended interim relief. These recommendations were accepted by the Government of India and were notified under section 13A of the Working Journalist (Conditions of Service and Miscellaneous Provision) Act. Having been accepted by the Government of India, the recommendations became binding on the Times of India management under the statute and there was no justification for not implementing them. Instead of paying the interim relief, the management filed a petition in the High Court of Bombay on the 15th June, 1965, being miscellaneous petition No. 286 of 1966, although the recommendations were accepted by the Government of India as early as the 23rd November, 1964. The High Court admitted the petition but did not grant stay. Thus the High Court gave no authority to the company for non-payment of the statutory dues of the working journalists. The Government of India and the Government of Maharashtra also failed to take any step against the company for recovery of the lawful dues of the workmen. On these grounds, the strike by the working journalists was justified and must be held to have been provoked and forced on them by the company's own action.

24. The unions gave two notices of strike but, in a spirit of co-operation, withdrew those notices. It was only when they became helpless that they went on strike.

25. They have given details of the correspondence which passed between the unions and the management on the subject of interim relief in order to show that the unions made serious efforts to obtain relief by amicable means without going on strike.

26. Dr. R. C. Cooper was the Chairman of the Board of Directors of Bennett Coleman and Co., but he resigned his position. For this reason also, the unions had to defer their decision to go on strike. By October, 1966, the company Law Tribunal appointed Shri D. K. Kunte as the Chairman of the Board of Directors.

He gave the employees some hopes but ultimately nothing happened. At its meeting on the 8th February, 1967 at Delhi, the Board of Directors decided to fight the proposed strike of the workers and obtained legal advice. The company went to the extent of obtaining an ex-parte temporary injunction order from the City Civil Court of Bombay against the proposed strike by the workers. This was heard by the City Civil Court on the 15th and 16th February, 1967 when the ex-parte order of injunction was vacated for want of jurisdiction. The unions filed a revision petition in the High Court of Bombay and succeeded in getting that court to vacate all restraint orders of the City Civil Court against the strike by the workmen. This order was made at about 4.00 p.m. on the 17th February, 1967 and the workers went on strike at about 6 p.m. on that date.

27. The case of the unions further is that the strike was completely justified and it was legal in both Delhi and Bombay; and, therefore, the workers are entitled to full wages for the period of strike. On the contrary, the company resorted to lock-out from the 27th February, 1967 until the 26th March, 1967 merely in order to try and break the morale of the workmen and to weaken their action. The lock-out was totally unjustified. The reasons given for the lock-out in the notice issued by the management under the signature of the General Manager of the company for the Bombay Press and under the signature of the Branch Manager for the Delhi Press are fabricated, untrue and baseless. The lock-out was malafide and vindictive.

28. Though the unions have on their rolls the entire Watch and Ward Staff, Fire-Brigade staff and Medical staff, these staffs were exempted from the strike only for the purposes of maintaining peace and ensuring the security of the company's property and to allow essential services to run even during the strike by the workmen.

29. The management of the company has filed a written statement and a supplementary written statement. In the written statement, it has referred to the fact that the Government of Maharashtra referred the demands of the Times of India and Allied Publications Employees Union for adjudication to the Industrial Tribunal, Bombay, that the parties referred their disputes to Shri S. T. Desai for arbitration, that Shri S. T. Desai gave his arbitration award as a settlement, that the award was filed by the parties before the Industrial Tribunal on the 9th September, 1963 and that the Industrial Tribunal made its award in terms of that award, treating it as a settlement. On the agreement of the parties, Shri S. T. Desai fixed the period of operation of his award to be five years from the 1st August, 1962. The award given by Shri Desai has, however, not yet been terminated in accordance with the provisions of section 19 of the Industrial Disputes Act. The Wage Board for non-journalist employees is not a statutory body and its recommendations have no legally binding effect. The Wage Board made certain recommendations for payment of interim relief and the Central Government, by its notification published in the Gazette of India, dated the 24th April, 1965, requested the concerned employers to implement the same. The company's case is that the appointment of the Wage Board, its recommendations for interim relief, the notification of the Central Government accepting the said recommendations were all made during the period when the award of the Industrial Tribunal made in terms of Shri S. T. Desai's award was in operation in the company. The present reference dated the 4th July, 1967 was also made during the operation of the said award. Under the provisions of the Industrial Disputes Act, no valid reference of any dispute with regard to wages, dearness allowance or interim relief on account of wages or dearness allowance could be made during the period of operation of the previous award. The company, therefore, submits that demand No. 1 contained in the reference, made by the Central Government dated the 4th July, 1967 is illegal and invalid in law.

30. The strike and lockout came to an end on the 26th March, 1967 by virtue of a settlement of that date. The Memorandum of settlement which was drawn up shows that the only issue on which the workmen went on strike was the question of granting interim relief. By the settlement of the 26th March, 1967, the management agreed to pay to the workmen at Bombay and Delhi a sum of Rs. 9 lakhs as early as possible by way of advance of wages recoverable from the employees' wages in twelve equal monthly instalments commencing from the wages of September, 1967. The agreement further stipulated that the wages due to the workmen for the days during February, 1967 when they actually worked would be paid to them as early as possible. Nothing was stated in the agreement about the payment of interim relief or the payment of wages for the period of the strike and lockout. Thus the entire matter in dispute between the parties was concluded by the agreement and no outstanding dispute could be referred to the Tribunal under section 10(1A) of the Act. The agreement has not left any

question open. Hence the reference of the alleged dispute regarding interim relief is void and illegal in law. No such dispute survives after the settlement.

31. The 1st demand referred to this Tribunal involves the question of interpretation of the recommendations of the Wage Board for non-journalist employees and the company submits that such a question of interpretation is not an industrial dispute within the meaning of the Industrial Disputes Act. As the recommendations of the non-journalist Wage Board have no statutorily binding effect, no question of giving any relief in respect of these recommendations can arise.

32. The reference of the second question *i.e.* the question of payment of wages for the period of strike and lockout is invalid because of the settlement dated the 26th March, 1967. The settlement expressly provides for payment of wages for the number of days in February during which workmen actually worked. There is no reservation of the right of the workmen to agitate the question of wages for the period of strike and lockout. The agreement was expressly entered into to put an end to the strike and lockout and the company submits that the question of payment of wages for the strike and lockout period does not arise. The company has prayed that these are questions of a preliminary nature and they should be decided first.

33. In the supplementary written statement, the company has made several statements of fact which need not be repeated in this award. I must, however, refer to some of the statements made in it. It has stated that the company denies that the Government of Maharashtra or the Government of India approached the company to pay the interim relief. It further denies that any dispute regarding interim relief survives in view of the settlement dated the 26th March, 1967. It also denies that the sit-down strike resorted to by employees from the 17th February, 1967 onwards was peaceful or disciplined. The lockout declared by the company was not illegal; it was declared by the company after it had waited for ten days for the workmen to resume work and that too when the atmosphere became tense and the company feared breach of the peace and damage to its property. As the strike was sit-in strike, and as even the sanitary staff were on strike, the entire place became very unhygienic. The lockout was therefore the unavoidable consequence of the strike. It was lifted immediately after the union showed willingness to resume work. The strike was also illegal because it was resorted to during a time when the award of the Industrial Tribunal, Bombay, given in terms of Shri S. T. Desai's award was in operation.

34. The Government of India issued its notification in April, 1965, requesting the employers to implement the interim recommendations of the Wage Board. From that very month, the company made its stand quite clear to the effect that, in view of Shri S. T. Desai's award, there was no scope for the payment of any interim relief to its employees. Indeed, the employees ultimately resorted to strike during the General Election with a view to pressurise the company to make payment of the interim relief, knowing well that the newspapers' reputation would be seriously affected by the strike. Hence the strike at such a time was completely unjustified. . .

35. The claim for interim relief was mainly based on the rise of the cost of living index and on the fact that the wages of the workmen had remained more or less static, resulting in a great erosion of the real wages of the workmen. In most Newspapers establishments, there was no system of paying dearness allowance. Wherever dearness allowance was paid, it was ordinarily paid at fixed rates. So far as this company is concerned, dearness allowance was linked not only with the wages paid to the employees but also to the cost of living index in Bombay. The circumstances prevailing in this company, therefore, were quite different from those prevailing in other Newspapers concerned. The company submits that the wages paid by the company were the highest prevailing in the newspaper industry in the country. The company denies that the Newspaper industry has prospered substantially in the postwar period.

36. The company denies to have submitted any data from its Bombay or Delhi presses in compliance with the proforma issued by the Wage Board. No copy of such proforma is on the records of the company. In view of the different matters which the Wage Board has considered for the purpose of grant of interim relief, the company submits that in recommending the interim relief the Wage Board had in mind the concerns in which dearness allowance was not paid or, where the dearness allowance was paid, it was a flat rate of dearness allowance.

37. It has been pointed out that the rate of neutralisation prevailing in the company is the highest in the Newspaper industry. Further more, the question

what should be the rate of neutralisation can only arise in a claim for revision of dearness allowance and has no relevance in the present proceedings.

38. The Company denies that the employers' representatives on the Wage Board agreed to the resolution relating to interim relief after consulting the Organisation of the Newspaper Employers. The Company denies that Shri Upendra Acharya agreed to the resolution of interim relief as a result of concurrence of his organisation, The Indian and Eastern Newspaper Society. The company denies that any meeting was held by the Indian Newspaper Society on the question of interim relief.

39. It has not been denied that other Newspapers have implemented the recommendations regarding interim relief but it has been stated that they did so because most of them did not pay any dearness allowance or the dearness allowance, if any, was paid by them at a flat rate. In the case of the Hindu, the Mail, the Statesman, the Hindustan Times and Mathrabhoomi, dearness allowance is linked to the cost of living index figure, but the rate of neutralisation is not as high as that of this company. Furthermore, it is not known whether there was any binding award in these five concerns when the Wage Board recommendations for interim relief were made.

40. With reference to issue No. 2, the Company's case is that the strike was not at all justified. The Company denies that it had defied any notification of the Government of India.

41. When the Government of India accepted the Wage Board's recommendations relating to Interim Relief on the 24th April, 1965, the company made its stand known immediately. Thereafter there was no urgency for the workmen in February, 1967, to go on strike. The strike was resorted to at that time—the time of General Election—merely to put pressure upon the company.

42. The parties have not adduced any oral evidence. They have filed some documentary evidence which I may refer to whenever necessary. They have also filed some affidavits. Three affidavits have been filed on behalf of each party. The management has filed the affidavits of Shri D. K. Kunte who was appointed Chairman of M/s. Bennett Coleman & Co. Ltd., by order of the Company Tribunal dated the 14th October, 1966,—Shri P. K. Roy, General Manager of M/s. Bennett Coleman & Co. Ltd. and Shri V. G. Karnik, Personnel Manager of Bennett Coleman & Co. The first two affidavits were sworn on the 5th August, 1968 and the third affidavit was sworn on the 29th January, 1969.

43. The unions have filed the affidavit of Shri Shripad Yeshwant Kolhatkar who was appointed a member of the Wage Board, as representing the non-journalist employees of the Newspaper Industry. The appointment was made by the Government—*vide* its resolution No. WB-17(2)/63, dated the 25th February, 1964. He worked as a member of the Wage Board until January, 1965. Another affidavit which has been filed by the union is that of T. M. Nagarajan. He is the General Secretary of the Bennett Coleman & Co. Employees Union, Delhi and also the General Secretary of the Statesman Employees Union, Delhi. On the date on which he swore the affidavit, he was employed as a sub-editor in the Statesman, New Delhi. On the 7th January, 1966, the Government of India appointed him as a member of the Wage Board as representing the non-journalist workmen in the Newspaper Industry and he continued to be a member until the Wage Board submitted its final recommendation to the Government of India.

44. The third affidavit which the unions have filed is that of Shri K. L. Kapoor, General Secretary of the All India Newspaper Employees Federation, a Federation of the Trade Unions of the Newspaper Employees in the country. S/Shri Kolhatkar and Kapoor swore their affidavits on the 2nd August 1968 and Shri Nagarajan swore his affidavit on the 31st January, 1969.

45. I may briefly summarise the contents of the affidavits in the chronological order in which they were sworn.

46. Shri K. L. Kapoor has asserted that the All India Newspaper Employees Federation took up the question of Interim Relief with the Wage Board as soon as it was constituted. It submitted two statements of justification: one dated the 6th August, 1964 and the other later. Both these statements have been typed at pages 114 to 155 of the unions' statement of claim, Part I. Shri Kapoor has sworn that these statements are true copies of the statements which he signed on behalf of the All India Newspaper Employees Federation. He has further said that, sometime after issue of the Government notification, accepting the recommendations of the Wage Board for non-journalist employees, the Federation wrote letters

to the Central Government and the Government of Maharashtra bringing it to their notice that the Times of India Group of Publication did not implement the Wage Board's recommendations relating to interim relief. He has also proved that several documents, a list of which he has appended to his affidavit, are true and correct copies of the originals.

47. Shri Kolhatkar has stated in his affidavit that the Wage Board received as soon as it started functioning a representation from the All India Newspaper Employees' Federation asking it to recommend interim relief. At its meeting on the 29th August, 1964, the employers' representative raised an objection that the Board had no jurisdiction to consider the question of interim relief. The Wage Board, therefore, referred this question to the Central Government for clarification. By its notification No. WB-17(4)/64, dated the 7th October, 1964, the Government of India empowered the Wage Board to consider the question of interim relief. Thereafter, the All India Newspaper Employees' Federation filed two statements in justification of interim relief: one dated the 6th August, 1964 and the other later. The Wage Board discussed the statements and then circulated to all the Newspaper Establishments a proforma calling upon them to supply informations such as number of employees, basic pay, dearness allowance etc. This proforma was submitted to the Times of India Group of Newspapers also and, at the time when the Wage Board came to its final conclusion about interim relief, it had before it the information submitted by the Times of India Group of Newspapers.

48. Before summarising the affidavit of Shri Nagarajan, I give a summary of the statements made on affidavit on the 5th August, 1968 by Shri D. K. Kunte and Shri P. K. Roy. Shri D. K. Kunte has stated that he was appointed chairman by an order of the company Tribunal dated the 14th October, 1966, that he learnt that the Bennett Coleman & Co.'s stand was clear and that its contention was that, in view of the Desai Award, there was no validity in any demand for interim relief. So far as the working journalists were concerned, the company filed a writ petition in the Bombay High Court in June, 1965, challenging the validity of the order of the Central Government dated the 23rd November, 1964 regarding payment of interim relief to working journalists. The resolution of the Central Government dated the 9th April, 1965, was only a request and the company had made it clear in previous correspondence with the unions that it did not consider itself bound by that request. He denied Shri Kolhatkar's statement in paragraph 6 of his affidavit by saying that, at no time, he had given any assurance regarding interim relief. With reference to paragraph 7 of that affidavit, Shri Kunte has said that the legal opinion which the Board of Directors sought was as to the validity of the order of the Central Government dated the 23rd November, 1964. That order was in fact challenged by the writ petition in the High Court. The Board was advised further that the strike for which it received notice from the unions on the 1st February, 1967 would be illegal apart from being unjustified and hence it filed a suit to restrain the employees from going on strike. At the final hearing of the injunction matter, it was held that injunction could not be granted as it amounted to enforcing specifically a contract of service. The company's appeal against that order was not admitted and the employees immediately went on strike. He has further said that he does not recollect if Mr. Tidke, Labour Minister of the Government of Maharashtra, made any suggestion for arbitration or adjudication or for any *ad-hoc* payment. He has also said that no question was raised for payment of interim relief. As regards the question of payment of wages for the strike and lock-out period, he has stated that he wanted it to be made specially clear in the agreement that no such claim would be made and he told Mr. Hathi, the Minister of Labour, Employment adn Rehabilitation in the Government of India, accordingly on the 25th March, 1967 and Mr. Hathi also stated that the question of payment for the period of strike and lock-out should not arise. It was suggested that the workers should be allowed to adjust the salary of the strike period against leave, not exceeding 15 days due to them. He has further said that he consulted his colleagues on this suggestion and it was not acceptable to them. There was never any question of the company withdrawing the writ petition which it has filed in the Bombay High Court. Along with his affidavit, Shri D. K. Kunte has filed a letter addressed by him to Shri N. K. Tidke, a letter addressed by him to Shri Hathi and a letter addressed by Shri Hathi to Shri D. K. Kunte. I may quote an extract from letter No. 1254/LM/67 from Shri J. L. Hathi to Shri Kunte because the facts stated in it are illuminating. The extract is:—

> "During the discussions there was a hitch about the wages for strike and lock-out period. But because of the sincere desire on the part of both the parties a satisfactory formula was evolved. While the management was not prepared to pay wages for the strike and lock-out

period, you agreed to allow the workers to adjust the salary due to leave period not exceeding 15 days. This was really a happy solution which was arrived at. It was, however, unfortunate that Shri Kolhatkar wanted time to inform his colleagues at Bombay and to get the settlement ratified. For some reasons he, however, could not inform you before the morning of the 26th. In the meantime, you also thought of consulting some of your colleagues and were advised, as you told me, not to accept the last clause of adjustment of leave for 15 days towards their wages. The whole thing had thus come to a dead-lock. As you know, the workers had originally wanted that the question may be left open, but as a satisfactory solution had been found involving adjustment of leave period towards the wages the matter had been considered as settled".

49. Shri P. K. Roy has, in his affidavit, stated that he confirms the statements made in the preliminary and suplemental written statements filed by the company. The Chairman has made an affidavit relating to facts within his knowledge and he will confine himself to the rest of the facts mentioned in the affidavit of Mr. Kolhatkar. He says that he was nominated member of the two Wage Boards as representing the Indian and Eastern Newspaper Society and not as representing M/s. Bennett Coleman & Co. Shri H. L. Parvana was appointed a member of the Wage Board for non-journalist in place of Mr. Kolhatkar under Government resolution dated the 26th May, 1965. Bennett Coleman & Co. Ltd., did not make any representation to either of the two Wage Boards on the question of interim relief nor was it asked by either Wage Board to make any representation before it. The Indian and Eastern Newspaper Society strongly opposed the demand for interim relief. The companies attitude from the beginning was quite clear. It was to the effect that the Government's Resolution for payment of the interim relief being only a request was not binding upon the company. The company was not at all responsible for the strike which was illegal and unjustified. The employees chose the period of General Election to pressurise the company to submit to their unjust demands. It is not true that all the Newspaper establishments have implemented the recommendation of the two Wage Boards for payment of interim relief. It became necessary after he had patiently waited for 10 days, to declare a lock-out to avoid any breach of peace or injury to the property of the company, as the tension was mounting because of the stay-in-strike. In fact they also even shifted their office from their main building and set up a temporary office at Ritz Hotel, as it was not possible for the officers of the company to safely enter the premises or to work at the office. The entire building of the office had also become very insanitary and unhygienic because, even the sanitary staff was on strike.

50. Shri V. G. Karnik has stressed in his affidavit the second demand as quoted in the unions' statement of claims saying that this demand was clearly confined to non-journalist employees only. It has referred to paragraphs 21 and 83 of the unions' statement of claim and has said that the company confined itself for this reason to the question of wages payable to non-journalist employees only during the strike and lock-out period. It is also said that the word 'workmen' has been used in demand No. 2 in the same sense in which the same word has been used in demand No. 1. Besides, that word has to be understood in accordance with its definition in the Industrial Disputes Act. Working Journalists are not 'workmen' within the meaning of that term as defined in the Industrial Disputes Act. Furthermore, demand by working journalist for wages during the strike and lock-out period necessarily involves an adjudication into the justification of the legality of the payment of interim relief payable to the working journalists. The question of justification of the demand for the interim relief is pending before the Bombay High Court and hence it is difficult to discuss here matters which are sub-judice. The recommendations of the Wage Board for working journalists for payment of interim relief was statutorily binding under section 13-A of the Working Journalist Act. Hence, there were various remedies open to the working journalists to ensure payment of their demands. There was therefore no justification at all for them to go on strike. The strike by the working journalists was also unjustified for the following reasons. The Wage Board fixed the rate of interim relief for them subject to a minimum and maximum amount. The Wage Board also said that, if the emoluments of a working journalist consisting of basic pay plus dearness allowance and interim relief, if any already granted voluntarily on or after the constitution of the Wage Board *i.e.* the 12th November, 1963 exceeded the emoluments which the working journalists would be entitled to after adding the interim relief granted by the Wage Board to the basic pay and dearness allowance, his emoluments would not be affected by the recommendations.

51. I may just make it clear at this stage that what the Wage Board appears to have meant is that if any interim relief was given voluntarily or by agreement to a working journalist on or after the 12th November, 1963, the recommendation of the Wage Board for payment of interim relief would be reduced to the extent of the relief already granted. As no interim relief was granted by the management of Bennett Coleman & Co., to the working journalists who were its employees, after the 12th November, 1963, this clause cannot be held to have come into operation.

52. A copy of the petition filed in Miscellaneous petition No. 286 of 1965 in the High Court of Bombay has been attached to Shri Karnik's affidavit. Shri Karnik has added that, for the reasons mentioned in the petition, the notification of the Government of India dated the 23rd November, 1964 is illegal void and not binding upon the company. He has also filed a copy of an affidavit sworn by Mr. S. A. Seshan, the then Under Secretary to the Government of India in the Ministry of Labour and Employment and filed in the High Court; along with a copy of his own affidavit in reply. He has based certain arguments on the contents of those two affidavits and has concluded that, as the amount paid by the company to journalists employees is higher than the amount payable under the Wage rate order dated the 29th May, 1959 plus the interim relief granted under the notification dated the 23rd November, 1963, the said notification did not apply to the company. He has asserted that the learned Judge of the Bombay High Court who admitted the company's petition took the view that, since the union was not a party, it would not be right to grant ex-parte stay. He has further said that no other significance can be attached to the fact that no order of stay was granted. He has submitted that the working journalists are not entitled to any wages or other relief during the period of strike and lock-out.

53. In reply to Shri Karnik's affidavit, the unions have filed Shri Nagarajan's affidavit dated the 31st January, 1969. He has stated that the Government of India appointed him as a member of the Wage Board for the non-journalist workmen with effect from the 7th January, 1966 and that he continued to be its member until the Board submitted its final recommendations to the Government of India. There was a settlement between the parties on the 26th March, 1967 and he signed that document on behalf of the Delhi workmen. With reference to paragraph 2 of Shri Karnik's affidavit, he has stated in paragraph 8 of his affidavit that demand No. 2 was not confined to non-journalist employees only. Para 83 of the statement of claim filed by the unions on the 21st August 1967 was intended to record the terms of reference with regard to issue No. (b) but the typist inadvertently copied issue No. (a). It was within the knowledge of the Company that the question of wages for the strike and lock-out period payable to journalist as well as non-journalist employees was referred to the Tribunal.

54. With reference to paragraph 3 of Shri Karnik's affidavit, Shri Nagarajan has stated in paragraph 9 of his affidavit that, on a proper construction, demand No. 2 is not confined to non-journalist employees only. With reference to paragraph 4, Shri Nagarajan has denied that working journalists are not workmen within the meaning of the term in the Industrial Disputes Act. He also does not admit that the demand by working journalists for wages during the strike and lockout period necessarily involves an adjudication into the justification or legality of the payment of interim relief. Although he says that he has been advised not to make any reference to the propriety of the recommendations made by the Wage Board because the matter is sub-judice in the High Court of Bombay, he has stated on the company's own admission that the recommendations are statutorily binding and, since no stay has been granted, the company was bound to pay the interim relief to the journalist employees. He has denied that the strike resorted to by the working journalists was entirely unjustified and illegal as alleged by the company. Not having been paid their legal dues within a reasonable time, the working journalists were free to go on strike in order to press their demand for their just claim.

55. The company did not originally make the journalist workman parties in the writ petition which they filed in the High Court. It was much after filing the petition that the company impleaded the working journalists. Shri Nagarajan has stated with reference to paragraph 10 of Shri Karnik's affidavit that he has been advised not to make any comment on the affidavit of Shri Seshan as that is the subject matter of a petition in the High Court; but he has accepted Shri Seshan's statement that the Statesman, an 'A' class newspaper, has been paying to its non-journalist employees dearness allowance which is linked to the cost of living index. He has asserted that the dearness allowance is also linked to the basic pay slab of each employee in that paper.

56. Inspite of the fact that dearness allowance is linked to the cost of living index and the basic pay, the Statesman is paying the interim relief as ordered by the Wage Board to its employees.

57. I consider it necessary at this stage to take up for consideration the preliminary objections raised on behalf of the company. The first objection, as I have already mentioned, is that, so far as the workers in Bombay are concerned, the award of the Industrial Tribunal, Bombay, given in accordance with the award of Shri S. T. Desai, treating it as a settlement, was in operation on the date on which the non-journalist Wage Board's recommendation for payment of interim relief to the non-journalists came into being and hence it was invalid. In my opinion, there is no substance in this objection. The Wage Board did not grant any amount as interim relief. Shri Sule has, therefore, rightly, argued that the as such. No payment was being made to them from before in the shape of interim relief and, indeed, Shri S. T. Desai did not order the non-journalists to be paid any amount as interim relief. Shri Sule has, therefore, rightly, argued that the mere fact that the Wage Board gave an order which meant an increase to the non-journalist in their pay packet without particularising the basic salary or dearness allowance cannot be held to invalidate the wage board's recommendations for grant of interim relief to the non-journalists.

58. So far as the workmen of Delhi are concerned, Mr. Phadke admits that the award of Mr. Meher based upon that of Shri S. T. Desai cannot in law invalidate the present reference relating to them. He has argued, however, that this is a reference to a National Tribunal and, if reference relating to the workers of Bombay is invalidated, it becomes difficult to conclude that the Central Government was of the opinion that the reference should be made to a National Tribunal simply because of its effect upon the workers of Delhi. It is obvious that this argument has no force in view of the opinion which I have already expressed that the present reference relating to the workers in Bombay is not invalidated in view of the fact that the Wage Board has dealt with interim relief and not with basic salary or dearness allowance with which the Desai award dealt.

59. The agreement dated the 26th March, 1967, is on the record. It stipulated for payment of Rs. 9.00 Lakhs to the employees as an advance from their wages, the advance being recoverable in 12 equal monthly instalments. The agreement is completely silent about the payment or non-payment of interim relief. Although it has been stated in the agreement that the company would pay as quickly as possible the wages of the employees for the number of days in February during which they actually worked, it is completely silent about the payment of wages for the period of the strike and lockout. Whatever may be the position about the payment of wages for the period of strike and lockout, the omission to mention in the agreement about the payment or non-payment of the interim relief goes against the company. The employees specifically and expressly went on strike on the issue of payment of interim relief. If they had agreed to forego their claim for interim relief, they would have most certainly been asked to say so in the agreement. The company would not have remained satisfied merely with silence on the part of the employees in connection with this relief. As I will presently show, other circumstances also lead to a conclusion against the company on this point.

60. In so far as the payment of wages for the period of strike and lockout is concerned, the inferrence appears to be otherwise. As the parties specifically mentioned in the agreement that the workers would be paid the wages for the days in February during which they actually worked, they would have also said that payment would be made for the period of strike and lockout if there had been an agreement between the parties to that effect. As I will show later, the evidence filed by the parties also appear to lead to a conclusion against the workmen.

61. The objection of the company that the first issue referred to this Tribunal involves merely an interpretation of the recommendation of the Wage Board for non-journalist employees is equally without force. The question is not one of interpretation of the recommendations but the question is whether the recommendations of the Wage Board relating to interim relief should or should not be given effect to. There is therefore, no invalidity in the reference of the first issue to the Tribunal. The reference of the second issue namely the payment of wages for the period of strike and lockout is also not invalid because there is a dispute between the parties about this point which can certainly be decided by the Tribunal one way or the other.

62. It is necessary now to consider the two issues referred to me for adjudication in this case. I have quoted both issues together but I may quote once again each of the two issues separately, I first take up issue number (a) which is as follows:—

(a) Whether the non-journalist workmen of Bennett Coleman & Company Ltd., have been excluded by the Wage Board for non-journalists, for payment of interim relief in their recommendations notified by the Government of India in the Gazette of India, dated 24th April, 1965 [(Part 1, Section (i)]; if not to what relief are the non-journalist workmen entitled?

63. The admitted position is that the Wage Board for non-journalists has not excluded the Bennett Colemen & Co. Ltd., from its recommendations for payment of interim relief. In fact, Mr. Phadke has argued that the Central Government has cast this issue in a manner which does not represent the management's case at all. He says that the Central Government has picked up words suggested by the union at pages 56 to 58 of Vol. II, of the Unions' written statement. His specific submission is that the Wage Board has included Bennett Coleman & Co., in the recommendations which it made for payment of interim relief but, for several reasons, the company is not liable to make the payment. One reason, according to him, is that the management has already under the Meher or Desai award paid the workmen much higher amounts as total wages including basic wage and dearness allowance than the amount of Rs. 11.00 which has been recommended by the Wage Board to be paid to the non-journalists as interim relief. The second reason is that the Meher or Desai award came into operation from 1st August, 1962 and the Wage Board's recommendations for payment of interim relief came into effect from the 1st May, 1964, i.e., from a date on which the previous award was in operation. Hence it is invalid. The third reason is that the Wage Board for non-journalists has said in paragraph 5 of its recommendations as follows:—

"(5) If there be any agreement in force on the 1st May, 1964, between the Newspaper Establishments and their employees stipulating grant of interim relief subject to adjustments after the recommendations of Wage Board are brought into force, those agreements shall stand. If the interim relief already granted is less than recommended above, the non-journalist employees concerned shall get the difference of the two and if it is more than that recommended above then they shall continue to get the interim relief already granted to them".

64. It has been argued on this basis that, under the agreement in force between the parties in this case, the employees were getting on the 1st May, 1964 very much more on a permanent basis than the amount allowed by the Wage Board on a temporary basis as interim relief. That being so, it is said that the non-journalists are not entitled to get the interim relief in accordance with the recommendations of the Wage Board.

65. The fourth and last reason is that the Wage Board for non-journalists was a non-statutory Wage Board and hence its recommendations are not binding upon the management of Bennett Coleman & Co.

66. While elaborating the first point, Mr. Phadke has argued that dearness allowance is, under the Desai award, linked to the cost of living index and also to the slabs of increased basic pay of the workmen. The dearness allowance has gone from 61 per cent to 131 per cent though the cost of living index having now come down from 750.00 to 734.01, the dearness allowance has come down from 131 per cent to 129 per cent. Apart from the fact that the terms of reference do not entitle me to go into the question whether the workers of Bennett Coleman & Co. Ltd., were drawing more or less than adequate dearness allowance at the time when the recommendations for payment of interim relief were made, it seems to me that I cannot re-open the decision of the Wage Board which has been accepted by the Government of India. The Wage Board had doubtless sufficient materials before it including the information supplied by the companies on the proformas issued by it and, on the basis of those materials, they were led to their conclusions. I cannot sit in appeal over their recommendations. In this connection, I accept the statement on affidavit of Shri Kolhatkar to the effect that when the Wage Board came to its final conclusion about interim relief it had before it the information submitted by the Times of India Group of Newspapers.

67. I have already referred to the second point while dealing with the preliminary objection. As, I have mentioned. the recommendation for payment of interim relief cannot become invalid because it does not specifically relate to basic salary or dearness allowance.

68. As to the third point, Mr. Phadke has argued that the Wage Board could not have contemplated that even the employees of a company like Bennett Coleman and Company which was paying dearness allowance linked to the cost of living index in Bombay and also to the slabs of increment of the employees concerned should be called upon to pay interim relief. What the Wage Board has said in paragraph 5 which I have quoted above means, according to Mr. Phadke, that wherever an employee was in actual receipt either on a permanent or temporary basis of an amount larger or equivalent to the amount of interim relief recommended by the Board, the employee would get nothing further. I am unable to agree. In my opinion, the Wage Board's resolutions appear to be perfectly clear. The cry before it was for interim relief. What it has said in paragraph 5 is that, if interim relief of another amount was already being given under an agreement in force on the 1st May, 1964 to the employees of a company, that will be taken into consideration or, in other words, that will be deducted from the interim relief payable under the Wage Board's recommendations. If, of course, the interim relief which was being paid to the employees of that company was higher than the amount recommended by the Wage Board, no further interim relief was to be payable under the recommendations of the Board.

70. Coming now to the fourth point, it is certainly true that the Wage Board was a non-statutory Wage Board but there were representatives of employers as well as employees and independent persons on the Wage Board so that it was a body on which interested and independent parties were fully represented. The unions have stated that the recommendations as to the interim relief has been implemented by all the different press companies. The management has, in its written statement, denied this fact. Shri P. K. Roy has, in his affidavit, denied that all the newspaper establishments have implemented the recommendations of the two Wage Board for payment of interim relief but has not given a single example, referring to another newspaper establishment and saying that that particular establishment has not implemented the recommendations of either of the two Wage Boards. I, therefore accept the unions' case that all the newspaper establishments have implemented the recommendations relating to the interim relief.

71. The final recommendations of the Wage Board have also been made. They became effective from 1st January, 1968. By an agreement entered into on the 23rd April, 1968, Bennett Coleman and Company has accepted these recommendations to the extent of 70 per cent. That represents a much higher amount than the recommendation for interim relief. The question of payment of interim relief at the rate of Rs. 11.00 per month per worker remains only for a short period i.e. from 1st May, 1964 to 1st January, 1968. Taking all the facts and circumstances into consideration and taking further into consideration the fact that admittedly the Wage Board did not exclude Bennett Coleman & Company from its order for payment of interim relief, I think that the relief which the workers are entitled to is that the company should pay them the interim relief at the rate recommended by the Wage Board.

72. I now take up issue No. (b) which is as follows:—

> "Whether the Bennett Coleman & Company Limited was justified in not paying wages to its workmen, both in Bombay and Delhi, during the periods of strike commencing from the 17th February, 1967 and lock-out, declared from the 27th February, 1967 to the 26th March, 1967; if not, to what relief are the workmen entitled?"

73. The parties have made different statements as to what talks took place between them about the wages for the period of strike and lock-out. The most authentic statement on the point, however, is what has been stated by Shri J. L. Hathi in the letter which he wrote to Shri D. K. Kunte. I have already quoted the most important parts of his letter. It shows that there was a talk between the parties about wages for the period of strike and lock-out and that there was actually a hitch in this connection. The workers had originally wanted that the

question might be left open. The management was not prepared to pay wages for the strike and lock-out period but Shri Kunte personally agreed to allow the workers to adjust against wages for that period the leave salary due to them for a period not exceeding 15 days. Shri Kolhatkar took time to consult his colleagues but, for some reason, he could not given any information to the other party or others concerned in the matter until the morning of the 26th March, 1967. In the meantime, Shri Kunte consulted his own colleagues and they advised him not to accept the last clause relating to adjustment of leave salary to the extent of 15 days leave towards their wages for the strike and lock-out period. Thus the result was that there was no settlement in law or in fact though Shri Hathi has talked in his letter of there having been a settlement. I must, therefore, come to the conclusion that there was no agreement between the parties relating to the payment of wages for the strike and lock-out period.

74. Another fact which must be noted is that it is true that the unions wrote several letters to the management insisting upon the payment of interim relief as recommended by the Wage Board and the management always replied that they were not bound to make the payment but this was a case of recommendation by a non-statutory Wage Board. The unions ought to have waited until a reference was made to a Tribunal for adjudication in the matter. They should not have taken the extreme step of going on strike until there was a Tribunal's decision in their favour for payment of the interim relief. There was no particular hurry. The management had already made its position clear. No particular harm would have come to the workers if they had waited for sometime longer, awaiting a reference to a Tribunal and a decision of that Tribunal. On account of the hurry on the part of the unions, there seems to be truth in the management's case that the strike was resorted to at the time at which it was done because of the impending General Election in order to pressurise the company to submit to their demands. In this connection, I may refer to a decision of the Supreme Court in the Chandramalai estate, Ernakulam *Vrs.* Its workmen and another, reported in 1960(II) L.L.J. 243. In that case, their Lordships have observed that while strike is a legitimate and sometimes unavoidable weapon in the hands of labour, it is equally important to remember that indiscriminate and hasty use of this weapon should not be encouraged. The concerned workmen might well have waited for some time after conciliation efforts failed before starting a strike and, in the meantime, they could have asked the Government to make a reference. Hence, the concerned workmen should be held not to be entitled to any wages for the strike period.

75. Another important fact is that the workers went on a sit-in-strike. It is difficult to see why they should not have merely struck work but should have gone on a sit-in-strike. Such a strike partakes of the nature of tresspass. While the unions' case is that they did not ask the sanitary staff to go on strike, Shri P. K. Roy has stated in his affidavit that the sanitary staff was also on strike and the entire building of the office became unhygenic. He has also stated that he had to shift the office from the Times Building to the Ritz Hotel because tension was mounting and it was unsafe for officers of the company to attend the main office. In this connection, I may refer to a decision of Wanchoo C.J., and Modi J. of the Rajasthan High Court in Sadul Textile Mills Ltd., *Vrs.* their workmen and Industrial Tribunal, Jaipur, reported in 1958 (II) L.L.J. 628. Their Lordships have observed that, even without violence, a stay-in or sit-down strike is an invasion of the rights of the employer and there could be no justification for such a strike. By staging a stay-in-strike, the workers commit wrong and put themselves out of court even though they might not have actively committed acts of violence or sabotage. By remaining on the property, they practically deprive the employer of his property and also practically stop him from carrying on business with the help of others. There is, at the very least, an element of trespass upon the property of the employer in the case of a sit-down or stay-in-strike and such a strike must, therefore be held to be unjustified, whatever may be the justification of an ordinary strike in similar circumstances. Hence the workers participating in such a strike could not claim any wages for the strike period on the ground that the strike was for justified reasons.

76. It is unnecessary for me to decide whether this question relates only to non-journalist employees as alleged by the management or it relates to both journalist and non-journalist employees as alleged by the unions because my conclusion on a consideration of all the facts and circumstances is that none of

the strigers is entitled to wages for the period of strike and lock-out which actually followed as a result or consequence of the strike.

17. This is my award. It may be submitted to the Central Government under section 15 of the Industrial Disputes Act.

(v) If at any time a number of candidates equal to the number of persons to be elected has obtained the quota, such candidates shall be treated as elected, and no further steps shall be taken.

(vi) (1) Any candidate the value of whose parcel on the first preferences being counted, is equal to or greater than the quota, shall be declared elected.

(2) If the value of the papers in any such parcel is equal to the quota the papers shall be set aside as finally dealt with.

(4) (a) If the surplus of any candidate to be transferred arises from original votes only, the Secretary shall examine all the papers in the parcel belonging to the candidate whose surplus is to be transferred, and divide the unexhausted papers into sub-parcels according to the next preference recorded thereon. He shall also make a separate sub-parcel of the exhausted papers.

(b) He shall ascertain the value of the papers in each sub-parcel and of all the unexhausted papers.

(c) If the value of the unexhausted papers is equal to or less than the surplus he shall transfer all the unexhausted papers at the value at which they were received by the candidate, whose surplus is being transferred.

(d) If the value of the unexhausted papers is greater than the surplus, he shall transfer the sub-parcel of unexhausted papers and the value at which each paper shall be transferred shall be ascertained by dividing the surplus by the total number of unexhausted papers.

(5) If the surplus of any candidate to be transferred arises from transferred as well as original votes the Secretary shall re-examine all the papers in the sub-parcel last transferred to the candidate and divide the unexhausted papers into sub-parcels according to the next preferences recorded thereon. He shall thereupon deal with the sub-parcels in the same manner as is provided in the case of the sub-parcels referred to in sub-clause (4).

(6) The papers transferred to each candidate shall be added in the form of a sub-parcel to the papers already belonging to such candidate.

(7) All papers in the parcel or sub-parcel of an elected candidate not transferred under this sub-clause shall be set aside as finally dealt with.

(viii) (1) If after all surpluses have been transferred, as hereinbefore directed less than the number of candidates required has been elected, the Secretary shall exclude from the poll the candidate lowest on the poll and shall distribute his unexhausted papers among the continuing candidates according to the next preferences recorded thereon. Any exhausted papers shall be set aside as finally dealt with.

(2) The papers containing original votes of an excluded candidate shall first be transferred, the transfer value of each paper being one hundred.

(4) Each of such transfers shall be deemed to be a separate transfer.

(5) The process directed by this regulation shall be repeated on the successive exclusions one after another of the candidates lowest on the poll until the last vacancy is filled either by the election of a candidate with the quota or as hereinafter provided.

(ix) If as the result of a transfer of papers under this clause, the value of the votes obtained by a candidate is equal to or greater than the quota, the transfer then proceeding shall be completed, but no further papers shall be transferred to him.

(x) (1) If after the completion of any transfer under this clause, the value of the votes of any candidate shall be equal to or greater than the quota he shall be declared elected.

(2) If the value of the votes of any such candidate shall be equal to the quota, the whole of the papers on which such votes are recorded shall be set aside as finally dealt with.

(3) If the value of the votes of any such candidate shall be greater than the quota, his surplus shall thereupon be distributed in the manner hereinbefore provided before the exclusion of any other candidate.

(xi) (1) When the number of the continuing candidates is reduced to the member of vacancies remaining unfilled the continuing candidates shall be declared elected.

(2) When only one vacancy remains unfilled and the value of the votes of one of the continuing candidates exceeds the total value of all the votes of the other continuing candidates, together with any surplus not transferred, that candidate shall be declared elected.

(3) When only one vacancy remains unfilled and there are only two continuing candidates, and those two candidates have each the same value of votes and no surplus remains capable of transfer, one candidate shall be declared excluded under the next succeeding sub-clause and the other declared elected.

(xii) If, when there is more than one surplus to distribute two or more surpluses are equal, or if at any time it becomes necessary to exclude a candidate and two or more candidates have the same value of votes and are lowest on the poll, regard shall be had to the original votes of each candidate, and the candidate for whom fewest original votes are recorded shall have his surplus first distributed, or shall be first excluded as the case may be. If the values of their original votes are equal, the Secretary shall decide by lot which candidate shall have his surplus distributed or be excluded.

LOK SABHA

The following Bills were introduced in Lok Sabha on the 18th April, 1969:—

BILL No. 33 OF 1969

A Bill further to amend the Constitution of India.

BE it enacted by Parliament in the Twentieth Year of the Republic of India as follows:—

Short title and Commencement.

1. (1) This Act may be called the Constitution (Amendment) Act, 1969.

(2) It shall come into force on such date as the Central Government may, by notification in the Official Gazette, appoint

Amendment of article 39

2. In article 39 of the Constitution, after clause (f), the following clause shall be added, namely:—

"(g) that childhood and youth are provided with compulsory moral teaching in every educational institution wholly maintained or receiving aid out of State funds."

STATEMENT OF OBJECTS AND REASONS

The children and youth of today are the future hope of the country. The growing indiscipline in the youth of the country is not a happy sign. They require proper moral instructions which would go a long way in building their character. The educational policy of the country should thus be directed in finding a remedy for this shortcoming. This can only be attained by making provision for imparting compulsory moral teachings in all educational institutions maintained or given aid out of the State funds. This view is also supported by the report of the Education Commission.

Hence the Bill.

BILL NO. 32 OF 1969

A Bill further to amend the Constitution of India.

BE it enacted by Parliament in the Twentieth Year of the Republic of India as follows:—

1. (*1*) This Act may be called the Constitution (Amendment) Act, 1969. Short title and Commencement.

(*2*) It shall come into force on such date as the Central Government may, by notification in the Official Gazette, appoint.

2. In article 39 of the Constitution, after clause (*f*), the following clause shall be added, namely:— Amendment of article 39

"(*g*) that conversion from one religion to another sought to be attained by threat, undue influence, allurement or wrongful inducement is not permitted."

STATEMENT OF OBJECTS AND REASONS

One of the Fundamental Rights enshrined in the Constitution is the right to profess, practise and propagate religion of one's choice.

Conversion from one religion to another done by free consent and will cannot be questioned. But State protection is required where it is sought to be attained by threat, undue influence, allurement or wrongful inducement. The importance of providing this protection to Scheduled Castes and Scheduled Tribes is all the more necessary and cannot be ignored. The policy of the State should be directed to achieve this aim.

Hence this Bill.

अनुसूची

भाग—(क)

[परिशिष्ट II की धारा II की उप-धारा (क) के अनुसार]

1. **निबंध**—उम्मीदवारों से एक निबंध लिखने की अपेक्षा की जाएगी। चुनाव के लिये कई विषय दिये जायेंगे। उनसे आशा की जायगी कि वे निबंध के विषय की परिधि में ही अपने विचारों को क्रम से व्यवस्थित करें और संक्षेप में लिखें। प्रभावपूर्ण और ठीक-ठीक भावाभिव्यक्ति की प्रश्रम दिया जायगा।

2. **सामान्य अंग्रेजी**—प्रश्न इस प्रकार के होंगे जिनसे उम्मीदवारों के अंग्रेजी भाषा के ज्ञान तथा शब्दों के सुन्दर उपयोग की सामर्थ्य का पता चले। कुछ प्रश्न इस प्रकार के भी रखे जायेंगे जिससे उनकी तर्कशक्ति, उनकी निहितार्थ को ग्रहण कर सकने की सामर्थ्य तथा महत्वपूर्ण और कम महत्व वाले कार्य में अन्तर समझ सकने की योग्यता की परीक्षा हो सके। जैसा कि आमतौर पर होता है संक्षेप सार-लेखन के लिए लेखांक दिए जायेंगे। संक्षिप्त एवं प्रभावपूर्ण अभिव्यक्ति के लिए श्रय दिया जाएगा।

3. **सामान्य ज्ञान**—सामयिक घटनाओं के, और ऐसी बातें जो प्रतिदिन देखते और अनुभव करते हैं, उसके वैज्ञानिक दृष्टि से ज्ञान सहित जिसकी ऐसी शिक्षित व्यक्ति से आशा की जा सकती है कि जिसने वैज्ञानिक विषय का विशेष अध्ययन न किया हो। इस प्रश्न पत्र में भारतीय इतिहास और भूगोल के ऐसे प्रश्न भी होंगे जिनका उत्तर उम्मीदवारों को विशेष अध्ययन के बिना ही आना चाहिए। इस प्रश्न पत्र में महात्मा गांधी के उपदेशों से सम्बन्धित प्रश्न भी होंगे :

भाग (ख)

[परिशिष्ट 2 की धारा 1 की उप-धारा (ख) के अनुसार]

व्यक्तित्व परीक्षा—एक बोर्ड उम्मीदवार का इंटरव्यू लेगा। इस बोर्ड के सामने उम्मीदवार के कैरियर का वृत होगा। उससे सामान्य रुचि की बातों पर प्रश्न पूछे जायेंगे। यह इंटरव्यू इस उद्देश्य से होगा कि सक्षम और निष्पक्ष प्रेक्षकों का बोर्ड यह जान सके कि जिस सेवा या सेवाओं के लिये उम्मीदवार ने आवेदन-पत्र दिया है, उसके/उनके लिये वह व्यक्तित्व की दृष्टि से उपयुक्त है या नहीं। यह परीक्षा उम्मीदवार की मानसिक क्षमता को जांचने के अभिप्राय से की जाती है। मोटे तौर पर इस परीक्षा का प्रयोजन वास्तव में न केवल उसके बौद्धिक गुणों का, अपितु उसके सामाजिक लक्षणों और सामाजिक घटनाओं में उसकी रुचि का भी मूल्यांकन करना है। इसमें उम्मीदवार की मानसिक सतर्कता आलोचनात्मक ग्रहण-शक्ति, स्पष्ट और तर्कसंगत प्रतिपादन करने की शक्ति, सन्तुलित निर्णय की शक्ति रुचि की विविधता और गहराई, नेतृत्व और सामाजिक संगठन की योग्यता, बौद्धिक और नैतिक ईमानदारी आदि की भी जांच की जाती है।

2. इंटरव्यू में पूरी तरह से प्रति परीक्षा (Cross Examination) की प्रणाली नहीं अपनाई जाती। उसमें स्वाभाविक वार्तालाप के माध्यम से उम्मीदवार के मानसिक गुणों का उद्घाटन करने का प्रयत्न किया जाता है, परन्तु यह वार्तालाप एक विशेष दिशा में और एक विशेष प्रयोजन से किया जाता है।

3. व्यक्तित्व परीक्षा उम्मीदवारों के विशेष या सामान्य ज्ञान की जांच करने के प्रयोजन से नहीं की जाती, क्योंकि उनकी जांच तो लिखित प्रश्न-पत्रों में पहले ही हो जाती है। उम्मीदवारों से आशा की जाती है कि वे केवल अपने विद्याध्ययन के विशेष विषयों में ही समझ-बूझ के साथ रुचि न लें, परन्तु वे उन घटनाओं

में भी, जो उनके चारों ओर अपने राज्य या देश के भीतर और बाहर घट रही है, तथा आधुनिक विचारधाराओं में और उन नई खोजों में भी रुचि ले जो एक सुशिक्षित युवक में जिज्ञासा उत्पन्न करती है ।

नोट 1—परखाधीन अधिकारियों की सेवा जूनियर मान में कम-से-कम वेतन से प्रारम्भ होगी और वेतन-वृद्धि के प्रयोजन से, वह उनकी कार्य-ग्रहण की तारीख से गिनी जायेंगी। परन्तु उन्हें निर्धारित विभागीय परीक्षा या परीक्षाएं पास करनी होंगी। और उसके बाद ही उनका वेतन समय-मान में रु० 400 प्रतिमास से रु० 450 प्रतिमास किया जा सकेगा।

यदि परखाधीन अधिकारी अपने परख और प्रशिक्षण की अवधि के पहले दो वर्षों में, विभागीय परीक्षाएं पास नहीं कर सकेगा तो रु० 400 से 450 तक की उसकी वेतन-वृद्धि रोक दी जाएगी और परख-अवधि बढ़ा दी जाएगी। जब यह विभागीय परीक्षाएं पास कर लेगा और उसके बाद जब पक्का हो जाएगा तो अन्तिम विभागीय परीक्षा समाप्त होने की तारीख के बाद अगले दिन से उसका वेतन समय-मान में उस अवस्था पर नियत कर दिया जाएगा जो उसे अन्यथा मिला होता पर उसे वेतन का बकाया नहीं मिलेगा। ऐसे मामलों में, भावी वेतन-वृद्धियों की तारीख पर कोई प्रभाव नहीं पड़ेगा।

परख-अवधि में, परखाधीन अधिकारी ज्यों ही निर्धारित परीक्षाएं पास कर लेगा, त्यों ही उसको रु० 400 से 950 के जूनियर मान में रु० 400 से रु० 450 और रु० 450 से रु० 480 की अग्रिम वृद्धियां मिल सकेंगी। अग्रिम वृद्धियां मिलने के बाद, सेवा के वर्ष को ध्यान में रखते हुए अधिकारी को वेतनमान में उसकी सामान्य स्थिति के अनुसार, विनियमित कर दिया जायेगा।

यदि कोई परखाधीन अधिकारी राष्ट्रीय प्रशासनिक एकादमी, मसूरी की पाठ्यक्रमान्त परीक्षा पास नहीं करता तो जिस तारीख को उसे पहले वेतन-वृद्धि प्राप्त होती उस तारीख से एक वर्ष के लिए स्थगित कर दी जायेगी अथवा विभागीय नियमों के अन्तर्गत उससे जब दूसरी वेतन-वृद्धि प्राप्त होने वाली हो और इन दोनों में से जो भी अवधि पहले पड़े तब तक स्थगित रहेगी।

नोट 2—जो व्यक्ति पहले से ही सरकारी सेवा में होंगे, परखाधीन अधिकारी के रूप में उनको नियुक्ति होने पर, उनका वेतन समय-समय पर लागू होने वाले नियमों और विनियमों के अनुसार नियत किया जाएगा।

नोट 3—नीचे जो प्रशिक्षण का कार्यक्रम दिया गया है वह मुख्य रूप से मार्ग-दर्शन के प्रयोजन से बनाया गया है। इसमें महाप्रबंधकों द्वारा अपने निर्णय के अनुसार स्थिति-विशेष को ध्यान में रखते हुए परिवर्तन किये जा सकते हैं, परन्तु सामान्यतया प्रशिक्षण की कुल अवधि घटाई नहीं जानी चाहिए।

उम्मीदवारों की शारीरिक परीक्षा के बारे में विनियम

टिप्पणी—1. ये विनियम उम्मीदवारों की सुविधा के लिए प्रकाशित किए जाते हैं और इसलिए प्रकाशित किए जाते हैं ताकि वे यह सुनिश्चित कर सकें कि उनका शारीरिक स्तर अपेक्षित स्तर तक का है। इन अधिनियमों का यह भी ध्येय है कि स्वास्थ्य परीक्षकों को ऐसे उम्मीदवारों को जो अधिनियमों में निर्धारित न्यूनतम आवश्यकताओं को पूर्ण न करता हो स्वास्थ्य परीक्षकों द्वारा अरोग्य घोषित न हो जाए मार्ग दर्शा सकें। तथापि, यह जानते हुए कि उम्मीदवार इन अधिनियमों में दी हुई शर्तों के अनुसार अरोग्य नहीं है स्वास्थ्य बोर्ड को आज्ञा होगी कि भारत सरकार को स्पष्ट रूप से कारण लिख कर सिफारिश करें जिस से वह बिना असुविधा के सेवा में भर्ती किया जा सकता है।

2. तथापि, यह भी स्पष्टतया समझ लेना चाहिए कि स्वास्थ्य बोर्ड की रिपोर्ट पर विचार करने के पश्चात भारत सरकार को किसी भी उम्मीदवार को स्वीकार करने तथा अस्वीकार करने का पूर्ण अधिकार है।

1. नियुक्ति के योग्य ठहराये जाने के लिये यह जरूरी है कि उम्मीदवार का मानसिक और शारीरिक स्वास्थ्य ठीक हो और उम्मीदवार में कोई ऐसा शारीरिक दोष न हो जिसे नियुक्ति के बाद दक्षतापूर्वक काम करने में बाधा पड़ने की संभावना हो।

2. (क) भारतीय (एंग्लो-इंडियन समेत) जाति के उम्मीदवारों के आयु, कद और छाती के घेर के परस्पर संबंध के बारे में मेडिकल बोर्ड के ऊपर ही यह बात छोड़ दी गई है कि वह उम्मीदवारों की परीक्षा में मार्ग-दर्शन के रूप में जो भी परस्पर संबंध के आंकड़े सबसे अधिक उपयुक्त समझे, व्यवहार में लाए। यदि वजन, कद और छाती के घेर में विषमता हो तो जांच के लिए उम्मीदवार को अस्पताल में रखना चाहिए और छाती का एक्स-रे लेना चाहिए। ऐसा करने के बाद ही बोर्ड उम्मीदवार को योग्य अथवा अयोग्य करेगा।

विभिन्न सेवाओं का वर्गीकरण दो श्रेणियों "तकनीकी तथा अतकनीकी" के अधीन इस प्रकार से होगा :—

क—**तकनीकी**

(1) रेलवे इंजीनियरी सेवा (सिविल, विद्युत यांत्रिक तथा सिग्नल) भारतीय रेलवे यातायात सेवा, विशेष श्रेणी रेलवे अप्रेंटिस, और समुद्री विभाग के पद।

"गोरखा, गढ़वाली, असमी, नागालैंड आदिम जातियों आदि से संबंधित उम्मीदवारों के मामले में न्यूनतम निर्धारित कद की लम्बाई में छूट दी जा सकेगी जिनकी औसत कद की लम्बाई दूसरों से छोटी होती है।"

3. उम्मीदवार का कद निम्नलिखित विधि से नापा जायेगा:—

वह अपने जूते उतार देगा और उसे माप-दंड (स्टैंडर्ड) से इस प्रकार सटा कर खड़ा किया जायेगा कि उसके पांव आपस में जुड़े रहें और उसका वजन, सिवाए एड़ियों के, पांवों की उंगलियां या किसी और हिस्से पर न पड़े। वह बिना अकड़े सीधा खड़ा होगा और उसकी एड़ियां, पिंडलियां, नितंब और कंधे माप-दंड के साथ लगे होंगे। उसकी ठोड़ी नीची रखी जाएगी ताकि सिर का स्तर (बटैक्स आफ दि हैड लेवल) हारिजैंटल बार (आड़ी छड़) के नीचे आ जाए। कद सेंटीमीटरों और आधे सेंटीमीटरों में नापा जाएगा।

(4) उम्मीदवार की छाती नापने का तरीका इस प्रकार है :—

उसे इस भांति सीधा खड़ा किया जायेगा कि उसके पांव जुड़े हों और उसकी भुजाएं सिर से ऊपर उठी हों। फीते को छाती के गिर्द इस तरह लगाया जायेगा कि पीछे की ओर इसका ऊपरी किनारा असफलक (शोल्डर ब्लेड) के निम्न कोणों (इन्फीरियर-एंगल्स) से लगा रहे और यह फीते को छाती के-गिर्द ले जाने पर उसी आड़े समतल (हारिजैंटल प्लेन) में रहे। फिर भुजाओं को नीचे किया जायेगा और इन्हें शरीर के साथ लटका रहने दिया जायेगा किन्तु इस बात का ध्यान रखा जाएगा कि कंधे ऊपर या पीछे की ओर न किये जाएं जिससे कि फीता न हिले। अब उम्मीदवार को कई बार गहरा सांस लेने के लिए कहा जायेगा और छाती का अधिक-से-अधिक फैलाव गौर से नोट किया जायेगा और कम-से-कम और अधिक-से-अधिक फैलाव सेंटीमीटरों में रिकार्ड किया जायेगा, 84–89, 86–93.5 आदि नाम को रिकार्ड करते समय आधे सेंटीमीटर से भिन्न फ़ेक्शन को नोट नहीं करना चाहिए।

5. उम्मीदवार का वजन भी लिया जायेगा और उसका वजन किलोग्रामों में रिकार्ड किया जायेगा। आधे किलोग्राम से कम के फ़ेक्शन को नोट नहीं करना चाहिए।

6. (क) उम्मीदवार की नजर की जांच निम्नलिखित नियमों के अनुसार की जायेगी। प्रत्येक जांच का परिणाम रिकार्ड किया जायेगा :—

(ख) चश्मे के बिना नजर (नेकेड आई विजन) की कोई न्यूनतम सीमा (मिनिमम लिमिट) नहीं होगी, किन्तु प्रत्येक केस में मेडिकल बोर्ड या अन्य मेडिकल प्राधिकारी द्वारा इसे रिकार्ड किया जायेगा क्योंकि इससे आंख की हालत के बारे में मूल सूचना (बेसिक-इन्फार्मेशन) मिल जायेगी।

(ग) विभिन्न प्रकार की सेवाओं के लिये चश्मे के साथ और चश्मे के बिना दूर और नजदीक की नजर का मानक निम्नलिखित होगा :

सेवा की श्रेणी	दूर की नजर		नजदीक की नजर	
	अच्छी आंख	खराब आंख	अच्छी आंख	खराब आंख
	(ठीक की हुई दृष्टि)		(ठीक की हुई दृष्टि)	
वर्ग I और II				
(I) तकनीकी	6/6 या 6/9	6/2 या 6/9	जे० 1	जे० 2
(II) अतकनीकी	6/9	6/12	जे० 1	जे० 2

(घ) आयोगिता के प्रत्येक मामले में, फंडस परीक्षा की जानी चाहिये और उसका परिणाम रिकार्ड किए जाने चाहिये। व्याधिकृत दशा मौजूद होने पर जो कि बढ़ सकती है और उम्मीदवार की दक्षता पर प्रभाव डाल सकती है, उसे अयोग्य घोषित किया जाए।

(ङ) **दृष्टिक्षेत्र**—सभी सेवाओं के लिये सम्मुखन विधि (कन्फ्रेंटेशन मैथड) द्वारा दृष्टि क्षेत्र की जांच की जाएगी। जब ऐसी जांच का नतीजा असंतोषजनक या संदिग्ध हो तब दृष्टि-क्षेत्र को परिभाषी (पैरामीटर) पर निर्धारित किया जाना चाहिये।

(च) **रतौंधी (नाइट ब्लाइंडनेस)**—साधारणतया रतौंधी दो प्रकार की होती है, (1) विटामिन "ए" की कमी होने के कारण और (2) रेटीना के शारीरिक रोग के कारण रेटीनीटिस पिगमेन्टोसा होता है। जिसका सामान्य कारण ऊपर बताई गई (1) की स्थिति में फंडस में प्रसामान्य होता है, साधारणतया छोटी आयु वाले व्यक्तियों में और कम खुराक पाने वाले व्यक्तियों में दिखाई देता है और अधिक मात्रा में विटामिन "ए" के खाने से ठीक हो जाता है। ऊपर बताई गई (2) की स्थिति में फंडस में खराबी होती है और अधिकांश मामलों में केवल फंडस की परीक्षा से ही स्थिति का पता चल जाता है। इस श्रेणी का रोगी प्रौढ़ होता है और खुराक की कमी से पीड़ित नहीं होता है। सरकार में ऊंची नौकरियों के लिए प्रयत्न करने वाले व्यक्ति इस वर्ग में आते हैं।

उपर्युक्त (1) और (2) दोनों के लिये अंधेरा अनुकूलन परीक्षा से स्थिति का पता चल जायगा। उपर्युक्त (2) के लिये विशेषतया जब फंडस खराब न हो तो इलैक्ट्रो-रेटीनोग्राफी किए जाने की आ-

वश्यकता होती है । इन दोनों जांचों में (अंधेरा अनुकूलन और रेटनोग्राफी) में समय अधिक लगता है और विशेष प्रबन्ध और सामान की आवश्यकता होती है और इसलिये साधारण चिकित्सक जांच के लिये यह समय नहीं है। अतकनीकी बातों को ध्यान में रखते हुए मंत्रालय । विभाग को चाहिये कि वे बताएं कि रतौंधी के लिए इन जांचों का करना अनिवार्य है या नहीं । यह बात इस बात पर निर्भर होगा कि पद से सम्बन्ध काम की आवश्यकता क्या है और जिन व्यक्तियों को सरकारी नौकरी दी जाने वाली उनकी ड्यूटी जिस तरह की होंगी।

(छ) **कलर विजन**—उम्मीदवारों को स्वास्थ्य परीक्षा के लिये सम्बन्धित मंत्रालय। विभाग को भेजते समय स्वास्थ्य परीक्षा बोर्ड को यह सूचना देनी होगी कि उम्मीदवार तकनीकी सेवा के लिये है (जिस में क्षेत्र सेवा भी शामिल है) और कलर विजन परीक्षा की आवश्यकता है या अतकनीकी सेवा के लिये है और कलर विजन परीक्षा की आवश्यकता नहीं है। सभी तकनीकी सेवाओं में कलर विजन परीक्षा आवश्यक नहीं हो सकती है और सम्बोधित मंत्रालय। विभाग को यह निर्णय करना होगा और स्वास्थ्य परीक्षा के समय स्वास्थ्य परीक्षा बोर्ड को सूचित करना होगा । रेलवे मेडिकल और सुरक्षा दल सेवा में नियुक्त होने वाले वर्ग 1 और वर्ग II के सभी उम्मीदवारों को कलर विजन जांच में पास होना आवश्यक है।

(ज) दृष्टि की पकड़ से भिन्न आंख की अवस्थाएं (आक्युलर कंडीशन्स)—

(i) आंख की उस बीमारी को या बढ़ती हुई वर्तन त्रुटि (प्रोग्रेसिव रिफ्रेक्टेव एरर) को, जिस के परिणामस्वरूप दृष्टि की पकड़ के कम होने की सम्भावना हो, अयोग्यता का कारण समझना चाहिये।

(ii) भगापन (स्क्विंट)—तकनीकी सेवाओं में, जहां द्विनेत्री (बाइनाकुलर) दृष्टि का होना अनिवार्य हो, दृष्टि की पकड़ निर्धारित स्तर की होने पर भी भेंगापन को अयोग्यता का कारण समझना चाहिये। यह रेलवे सुरक्षा दल के उम्मीदवारों के लिये भी लागू होगा । दृष्टि की पकड़ निर्धारित स्तर की होने पर भेंगापन को अन्य सेवाओं के लिये अयोग्यता के कारण नहीं समझना चाहिये।

(iii) एक आंख वाले व्यक्ति—एक आंख का साधारण प्रभाव यह होता है कि यह स्ट्रिओस्कोपिक विजन या ग्रहण शक्ति की गहराई पर प्रभाव डालती है। इस प्रकार की नजर (बहुत से सिविल पदों के लिये आवश्यक नहीं है। इस लिये स्वास्थ्य परीक्षा बोर्ड ऐसे एक आंख वाले व्यक्तियों को सिफारिश कर सकता है जिन के लिये उसे संतोष है कि वह सब कार्यों को कर सकता है जिस विशेष नौकरी के लिये वह उम्मीदवार है यद्यपि उस की काम करने वाली आंख की दृष्टि पकड़ 6/6 दूर की नजर के लिये और 0–6 नजदीक की नजर के लिये हो और वर्तनत्रुटि (रिफरेक्टिव एरर) 4–00 डी० से कम या अधिक न हो।

(2) **कोन्टैक्ट लेंस** (Contact Lenses) :

उम्मीदवार की स्वास्थ्य परीक्षा के समय कोन्टैक्ट लैंस के प्रयोग की आज्ञा नहीं होगी । आंख की जांच करते समय यह आवश्यक है कि दूर की नजर के लिये टाइप किए हुए अक्षर 16 फुट से प्रकाशित हों ।

(7) **ब्लड प्रेशर**

ब्लड प्रेशर के सम्बन्ध में बोर्ड अपने निर्णय से काम लेगा। नार्मल उच्चतम सिस्टालिक प्रेशर के आकलन की काम चलाऊ विधि नीचे दी जाती है।

(i) 15 से 25 वर्ष के व्यक्तियों में औसत ब्लड प्रेशर लगभग 100+आयु होता है ।

(ii) 25 वर्ष से ऊपर की आयु वाले व्यक्तियों में ब्लड प्रेशर के आकलन का सामान्य नियम यह है कि 110 में आधी आयु जोड़ दी जाये। यह तरीका बिल्कुल संतोषजनक दिखाई पड़ता है।

ध्यान दीजिए—सामान्य नियम के रूप में 140 से ऊपर के सिस्टालिक प्रेशर को और 90 से ऊपर के डायस्टालिक प्रेशर को सदिग्ध मान लेना चाहिए, और उम्मीदवार को योग्य या अयोग्य ठहराने के सम्बन्ध में अपनी अंतिम राय देने से पहले बोर्ड को चाहिए कि उम्मीदवार को अस्पताल में रखे। अस्पताल में रखने की रिपोर्ट से यह पता लगाना चाहिये कि घबराहट (एक्साइटमेंट) आदि के कारण ब्लड प्रेशर थोड़े समय रहने वाला है या इसका कारण कोई कायिक (आर्गेनिक बीमारी) है, [ऐसे सभी केसों में हृदय की एक्सरे और विद्युत् हृल्लेखी (इलेक्ट्रोकार्डियोग्राफ़िक) परीक्षाएं और रक्त यूरिया निकास (लोयरेंस) की जांच भी नेमी रूप से की जानी चाहिए। फिर भी उम्मीदवार को योग्य होने या न होने के बारे में अंतिम फैसला केवल मेडिकल बोर्ड ही करेगा।]

ब्लड प्रेशर (रक्तदाब) लेने का तरीका

नियमतः पारेवाले दाबमापी (मर्करी मेनोमीटर) किस्म का आला (इंस्ट्रूमेंट) इस्तेमाल करना चाहिए। किसी किस्म के व्यायाम या घबराहट के बाद पन्द्रह मिनट तक रक्त दाब नहीं लेना चाहिए। रोगी बैठा या लेटा हो बशर्ते कि वह और विशेषकर उसकी भुजा शिथिल और आराम से हो। कुछ-कुछ हारिजंटल स्थिति में रोगी के पार्श्व पर भुजा को आराम से सहारा दिया जाता है। भुजा पर से कंधे तक कपड़े उतार देने चाहिएं। कफ़ में से पूरी तरह हवा निकालकर बीच की रबड़ को भुजा के अन्दर की ओर रखकर और इसके निचले किनारे को कोहनी के मोड़ से एक या दो इंच ऊपर करके लगाना चाहिए। इसके बाद कपड़े की पट्टी को फैलाकर

समान रूप से लपेटना चाहिए ताकि हवा भरने पर कोई हिस्सा फूल कर बाहर को न निकले।

कोहनी के मोड़ पर प्रगंड धमनी (ब्रकिअल आर्टरी) को दबा-दबा कर ढूंढा जाता है और तब इसके ऊपर बीचों-बीच स्टैथस्कोप को हल्के से लगाया जाता है जो कफ़ के साथ न लगे। कफ़ में लगभग 200 m.m. Hg. हवा भरी जाती है और इसके बाद इसमें से धीरे-धीरे हवा निकाली जाती है। हल्की क्रमिक ध्वनियां सुनाई पड़ने पर जिस स्तर पर पारे का कालम टिका होता है वह सिस्टालिक प्रेशर दर्शाती है। जब और हवा निकाली जाएगी तो ध्वनियां तेज़ सुनाई पड़ेंगी। जिस स्तर पर ये साफ और अच्छी सुनाई पड़ने वाली ध्वनियां हल्की दबी हुई-सी लुप्त प्राय हो जाएं, वह डायस्टालिक प्रेशर है। ब्लड-प्रेशर काफ़ी थोड़ी अवधि में ही ले लेना चाहिए क्योंकि कपल के लम्बे समय का दबाव रोगी के लिए क्षोमकर होता है और इससे रीडिंग गलत हो जाती है। यदि दोबारा पड़ताल करनी जरूरी हो तो कफ़ में से पूरी हवा निकाल कर कुछ मिनट के बाद ही ऐसा किया जाए। (कभी-कभी कफ़ में से हवा निकालने पर एक निश्चित स्तर पर ध्वनियां सुनाई पड़ती हैं, दाब गिरने पर वे गायब हो जाती हैं और निम्नतर स्तर पर पुन: प्रकट हो जाती हैं। इस "साइलेंट गेप" से रीडिंग में गलती हो सकती है।)

8. परीक्षक की उपस्थिति में किये गये मूत्र की परीक्षा की जानी चाहिए और परिणाम रिकार्ड किया जाना चाहिए। जब मेडिकल बोर्ड को किसी उम्मीदवार के मूत्र में रासायनिक जांच द्वारा शक्कर का पता चले तो बोर्ड इसके दूसरे सभी पहलुओं की परीक्षा करेगा और मधुमेह (डायाबीटीज) के द्योतक चिन्हों और लक्षणों को भी विशेष रूप से नोट करेगा। यदि बोर्ड उम्मीदवार को ग्लूकोज़ मेह (ग्लाइकोसुलिरआ) के सिवाए, अपेषित मेडिकल फिटनेस के स्टैंडर्ड के अनुरूप पाये तो वह उम्मीदवार को इस शर्त के साथ फिट घोषित कर सकता है कि ग्लूकोज मेह अमधु मेही (नानडायबेटिक) हो और बोर्ड केस को मेडिसन के किसी ऐसे निर्दिष्ट विशेषज्ञ के पास भेजेगा जिसके पास अस्पताल और प्रयोगशाला की सुविधाएं हों। मेडिकल विशेषज्ञ स्टैंडर्ड ब्लड शुगर टालरेंस टैस्ट समेत जो भी क्लिनिकल या लेबारेटरी परीक्षाएं जरूरी समझेगा करेगा और अपनी रिपोर्ट मेडिकल बोर्ड को भेज देगा जिस पर मेडिकल बोर्ड की 'फिट' या 'अनफिट' की अंतिम राय आधारित होगी। दूसरे अवसर पर उम्मीदवार के लिए बोर्ड के सामने स्वयं उपस्थित होना जरूरी नहीं होगा। औषधि के प्रभाव को समाप्त करने के लिए यह जरूरी हो सकता है कि उम्मीदवार को कई दिन तक अस्पताल में पूरी देख-रेख में रखा जाए।

9. जो स्त्री उम्मीदवार जांचों के फलस्वरूप 12 सप्ताह या उससे अधिक अवधि की गर्भवती पाई जाए उसे तब तक के लिए अस्थायी रूप से अयोग्य घोषित कर दिया जाए जब तक उसकी गर्भावस्था समाप्त न हो जाए। गर्भावस्था के समाप्त होने के 6 सप्ताह बाद यदि वह पंजीकृत चिकित्सक से स्वस्थता प्रमाण-पत्र प्रस्तुत कर दे तो आरोग्य प्रमाण-पत्र के लिए उसकी फिर से जांच की जाए।

10. निम्नलिखित अतिरिक्त बातों का प्रेक्षण करना चाहिए

(क) उम्मीदवार को दोनों कानों से अच्छा सुनाई पड़ता है या नहीं और कान की बीमारी का कोई चिह्न है या नहीं। यदि कोई कान की खराबी हो तो, इसकी परीक्षा कान विशेषज्ञ द्वारा की जानी चाहिए। यदि सुनने की खराबी का इलाज शल्य-क्रिया (आपरेशन) या हियरिंग ऐड के इस्तेमाल से हो सके तो उम्मीदवार को इस आधार पर आयोग्य घोषित नहीं किया जा सकता बशर्ते कि कान की बीमारी बढ़ने वाली न हो। रेलवे सेवाओं के लिए यह बात लागू नहीं है।

(ख) उम्मीदवार बोलने में हकलाता है या नहीं।

(ग) उसके दांत अच्छी हालत में हैं या नहीं, और अच्छी तरह चबाने के लिए जरूरी होने पर नकली दांत लगे हैं या नहीं। (अच्छी तरह भरे हुए दांतों को ठीक समझा जाएगा।)

(घ) उसकी छाती की बनावट अच्छी है या नहीं और छाती काफी फैलती है या नहीं तथा उसका दिल और फेफड़े ठीक हैं या नहीं।

(ङ) उसे पेट की कोई बीमारी है या नहीं।

(च) उसे रप्चर (हार्निया या फटन) है या नहीं।

(छ) उसे हाइड्रोसील, बढ़ी हुई वरिकोसील शिरा (बेन) या बवासीर है या नहीं।

(ज) उसकी शाखाओं, हाथों और पैरों की बनावट और विकास अच्छा है या नहीं और उसकी संधिया भली भांति स्वतन्त्र रूप से हिलती है या नहीं।

(झ) उसे कोई चिरस्थायी त्वचा की बीमारी है या नहीं।

(ञ) कोई जन्मजात कुरचना या दोष है या नहीं।

(ट) उसमें किसी उग्र या जीर्ण बीमारी के निशान हैं या नहीं जिनसे कमजोर गठन का पता लगे।

(ठ) कारगर टीके के निशान हैं या नहीं।

(ड) उसे कोई संचारी (कम्यूनिकेबल) रोग है या नहीं।

11. दिल और फफड़ों की किसी ऐसी विलक्षणता का पता लगाने के लिए जो साधारण शारीरिक परीक्षा से ज्ञात न हो, सभी केसों में नेमी रूप से छाती की एक्सरे-परीक्षा की जानी चाहिए।

जब कोई दोष मिले तो उसे प्रमाण-पत्र में अवश्य ही नोट किया जाए। मेडिकल परीक्षक को अपनी राय लिख देनी चाहिए कि उम्मीदवार से अपेक्षित दक्षतापूर्ण ड्यूटी में इससे बाधा पड़ने की संभावना है या नहीं।

12. जहां तक मिली-जुली प्रतियोगिता परीक्षा के उम्मीदवारों का सम्बन्ध है, उनके लिए ऊपर पैरा 11 के नीचे की टिप्पणी में बताई गई अपील करने की कार्यविधि लागू नहीं होती। इस परीक्षा के उम्मीदवारों को अपील की शुल्क 50 रु० भारत सरकार के इस सम्बन्ध में निर्धारित ढंग से जमा करना होता है। यह फीस केवल उन उम्मीदवारों को वापस मिलेगी जो अपीलीय स्वास्थ्य-परीक्षा बोर्ड द्वारा आरोग्य घोषित किए जाएंगे। शेष दूसरों के मामलों में यह जब्त कर ली जाएगी। यदि उम्मीदवार चाहें तो अपने आरोग्य होने के दावे के समर्थन में स्वस्थता प्रमाण-पत्र संलग्न कर सकते हैं। उम्मीदवारों को प्रथम स्वास्थ्य-परीक्षा बोर्ड द्वारा भेजे गए निर्णय के 21 दिन के अन्दर अपीलें पेश करनी चाहिएं

अन्यथा दूसरी स्वास्थ्य परीक्षा के लिए अपीलीयर स्वास्थ्य-परीक्षा बोर्ड द्वारा दूसरी स्वास्थ्य परीक्षा केवल नई दिल्ली में ही होगी और इसका खर्च उम्मीदवारों को ही देना पड़ेगा दूसरी स्वास्थ्य परीक्षा के सम्बन्ध में की जानेवाली यात्राओं के लिए कोई यात्रा-भत्ता या दैनिक-भत्ता नहीं दिया जाएगा । अपीलों के निर्धारित शुल्क के साथ प्राप्त होने पर अपीलीय या स्वास्थ्य-परीक्षा बोर्ड द्वारा की जाने वाली स्वास्थ्य-परीक्षा के प्रबन्ध के लिए गृह-मंत्रालय द्वारा आवश्यक कार्रवाई की जाएगी ।

मेडिकल बोर्ड की रिपोर्ट

मेडिकल परीक्षक के मार्गदर्शन के लिए निम्नलिखित सूचना दी जाती है :—

1. शारीरिक योग्यता (फिटनेस) के लिए अपनाए जाने वाले स्टैंडर्ड में सम्बन्धित उम्मीदवार की आयु और सेवा-काल (यदि हो) के लिए उचित गुंजाइश रखनी चाहिए ।

किसी ऐसे व्यक्ति को पब्लिक सर्विस में भर्ती के लिए योग्य नहीं समझा जाएगा जिसके बारे में यथास्थिति सरकार या नियुक्ति प्राधिकारी (आपाइंटिंग अथारिटी) को, यह तसल्ली नहीं होगी कि उसे ऐसी कोई बीमारी या शारीरिक दुर्बलता (बाडिली इनफर्मिटी) नहीं है जिसे वह उस सेवा के लिए आयोग्य हो या आयोग्य होने की संभावना हो ।

यह बात समझ लेनी चाहिये कि योग्यता का प्रश्न भविष्य से भी उतना ही संबद्ध है जितना वर्तमान से है और मेडिकल परीक्षा का एक मुख्य उद्देश्य **निरंतर** कारगर सेवा प्राप्त करना और स्थायी नियुक्ति के उम्मीदवारों के मामले में अकाल मृत्यु होने पर समय-पूर्व पेंशन या अदायगियों को रोकना है । साथ ही यह भी नोट किया जाए कि यहां प्रश्न केवल निरंतर कारगर सेवा की संभावना का है और उम्मीदवार को अस्वीकृत करने की सलाह उस हालत में नहीं दी जानी चाहिए जब कि उसमें कोई ऐसा दोष हो जो केवल बहुत कम स्थितियों में निरंतर कारगर सेवा में बाधक पाया गया हो ।

महिला उम्मीदवार की परीक्षा के लिए किसी लेडी डाक्टर को मेडिकल बोर्ड के सदस्य के रूप में सहयोजित किया जाएगा ।

भारतीय रक्षा लेखा सेवा (इंडियन डिफेंस अकाउंट्स सर्विस) के उम्मीदवारों को भारत में और भारत से बाहर क्षेत्र सेवा (फील्ड सर्विस) करनी होगी । ऐसे उम्मीदवार के मामले में मेडिकल बोर्ड को इस बारे में अपनी राय विशेष रूप से रिकार्ड करनी चाहिये, कि उम्मीदवार क्षेत्र सेवा (फील्ड सर्विस) के योग्य है या नहीं ।

डाक्टरी बोर्ड की रिपोर्ट को गोपनीय रखना चाहिए ।

ऐसे मामलों में जब कि कोई उम्मीदवार सरकारी सेवा में नियुक्ति के लिए अयोग्य करार दिया जाता है तो मोटे तौर पर उसके अस्वीकार किए जाने के आधार उम्मीदवार को बताए जा सकते हैं किन्तु डाक्टरी बोर्ड ने जो खराबी बताई हो उनका विस्तृत ब्योरा नहीं दिया जा सकता ।

ऐसे मामलों में जहां डाक्टरी बोर्ड का यह विचार हो कि सरकारी सेवा के लिए उम्मीदवार को अयोग्य बनाने वाली छोटी-मोटी खराबी चिकित्सा (औषध या शल्य) द्वारा दूर हो सकती है वहां डाक्टरी बोर्ड द्वारा इस आशय का कथन रिकार्ड किया जाना चाहिए । नियुक्ति प्राधिकारी द्वारा इस बारे में उम्मीदवार को बोर्ड की राय सूचित किये जाने में कोई आपत्ति नहीं है और जब वह खराबी दूर हो जाये तो एक दूसरे डाक्टरी बोर्ड के सामने उस व्यक्ति को उपस्थित होने के लिये कहने में संबंधित प्राधिकारी स्वतंत्र है ।

यदि कोई उम्मीदवार अस्थाई रूप से अयोग्य करार दिया जाये तो दुबारा परीक्षा की अवधि साधारणतया कम-से-कम छः महीने से कम नहीं होनी चाहिये । मिश्रित अवधि के बाद जब दुबारा परीक्षा हो तो ऐसे उम्मीदवारों को और आगे की अवधि के लिए अस्थायी तौर पर अयोग्य घोषित न कर नियुक्ति के लिये उनकी योग्यता के संबंध में अथवा वे इस नियुक्ति के लिए अयोग्य है ऐसा निर्णय अंतिम रूप से दिया जाना चाहिये ।

(क) **उम्मीदवार का कथन और घोषणा :—**

संकल्प

विषय:—हिन्दी में विश्वविद्यालय-स्तर की पुस्तकों के निर्माण के लिए हिन्दीभाषी राज्यों के प्रतिनिधियों के सम्मेलन और उसकी समन्वय समिति की स्थापना ।

सं० एफ० 6-41/69- आई०एल० II—1. शिक्षा आयोग (1964-65) ने सिफारिश की थी कि विश्वविद्यालय स्तर पर भारतीय भाषाओं को शिक्षा के माध्यम के रूप में अपनाना चाहिए । बाद में इस सिफारिश का अनुमोदन राज्य शिक्षा मंत्री सम्मेलन (अप्रैल, 1967), संसद सदस्यों की शिक्षा समिति (जुलाई, 1967), और कुलपति सम्मेलन (सितम्बर, 1967) द्वारा किया गया । राष्ट्रीय शिक्षा नीति संकल्प (1968) में भी विश्वविद्यालय स्तर पर भारतीय भाषाओं को शिक्षा का माध्यम बनाने की आवश्यकता पर बल दिया गया है । संकल्प के शब्दों में "प्राथमिक और माध्यमिक स्तरों पर शिक्षा के माध्यम के रूप में प्रादेशिक भाषाओं का प्रयोग पहले से ही हो रहा है । अब उन्हें विश्वविद्यालय स्तर पर शिक्षा का माध्यम बनाने के लिए तुरन्त कदम उठाया जाना चाहिए" ।

2. विश्वविद्यालय स्तर पर भारतीय भाषाओं को शिक्षा का माध्यम बनाने के लिए यह अपेक्षित है कि माध्यम परिवर्तन की आवश्यकताओं की पूर्ति के लिए इन भाषाओं में पुस्तकों का निर्माण किया जाए । इसके तथा इससे संबंधित कार्यों के लिए भारत सरकार ने केन्द्र के अधीन चलने वाली एक योजना बनाई है जो 15 करोड़ रुपये के प्रस्तावित परिव्यय के साथ चौथी पंचवर्षीय योजना में सम्मिलित कि जा चुकी है । इस योजना के अन्तर्गत 1968-69 से शुरू होने वाली अवधि में प्रत्येक राज्य को अधिक से अधिक 1 करोड़ रुपये की सहायता दी जाएगी । इस वर्ष के लिए यह सहायता साझेदारी के आधार पर होगी अर्थात्, किए गए व्यय में 75 प्रतिशत भाग केन्द्र का और 25 प्रतिशत संबंधित राज्य सरकार का होगा । आगामी वर्षों में यह सहायता केन्द्र द्वारा शत प्रतिशत आधार पर होगी । भारत सरकार ने यह निर्णय राष्ट्रीय विकास परिषद् की इस सिफारिश पर किया है कि 1969-70 से केन्द्र के अधीन चलने वाली सभी योजनाएं 100 प्रतिशत आधार पर होगी ।

3. इस योजना को कार्यान्वित करने के लिए शिक्षा मंत्रालय ने विभिन्न भारतीय भाषाओं में विश्वविद्यालय स्तर की पुस्तकों के निर्माण के लिए राज्यों में चलने वाले कार्यक्रम को निर्धारित करने के लिए एक मार्गदर्शक रूपरेखा तैयार की और उसे परिपत्र के रूप में राज्य सरकारों को भेजा । इस रूपरेखा के द्वारा राज्य सरकारों से संगठन-व्यवस्था, प्रारम्भ की गई प्रायोजनाओं और उनकी योजनाओं को कार्यान्वित करने के उनके ढंग के संबंधमें जानकारी मांगी गई है । पांच हिन्दी भाषी राज्यों के बारे में यह महसूस किया गया कि दुहरे काम से बचने के लिए उनके कार्यक्रमों में समन्वय रखने की आवश्यकता है । तदनुसार हिन्दी भाषी राज्यों के शिक्षा सचिवों और कुलपतियों तथा कुछ अन्य विशेषज्ञों का एक सम्मेम्लन 1 और 2 फरवरी, 1968 को वाराणसी में हुआ । इसका मुख्य उद्देश्य हिन्दी में मानविकी और विज्ञान विषयों में, जिनमें आयुर्विज्ञान, इंजीनियरी और कृषि भी शामिल है, विश्वविद्यालय स्तर की अच्छी पुस्तकों के निर्माण का एक प्रभावी कार्यक्रम तैयार करना था । इस सम्मेलन में यह प्रस्ताव पारित किया गया कि हिन्दी भाषी प्रदेशों में इस क्षेत्र के विभिन्न कार्यकलापों में तालमेल बनाए रखने के लिए सम्मेलन की एक स्थायी समिति नियुक्त की जाए । बाद में शिक्षा मंत्रालय द्वारा यह निश्चय यह किया गया कि समन्वयकर्ता के रूप में कार्य करने हेतु स्थायी समिति की सहायता के लिए वैज्ञानिक तथा तकनीकी शब्दावली आयोग सचिवालय के रूप में काम करेगा ।

4. हिन्दी भाषी राज्यों के कुलपतियों के सम्मेलन की स्थायी समिति की पहली बैठक 24 और 25 मई 1968 को नई दिल्ली में और दूसरी बैठक 30 अक्तूबर, 1968 को पटना में हुई । स्थायी समिति ने 25 विषयनामिकाएं बनाई जिनमें विभिन्न विषयों के विशेषज्ञ थे । विषय-नामिकाओं की बैठकें हुई और राज्य-मंडलों के लिए कार्यक्रम तैयार किया गया जिसके अनुसार 396 पुस्तकों का मौलिक लेखन और 1971 पुस्तकों का अनुवाद किया जाना है । उन्होंने विभिन्न विषयों की 812 उपलब्ध हिन्दी पुस्तकों का विश्वविद्यालयों के पाठ्यक्रमों में निर्धारित करने के लिए अनुमोदन भी किया ।

5. इस तरह स्थायी समिति ने हिन्दी में विश्वविद्यालय स्तर की पुस्तकों के निर्माण-कार्यक्रम के लिए एक महत्वपूर्ण दिशा प्रदान की है । अब भारत सरकार का यह विचार है कि इस कार्य को ऐसे ढंग से करने के लिए, जिससे सर्वोत्तम परिणाम प्राप्त हो सके, कुलपति सम्मेलन का अधिक व्यापक रूप में पुनर्गठन किया जाना चाहिए । तदनुसार भारत सरकार ने, हिन्दी में विश्वविद्यालय

स्तर की पुस्तकों के निर्माण के लिए एतद् द्वारा हिन्दी-भाषी राज्यों के प्रतिनिधियों के सम्मेलन की स्थापना की है।

संकल्प

नई दिल्ली, दिनांक 1 अप्रैल 1969

सं० बि० का० दो-28(52)/67—आजादी मिलने के बाद देश में सिंचाई के विकास में बड़ी प्रगति हुई है। आजादी मिलने के

समय जितने क्षेत्र में सिंचाई होती थी, अब उससे दुगुने क्षेत्र में सिंचाई होने लगी है। तथापि, देश में जितनी भूमि में काश्त होती है, उसका लगभग 4/5 भाग अब भी पूरी तरह से वर्षा पर निर्भर रहता है। देश के कई भागों में पिछले चार वर्षों में सूखा पड़ने के कारण और खाद्यान्न की तंगी रहने के कारण, अधिक सिंचाई सुविधाएं प्रदान करने का महत्व नितांत स्पष्ट हो गया है। इस संदर्भ में, अगली चार-पांच योजनावधियों में तलगत और भूमिगत, दोनों प्रकार के जल के अधिकतम समुपयोजन को और भी ज्यादा महत्व और ध्यान देने की आवश्यकता है। अतः भारत सरकार ने राज्य सरकारों और संघीय प्रदेशों के प्रशासनों से परामर्श करके देश में सिंचाई के भावी विकास के प्रश्न पर व्यापक रूप से विचार करने के लिये एक सिंचाई आयोग की स्थापना करने का निर्णय किया है। इस आयोग का गठन इस प्रकार होगा :—

श्री अजित प्रसाद जैन, संसत्सदस्य	अध्यक्ष
डा० एस० आर० सेन, अपर सचिव, योजना आयोग	उपाध्यक्ष
श्री ओ० पी० गुप्ता, सेवानिवृत्त, मुख्य अभियता, सिंचाई उत्तर प्रदेश	सदस्य
एक और सिंचाई अभियंता बाद में मनोनीत किया जाएगा	सदस्य
श्री डी० बी० रेड्डी, विस्तार आयुक्त, कृषि विभाग	सदस्य
श्री एन० एस० पारदासानी, सचिव, सिंचाई व बिजली विभाग, महाराष्ट्र बंबई (अंशकालिक)	सदस्य
श्री के० एस० एस० मूर्ति, विशेष कार्य-अधिकारी, सिंचाई व बिजली मंत्रालय।	सचिव

2. इस आयोग के विचारार्थ विषय निम्नलिखित होंगे :—

(1) भारत में 1903 से जब पिछले सिंचाई आयोग ने अपनी सिफारिशें पेश की थीं, लेकर अब तक सिंचाई के विकास का पुनरवलोकन करना और भूमि की उत्पादन क्षमता को बढ़ाने के लिये और वृष्टि की अनियमितताओं के प्रति सुरक्षा प्रदान करने के लिये सिंचाई के अंशदान पर रिपोर्ट देना।

(2) उन क्षेत्रों में उपलब्ध सिंचाई सुविधाओं की विस्तारपूर्वक जांच करना, जो हमेशा सूखाग्रस्त रहते हैं और जहां खाद्यान्न की कमी रहती है, और यह सुझाना कि वहां पर कौन से अत्यावश्यक तथा न्यूनतम सिंचाई कार्यों को तुरंत ही हाथ में लिया जाए।

(3) अनाज में आत्मनिर्भरता लाने के लिये और अन्य फसलों की उपज को अधिकतम करने के लिये सभी किस्मों की सिंचाई के विकास की मोटी रूप-रेखा तैयार करना तथा इस उद्देश्य के लिये अपेक्षित धन का मोटा अनुमान लगाना।

(4) वृहत् सिंचाई परियोजनाओं में पानी की सप्लाई की पर्याप्तता की जांच करना।

(5) परियोजनाओं को शीघ्र पूरा करने और उनकी तैयारी की अवधि को कम करने के विशेष उद्देश्य से, सिंचाई कार्यों के आयोजन, कार्यान्वयन और प्रचालन के लिये प्रशासनिक तथा संगठनात्मक प्रणाली की जांच करना।

(6) सिंचाई परियोजनाओं को स्वीकार करने के लिये मानदंड सुझाना।

(7) देश में सिंचाई के विकास से संबंधित अथवा किसी अन्य प्रसांगिक विषय पर विचार करना और उपयुक्त सुझाव देना।

3. इस आयोग का मुख्यालय नई दिल्ली में होगा।

4. आयोग अपनी सिफारिशें यथाव्यवहार्य शीघ्र, परन्तु दो वर्षों के भीतर अवश्य ही, प्रस्तुत करेगा। यदि आयोग उचित समझे, तो वह किसी/किन्हीं विशिष्ट समस्या/समस्याओं पर अन्तरिम रिपोर्ट/रिपोर्टें प्रस्तुत कर सकता है।

5. आयोग अपनी कार्यप्रणाली स्वयं बनाएगा। जिस प्रकार आवश्यक समझे, वह उसी प्रकार जानकारी मंगा सकता है और साक्ष्य ले सकता है। आयोग भारत सरकार के मंत्रालयों/विभागों से जो भी जानकारी और कागजात और सहायता चाहेगा, वे उसे देंगे।

6. भारत सरकार को यह विश्वास है कि राज्य सरकारें/संघीय प्रदेश के प्रशासन इस आयोग को अपना पूरा सहयोग देंगे और उसकी पूरी-पूरी सहायता करेंगे।

आदेश

आदेश दिया जाता है कि इस संकल्प को भारत के राजपत्र, भाग–I, खण्ड–1 में प्रकाशित किया जाए।

यह भी आदेश दिया जाता है कि इस संकल्प की एक प्रतिलिपि भारत सरकार के सभी मंत्रालयों/विभागों, सभी राज्य सरकारों/संघीय प्रदेशों के प्रशासनों को भेज दी जाए।

APPENDIX IV

REGULATIONS RELATING TO THE PHYSICAL EXAMINATION OF CANDIDATES

These regulations are published for the convenience of candates and in order to enable them to ascertain the probability of their coming up to the required physical standard The regulations are also intended to provide guide lines to the medical examiners and a candidate who does not satisfy the minimum requirements prescribed in the regulations, cannot be declared fit by the medical examiners. However, while holding that a candidate is not fit according to the norms laid down in these regulations, it would be permissible for a Medical Board to recommend to the Government of India for reasons specifically recorded in writing that he may be admitted to service without disadvantage to Government.

2. It should, however, be clearly understood that the Government of India, reserve to themselves absolute discretion to reject or accept any candidate after considering the report of the Medical Board.

The classification of various Services under the two categories, namely "Technical" and "Non-technical" will be as under :—

A. Technical

(1) Indian Railway Traffic Service.

(2) Indian Police Service and other Central Police Services Class II.

B. Non-Technical

I.A.S., IFS, IA & AS, Indian Customs Service, Indian Railway Accounts Service, Railway Board Secretariat Service Class II, Indian Defence Accounts Service, Income Tax Officers (Class I), Indian Postal Service (Class I), Military Lands and Cantonments Service Class I & II and other Central Civil Services Class I & II.

1. To be passed as fit for appointment as candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of his appointment.

2. (a) In the matter of the correlation of age, height and chest girth of candidates of Indian (including Anglo-Indian) race it is left to the Medical Board to use whatever correlation figures are considered most suitable as a guide in the examination of the candidates. If there be any disproportion with regard to height, weight and chest girth, the candidate should be hospitalised for investigation and X-ray of the chest taken before the candidate is declared fit or not fit by the Board.

(b) However, for certain services the minimum standard for height and chest girth without which candidates cannot be accepted, are as follows :—

	Height	Chest girth fully expanded	Expansion
1. Indian Railway Traffic Service	152 cm	84 cm	5 cm (For men)
	150 cm	79 cm	5 cm (For women)
2. Indian Police Service, Delhi / Himachal Pradesh & Andaman & Nicobar Islands Police Service Class II, Manipur Police Service Class II and Tripura Police Service, Class II.	165 cm	84 cm	5 cm (For men)
	150 cm	79 cm	5 cm (For women)

The minimum height prescribed is relaxable in case of candidates belonging to races such as Gorkhas, Garwalis, Assamese, Nagaland Tribals etc., whose average height is distinctly lower.

3. The candidate's height will be measured as follows :—

He will remove his shoes and be placed against the standard with his feet together and the weight thrown on the heels and not on the toes or other sides of the feet. He will stand erect without rigidity and with the heels, calves, buttocks and shoulders touching the standard, the chin will be depressed to bring the vertex of the head level under the horizontal bar and the height will be recorded in centimetres and parts of a centimetre to halves.

4. The candidate's chest will be measured as follows :—

He will be made to stand erect with his feet together and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder blades behind and lies in the same horizontal plane when the tape is taken round the chest. The arms will then be lowered to hang loosly by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The Candidate will then be directed to take a deep inspiration several times and the maximum expansion of the chest will be carefully noted and the minimum and maximum will then

be recorded in centimetres, 84—89, 86—53·5 etc. In recording the measurements fractions of less than half centimetre should not be noted.

5. The candidate will also be weighed and his weight recorded in kilograms; fractions of a half of a kilogram should not be noted.

6.(a) The candidate's eye-sight will be tested in accordance with the following rules. The result of each test will be recorded :—

(b) There shall be no limit for minimum naked eye vision but the naked eye vision of the candidates shall, however, be recorded by the Medical Board or other medical authority in every case, as it will furnish the basic information in regard to the condition of the eye.

(c) The following standards are prescribed for distant and vision with or without glasses for different types of Services.

Class of Service	Distant vision		Near vision	
	Better eye (Corrected	Wors eye vision)	Better eye (Corrected	Worse eye vision)
Class I & II				
(*i*) Technical	6/6	6/12 or	J.I.	J.II
	6/9	6/9		
(*ii*) Non-Technical	6/9	6/12	J.I	J.II

(d) In every case of myopia, fundus examination should be carried out and the results recorded. In the event of pathological condition being present which is likely to be progressive and affect the efficiency of the candidate, he should be declared unfit.

(e) *Field of Vision.* The field of vision shall be tested in respect of all services by the confrontation method. When such test gives unsatisfactory or doubtful results, the field of vision should be determined on the perimeter.

(f) *Night Blindness.* Broadly there are two types of night blindness; (1) as a result of Vit. A deficiency and (2) as a result of Organic disease of Retina—a common cause being Retinitis pigmentosa. In (1) the fundus is normal, generally seen in younger age group and ill nourished persons and improves by large doses of Vit. A. In (2) the fundus is often involved and mere fundus examination will reveal the condition in majority of cases. The patient in this category is an adult, and may not suffer from malnutrition. Persons seeking employment for higher posts in the Government will fall in this category. For both (1) and (2), dark adaptation test will reveal the condition. For (2) specially when fundus is not involved electro-Retino-graphy is required to be done. Both these tests (dark adaptation and retinography) are time-consuming and require specialized set up, and equipment; and thus are not possible as a routine test in a medical check up. Because of these technical considerations, it is for the Ministry/Department to indicate if these tests for night blindness are required to be done. This will depend upon the job requirement and nature of duties to be performed by the prospective Government employees.

(g) *Colour Vision:* At the time of referring the candidates for medical examination, the Ministry/Department concerned will have to inform the Medical Board that the candidate is for a Technical Service (including Field Service) requiring colour vision examination or Non-Technical Services may not require colour vision and this should be decided by the Ministry/Department concerned and intimated to the Medical Board at the time of the medical examination.

(h) *Ocular conditions other than visual acuity :—*

(i) Any organic disease or a progressive refractive error, which is likely to result in lowering the visual acuity, should be considered a disqualification.

(ii) *Squint* : For technical services where the presence of binocular vision is essential, squint, even if the visual acuity in each eye is of the prescribed standard, should be considered a disqualification. For other services the presence of squint should not be considered as a disqualification if the visual acuity is of the prescribed standard.

(iii) *One Eye* : The usual effect of one eye is that it does affect stereoscopic vision or perception of depth. Such vision is not necessary for many civil posts. The medical board may, therefore, recommend such one eyed persons if it is satisfied that he can perform all the functions for the particular job for which he is a candidate *provided further* that the visual acuity in the functioning eye is 6/6 for distant vision and 0·6 for near vision and the refractive error is not more than plus or minus 4·00 D.

(i) *Contact Lenses:* During the medical examination of a candidate, the use of contact lenses is not to be allowed. It is necessary that when conducting eye test the illumination of the type letters for distant vision should have an illumination of 15 foot-candles.

7. *Blood Pressure.* The Board will use its discretion regarding Blood Pressure. A rought method of calculating normal maximum systolic pressure is as follows :—

(i) With young subjects 15—25 years of age the average is about 100 plus age.

(ii) With subjects over 25 year of age the general rule of 110 plus half the age seems quite satisfactory.

N.B. As a general rule any systolic pressure over 140 mm and diastolic over 90 mm should be regarded as suspicious and the candidate should be hospitalised by the Board before giving their final opinion regarding the candidate's fitness or otherwise. The hospitalization report should indicate whether the rise in blood pressure is of a transient nature due to excitement etc., or whether it is due to any organic disease. In all such cases X-ray and electrocardiographic examinations of heart and blood urea clearance test should also be done as a routine. The final decision as to the fitness or otherwise of a candidate will, however, rest with the medical board only.

Method of taking Blood Pressure

The mercury manometer type of instrument should be used as a rule. The measurement should not be taken within fifteen minutes of any exercise or excitement. Provided the patient, and particularly his arm is relaxed, he may be either lying or sitting. The arm is supported comfortably at the patient's side in a more or less horizontal position. The arm should be free from the clothes to the shoulder. The cuff completely deflated should be applied with the middle of the rubber over the inner side of the arm, and its lower edge an inch or two above the bend of the elbow. The following turns of cloth bandage should spread evenly over the bag to avoid bulging during inflation.

The brachial artery is located by palpitation at the bend of the elbow and the stethoscope is then applied lightly and centrally over it below, but not in contact with the cuff. The cuff is inflated to about 200 mm. Hg. and then slowly deflated. The level at which the column stands when soft successive sounds are heard represents the Systolic Pressure. When more air is allowed to escape the sounds will be heard to increase in intensity. The level at which the well-heart clear sounds change to soft muffled fading sounds represents the diastolic pressure. The measurements should be taken in a fairly brief period of time as prolonged pressure of the cuff is irritating to the patient and will vitiate the readiness. Rechecking, if necessary, should be done only a few minutes after complete deflation of the cuff. (Sometimes, as the cuff is deflated sounds are heard at a certain level; they may disappear as a pressure falls and reappear at a still lower level. This 'Silent Gap' may cause error in reading.)

8. The urine (passed in the presence of the examiner) should be examined and the results recorded. Where a Medical Board finds sugar present in a candidate's urine by the usual chemical tests the Board will proceed with the examination with all its other aspects and will also specially note any signs or symptoms suggestive of diabetes. If except for the glycosuria the Board finds the candidate conforms to the standard of medical fitness required they may pass the candidate "fit subject to the glycosuria being non-diabetic" and the Board will refer the case to a specified specialist in Medicine who has hospital and laboratory facilities at his disposal. The Medical Specialist will carry out whatever examinations clinical and laboratory he considers necessary including a

standard blood sugar tolerance test. and will submit his opinion to the Medical Board, upon which the Medical Board will base its final opinion "fit" or "unfit". The candidate will not be required to appear in person before the Board on the second occasion. To exclude the effects of medication it may be necessary to retain a candidate for several days in hospital under strict supervision.

9. A woman candidate who as a result of tests is found to be pregnant of 12 weeks standing or over, should be declared temporarily unfit until the confinement is over. She should be re-examined for a fitness certificate six weeks after the date of confinement, subject to the production of a medical certificate of fitness from a registered medical practitioner.

10. The following additional points should be observed :—

(a) that the candidates hearing in each ear is good and that there is no sign of disease of the ear. In case it is defective the candidate should be examined by the ear specialist. Provided that if the defect in hearing is remediable by operation or by use of a hearing aid, a candidate cannot be declared unfit on that account provided he/she has no progressive disease in the ear. This provision is not applicable in the case of Railway Services.

(b) that his speech is without impediment;

(c) that his teeth, are in good order and that he is provided with dentures where necessary for effective mastication (well filled teeth will be considered as sound);

(d) that the chest is well formed and his chest expansion sufficient; and that his heart and lungs are sound;

(e) that there is no evidence of any abdominal disease;

(f) that he is not ruptured;

(g) that he does not suffer from hydrocele, a severe degree of varicocele, varicose veins or piles;

(h) that his limbs, hands and feet are well formed and developed and that there is free and perfect motion of all his joints;

(i) that he does not suffer from any inveterate skin disease;

(j) that there is no congenital malformation or defect;

(k) that he does not bear traces of acute or chronic disease pointing to an impaired constitution;

(l) that he bears marks of efficient vaccination; and

(m) that he is free from communicable disease.

11. Radiographic examination of the chest should be done as a routine in all cases for detecting any abnormality of the heart and lungs, which may not be apparent by ordinary physical examination.

When any defect is found it must be noted in the certificate and the medical examiner should state his opinion whether or not it is likely to interfere with the efficient performance of the duties which will be required of the candidate.

12. The candidates filing an appeal against the decision of the Medical Board have to deposit an appeal fee of Rs. 50/- in such manner as may be prescribed by the Government of India in this behalf. This fee would be refunded if the candidate is declared fit by the Appellate Medical Board. The candidates may, if they like, enclose medical certificate in support of their claim of being fit. Appeals should be submitted within 21 days of the date of the communication in which the decision of the Medical Board is communicated to the candidates; otherwise, request for second medical examination by an Appellate Medical Board will not be entertained. The Medical examination by the Appellate Medical Boards would be arranged at New Delhi *only* and no travelling allowance or daily allowance will be admissible for the journeys performed in connection with the medical examination. Necessary action to arrange medical examination by Appellate Medical Boards would be taken by the Ministry of Home Affairs on receipt of appeals accompanied by the prescribed fee.

Medical Board's Report

The following intimation is made for the guidance of the Medical Examiner :—

1. The standard of physical fitness to be adopted should make due allowance for the age and length of service, if any, of the candidate concerned.

No person will be deemed qualified for admission to the Public Service who shall not satisfy Government, or the appointing authority, as the case may be that he has no disease, constitutional affection, or bodily infirmity unfitting him, or likely to unfit him for that service.

It should be understood that the question of fitness involves the future as well as the present and that one of the main objects of medical examination is to secure continuous effective service, and in the case of candidates for permanent appointment to prevent early pension or payments in case of premature death. It is at the same time to be noted that the question is one of the likelihood of continuous effective service, and that rejection of a candidate need not be advised on account of the presence of a defect which in only a small proportion of cases is found to interfere with continuous effective service.

A lady doctor will be co-opted as a member of the Medical Board whenever a woman candidate is to be examined.

Candidates appointed to the Indian Defence Accounts Service are liable for field service in or out of India. In the case of such a candidate, the Medical Board should specially record their opinion as to his fitness or otherwise of field service.

The report of the Medical Board should be treated as confidential.

In case where a candidate is declared unfit for appointment in the Government Service the grounds for rejection may be communicated to the candidate in broad terms without giving minute details regarding the defects pointed out by the Medical Board.

In cases where a Medical Board considers that a minor disability disqualifying a candidate for Government service can be cured by treatment (medical or surgical) a statement to that effect should be recorded by the Medical Board. There is no objection to a candidate being informed of the Board's opinion to this effect by the appointing authority and when a cure has been effected it will be open to the authority concerned to ask for another Medical Board.

In the case of candidates who are to be declared "Temporarily Unfit" the period specified for re-examination *should not ordinarily exceed six months at the* maximum. On re-examination after the specified period these candidates should not be declared temporarily unfit for a further period but a final decision in regard to their fitness for appointment or otherwise should be given.

(a) *Candidate's statement and declaration.*

MINISTRY OF EDUCATION AND YOUTH SERVICES

New Delhi, the 8th April 1969

RESOLUTION

SUBJECT :—*Setting up of a Conference of Representatives of the Hindi-speaking States for the production of university level books in Hindi and its Coordination Committee.*

No. F.6-44/69-IL-II.—1. The Education Commission (1964-65) recommended that the Indian languages should be adopted as media of education at the university stage. The recommendation was successively approved by the State Education Ministers' Conference (April, 1967), Members of Parliament Committee on Education (July, 1967), and Vice-Chancellors' Conference (September, 1967). The National Policy on Education Resolution (1968) also emphasised the need for adopting Indian languages as the media of education at the university stage. To quote from the Resolution: "The regional languages are already in use as media of education at the primary and secondary stages. Urgent steps should now be taken to adopt them as media of education at the university stage."

2. The adoption of Indian languages as media of instruction at the university stage demands production of books in these languages to meet the requirements for the change-over. For this and allied purposes, the Government of India have drawn up a Centrally-sponsored scheme which has been included in the Fourth Five Year Plan with a proposed outlay of Rs. 15 crores. Under this scheme, assistance to the maximum of Rs. 1 crore would be given to each State during the period commencing from 1968-69. During this year, this assistance would be on a sharing basis of 75% by the Centre and 25% by the State Government concerned on the expenditure incurred. In subsequent years, such assistance would be on a 100% basis by the Centre. This decision has been taken by the Government of India on the recommendation of the National Development Council that all Centrally-sponsored schemes from 1969-70 will be on a 100% basis.

3. To implement the scheme, the Ministry of Education prepared a guideline for the formulation of State programmes for the production of university level books in different Indian languages and circulated it to the State Governments. The guideline requires the State Governments to indicate the organisational set-up, the projects undertaken and the manner of the execution of their schemes. In the case of five Hindi-speaking States, it was felt that there was need for coordination in their programmes in order to avoid duplication. Accordingly, the Vice-Chancellors and the Education Secretaries of the Hindi-speaking States and a few other specialists met at Varanasi on 1st and 2nd February, 1968; its main purpose was to work out an effective coordinated national programme for the production of quality books of university level in Hindi in Humanities and Sciences, including Medicine, Engineering and Agriculture. At this Conference, it was resolved that the Standing Committee of the Conference be appointed to coordinate various activities in this field in the Hindi-speaking States. It was further decided by the Ministry of Education that the Commission for Scientific and Technical Terminology will provide the secretariat to the Standing Committee to enable it to discharge its functions as a coordinator.

4. The Standing Committee of the Conference of Vice-Chancellors of the Hindi-speaking States held its first meeting on 24th and 25th May, 1968, at New Delhi, and the second meeting at Patna on 30th October, 1968. The Standing Committee constituted 25 subject panels, consisting of specialists in different subject fields. The subject panels have met and prepared a programme for State Boards to take up 396 books for original writing, 1971 books for translation; and they also approved 812 existing Hindi books on different subjects to be prescribed by the universities.

5. The Standing Committee has thereby given a valuable direction to the programme of production of university level books in Hindi. The Government of India is now of the view that, in order to undertake this work in a manner that will ensure best results, the conference of Vice-Chancellors should be reconstituted on a broader base. Accordingly, the Government of India hereby sets up the Conference of the Representatives of the Hindi-speaking States for the production of university level books in Hindi.

MINISTRY OF IRRIGATION AND POWER

New Delhi, the 1st April 1969

RESOLUTION

No. DW.II.28(52)/67.—Since Independence the country has made substantial progress in irrigation development. The area under irrigation has been nearly doubled from what it was at the time of Independence. Even so, about four fifths of the country's cultivated area still depends exclusively on rainfall The drought conditions in the last four years in several parts of the country and the continued food shortages have brought into sharp focus the importance of providing greater irrigation facilities. In this context the maximum exploitation of both surface and ground water resources within the next four to five Plan periods needs greater emphasis and attention. The Government of India have, therefore, decided in consultation with the State Governments and Administrations of Union Territories, to set up an Irrigation Commission to go into the question of future irrigation development in the country in a comprehensive manner. The composition of the Commission shall be as follows:—

Chairman

Shri Ajit Prasad Jain, Member of Parliament.

Vice-Chairman

Dr. S. R. Sen, Additional Secretary, Planning Commission.

Members

Shri O. P. Gupta, Retd. Chief Engineer, Irrigation, Uttar Pradesh.

Another irrigation engineer to be nominated later.

Member (part-time)

Shri N. S. Pardasani, Secretary, Irrigation & Power Department, Maharashtra, Bombay.

Secretary

Shri K. S. S. Murthy, Officer on Special Duty, Ministry of Irrigation & Power.

2. The terms of reference of the Commission will be as follows:—

(1) To review the development of irrigation India since 1903, when the last Irrigation Commission submitted its recommendations, and report on the contribution made by irrigation to increasing the productivity of land and in providing insurance against the vagaries of rainfall.

(2) To examine in detail the irrigation facilities available in chronically drought affected and food deficit areas and suggest essential and minimum irrigation works to be undertaken promptly in such areas.

(3) To draw up a broad outline of development of irrigation of all types for achieving self-sufficiency in cereals and for maximising the production of other crops and to make a broad assessment of the funds required for the purpose.

(4) To examine the adequacy of water supply in major irrigation projects.

(5) To examine the administrative and organisational set up for the planning, execution and operation of irrigation works, particularly with a view to the speedy completion of projects and reduction of their gestation period.

(6) To suggest criteria for the sanctioning of irrigation projects; and

(7) To examine any other matter incidental or related to the development of irrigation in the country and make suitable recommendations.

3. The Headquarters of the Commission will be in New Delhi.

4. The Commission will make its recommendations as soon as practicable but in any case within two years. It may, if it deems fit, submit interim report(s) on any specific problem(s).

5. The Commission will devise its own procedure. It may call for such information and take such evidence as it may consider necessary. The Ministries/Departments of the Government of India will furnish such information and documents and render such assistance as may be required by the Commission.

6. The Government of India trust that the State Governments/Administrations of Union Territories will extend to the Commission their fullest cooperation and assistance.

APPEARANCES:

On behalf of Employers.—Sri K. R. Sarad, Administrative Officer.

On behalf of Workmen.—Sri D. B. Mishra, General Secretary, N.C.D.C. Workers' Association, South Balanda.

STATE: Orissa. INDUSTRY: Coal Mines.

AWARD

By Order No. 6/35/68-LRII, dated October 30, 1968, the Government of India, in the Ministry of Labour, Employment and Rehabilitation (Department of Labour and Employment), referred the following industrial dispute between the employers in relation to the South Balanda Colliery of Messrs National Coal Development Corporation Limited and their workmen, to this tribunal, for adjudication:

"Whether the termination of service of Shri Shyamlal Mahato, Category I Mazdoor of South Balanda Colliery by the management of Messrs National Coal Development Corporation Limited, Talcher, during probationary period was unjustified? If so, to what relief is he entitled?"

2. A trade union of the name of N.C.D.C. Workers' Association espoused the cause of the workman Shyamlal Mahato and filed a written statement. In paragraph 1 of the written statement, it was stated that Shyamlal was employed as mazdoor, category I, on casual basis, in January, 1966, at South Balanda Colliery and was absorbed in the permanent establishment on September 12, 1967. In paragraph 2 of the written statement it was alleged:

"Shri Mahato was deputed to work in the house of Shri D. Nagalingam, Asstt. Engineer, Mech. South Balanda Colliery who subsequently came on transfer to the said Colliery, as a domestic servant where he (Shri Mahato) agreed to do all work except cleaning utensils. Thereafter, Shri Mahato was stopped from work without issue of any written order on 19th February, 1968."

The workman, Shyamlal Mahato, approached the trade union for redress of his grievance and in a letter to the trade union (Ext. 2) stated:

"***On 18th February, 1968, Sri Nagalingam asked me to wash the utensils and thalis which I did not do. So he abused me and told not to do any work in his quarter. Still then I was used to go to his quarter (?) on 19th February, 1968, to work there. Still then Sri Nagalingam refused not to work in his quarter. Then I had been to colliery Manager to put forth my grievances. He also told me to do the same job what Mr. Nagalingam told. I therefore request you to kindly intervene and see what I may be put for my job in proper place instead of working any household work."

The intervention by the labour union proved ineffective and this industrial dispute was raised.

3. In the written statement filed by the South Balanda Colliery of Messrs National Coal Development Corporation Limited, the case made on behalf of the workman is sought to be met in the following manner:

"***that Shree Shyam Lal Mahato was at first attached to Shree A. K. Mitra, Asst. Engineer (Mechanical) as a Mali-*cum*-Attendant. His performance and service with Shree Mitra was reported to be "absolutely unsatisfactory."

3. That after the transfer of Shree Mitra, Shree Shayam Lal, the workman concerned was attached to Shree D. Nagalingam, Asst., Engineer (Mechanical). During the period of service of Shree Shyam Lal with Shree Nagalingam his services were most unsatisfactory and his behaviour rude. A report to that effect was made by Shri Nagalingam to the Dy. Chief Mining Engineer by his letter dated 19th February, 1968, requesting him to withdraw Shree Shyam Lal and to provide him with another attendant."

Later on, the workman Shyam Lal was placed to work under T. S. N. Murthy, also an Assistant Engineer, but the latter also requested the Deputy Chief Mining Engineer to arrange for another attendant in place of Shyam Lal, because he did not appear to be suitable. Since it was not possible to find out another officer to whom Shyamlal could be attached and since it was not also possible to find out another job for him, "the management was compelled to issue a letter dated 2nd March, 1968, terminating his service with effect from 10th March, 1968, as per conditions of his service."

4. The conditions of service referred to above are to be found in Ext. 1, the letter of appointment issued to Shyamlal Mahato on September 12, 1967. The material portion of which reads as follows:

"Subject to medical examination, you are hereby appointed as Mazdoor in Cat. I @ Rs. 1·06 per day basic plus dearness allowance as per Industrial Tribunal Award, Bonus, C.M.P.F. as admissible under rules, from the date of joining.

You will be on probation for a period of six months in the first during which period your services are liable to be terminated on seven days' notice without any cause assigned. On expiry of this period and on receipt of satisfactory reports, your retention for further period will be considered."

5. Shyamlal Mahato himself deposed before this tribunal. In this examination-in-chief he said:

"I was posted to work as a cook in the bungalow of Nagalingam Sahib. Prior to that, I used to work at A. K. Mitra's house. He went away on transfer and then I was posted to work under Nagalingam Sahib. There were others to do domestic work in the bungalow. There was a maid-servant who used to wash the utensils. The maid-servant was not an employee under the colliery. I did not use to do any other work in the Bungalow of Nagalingam Sahib. Nagalingam Sahib asked me to wash utensils. I refused to wash utensils. Thereupon he stopped me from working in his bungalow. That was a few days earlier than the Holi festival day in the year 1966. Thereupon, I approached the Manager. He scolded me and told me that I must do all that I was told to do by Nagalingam Sahib. Still then I refused to do washing of utensils. At this stage, I complained to the trade union. The result was that I got a letter of termination of service."

Cross-examined by Mr. K. R. Sarad, Administrative Officer of the colliery, this witness said:

"When I received Ext. 1, I was working in the bungalow of Mitra Sahib. In the bungalow of Mitra Sahib I never used to wash utensils. I used only to cook his food. It was Mitra Sahib who caused my appointment under the colliery. About two months after Mitra Sahib was transferred. I was placed under Nagalingam Sahib. I worked under Nagalingam Sahib for a little over two months. I am mistaken, I worked for a little over three months. I did not obey the orders of the Manager because I did not wash utensils. I was never warned for unsatisfactory discharge of work. The Manager Sahib only told me that I shall have to work according to the directions of Nagalingam Sahib. After I was told by the Manager, I went back to work in the bungalow of Nagalingam Sahib; he told me that if I was not prepared to wash utensils I was not required in his bungalow."

On behalf of the colliery, Nagalingam himself deposed. In his examination in chief he said:

"Shyamlal was sent to act as my attendant. ***The Corporation, under the rules, gave me only one attendant. The attendant is meant for carrying the official documents, to attend to Telephone calls and to do such

like duties. It is no part of his duty to do domestic work for me. I never called upon Shyamlal to do domestic work for me. I had a maid-servant who used to perform domestic work including washing for myself. Shyamlal served under me upto 3rd week of February, 1968. During the time that Shyamlal served under me, his services were unsatisfactory. His attendance was irregular, his work unsatisfactory, his talk rude and indecent. I made a complaint to the Manager against the conduct of Shyamlal. (Shown complaint dated February 19, 1968). This is the complaint that I made against Shyamlal to the Deputy Chief Mining Engineer of South Balanda Colliery (marked Ext. A)."

To questions put by the Tribunal, he further said:

"I never asked Shyamlal to wash my domestic utensils. I did not do that even at the time when my maid-servant was temporarily absent. I never utilised Shyamlal in cooking food for me. My wife cooks all the food in my family."

Ext. A referred to by this witness in his examination in chief reads:

"During this period, you have been informed by me, verbally on several occasions that his irregularity in his duties and about his misbehaving with me. He was not keeping his timings and goes away from duty at his will and pleasure (*i.e.* without proper information and permission). Secondly, his way of talking and replying to me was indecent and rude.

Though, I have been assured by you whenever I have approached with this specific complaint that he would change his behaviour by your persuation, his behaviour and upkeeing of his timings, on the contrary, became worse than before.

Therefore I am lodging a formal complaint to you for your immediate and necessary action. Further, I request you to withdraw Sri Shyamlal immediately and provide me another attendant."

6. This is in substance the evidence on which I need decide this dispute.

7. Now, an employee appointed on probation continues as a probationer even after the expiry of the period of probation, if his services have not been terminated or if he has not been confirmed. The appointment of an employee on probation for a certain specific period does not empower the employers, without more, to terminate his services, before the expiry of such period, except on ground of misconduct of other sufficient reason. During the period of probation, however, in the absence of misconduct, the service of a probationer may be terminated in accordance with the terms of appointment or rules of service.

8. The right of an employer to terminate the service of a probationer during the probationery period, without notice or without assigning any reason in terms of the contract of the service, is now well recognised. But, if a probationer has to be dismissed for misconduct the ordinary procedure must be followed, that is to say, he must be served with a chargesheet, there must be an enquiry into his misconduct and he must be given proper opportunity to defend himself.

9. In the instant case, it does not appear that the workman was ever made permanent. The appointment on probation for six months was made on September 12, 1967 and the order of termination was made on March 2, 1968, that is to say, within the period of six months. The terms of service, which I have already set out, provide that the service will be liable to be terminated on 7 days notice without any cause assigned.

10. Turning now to Ext. 5, the letter of termination of service, dated March 2, 1968, I find that the letter contains the following statement:

"You are appointed for a period of six months in the first instant during which period your services are liable to be terminated on seven days notice without any cause assigned. Since during this probation period your performance has been found to be very unsatisfactory, your services are hereby terminated with effect from 10th March 1968. This may be treated as the prior notice as required."

That the period of notice was sufficient was not disputed before me. What was contended before me by Mr. D. B. Mishra, on behalf of the workman, was that the workman was dismissed for blameworthiness and a reason was assigned for

termination of service. He contended that this was as bad as dismissal for misconduct and this required initiation of a disciplinary action and passing of a dismissal order with proper opportuunity to the workman. Since this was not done, it was contended, the order of termination of service must be set aside. In support of this contention, strong reliance was placed by Mr. Mishra on judgment of the High Court of Judicature, Jammu and Kashmir in the *Central Bank of India* V. *State of Jammu and Kashmir* (1968) II LLJ 646, in which their lordships held that if the industrial court was satisfied that the order was punitive, that it was *malafide* or bad, amounted to victimisation or unfair labour practice, it was competent to set aside the order and direct reinstatement. Therefore, the question that remains for my decision is whether the termination of service of the workman, in the instant case, was made as a punitive measure. I have already referred to the complaint that was made against the workman by Mr. Nagalingam. It does not appear that the management proceeded wholly on that basis. All that the management said against the workman was that his services were found to be "very unsatisfactory". To do so was not to impute misconduct and to find the workman guilty of misconduct. I am not, therefore, prepared to hold that the termination of service in the instant case, was done as a measure of discipline or as a punishment for misconduct.

11. That being the position, I hold that the termination of service of Shri Shyam Lal Mahato, Category No. I Mazdoor of South Balanda Colliery by the management of Messrs National Coal Development Corporation Limited, during probationary period was not unjustified. As such the workman is not entitled to any relief.

This is my award.

Dated, March 27, 1969.

STATE: Maharashtra INDUSTRY: Major Ports.

Bombay, dated the 10th March, 1969

AWARD

By order No. 28/87/66/LRIV dated 22-7-1966, the Government of India, in the Ministry of Labour, Employment and Rehabilitation (Department of Labour and

Employment), referred to the Central Government Industrial Tribunal Bombay, for adjudication, an industrial dispute, existing between the employers in relation to Bombay Port Trust Bombay and their workmen represented by the Bombay Port Trust Employees' Union, Bombay in respect of the matters, set forth in the Schedule as mentioned below:—

SCHEDULE

(1) Whether the demand of the Union that the normal working hours of the Time-Keeping staff of the Trustees' Engineering and Port Departments should be brought on par with those prescribed for the indoor clerical staff is justified and should be implemented?

If so, from what date?

(2) Whether the demand that the Time-keeping staff of the Port Department should be given the same number of holidays as are allowed to the Time-keeping staff of the Engineering Department is justified and should be implemented?

If so, from what date?

2. Later on, the Central Government transferred this reference to this Industrial Tribunal No. 2 for adjudication by order No. 22/8/68 LRIII dated 25-11-1968.

3. The facts giving rise to this reference are as follows:—

4. The employers in relation to Bombay Port Trust, Bombay and their workmen represented by the Bombay Port Trust Employees' Union, Bombay made joint application to the Central Government under Sub-Section 2 of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947), for making reference to a Tribunal of an industrial dispute existing between them, in respect of the matters mentioned in their application. As the Central Government was satisfied that the Bombay Port Trust Employees' Union represented a majority of the said workmen, in exercise of the powers conferred by Sub-section 2 of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947), it referred this dispute to the Central Government Industrial Tribunal, Bombay for adjudication.

5. Shri S. K. Shetye, the General Secretary of the Bombay Port Trust Employees' Union (hereinafter referred to as 'The Union') has filed written statement on 9-1-1967, on behalf of the workmen. According to him, at present the normal working hours of the Time Keeping staff of the Trustees' Engineering and Port Departments are 47½ hours in a week, while those of clerks are 36½ hours in a week. The duties and pay scales of the clerks and Time-keepers are identical. The Chief Accountant's Paysheet Audit Staff does only 30 to 40 per cent work of a Time-keeper, but has got only 36 hours working in a week. Since the implementation of the report of Jeejeebhoy Committee from 1-10-1957, there is no dissimilarity in the 2 categories of clerks and Time-keepers. Both the categories are governed by the same Digest Rules and Regulations as well as leave regulations etc. However the Time-Keeping staff is compelled to put more working hours than clerks. This is discriminatory, unjust and against the principles of equity good conscience. As the duties and responsibilities of the Time-keepers and the Clerks are similar, the normal working hours of the Time-Keeping staff be brought on par with those prescribed for the indoor clerical staff.

6. According to Shri S. K. Shetye, the Time-keeping staff of the Port Department is allowed to avail only 12 Dock Holidays, while the Time-Keeping staff in other departments of the Bombay Port Trust, including Engineering Department are allowed all Bank Holidays. As all Bank holidays are allowed to Time-Keeping staff of the Engineering Department the same be allowed to the Time-Keeping staff of the Port Department.

7. Shri S. D. Chittar, Secretary of the Bombay Port Trust has filed written statement on 18-2-1967 on behalf of the Trustees of the Port of Bombay (hereinafter referred to as 'The employers'). According to the employers, as the Jeejeebhoy Committee had taken into consideration the duties, responsibilities and working hours of the Time-Keepers, 'A' and 'B' scales of all the Departments, while fixing their pay scales, they cannot now raise any demand regarding their working hours and holidays and the same is barred by principles analogous to the principles of *res judicata*.

8. As the Union and others were not satisfied with the recommendations of the Jeejeebhoy Committee, three refereneces *viz.* 1 of 1963, 3 of 1963 and 1 of 1964 were made to Central Government Industrial Tribunal presided over by Shri Meher. It

is contended that inasmuch as Shri Meher had gone into the question of Time-Keepers' working hours including the availability of holidays in great detail, the present reference in respect of the same issues is barred on the ground of principles analogous to the principles of *res judicata*. It is further contended that as the Wage Board constituted by the Government of India, *vide* Resolution No. WB-21(4)/64. dated 13-11-64, published in the Gazetted of India, Part I, Section 1 dated 28-11-64 is seized of the question of fixation of wages having regard to the totality of service conditions of Time-keepers, this reference is not maintainable. It is also contended that the employers have been coerced to sign the joint application dated 24-5-1966 to the Government of India for the reference of present dispute to a Tribunal under the threat of strike, by the Union as may be seen from the letters dated 16-2-1965, 27-2-1965, and 16-6-1965 addressed to them.

9. According to the employers, even on merit the Union has no case. The duties, responsibilities and scales of pay of the Time-Keepers and clerks are not identical. The Chief Accountant's Paysheet Audit Staff form part and parcel of the indoor clerical staff of his department. If the clerks belonging to the Administrative offices are posted to Stores or on Telephones and if they put in more hours of work than their counterparts in the Administrative offices, they are paid overtime allowance. because they form an integral part of the indoor clerical cadre, which is distinct and separate from the cadre of Time-Keepers or outdoor clerks. Average calibre of an indoor clerk is higher than that of a Time-Keeper. Outdoor staff working at Madras and Cochin Ports have similar working hours as obtaining in the Bombay Port. There is no discrimination between the Time-Keeping staff on one hand and clerks on the other hand.

10. According to the employers, Shri P. C. Chaudhury, I.C.S. appointed for the purpose of enquiring into the disparities and anomalies in the pay scales of Class III and Class IV employees of the Major Ports. had after going into the question of working hours of the Time-Keepers among others in great detail, recommended that the working hours of clerical staff posted to work alongwith the technical staff on outdoor work should be on the same basis as for the latter category.

11. These recommendations were accepted by the Government of India *vide* their Resolution No. 23-PLA(87)/589 dated 20-7-1958. It is contended that the similarity in the scales of pay between the outdoor Time-Keeping staff and the indoor clerical staff cannot be treated as laying down a basis for claiming equality in working hours. for, if any such demand is conceded on behalf of the Time-Keepers of the Engineering and Port Departments, a flood of demands would start flowing in on behalf of various other categories of outdoor staff working throughout the Port, it would stir up widespread industrial unrest and hamper the working of various out-door sections and departments of the Bombay Port Trust. The demand of the Union in effect is not for uniformity in the working hours, but in reality a demand to enable the Time-Keepers to earn additional overtime. This demand be therefore rejected.

12. According to the employers, the Time-keeping staff of the Port Department is given 12 to 13 Works holidays, because they form part and parcel of the outdoor staff. There has been a practice in the Engineering Department to extend the benefit of all the public holidays to the Time-Keeping staff. This is an anomaly in the working conditions of Time-Keepers of the Engineering Department in relations to the Time Keepers and the other outdoor staff of other departments. This anomaly be therefore removed by directing that Time-Keepers of the Engineering Department should not hereafter be allowed to enjoy all the public holidays in a year, but only the works holidays numbering 12 to 13 a year. The Union's demand that the Time-Keepers of the Port Dpartments should have all the number of public holidays as are enjoyed by the Time-Keepers of the Engineering Dpartment be rejected.

13. Shri R. K. Shetty, Deputy Legal Adviser for the Bombay Port Trust, Bombay contends that the employers have been coerced to sign the joint application dated 24-5-1966 to the Government of India for a reference of the present dispute to the Tribunal, under the threat of strike by the Union. In support of this contention. he relies on letters dated 16-2-1965, 27-2-1965 and 16-6-1965 addressed to the employers, by the Union.

14. The Union by its letter dated 16-2-1965, 27-2-1965 and 16-6-1965 requested the employers to consider the demands of the Time-Keepers and to settle the disputes. It also informed the employers that if the dispute would not be settled, direct action would be atken. It cannot be said that hetse notices were illegal and inconsistent with the provisions of the Industrial Disputes Act, 1947. If the law allows the employees to give strike notice, this would not amount coercion.

15. Joint application to the Government of India for making reference to the Tribunal was made on 24-5-1966. Reference under Section 10(2) of the Industrial Disputes Act was made to the Tribunal on 22-7-1966. There was ample time for the Bombay Port Trust to make representation to the Government of India, regarding their grievance in respect of joint application, but the same has not been made. It can be inferred from this that there was no coercion as alleged by the Bombay Port Trust.

16. If the joint application was under coercion, there should have been a suit for declaration that the agreement for making reference to a Tribunal was obtained under coercion and injunction to restrain the Government of India from making reference to a Tribunal. Admittedly no such suit has been filed uptill now. It, therefore, appears to me that there is no substance in this contention of Shri Shetty.

17. Shri R. K. Shetty, Deputy Legal Adviser for Bombay Port Trust contends that the totality of conditions of service including the hours of work and holidays were gone into by the classification and Categorisation Committee (Popularly known as Jeejeebhoy Committee), while considering the proper scales of pay for all employees of Class III and IV of the Bombay Port Trust. The question of working hours and holidays of the Time-Keepers was gone into on all India basis. No proper scale of pay could be constructed without having regard to working hours and holdays enjoyed by the Time-Keepers. Shri Shetty, further submits that when the question of constructing a scale of pay was gone into, the Committee in substance had gone into the question of working hours and holidays, and that on account of this, the same demand by the Union made in this reference is barred by the principles analogous to the principles of *res judicata*.

18. The two demands of the employees in this reference are as follows:—

(i) Equating of the normal working hours of the Time-Keepers with the working hours of the Indoor Clerks and (ii) Equating the number of holidays of the Time-Keepers in Engineering Department and Port Department.

19. It appears from para. 1 of the report of Jeejeebhoy Committee that the Government of India by its resolution No. 23PLA(91)/58 dated 23-8-1958 appointed this Committee to undertake the work of classification and categorisation of Class III and Class IV posts in the major ports of Bombay, Calcutta, Madras, Cochin, Kandla and Visakhapatnam and to fit them into one or the other scales of pay given in the schedule attached to the resolution.

20. Para. 6 of the report of Jeejeebhoy Committee refers to the function and scope of the work of the Committee. The relevant portion of this para, is as follows:—

"The Committee will examine the duties and responsibilities of various posts and fit them into one or other of the scales of pay given in the attached Schedule, in the light of the scales of pay of posts with comparable duties and responsibilities in other departments of Government....."

21. The question regarding the working hours and holidays was not before the Jeejeebhoy Committee. In the recommendations of the Jeejeebhoy Committee, there is no recommendations about the working hours and holidays. The scope of the Jeejeebhoy Committee was restricted. It was to examine the duties and responsibilities of various posts and to fit them into one or the other scales of pay given in the Schedule. It cannot be, therefore, said that the present two demands have been considered by Jeejeebhoy Committee in any form. As regards the second demand it could not have been before the Jeejeebhoy Committee in 1958 because the Time-Keepers in Port Department came into existence in 1961.

22. Considering the scope and function of Jeejeebhoy Committee and recommendations made by it, it cannot be said that the present reference of the employees is barred on the principles analogous to the principles of *res judicata*.

23. As the employees were not satisfied with the recommendations of Jeejeebhoy Committee, 3 references *viz.* 1 of 1963, 3 of 1963 and 1 of 1964 were made to Shri Meher, Presiding Officer, Industrial Tribunal, Bombay. The dispute referred to Shri Meher for adjudication was as follows:—

(a) Whether there are anomalies in regard to any of the pay scales recommended by Tripartite Committee set up by the Resolution of the Central Government in the Ministry of Transport and Communications, Department of Transport No. 23 PLA(91)/58 dated the 23rd August

1958, published in Part I of the Gazette of India Extraordinary of the 25th August, 1958 in respect of the categories of posts listed in the annexure.

(b) If so, what modifications, if any, should be made in the scales of pay recommended by the said committee for the posts listed in the annexure, having regard to the directions contained in paragraph 2 of the said Resolution?

30. Shri R. K. Shetty, Deputy Legal Adviser for Bombay Port, Trust contends that as Shri Meher had gone into the question of Time-Keepers' working hours including the availability of holidays in great detail, the present reference is not maintainable on the ground of principles analogous to the principles of *res judicata.*

31. Shri Meher was to consider whether there were anomalies in regard to any of the pay scales recommended by Jeejeebhoy Committee and to suggest modification if any. The question regarding equating of working hours and holidays of the Time-Keepers was not referred to him and the same was not before him. If this question was not before Jeejeebhoy Committee, it could not be before Shri Meher.

32. Shri R. K. Shetty, Deputy Legal Adviser for Bombay Port Trust contends that inasmuch as the Bombay Port Trust General Workers' Union had raised contention regarding working hours and Bank holidays enjoyed by Outdoor Clerks (which term includes Time-Keepers) before Shri Meher in the written statement dated 5-10-1963 (*vide* item No. 11 page 17, Ex. E.9), the present reference in respect of the same contentions by the Time-Keepers, is barred by the principles analogous to the principles of *res judicata.* This contention cannot be accepted.

33. The dispute before Shri Meher was regarding anomalies in the scales of pay recommended by Jeejeebhoy Committee. Bombay Port Trust General Workers' Union contended before Shri Meher that there was anomaly in the service conditions of the Indoor Clerks and the Outdoor Clerks. In that connection the Union made reference regarding the working hours and holidays enjoyed by the Outdoor Clerks and Indoor Clerks (*vide* item No. 11 Outdoor Clerks on page No. 17 in Ex. E.9).

34. The Bombay Port Trust Employees Union had raised dispute regarding Time-Keepers Oil Pipe Line, Wadala and Pir Pau (*vide* item No. 29 Page 16 in Ex. E.9) before Shri Meher. It was in respect of designation. The same dispute was withdrawn by application dated 4-12-1964. It cannot be said that on account of this, the present reference is barred by the principles analogous to the principles of *res judicata.*

35. Shri R. K. Shetty, Deputy Legal Adviser for Bombay Port Trust contends that as the Wage Board is seized of the question of fixation of wages having regard to the totality of service conditions of the Time-Keepers, the present reference is not maintainable. This contention cannot be upheld.

36. The Government of India in the Ministry of Labour, & Employment by their Resolution No. WB-21(4)/64 dated 13-11-1964 have constituted the Central Wage Board for Port and Dock Workers at Major Ports. It has to work out a wage structure based on the principles of fair wages as set forth in the Report of the Committee on Fair Wages. As the Wage Board has to work out a wage structure based on the principles of fair wages, it cannot be said that the two demands in the present reference (regarding equating of working hours and holidays of the Time-Keepers) are before the Wage Board.

37. The Wage Board has issued a questionnaire calling information on various topics. One of the topics is "working hours and overtime allowance". If the Wage Board has called information and suggestions, regarding working hours for each category of employees in different establishments and overtime rates it is only by way of information. It cannot be said that the demands in the present reference are barred because the Central Wage Board has issued a questionnaire. calling upon the information and suggestions regarding working hours and holidays of the employees in various establishments. Moreover, the recommendations of the Wage Board are only recommendations. They have no statutory binding, or "effect. Hence I am of the view that the present reference is not barred on account of constitution of the Central Wage Board for Port and Dock Workers for working out a wage structure based on the principles of fair wages as set forth by the Committee on the Fair Wages.

38. The next point for consideration is whether the Time-Keepers are part and parcel of the Indoor Clerical staff or Outdoor staff.

39. The learned advocate Shri Tembe for the Union contends that the Time-Keepers are part and parcel of the Indoor Clerica staff. In support of this contention, he relies on some documents (Ex. W.3, W.6, W.10 and E.13).

40. It appears that Bombay Port Trust had filed extract regarding the duties of various staff on its establishment before Jeejeebhoy Committee. In that extract, Ex. E.13, 'A' and 'B' scale Time-Keepers of the Chief Engineering Department are shown as Indoor Clerks. They are also shown as Indoor Clerks in Ex. W.3 (which is an extract from page No. 48 and 61 of Bombay Port Trust's statement, showing the Duties and Responsibilities before Jeejeebhoy Committee). In the reply, (extract Ex. W.10) to the questionnaire of Wage Board, the Bombay Port Trust has shown 'A' and 'B' scale Time-Keepers of the Engineering Department as Indoor Clerks and Time-Keepers of Port Department as Indoor and Outdoor Clerks. In Trustees' Resolution No. 900 dated 6-12-1960 (*vide* Ex. E.W.6) it is mentioned as follows:—

> "There is at present no post of Time-Keepers in the Port Department. Time-Keepers are engaged in all sections of the Engineering Department for work relaitng to establishment. They are regarded as Indoor staff but eligible for overtime allowance both under the Port Trust Rules and the Minimum Wages (Central) Rules, 1950."

41. Shri R. K. Shetty, Deputy Legal Adviser for Bombay Port Trust contends that the Time-Keepers are part and parcel of Outdoor clerical staff, and that there is mistake in describing them as members of Indoor staff before Jeejeebhoy Committee and Wage Board and that the documents relied on by the Union in this respect cannot be relied upon.

42. Shri R. K. Shetty, on behalf of the Bombay Port Trust relies on the oral evidence of Shri Laxman Damodhar Gokhale, Superintending Engineer, Bombay Port Trust to show that the Time-Keepers are part and parcel of the Outdoor staff of the Engineering Department. Shri Gokhale (Ex. E.12) does state on oath that Time-Keepers are part and parcel of the outdoor staff of the Engineering Department, but his testimony is inconsistent with the recitals in the documents (Ex. W.3, W.6, W.10 and E.13) belonging to the Bombay Port Trust. There is no affidavit or soorn testimony either of the Chairman, General Manager, or the Chief Accountant to show that these documents are incorrect. There is no convincing and reliable evidence to show that these documents are incorrect and unreliable in this respect. If the recitals in these documents, showing the Time-keepers as part and parcel of indoor staff are not proved to be incorrect, no weight can be attached to the sworn testimony of Shri Ghokhale, when he says that Time-Keepers are part and parcel of the outdoor staff of the engineering Department.

43. Relying on the documents referred to above, I hold that the Time-Keepers concerned are part and parcel of the indoor clerical establishment.

44. This reference relates to two demands made by the Time-Keepers of the Bombay Port Trust. I will first consider the second demand.

45. According to the learned advocate Shri Tembe for the Union, the Time-Keeping staff of the Port Department is allowed to avail only 12 Dock (work) holidays, while the Time-Keeping staff in other departments of the Bombay Port Trust including Engineering Department is allowed all Bank holidays. As there is practice existing in the Engineering Department to allow the Time-Keepers all public holidays, the same should be extended to other Time-Keepers.

46. The Bombay Port Trust contends in its written statement Ex. E.9 para 11, that there has been a practice in the Engineering Department to extend the benefit of all the public holidays to the Time-Keeping staff in the Engineering Department, that this is an anomaly in the working conditions of Time-Keepers of the Engineering Department in relation to the Time-Keepers and the other outdoor staff of other departments and that this Tribunal should be pleased to remove this anomaly by allowing only works holidays to the Time-Keepers of the Engineering Department.

47. Admittedly, there is a practice existing since long in the Engineering Department to extend the benefit of all the public holidays to the Time-Keepers in that Department. Bombay Port Trust authorities allowed this practice to continue. They did not take any steps to stop it. It is only for the first time in this reference in the written statement (Ex. E.9, para 11) that Bombay Port Trust is contending that this practice should be discontinued and that only works holidays be allowed to the Time-Keepers of the Engineering Department. In my opinion their request cannot be granted.

48. Time-keepers of the Engineering Department and Time-keepers of Port Department, belong to the same cadre. Their duties and responsibilities are similar. Their scales of pay are the same. As they belong to the same category, there should not be any distinction or difference in respect of their service conditions. If only works holidays are allowed to the Time-keepers of Port Department and if all Bank holidays are allowed to the Time-keepers of Engineering Department this would amount to discrimination in their service conditions in respect of holidays. This would lead to dissatisfaction and frustration amongst the Time-keepers of the Port Department. There is no justification for the Bombay Port Trust authorities to refuse to give all Bank holidays to the Time-keepers of the Port Department, when they are giving all Bank holidays to the Time-keepers of the Engineering Department. In my opinion, the demand of the Time-keepers of the Port Department for allowing them the same number of holidays as are allowed to the Time-keeping staff of the Engineering Department is just and proper. They are, therefore, entitled to get the same number of holidays i.e. all Bank holidays.

49. The next point is from what date, the Time-keepers of the Port Department should start getting all Bank holidays. To avoid complications, I think that the Time-keepers of the Port Department should start getting all public holidays with effect from 1st June, 1969.

50. The next point for consideration is whether the normal working hours of the Time-keeping staff of the Trustees' Engineering and Port Departments should be brought on par with those prescribed for the indoor clerical staff. My finding on this point is in the affirmative for the following reasons.

51. On 25th August, 1959, there was a meeting of the Trustees of the Port of Bombay. Extract from the proceedings of this meeting is produced at Ex. W-8 This extract W-8 is as follows:—

> "The question of having a separate cadre of these outdoor clerks has been considered and it is found that such a step would not be practicable as the staff concerned will have no avenues of promotion and there are also distinct advantages in a system under which the indoor staff can go out and gain practical experience which would enable them to carry out their duties more efficiently. I do not consider that a tenable claim for additional remuneration can lie. The other major ports have been consulted in the matter and the unanimous opinion is that the staff wherever they may be employed whether indoor or outdoor should be governed by the hours of duty applicable to the particular establishment and that there is no case for any extra payment for any longer hours of work."

52. It appears that in 1959, the view prevailing amongst the authorities of the Bombay Port Trust was that it was not necessary to keep the cadres of clerical staff, indoor and outdoor separate, that the staff should be governed by the hours of duty applicable to the particular establishment to which they are attached and that they would not be entitled for any extra payment for any longer of hours of work (*vide* Ex. W-8-Resolution No. 755) (1) The Committee's recommendations is approved (ii) the Government of India should be informed accordingly.)

53. On 5-11-1963, the Trustees of the Port of Bombay passed Trustees' Resolution No. 956 (*vide* Ex. W-2) Para. 4 of this resolution is as follows:—

> "4. The need for the office staff to work beyond the normal hours of duty persists and the staff have shown a marked reluctance to work overtime unless they are placed on such work on a 12 hour-per-day basis, so that they can get the full benefit of the provisions relating to overtime contained in the Minimum Wages Act. The employment of office clerks for 12 hours a day, more or less, continuously for fairly long periods, is not in the interests of efficiency nor of the employees themselves. The time has, therefore, come for effecting a change in the present arrangements regarding the overtime working of office staff. In the light of the Government orders referred to above and the practice prevailing in the Calcutta and the Madras Ports, the Chairman has agreed that the office staff should be made eligible for overtime allowance for work beyond normal duty hours, subject to compliance with the provisions of the Minimum Wages Act. The Chairman has also agreed that the proposed scheme should be made applicable only to staff who have to work overtime for administrative reasons and that their overtime working should be closely controlled by their superiors. In the case of supervisory staff, the Heads of Departments will have to

ensure that only the minimum number required for effective supervision are retained for overtime. The categories of staff to whom it is proposed to apply the scheme, are listed in the Annexure hereto".

54. In view of Trustees' Resolution No. 956 dated 5-11-1963 (*vide* Ex. W-2) Indoor Clerks attached to outdoor establishment get overtime allowance for working beyond normal hours. In the Appendix to this Trustees' Resolution, list of categories of office staff proposed to be made eligible for overtime allowance under Port Trust Rules is given. In this list, Time-keepers have not been included.

55. The working hours of clerks attached to indoor and outdoor duties are as follows:—

Day	Indoor	Outdoor
Monday to Friday	10 30 A.M. to 5.30 P.M. (with half an hour s recess) i.e. 5½ hours.	8.00 A.M. to 5.30 P.M. (with an hour's recess) i.e. 8½ hours.
Saturday	10.30 A.M. to 2.00 P.M. i.e. 3½ hours.	8.00 A.M. to 1.00 P.M. i.e. 5 hours.
TOTAL	36 hours	47½ hours.

56. It is common ground that Indoor Clerks attached to outdoor establishment have to work from 8 A.M. to 5.30 P.M., but their normal working hours remain the same (*i.e.* from 10.30 A.M. to 5.30 P.M. as they get overtime allowance as per rules, since Trustees' Resolution No| 956 dated 5-11-1953 A*vide* Ex. W-2) was passed. As I have taken a view that the Time-keepers are part and parcel of the Indoor Clerks, their normal working hours should not, therefore, differ from those of the Indoor Clerks. Their normal working hours should be brought on par with those prescribed for the indoor clerical staff. Otherwise there will be discrimination in the service conditions regarding working hours of the Time-Keepers and those of the Indoor Clerical staff of the Bombay Port Trust.

57. There is a change in the concept on the part of the Bombay Port Trust in regard to normal working hours of the indoor clerical staff attached to outdoor establishment, since 1963 (*vide* Trustees' Resolution No. 956 dated 5-11-1963 Ex. W-2). In 1959 this demand of the indoor clerical staff attached to outdoor establishment for overtime allowance for work beyond normal duty hours was rejected, but in 1963 the same has been allowed, upheld and justified by the Bombay Port Trust (*vide* Ex. W-2).

58. If the Indoor Clerks do the work of Time-keepers in second and third shift, they get the benefit of overtime allowance for work beyond normal working hours. But the Time-keepers working in day shift do not get the same benefit. Why should they not get this benefit if the Clerks, doing the same work in second and third shift, get benefit? Service conditions of Time-Keepers and Clerks are more or less the same. There is, therefore, every justification for bringing the normal working hours of the Time-keepers on par with those prescribed for the indoor clerical staff.

59. In Loco Shed and Merry Weather Dry Dock, a Clerk and a Time-keeper sit side by side and do the same work. The clerk gets the benefit of overtime work, while the Time-keeper does not get the same. If the Time-keeper and the clerk do the same work in the same establishment, why should there be different normal working hours for them? Why should they be given different treatment? Such discrimination in their service conditions in respect of normal working hours and overtime allowance, is bound to create unrest and dissatisfaction. It is, therefore, necessary to remove this discrimination, by brining the normal working hours of the Time-keepers on par with those prescribed for the indoor clerical staff.

60. Shri Tembe, the learned advocate for the Union contends that there is discrimination between the clerical staff and the Time-keepers as regards the normal working hours and that the same be removed. In support of his say he relies on 1964 I, LLJ, Page 750 (between Nawabganj Sugar Mills Co. Ltd. and its workmen & another.

61. In 1964 I, LLJ, Page 750, the Supreme Court of India has held:—

"In view of the facts of the instant case when the Company had paid retaining allowance to some of its clerks and the practice followed by the

other factories in the neighbourhood, the company could not make any discrimination in the payment of retaining allowance to some of its clerks. It was not explained by the Company as to how and why it paid retaining allowance to half of the seasonal clerks and not to others".

62. If we apply the principle of this ruling to the facts of the present reference, it will be clear that the Bombay Port Trust cannot prescribe different normal working hours to Time-keepers. It will have to prescribe the same normal working hours to the Time-keepers, as those prescribed for the Indoor Clerks. Otherwise there will be discrimination between the clerical staff and the Time-keepers, as regards normal working hours.

63. After the report of Jeejeebhoy Committee, Bombay Port Trust made alterations in the service conditions of the staff. By Trustees' Resolution No. 351/1962 dated 24-4-1962 (*Vide* Ex. W-4), Bombay Port Trust decided to upgrade certain number of 'B' scale posts to 'A' scale as mentioned in para. 9 of Ex. W-4, for enlarging the promotional opportunities for office clerical staff. Bombay Port Trust made further improvement in respect of promotional opportunities for indoor clerical staff by Trustees' Resolution No. 478/63 dated 11-6-1963 (*vide* Ex. W-5). If Bombay Port Trust is trying to improve the service conditions of some staff, why should it not remove the hardship and injustice caused to Time-keepers in respect of working hours and holidays? The two demands of the Time-keepers, made in this reference appear to be just and proper.

64. Shri R. K. Shetty, the Deputy Legal Adviser for the Bombay Port Trust submits that if the Time-keepers are held as members of the indoor staff the Bombay Port Trust will have no case and that if they are members of the outdoor staff, the Union will have no case. I have already held that the Time-keepers are part and parcel of the indoor establishment. Hence, I am of the view that Bombay Port Trust has no case; and that the two demands of the Time-keepers made in this reference should be accepted.

65. Shri R. K. Shetty, the Deputy Legal Adviser for the Bombay Port Trust contends that the Tribunals should not reduce the working hours which are within the statutory limits.

66. As per rule 24(1) of the Minimum Wages (Central) Rules, 1950, the number of hours which shall constitute a normal working day shall be (a) in the case of an adult, 9 hours. As per Section 51 of the Factories Act, 1948, no adult worker shall be required or allowed to work in a factory for more than 48 hours in a week. As per Section 54 of the Factories Act, 1948, subject to the provisions of Section 51, no adult worker shall be required or allowed to work in a factory for more than nine hours in any day.

67. Section 51 and 54 of the Factories Act, 1948 prescribe the maximum period regarding the daily and weekly hours of work. Rule 24(1) of Minimum Wages (Central) Rules 1950 prescribes the hours of a normal working day. The normal working hours prescribed by Bombay Port Trust for Time-keepers are within the statutory limits. These statutes no-where lay down that these working hours should not be reduced. The contention raised by Shri R. K. Shetty that working hours within statutory limits should not be reduced by the Tribunals cannot be upheld.

68. Shri R. K. Shetty, the Deputy Legal Adviser for the Bombay Port Trust contends that the working hours of the office staff would be less than the working hours of the operational staff and that inasmuch as the Time-keepers belong to operational staff, their normal working hours of 48 hours per week, prescribed by Bombay Port Trust be not reduced.

69. Shri Gokhale, the Superintending Engineer, Bombay Port Trust mentions in his evidence (Ex. E-12) the duties of Time-keepers. They are as follows:—

(i) Take musters of labourers.

(ii) Maintain leave account.

(iii) To make entries in Log-book.

(iv) Every duty connected with staff of labourers.

(v) To maintain full record of the employees' service.

According to Shri Gokhale, no work in the sections of the Engineering Department can be carried out without the help of the Time-Keepers, where the work is carried on departmentally.

70. Duties and responsibilities of 'A' and 'B' scale Time-keepers are given in Ex. W-3 which is an extract from Bombay Port Trust's statement before Jeejeebhoy Committee. Shri Gokhale says in his evidence (Ex. E-12) that the duties and responsibilities mentioned in Ex. W-3 are the duties which are carried indoors, that they are of clerical nature, and that at the same time they (*i.e.* Time-keepers) have to do outdoor work. There can be no doubt that the Time-keepers have to carry on duties which are of clerical nature. As their duties are of clerical nature, their normal working hours should not, therefore, differ from those of the indoor clerical staff. Hence the contention raised by Shri R. K. Shetty for the Bombay Port Trust that the present normal working hours of 48 hours per week of the Time-keepers be not reduced as they belong to operational staff cannot be upheld.

71. Shri R. K. Shetty, Deputy Legal Adviser for the Bombay Port Trust contends that the office staff is not concerned with production and that they are concerned with record, while the Time-keepers are concerned with production. It is contended that if the present normal working hours of 48 hours per week of the Time-keepers are reduced to 36 hours per week, the production would suffer. There is no force in this contention. If the Bombay Port Trust wants the Time-keepers to work for 48 hours per week, it should pay them overtime allowance, in the way in which it is paid to the Indoor Clerks, who are posted to perform outdoor duties on the basis of Trustees' Resolution No. 956 dated 5-11-1963 (Ex. W-2). In that case, the production would not suffer.

72. Shri R. K. Shetty, Deputy Legal Adviser for the Bombay Port Trust has relied upon the report of the Second Pay Commission in page 400, para. 11. It is as follows:—

> "On the question of uniformity in weekly hours among the various groups of employees, we are of the view that it is not necessary or feasible. We are fortified in this view by practice in many other countries and in outside employment in this country".

73. In the present case, the Time-keepers' case is that their normal working hours be brought on par with those prescribed for the indoor clerical staff, because their duties are more or less similar to those of Indoor Clerks and because they form part and parcel of the indoor establishment. The Time-keepers are not making a demand that there should be uniformity in the weekly hours among the various groups of the employees of the Bombay Port Trust. The recommendations of the Second Pay Commission on the question of uniformity in weekly hours does not come in their way.

74. Report of the Officer on Special Duty appointed to enquire into the demands of Port and Dock Workers, dated 20th July 1958 is produced at Ex. E-3. Chapter VII relates to working hours, Night Shift and weekly off. Under the heading working hours, Clause iv, is as follows:—

> "The working hours of the clerical staff posted to work alongwith technical staff on outdoor work should be on the same basis as for the latter category".

75. The recommendations of Shri P. C. Choudhary, Officer on Special Duty (Ex. E-3), regarding working hours were accepted by the Government of India (*vide* Resolution No. 23 PLA(87)/589 dated 20th July 1958 under item No. IV under the heading working hours, under Part III of 'B'—"Recommendations which do not seek to make any change in the working rules or practices" in appendix I to the said Resolution).

76. Relying on the above mentioned recommendation of Shri P. C. Choudhary, Officer on Special Duty, Shri R. K. Shetty says that the normal working hours of the Time-keepers be not brought on par with those of the Indoor Clerks. I am unable to accept this contention.

77. It appears from Trustees' Resolution No. 755 dated 25th August 1959 (*vide* Ex. W-8) that the Government of India, had suggested to Bombay Port Trust to create separate cadre of Outdoor Clerks after the Choudhary Report was published. In this connection there is Chairman's note dated 14th August 1959 mentioned in Ex. W-8. It is as follows:—

> "The Government of India, in their letter No. 23 PLA (87)/58 dated 26th July, 1958, relating to the implementation of the Government of India Resolution on the Choudhary Report have stated *inter alia*, as follows:—
>
> "In the course of informal discussions with the representatives of the Labour Unions, it was pointed out that the clerical staff posted on

outdoor work have to put in longer hours of work than the cadre of clerical indoor staff. It was made out that the staff was interchangeable, and that therefore it would be fair to make additional *payment for the extra hours put in by the outdoor clerical staff at all the ports. It is felt that it would be desirable to keep the cadres of clerical staff, indoor and outdoor, separate*; otherwise claim for extra payment to outdoor staff for longer hours of duty may become tenable. The feasibility of keeping the cadres separate may therefore, be examined and the result intimated to this Ministry as early as possible."

78. Para. 4 in Ex. W-8 is as follows:—

"The question of having a separate cadre of these outdoor clerks has been considered and it is found that such a step would not be practicable as the staff concerned will have no avenues of promotion and there are also distinct advantages in a system under which the indoor staff can go out and gain practical experience which would enable them to carry out their duties more efficiently. I do not consider that a tenable claim for additional remuneration can lie. The other major Ports have been consulted in the matter and the unanimous opinion is that the staff, wherever they may be employed—whether indoor or outdoor—should be governed by the hours of duty applicable to the particular establishment and that there is no case for any extra payment for any longer hours of work."

79. In view of the Trustees' Resolution No. 755, dated 25th August 1959 it is clear that in 1959 there were no separate cadres of Outdoor and Indoor Clerks. Though the Government recommended that it was desirable to keep the cadres of clerical staff, indoor and outdoor separate, yet the Bombay Port Trustees refused to keep the cadres of clerical staff, indoor and outdoor separate (*vide* Ex. W-3). In 1963, by Trustees' Resolution No. 956, dated 5th November 1963 (*vide* Ex. W-2) it allowed overtime allowance to office staff for working beyond the normal duty hours. In view of this change in the concept on the part of Bombay Port Trust in regard to normal working hours of the indoor clerical staff attached to outdoor establishment, there is no reason as to why the normal working hours of the Time-keepers should not be brought on par with those of the indoor clerical staff, and as to why the Time-keepers should not get the benefit of overtime allowance as allowed to indoor staff under Trustees' Resolution No. 956 dated 5th November 1963 (*vide* Ex. W-2). In these circumstances, it cannot be said that Shri P. C. Choudhary report in respect of working hours, comes in the way of the present demands of the Time-keepers.

80. Shri R. K. Shetty, Deputy Legal Adviser for Bombay Port Trust contends that the outdoor staff working at the Madras and Cochin Ports have similar working hours as obtaining in the Bombay Port and that on account of this working hours of the Time-keepers be not brought on par with those prescribed for the indoor clerical staff.

81. It appears that the General Manager of the Bombay Port Trust wrote a Demi-Official letter dated 3rd May 1966 (See page 37 of Ex. E-9) to Madras and Cochin Port Authorities for making inquiries regarding the working hours of the indoor and outdoor staff. The General Manager received replies from Madras under D.O. letter dated 7th May 1966 (See page 38 of Ex. E-9) and Cochin under D.O. letter dated 14th May 1966 (See page 39 of Ex. E-9). Outdoor staff working at Madras and Cochin Ports have similar working hours as obtaining in the Bombay Port.

82. In 1959, the Bombay Port Trust authorities refused to create separate cadres of Indoor and Outdoor Clerks (*vide* Ex. W-3). In 1963, Bombay Port Trust changed its concept in respect of normal working hours of the indoor clerical staff attached to outdoor establishment and allowed overtime allowance to office staff working beyond office hours. It is not clear from the Demi-official letters of Madras and Cochin Ports authorities, as to whether they passed resolutions similar to those passed by Bombay Port Trust, referred to above. Hence the practice regarding working hours of the outdoor staff prevailing in Madras and Cochin Ports for considering as to whether the working hours of the Time-keepers in Bombay Port Trust should be brought on par with those prescribed for the indoor staff, cannot be given any weight.

83. In short, all the objections raised by Shri R. K. Shetty, Deputy Legal Adviser for the Bombay Port Trust, for granting the two demands of the Time-keepers in this reference fail.

84. The next point is, regarding the date from which Time-keepers' present working hours should be brought on par with those prescribed for the indoor clerical staff. In my opinion, demand No. 1 should be given effect from 1st June 1969, to avoid complications and to give sufficient time to Bombay Port Trust authorities for making necessary adjustments.

85. If the Bombay Port Trust authorities want the Time-keepers to work from 8 A.M. to 5-30 P.M. with one hour recess on week days other than Saturday and from 8 A.M. to 1 P.M. (without recess) on Saturday, they will have to give overtime allowance to them for work beyond normal duty hours of 36 hours per week as prescribed for the Indoor Clerks.

86. In the end I pass the following order:—

ORDER

(i) Normal working hours of the Time-keeping staff of the Trustees' Engineering and Port Departments should be brought on par with those prescribed for the Indoor clerical staff, with effect from 1st June 1969.

(ii) Time-keeping staff of the Port Department should be given the same number of Bank or Public holidays as are allowed to the Time-keeping staff of the Engineering Department, with effect from 1st June 1969.

(iii) Award is made accordingly.

(iv) No order as to costs.

[No. 28/87/66-LRIV.]

S.O. 1480.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Calcutta, in the industrial dispute between the employers in relation to Messrs Calcutta Licensed Measurers, Calcutta and their workmen, which was received by the Central Government on the 31st March, 1969.

CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, CALCUTTA

REFERENCE No. 49 OF 1968

PARTIES:

Employers in relation to Messrs Calcutta Licensed Measurers,

AND

Their workmen.

PRESENT:

Shri B. N. Banerjee—*Presiding Officer.*

APPEARANCES:

On behalf of Employers.—Shri D. Basu Thakur, Legal Adviser, Bengal Chamber of Commerce and Industry.

On behalf of Workmen.—Shri Patil Paban Pathak.

STATE: West Bengal INDUSTRY: Port & Dock

AWARD

By Order No. 28(66)/68-LRIII dated October 7, 1968, the Government of India, in the Ministry of Labour, Employment and Rehabilitation (Department of Labour Employment), referred the following industrial dispute between the employers in

relation to Messrs Calcutta Licensed Measurers and their workmen, to this tribunal, for adjudication, namely:

"Whether the clerical and mechanical staff under the Calcutta Licensed Measurers, P-78, Garden Reach Road, Kidderpore, Calcutta-43 are entiletd to sick leave at the rate of one month in a year? If not, to what relief are the workmen concerned entitled?"

The language used in the schedule to the order of Reference is somewhat unrevealing. There is no dispute that the clerical and mechanical staff under the Calcutta Licensed Measurers get sick leave at the rate of one month in the year. The dispute is whether there should be a maximum limit to accumulation of such leave fixed or whether sick leave should be allowed to accumulate upto unlimited period.

2. Since the order of reference is somewhat unrevealing, I am at liberty to look to the pleadings on the authority of the law laid down by the Supreme Court in *Delhi Cloth and General Mills Company Ltd., and their workmen* (1967) I LLJ 423 and to find out the real scope of dispute.

3. The organisation named as Calcutta Licensed Measurers is a partnership carrying on business of measurement and weighment of cargo in the Port of Calcutta. Prior to 1962, this business used to be carried out, amongst others, by the Licensed Measurers Department of Bengal Chamber of Commerce & Industries. In 1962, the Measurers department of Indian Chambers of Commerce and the Licensed Measurers department of Bengal Chamber of Commerce & Industries merged together and formed the partnership known as Calcutta Licensed Measurers.

4. In paragraph 3 of the written statement filed by the Calcutta Licensed Measurers Employees' Union, it is said:

"that amongst other, the employees have been enjoying sick leave at the rate of one month in a year without any ceiling."

In proof of what is stated in the aforesaid paragraph, the workmen sought to rely on two documents which are respectively marked Exts. A and D before this Tribunal. In paras 4, 5, 6, 7 and 10 of the written statement of the Employees' Union, it was stated:

"4. That it may be mentioned here that there is no stipulation about the maximum entitlement of Sick Leave either in the agreement or the Office Order referred to above.

5. That on or abut 20th February 1968, the Management all of a sudden issued a letter to Sri T. K. Chatterjee, in which, for the first time, maximum entitlement was indicated with a note of warning.

6. That never before any such letter or warning was ever issued. There are instances when the employees have enjoyed Sick Leave for more than 18 months.

7. That the Union protested against Managements' letter to Sri Chatterjee and tried to reason with them. It was pointed out that such an attempt will not only violate the terms and conditions but would go to curtail the existing benefits but in vain.

8. ***

9. ***

10. That the Union submits that one months' sick leave with full pay and dearness allowance in a year without any stipulation of maximum limit is a condition of service of the employees and the Management's contention and attempt to introduce maximum limit is illegal, malafide and against all principles of natural justice to curtail the existing faciliites."

5. The demand made by the workmen was sought to be met by the management with the following case made in the written statement:

"2. ** The Firm states that prior to the formation of this Firm in April, 1962 the clerical, head office subordinate staff, mechanics and drivers were covered by the Leave Rules of Bengal Chamber of Commerce and Industry and as awarded by the West Bengal Tribunal in 1949. The employees of the L.M.D. of Bengal Chamber of Commerce & Industry were taken over by this firm on the terms that there will be no break in the service of the employees or change in their terms and conditions of service. It is submitted that the said Award of 1949 will govern the sick leave of the employees. That with reference to office order No. 1/51 dated 11th December 1951 the firm states that the same if at

all applicable is only applicable to the Firm's scale room (Work Shop) staff only.

4. *** The Firm states that in few exceptional cases the Firm at its discretion allowed relaxation.

5. The Firm submits that the employees are entitled to sick leave as are in existence for the employees of Bengal Chamber of Commerce & Industry as awarded in 1949. ***"

6. The leave rules mentioned in pargaraph 6 above are marked Ext. 7 before this tribunal.

7. On behalf of the workmen Anupam Sen Gupta deposed. According to him, there was a time when employees in Calcutta Licensed Measurers used to get one month's sick leave without any limitation as to the maximum period. He, however, said that the management later on, began to show disinclination to grant sick leave for more than 12 months in one's career. As an instance of this disinclination, he invited my attention to Ext. F, a letter written by the Secretary of the Calcutta Licensed Measurers to Trilokki Kr. Chaterjee, on November 20, 1968, which I set out below:

"With reference to your Medical Certificate dated 30th January 1968, you are hereby informed that you have already availed of 16 months 10 days sick leave with full pay and dearness allowance during your service. In this connection, your attention is drawn to Rule No. 1(iii) relating to Sick Leave Rules, applicable to you.

You are, however, granted 20 days' Sick Leave, as a very special case, from 10th to 29th January, 1968, with pay and dearness allowance, at the discretion of the Management.

It is further made clear to you that instances of sick leave in futrue shall be considered by the Management at their sole and absolute discretion."

The exhibition of this type of disinclination, according to him, gave rise to the present dispute.

8. On behalf of the workmen reliance has been placed on Ext. 1, office order No. 1/51 dated December 11, 1951. The said office order contains the following provision as to sick leave:

"On full pay on the recommendation of the Medical Officer but not more than 30 days at a time."

According to the workmen, this rule does not admit of fixation of any maximum period of sick leave. According to the management, however, sick leave must be governed by the terms of the award, published on February 7, 1949 (Ext. 4), which reads as follows:—

"Subject to medical certificate on month's sick leave for each year of service, subject to a maximum of 12 months in all during the whole of employee's period of service."

Also, according to the management, sick leave is controlled by Clerical & Subordinate Staff Leave Rules of the Bengal Chambers of Commerce and Industry (Ext. 7) Rules 1(iii) and 2(c) of which reads as follows:

"1(iii) Sick Leave—Subject to Medical Certification, one month's sick leave in each year of service, subject to a maximum of 12 months in all during the whole of an employee's period of service.

2(c) *Sick Laeve*:—

(i) All sick leave must be covered by a medical certificate from a registered medical practitioner, which must be submitted as soon as possible after the commencement of sickness and not after the sickness is over.

(ii) As an exception to this requirement absences up to three days only taken on medical grounds but unsupported by a medical certificates may be counted as sick leave provided prior personal application is made to the personnel Officer and it appears that such leave is justified.

(iii) The Chamber reserves the right to have an employee examined by its own Doctor and in the case of staff on leave out of Calcutta and its environs, to require the counter signature of the local Civil Surgeon to the medical certificate or a certificate from the Civil Surgeon himself in support of an application for sick leave.

The Chamber further reserves the right to require an employee who has been on sick leave to submit, in his own as in the interest of the staff generally, a Medical Certificate of fitness to return to duty before he rejoins his appoinment. Ordinarily this right will be exercised only in case of infectious or contagious diseases or where a question of physical fitness to resume work arises.

(iv) Subject to the condition that it does not exceed the total maximum amount of sick leave (*ie.*. 12 month) during the whole period of service, cumulative sick leave is permissible on the basis of half a month for each year of service already to the credit of the individual concerned less the amount of sick leave already taken during the period."

According to evidence of Mr. Mitra, who deposed on behalf of the management, unlike Ext. 7, Ext. 1 (office Order No. 1/51 dated December 11, 1951), was not framed by a committee of the Bengal Chambers of Commerce & Industry but by the Superintendent of the Licensed Measurers Department. The reason why this office order was framed, the union was not also aware of. My attention, however, was invited, on behalf of the mangement, to Ext. 8, a letter from the Acting Scale Room Manager to the Secretary, Calcutta Licensed Measurers, dated April 17, 1968, which reads as follows:

"With reference to your note of date, I have to state that the Leave Rules being followed in respect of Mechanic Staff (S/R) were the Printed Leave Rules of the B.C.C. I for the Clerical and H.O. Subordinate Staff, which were reproduced and duly put up on the Notice Board for the information and the guidance of the mechanics staff concerned under cover of Notice No. 3451 dated 28th July 1965.

These rules have all along been accepted by the mechanics who have on various occasions made requests to me for recommendations of P.L. and other kinds of leave in the past in the accordance with the provisions of the Printed Leave Rules.

The Office Order No. 1/51, dated 11th December 1951, was actually never applied either by my predecessor Mr. J. C. Franklin and by myself. The staff also had never referred to the Office Order in connection with any leave matters."

The above letter goes to show that Ext. 1 was never put to operation or made effective.

9. On consideration of the evidence on record, I am of the opinion that the employees of the Calcutta Licensed Measurers are governed by the Bengal Chamber of Commerce & Industry sick leave rules (Ext. 4 and Ext. 7) which admit of a maximum of 12 months' accumulated sick leave in all during the entirety of the period of service of an employee. I hold this even in the face of the document, Ext. A, the office Order No. 1/51, because I have no reason to hold that the said document in any way could or did over-ride either the award, Ext. 4 or the leave rules Ext. 7. There is no evidence before me to show how and in what circumstance the said office order was made and also there is no evidence to rebut the case of the management that the said office order was not followed up at all but remained only as a window-dressing.

10. Although of that opinion, I am still entitled to see whether the imposition of a maximum limit in the matter of grant of sick leave should be allowed to remain at all. Sickness is a compelling circumstance, which physically disables a man and obliges him to take rest. Social justice demands that a sick person must not be made to work, in so far as it can be helped. I do not mean to say that if a man falls sick and remains sick for a long time he must have the right to sick leave until recovery. What I mean to say that some reasonable period of sick leave should be granted to all sick employees. That such a reasonable period is one month in the year is not disputed. Question for my consideration is for how long the period of sick leave should be allowed to accumulate. The justification for allowing sick leave to accumulate is that all sicknesses may not be of short duration. There may be some sicknesses, which may keep a person disable or laid up for a pretty long time. In such a circumstance, he may be compelled to remain on sick leave for more than a month. Under the scheme, as in Ext. 7, accumulation of sick leave is 'permissible on the basis of half a month for each year of service already to the credit of the individual concerned less the amount of sick leave already taken during the period'. Thus, the position is, if we consider the effect of Rule 1(iii) and Rule 2(c)(iv) together, that in the first year of service a man becomes entitled to a month's leave with no accumulation. If he has not

taken any leave in the first year, 15 days' leave accumulates to his credit and he becomes entitled to one month more as the recurring sick leave for the second year. If he does not take any sick leave in the second year also, one month's leave accumulates to his credit in the third year and he becomes entitled to a further period of one month's recurring leave for the third year of his service and it goes on in this fashion, until the maximum period of 12 months is reached. The accumulation, of course, is reduced if he takes any leave out of the accumulated period.

11. Since I hold that the workmen are subject to sick leave subject to a maximum of 12 months and since I do not rely upon the workmen's version that the 12 months maximum was suddenly and arbitrarily imposed or clamped upon the workmen, in derogation of the previous service conditions, I do not find any injustice behind fixation of a maximum of 12 months accumulated leave at a time. Mr. Basu Thakur made it clear to me that over and above the maximum period of sick leave to be granted to workmen, the management in its discretion grants more and would be always ready and willing to grant this further period in the event of sickness of prolonged duration after an employee has consumed maximum period of sick leave or if absolutely necessary. For ends of justice, I direct that this discretion must be judiciously exercised and must not be refused in cases where a workman makes out a case of prolonged illness and absolute inability to attend office, after having had consumed the maximum period of sick leave. By how long the extension over and above the maximum period should be given must always be left at the judicious and objective discretion of the management but it must not be a token extension.

12. In the result, my award is that the Clerical and Mechanical staff under the Calcutta Licensed Measurers are entitled to sick leave at the rate of one month in year, subject to a maximum of 12 months in all during the whole of an employee's period of service, which maximum may be extended in proper cases at the judicious discretion of the management to such an extent as hereinbefore directed. In making such extension over the maximum period, the management must proceed objectively and not subjectively.

This is my award.

AWARD

By Notification No. 37/47/65-LRI dated 3rd June, 1968, the Ministry of Labour, Employment and Rehabilitation (Department of Labour and Employment), Government of India, referred the following matter of dispute as stated in the schedule to the order of reference to this Tribunal, for adjudication.

Matter of dispute

(i) Whether the action of the management of Bhilai Steel Plant in relation to their Dalli-Rajhara Mines in dismissing Sarvashri K. D. Mishra, Indal, Nazarulla and Hidayat, Male Mazdoors with effect from the 24th May, 1965 is justified?

(ii) If not, to what relief are the workmen entitled?

2. After the parties filed their pleadings certain issues were framed on the hearing rendered on 21st August, 1968. Thereafter evidence was recorded on 2nd December, 1968, but as some technical flaws were found in the departmental enquiry which might have vitiated the same, the management was directed to lead evidence on merits of the misconduct for which four concerned workmen had been punished. Both parties then gave evidence and arguments on the whole case were also heard in part. When the case was at it's last legs and during the concluding part of the argument, a compromise formula was evolved and parties compromised the dispute and filed a compromise petition, terms of which are reproduced in the annexure. It has been agreed between the management and the Union that two out of four workmen, two namely, S/Sri Hidayat and Indal would be reinstated with continuity of service but without back wages if they apply and appear within one month from the date of the publication of the award. The Union, Samyukta Khadan Mazdoor Sangh, which sponsored the dispute has not pressed the case of the other two workmen S/Sri Nasuralla and K. D. Mishra and they would remain stand dismissed. As a gesture of goodwill the management has also agreed to pay Rs. 100 as costs of proceedings to the Union. This is a fair and reasonable compromise which is accepted and an award is recorded in terms thereof.

GOVERNMENT OF INDIA

MINISTRY OF LABOUR AND REHABILITATION

(Department of Labour and Employment)

New Delhi, the 9th December, 1968

RESOLUTION

No. WB-6(1)/68.—The Government of India announced in their resolution No. WB-6(5)/67 dated 13th February, 1968. their decisions on the Report of the Second Wage Board for Cement Industry. As stated in para. 4 of the said Resolution, the Wage Board's recommendations had been accepted subject to the following:—

(a) The scales recommended in para. 6.23 of the Report for Grade IV and VI of clerical, lower technical and supervisory staff, shall be modified to read as follows:—

Grade IV: 125+(10x8 years) 205—EB (12x10 years)—325.

Grade VI: 150+(13x5 years) 215 (15x5 years)—290—EB—(20x8 years)—450.

(b) The guaranteed increases recommended in para. 6.26 of the Report shall not be diluted by a revaluation of the residential accommodation already provided to and under the occupation of the existing employees

(c) The recommendations shall be brought into operation from the 1st December, 1967.

2. Representations were received on behalf of the workers that implementation of the Wage Board's recommendations with effect from 1st December, 1967, would have some adverse effects on the emoluments of workers, which could not have been intended. It was also pointed out that a sizable number of workers had already reached the maximum of the pay scales recommended by the Wage Board and that many more workers were likely to reach the maximum in a few years. It was urged that some special provisions in respect of such workers would be necessary in order to promote a satisfactory, long-term settlement in the industry.

3. The Minister of Labour, Employment and Rehabilitation convened meetings on the 11th October, 1968 and 25th November, 1968, to explore mutually acceptable solutions to the issues raised and to ensure smooth implementation of the Wage Board's recommendations. These meetings were attended by the representatives of the Cement Manufacturers' Association and the representatives of the INTUC and AITUC besides the concerned Government Departments.

4. After carefully considering the views expressed in the above meetings, Government have taken the following decisions:—

(a) The Wage Board's recommendations as accepted by Government by their Resolution dated the 13th February, 1968. shall be brought into operation from 13th February. 1968, instead of the 1st December, 1967, and shall remain in operation for a period of 5 years (Necessary adjustments may be made for this purpose, by those who have already implemented the recommendations with effect from 1st December, 1967); and

(b) Workers who have reached the maximum of their pay scales or who would be reaching such maximum should be granted upto the 1st April, 1970, their normal annual increments in those scales notwithstanding the fact that the maximum of the scales has been reached earlier. Such increments will be in the nature of personal pay to the concerned workmen and will be made on an *ex-gratia* basis.

Sd./- P. C. MATHEW,
Secretary to the Government of India.

ORDER

Ordered that a copy of the Resolution be communicated to all concerned.

Ordered also that the Resolution be published in the Gazette of India for general information.

S.O. 1486—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Calcutta, in the industrial dispute between the employers in relation to the Central Bank of India Limited and their workmen, which was received by the Central Government on the 1st April, 1969.

CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, CALCUTTA

REFERENCE No. 51 OF 1968

PARTIES:

Employers in relation to the Central Bank of India Limited, Calcutta.

AND

Their workmen.

PRESENT:

Shri B N. Banerjee, Presiding Officer

APPEARANCES:

On behalf of the employers.—Shri A. N. Chatterjee, Law Officer.

On behalf of workmen.—Shri Sushil Ghose, General Secretary, Bengal Provincial Bank Employees Association, instructed by Shri Tarakeswar Chakrabarti, Secretary, Central Bank of India Employees' Association.

STATE: West Bengal. INDUSTRY: Banking.

AWARD

By Order No. 23/41/68-LRIII, dated September 13, 1968, the Government of India, in the Ministry of Labour, Employment and Rehabilitation (Department of Labour and Employment), referred the following industrial dispute between the employers in relation to the Central Bank of India Limited, Calcutta, and their workmen, to this tribunal, for adjudication, namely:

"Whether the action of the management of the Central Bank of India Limited, Calcutta Main Office, in withholding the due increment of Shri Haridas Saha, Business Canvasser (Junior Officer) for the years 1959 to 1963 was justified? If not, to what relief is the employee entitled?"

2. On behalf of the workman, there was a written statement filed by the Central Bank of India Employees' Association, a trade union. According to this written statement, Haridas Saha, the workman concerned in this industrial dispute, was originally appointed in the Central Bank of India Limited as a Junior Officer, in or about 1946, and resigned of his own accord in 1954. Haridas Saha, who himself deposed, does not, however, fully bear out this statement of the written statement. According to him, he joined the services of the bank in 1949 and resigned in 1954. Be that as it may, it is common case that he was re-appointed, at his own prayer, in 1958, as a Business Canvasser and was posted at the Kidderpur branch of the Bank. The case made by the Employees' Association, on behalf of the workman, as pleaded in the written statement, is:

"That, ever since his reappointment Shri Saha has been performing the duties assigned to him from time to time by the Management, to the best of his ability, capacity and devotion. No adverse reports were ever brought to his notice by the Management about his work, conduct and efficiency.

That, inspite of his satisfactory performance of work, he was not granted any graded annual increments by the Management for the years from 1959 to 1963 and the first graded increment was given to him in 1965 for the year 1964. For such arbitrary, unwarranted and unjustified actions on the part of the management no reasons were assigned for and never Sri Saha was intimated of the reasons in support of Management's action in depriving him of his due annual increments. It may be mentioned here that during this period all other Junior Officers of the Bank were given their due increments on respective anniversary dates and the withholding of Sri Saha's increment is thus discriminatory, apart from being unjust and unfair.

That, Sri Saha made in vain from time to time representations to the Management praying for the release of his due increments. On denial of the Management, the matter was taken up on his behalf by the Association. The Management while sanctioning him for the first time the graded increment in 1965, and thereafter every year have, however, not agreed to release his past increments for the years mentioned above."

The above inaction on the part of the management has given rise to the present industrial dispute according to the Employees' Association.

3. Against the case made on behalf of the workman, there is a two-pronged attack contained in the written statement filed on behalf of the Central Bank of India Limited. The first prong of attack is legalistic and is contained in paragraphs 3 and 4, which I set out below:

"3. That Sri Haridas Saha was appointed as a Business Canvasser (Junior Officer) and that although his designation is Business Canvasser but on or before the date of the Order of Reference his main duties

comprised of checking the work of clerks in Bills Payable Departments. He is a Junior Officer and he is drawing emoluments exceeding Rs. 500 and as such he is not a workman as defined in Section 2(s) of the Industrial Disputes Act.

4. That the alleged dispute, if any, is not an Industrial dispute, the question of not allowing graded annual increment for the years 1959 to 1963 cannot be a subject matter of an Industrial dispute in as much as neither the terms of employment nor the conditions of labour of the alleged workman is in jeopardy."

The second prong of attack is against the merits of the claim and is contained in paragraph 12 of the written statement, which also I set out below:

"12. That in the years 1959 to 1963 Shree Haridas Saha was found negligent and careless in the discharge of his duties. His attendance was also found highly irregular. The details of his irregularities, inefficiencies, unsatisfactory acts and conduct will be submitted at the time of hearing. Due to the adverse remarks received against him, his annual increment for the years 1959 to 1963 had been stopped. The granting of annual increment is always dependant on good work and good conduct report, but in the case of Sri Haridas Saha there was no such report during those years and so his annual increments were not granted; and these irregularities were every time brought to the knowledge and Sri Haridas Saha and he was asked to improve during those years, but he did not."

4 Now, if the first point of attack succeeds, which is characterised as an attack against the jurisdiction of the Tribunal, then I need not decide the other point. Even then, I shall deal with the second point later on, so that if I happen to be wrong in my award on the preliminary point, the matter need not be remanded to me for decision on merits. Section 2(s) of the Industrial Disputes Act defines the term 'workman'. After amendment by Act 36 of 1956, the section stands as follows:

"2(s) 'workman' means any person (including an apprentice) employed in any industry to do any skilled or unskilled manual, supervisory, technical or clerical work for hire or reward, whether the terms of employment be expressed or implied, and for the purposes of any proceeding under this Act in relation to an industrial dispute, includes any such person who has been dismissed, discharged or retrenched in connection with, or as a consequence of, that dispute, or whose dismissal, discharge or retrenchment has led to that dispute, but does not include any such person—

(i) ***

(ii) ***

(iii) who is employed mainly in a managerial or administrative capacity; or

(iv) who being employed in a supervisory capacity, draws wages exceeding five hundred rupees per mensem or exercises, either by the nature of the duties attached to the office or by reason of the powers vested in him, functions mainly of a managerial nature."

In explaining the section, Hidayatullah, J. (as he then was) observed in *All India Reserve Bank Employees' Association and another* vs. *Reserve Bank of India and another* (1965) II LLJ., 175 (at 186-87):

"The argument is extremely ingenious and the simile interesting, but it misses the realities of the amendment of the Industrial Disputes Act in 1956**. The amending Act of 1956 introduced among the categories of persons already mentioned persons employed to do supervisory and technical work. So far the language of the earlier enactment was used. When, however, exceptions were engrafted, that language was departed from in Cl. (iv) partly because the draftsmen followed the language of Clause (iii) and partly because from persons employed on supervision work some are to be excluded because they draw wages exceeding Rs. 500 per month and some because they function mainly in a managerial capacity or have duties of the same character. But the unity between the opening part of the definition and Clause (iv) was expressly preserved by using the word 'such' twice in the opening part. The words, which bind the two

parts, are not—'but does not include any person'. They are—'but does not include any person' showing clearly that what is being excluded is a person who answers the description 'employed to do supervisory work' and he is to be excluded because being employed in a 'supervisory capacity' he draws wages exceeding Rs. 500 per month or exercises functions of a particular character.

***the amending Act of 1956 in our country was passed to equalize bargaining power and also to give the power of bargaining and invoking the Industrial Disputes Act to supervisory workmen, but it gave it only to some of the workmen employed on supervisory work. 'Workman' here includes an employee employed as supervisor. There are only two circumstances in which such a person ceases to be a workman. Such a person is not a workman if he draws wages in excess of Rs. 500 per month or if he performs managerial functions by reason of a power vested in him or by the nature of duties attached to his office. The person who ceases to be a workman is not a person who does not answer the description 'employed to do supervisory work' but one who does answer that description. He goes out of the category of 'workman' on proof of the circumstances excluding him from the category."

Bearing in mind the above statement of law, I have to see first of all what wages the workman was drawing at the material time. 'Wages', as I need remind myself, means [as defined in Section 2(rr) of the Industrial Disputes Act]:

"2(rr) **all remuneration capable of being expressed in terms of money, which would, if the terms of employment, expressed or implied, were fulfilled, be payable to a workman in respect of his employment or of work done in such employment, and includes—

(i) such allowances (including dearness allowance) as the workman is for the time being entitled to;

(ii) the value of any house accommodation, or of supply of light, water, medical attendance or other amenity or of any service or of any concessional supply of food-grains or other articles;

(iii) any travelling concession;

but does not include—

It appears from the appointment letter of the workman, dated May 27, 1958 (Ext. A), that he was appointed as a Business Canvasser 'on a monthly salary of Rs. 225/- plus dearness allowance at the bank's scale, namely Rs. 90/- and temporary additional allowance at Rs. 12.85 nP per month' It further appears from Ext. 7, that from September 1967 onwards he was drawing total wages amounting to Rs. 920/- which rose upto Rs. 975/- per month. How and when his wages shot up for the first time to Rs. 920/-, of course, does not appear from the exhibit. The industrial dispute over the workman concerned was raised, as was admitted before me, in February, 1968. Prior to that time, as appears from Ext. 7, his wages had risen to Rs. 920. He thus satisfies the description of a person drawing wages exceeding Rs. 500/-. The question that remains for me to decide is whether he was employed in a supervisory capacity or whether he exercised, either by nature of the duties attached to the office or by reason of the powers vested in him, functions mainly of a managerial nature. In his examination-in-chief the workman, Haridas Saha, deposed:

"As a Junior Officer, I had no right to exercise any administrative function. I was not entrusted or vested with power to exercise functions managerial in nature. I was not given any power of attorney by the bank. As a Junior Officer my duty was to check the work of clerks in the Savings department."

He was not cross-examined on this point. The witness who was examined on behalf of the bank knows nothing about this particular workman. Therefore, the evidence is one sided. The question that remains for me is whether by virtue of the fact that he was entrusted with duty to check, he may be said to have been employed in a supervisory capacity. In the case of *Lloyds Bank Ltd.* vs. *Panna Lal Gupta and others* (1961) I LLJ 18, the dispute before the Supreme Court was whether the three employees working in the audit department of the New Delhi branch of the Lloyds Bank were entitled to a special allowance as

prescribed in Paragraph 164(b) of the All India Industrial Tribunal (Bank Disputes) award, commonly known as 'Sastri award', as modified by Section 3 of the Industrial Disputes (Banking Companies) Decision Act, 1955. The employer contended before the Industrial tribunal that considering the nature of duties performed by the employees, they could not be considered 'supervisors' falling within the category of paragraph 164(b) of the Bank award. The Industrial tribunal, however, held that concerned employees discharged the functions and duties of supervisors entitling them to ask for special allowance prescribed by the paragraph. Aggrieved by the decision, the Bank obtained Special Leave to appeal before the Supreme Court. In that context the Supreme Court observed:

> "However, before a clerk can claim a special allowance his work must appear to have some element of supervisory character. The work that is done by the clerks in the audit department substantially consists of checking up books of accounts and entries made in them. This checking up is primarily a process of accounting, and the use of the word 'checking' cannot be permitted to introduce a consideration of supervisory nature. The work of checking the authority of the person passing the voucher or to enquire whether the limit of authority has been exceeded is also no doubt work of a checking type but the checking is purely mechanical and it cannot be said to include any supervisory function. If we take into account the six classes of clerks specified in Clause (9, it would suggest that in respect of each one of them there would normally be some persons working under the persons falling in that clause; in other words, a person claiming the status of a supervisor in Clause 9 should normally have to supervise the work of some others who are in a sense below him. On the argument urged by Mr. Ramamurti every clerk working in the audit department would be a supervisor and as such would be entitled to draw a monthly special allowance of Rs. 50 though in the general hierarchy of the banks' employees he may be much below the head clerks or head cashiers who draw Rs. 20 as monthly allowance. The tribunal has characterized the work of these clerks as internal auditors but that obviously is an overstatement. Audit, in the sense in which the word 'internal audit' is understood, is very different from the work of checking which is entrusted to the clerks in the audit department. Similarly, when the tribunal has observed that the clerks in the audit department supervise the work of almost all the persons in that establishment, that again is obviously an overstatement. It would be legitimate to say that the work done in the audit department is important for the proper and efficient functioning of the bank, but it would be idle to elevate that work to the status of officers who supervise the work of everybody concerned with the bank's establishment. In our opinion, therefore, the conclusion drawn by the tribunal as regards the status of the three workmen by reference to the ninth category specified in Para 164(b) of the award is manifestly erroneous and cannot be sustained."

In the instant case, we have the evidence of the workman that his duty was to check the work of clerks in the Savings department. Now, whether that checking was supervisory checking or routine checking (as done by Special Assistants under the bipartite Settlement known as Settlement on the Industrial Disputes between certain Banking Companies and their workmen, p. 73) does not appear. Without more, I am not in a position to hold that the workmen concerned was employed in a supervisory capacity or was enagaged in discharging managerial functions. Thus, the position is that here is a workman who was drawing wages exceeding Rs. 500 but there is no evidence that he was employed in a supervisory or managerial capacity. He does not, therefore, fall within the exception in clause (iv) to Section 2(s) of the Industrial Disputes Act. I have, therefore, to proceed on the basis that the preliminary objection as to jurisdiction of this tribunal, namely, that Haridas Saha was not a workman and not entitled to raise an industrial dispute must be over-ruled.

5. I now turn to the merits of the case. Assuming for the sake of argument that the workman concerned had taken sick leave on false pretext, as was sought to be argued on the basis of documents exts. 1, 2, 3, 4, 8 and 9 or that he was wrongly using the description 'Business Organiser' against his name as was sought to be argued on the basis of the document Ext. 5, or that he was negligent in the conduct of his duty, as it was stated in the written statement of the bank,

all these amounted to misconduct under the different Bank awards, take for example, Sastri award or the Desai award and deserved to be dealt with according to the prescribed procedure namely by service of a notice to show cause on the delinquent before penalising him with stoppage of increment of wages. That stoppage of increment of wages was a form of punishment was admitted by the witness who deposed on behalf of the Bank. There is no evidence that any notice to show cause was ever served upon the workman concerned for his misconduct as alleged. Therefore, the case on merits that the workman was penelised by stoppage of increment for misconduct must be over-ruled, because there is no evidence that it was so ordered after following the prescribed procedure or so ordered at all. I, therefore, over-rule the contentions against the merits of the claim.

6. In the result, I hold that the action of the management of the Central Bank Ltd., Calcutta main office, in withholding the due increments of Haridas Saha, Business Canvasser (Junior Officer) for the years 1959 to 1963 was not justified. He is, therefore, entitled to all the increment that was due to him during that period.

This is my award.

[No. 23/41/68/LRIII.]

New Delhi, the 9th April 1969

S.O. 1487.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of Shri O. Maheepathi, Arbitrator in the industrial dispute between the management of Messrs Bikaner Gypsums Limited, Bikaner and their workmen represented by Rashtriya Gypsum Karamchari Sangh, Jamsar and Gypsum Mine Workers Union, Bikaner, which was received by the Central Government on the 26th March, 1969.

ARBITRATION AWARD UNDER SECTION 10A OF THE INDUSTRIAL DISPUTES ACT, 1947.

PRESENT:

Shri O. Maheepathi, Deputy Chief Labour Commissioner (Central) & Arbitrator.

PARTIES TO THE DISPUTE :

Representing management.—1. Shri H. Choudhury, Agent, M/s. Bikaner Gypsums Ltd., Bikaner.

2. Shri A. K. Mukherjee, Personnel Manager, M/s. Bikaner Gypsums Ltd., Bikaner.

Representing workmen.—1. Shri Dilbagh Singh, Vice-President, Rashtriya Gypsum Karamchari Sangh, Jamsar (Bikaner).

2. Shri V. N. Gupta, Secretary, Gypsum Mine Workers Union, Bikaner.

By an arbitration agreement signed on 6th December, 1968 by the representatives of the management of M/s. Bikaner Gypsums Ltd., Sadul Club Building, Bikaner and their workmen represented by Rashtriya Gypsum Karamchari Sangh, Jamsar and Gypsum Mine Workers Union (hereinafter called "unions" for brevity's sake) under Section 10A of the Industrial Disputes Act, 1947 published by the Government of India, *vide* Department of Labour & Employment Order No. 24/59/68-LRI dated 9th January 1969, as S.O. No. 262 in the Gazette of India Part II Section 3 Sub-Section (ii) dated 18th January 1969, the following specific matter in dispute was referred to my arbitration:—

"(a) Whether the proposed amendment in T.A. Rules of Bikaner Gypsums Ltd. applicable to the employees drawing basic salary or wages less than Rs. 200 as notified by the management in their notice dated 24th May, 1968, is legal and justified and if not, to what relief the workmen are entitled?

(b) Whether the proposed amendment in T.A. Rules of Bikaner Gypsums Ltd. applicable to the employees drawing basic salary of Rs. 200 and above but less than Rs. 500 as notified by the management in their notice dated 17/24th Sepetmber 1968 is legal and justified and if not, to what relief the workmen are entitled?"

2. On receipt of the arbirtation agreement, I had called upon the parties on 21st January, 1969, to file their statements within a week of receipt of my retier and also requested them to exchange the statements and furnish their comments thereon if any within 3 days of their receipt. I had also proposed to hear the parties during my visit to Bikaner from 31st January 1969 to 2nd February 1969, but the parties could not file their statements by that time and as they were not ready for the hearing, I had to adjourn the proceedings and thereafter heard them on 17th March, 1969 at Bikaner.

3. The genesis of the dispute was that the management of the Bikaner Gypsums Ltd. had issued two notices (referred to in the specific matter in dispute) under Section 9A of the Industrial Disputes Act intimating the unions of their intention to effect certain changes in the existing T.A. Rules of the Company. Both the unions protested against the issue of the notices and raised an industrial dispute which was taken up in conciliation by the Assistant Labour Commissioner (Central), Ajmer at whose instance the parties agreed to get the matter settled by referring the same for arbitration under Section 10A of the Industrial Disputes Act, 1947. In this connection, it may be mentioned that the parties to the present dispute had entered into a long term settlement on 2nd October, 1967, one of the terms of which was that the current Promotion & Selection Rules, House Allowance & House Allotment Rules and Travelling Allowance Rules shall be modified in consultation with the unions within 30 days from the date of the settlement. According to the management, they had submitted their modified Travelling Allowance Rules to the unions on 27th December 1967 for their suggestions and comments, but as the same were not forthcoming and the unions were not also coming forward for discussions in the mater, the management was forced to issued its notices dated 24th May, 1968 and 17/24th September 1968. The unions however contended that the management had failed to implement the terms of the settlement dated 2nd October 1967 in so far as this item was concerned inasmuch as the management did not consult the unions within 30 days from the date of the settlement and they alleged that the unilateral action taken by the management in issuing the notices was not only illegal but unjustified. The two notices in question relate to the entitlement of workers to travel by a certain class on the Railway. According to the existing T.A. Rules, the employees are classified into four grades and are entitled to the class of accommodation for rail journeys as indicated below:—

Grade	Pay range	Entitled class
I Grade	Employees drawing a salary of Rs. 1000 & over a month.	I class or ACC or the highest class available in the train etc.
II Grade	Employees drawing a salary of Rs. 200 or more but less than Rs. 999 a month.	II class
III Grade	Employees drawing a salary of Rs. 50 or more but less than Rs. 199 a month.	Intermediate class.
IV Grade	Employees drawing a salary of less than Rs. 49 a month.	III class

After the abolition of intermediate class in Railways, amendments to the above entitlements were made according to which intermediate class was replaced by II class and II class by I class. At present, the employees in Grades IV, III and II are entitled to travel by III, II and I class respectively.

4. By the notices dated 24th May 1968 and 17/24th September 1968, the management had proposed to alter the entitlements whereby the employees drawing a monthly basic salary of less than Rs. 200 would be entitled to III class and those drawing a salary of Rs. 200 and above but less than Rs. 500 to II class (non-air-conditioned). According to the reasons given in the notices by the management, there have been substantial increases in the emoluments of workmen as a result of revision in the grade structure. linking of D.A. with the consumer price index numbers, grant of special step increments as a result of the memorandum of settlement dated 2nd October 1967 and because of these, some of the employees who are now entitled to the lower class will be entitled to a higher class for which, according to them, there is no justification. In their written statements and in oral submissions during the arbitration proceedings, the representatives of the management also submitted that if the existing entitlement of rail travel is continued, it would involve the company in more financial commitment which it cannot bear. They pointed out that by the revision of

the emoluments, some of the lowest category workers like Peons would be entitled to travel in II class which was not their intention while revising their grade structure upwards.

5. The unions on the other hand both in their written statements as well as in their oral submissions opposed the revision on many grounds and said that the management have taken recourse to such unilateral action as they knew that the unions would press for the revision of haltage allowances which were fixed as early as 1955. They also submitted that the notices were illegal inasmuch as they were contrary to the terms of the settlement dated 2nd October 1967 which enjoined on the management that the modification of the Travelling Allowance Rules shall be made in consultation with the unions within 30 days from the date of that settlement, and that it was also bad in law besides being unjustified because it adversely affected the existing rights of the employees. They therefore prayed that an award in favour of the workers concerned may be granted directing the management to withdraw its notices and to allow the workers concerned to continue to enjoy travelling concessions etc. on the basis of the existing T.A. Rules until such time when the whole set of the Rules is revised.

6. After some discussions, both the parties requested that I should deal not only with the matter relating to entitlement of rail travel which has been referred to me for arbitration but also assist them in coming to a reasonable settlement with regard to the question of haltage allowances. Hence both the entitlement of rail travel and haltage allowances were discussed and the parties agreed to my suggestion that the entitlement of rail travel and haltage allowances may be determined as indicated below:—

(i) *Classification of employees and entitlement of rail travel*:

IV	Basic pay up to Rs. 64 per month	III class
III Grade	Basic pay from Rs. 65 to Rs. 210 per month	II class
II Grade	Basic pay from Rs. 211 to Rs. 500 per month	I class

(ii) *Haltage allowances*:

Pay up to Rs. 49 per month	Rs. 4/- per day
Pay from Rs. 50 to Rs. 74 per month	Rs. 5/- per day
Pay from Rs. 75 to Rs. 124 per month	Rs. 6/- per day
Pay from Rs. 125 to Rs. 210 per month	Rs. 8/- per day
Pay from Rs. 211 to Rs. 399 per month	Rs. 10/- per day
Pay from Rs. 400 to Rs. 500 per month	Rs. 12/- per day

(iii) The employees' entitlement to get daily allowance at double and at 1½ times the rates mentioned above as daily allowance in respect of certain places as provided for in the existing T.A. Rules will however continue.

(iv) These revised T.A. Rules will come into effect from 1st April 1969.

7. In view of the foregoing, there is no necessity for me to determine as to whether the notices in question were legal and justified. The notices were however technically defective. I therefore give my award in terms of the agreement recorded by the parties before me on 17-3-69 as mentioned in para. 6 above. The existing T.A. Rules, especially Rules 6, 8 and 19, should be amended as indicated in para. 6 above. These revised T.A. Rules shall come into force with effect from 1st April 1969.

8. As I am to confine my award to "workmen" under the Industrial Disputes Act, the entitlement of rail travel and haltage allowances with regard to those employees drawing more than Rs. 500/- per month have not been dealt with here and the management may take appropriate action to revise the existing T.A. Rules in their case also if they so desire.

9. I give my award accordingly.

S.O. 1488.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal, Dhanbad, in the industrial dispute between the employers in relation to Kiriburu Iron Ore Mines of the National Minerals Development Corporation Limited and their workmen, which was received by the Central Government on the 4th April, 1969.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, DHANBAD.

In the matter of a reference under Section 10(1)(d) of the Industrial Disputes Act, 1947.

REFERENCE No. 44 OF 1968

PARTIES:

Employers in relation to Kiriburu Iron Ore Mines of the National Mineral Development Corporation Limited.

Versus

Their Workmen.

PRESENT:

Shri Kamla Sahai—*Presiding Officer.*

APPEARANCES:

For the Employers.—Shri J. P. Sharma, Personnel Officer.

For the Workmen.—Shri R. K. Nair, General Secretary, N.M.D.C. Mines Workers' Union, Kiriburu.

STATE: Bihar. INDUSTRY: Iron Ore.

Dhanbad, dated the 26th February 1969

AWARD

By its order No. 24/2/68-LRI dated the 24th May, 1968, the Central Government, in the Ministry of Labour, Employment and Rehabilitation, has made this reference to this Tribunal for adjudication of a dispute between the National Mineral Development Corporation and its workmen represented by the N.M.D.C. Mine Workers Union, Kiriburu, which has been described in the schedule as follows:

SCHEDULE

"Whether the workmen of Kiriburu Iron Ore Mine are entitled to the following facilities free of charge with effect from the 1st May, 1967.

(1) Housing accommodation,

(2) Supply of electricity,

(3) Transport to and from residences to place of Work,

(4) Conservancy services.

If not, to what relief are the workmen entitled?"

2. The Kiriburu Iron Ore Mines, also known as Kiriburu Iron Ore Project, situated in the Singhbhum district of the State of Bihar are owned by the National Mineral Development Corporation Limited. The Corporation has undertaken the development of this Project as well as three other projects situated in different parts of the country. The entire paid-up capital of this Corporation has been subscribed by the Government of India, all its share being hold by the President of India.

3. The dispute is confined to the management on one side and to the monthly-rated workmen of the Corporation on the other. The management's case is that the township of Kiriburu came into existence early in 1964 and that, before that year, there was no housing facility to any workman although a negligible number of workmen were temporarily accommodated in temporary quarters and tents during the stage of constructions. Free housing, free electricity, free transport and free conservancy services never formed part of the conditions of their service, implied or otherwise. As a matter of abundant caution, however, the management issued notices under section 9A of the Industrial Disputes Act in June, 1964, notifying that it proposed to realise charges at rates prescribed in the notice for the above services. The workers raised dispute and the matter went into conciliation.

Ultimately, both parties agreed to refer their dispute to the Arbitration of Shri L. P. Dave under section 10-A of the Act. There was no union of workmen and hence the workmen elected five representatives to represent them. All of them joined in making the reference to arbitration. Thereafter the workmen were represented before the Arbitrator by a Lawyer and also one of the representative of the Workmen. After prolonged negotiations, a compromise was reached. The compromise was filed before the Arbitrator who accepted it and gave an award in accordance with the compromise. The Government of India published the award in the official Gazette and it became enforceable. The workmen's allegation that the award has been terminated is wrong because the alleged termination is not lawful and valid. The award, therefore, continues. A part of the award was that the management would give increments to the workmen so as to compensate them to the extent of half of the total amount of the charges which became payable by them. These increments were given. The benefit was taken by the workmen and for this reason also, they cannot go back upon the compromise award.

3. The management's case further is that there has been no change in charges payable by the workmen in respect of (i) housing, (ii) electricity, (iii) transport and (iv) conservancy services. The charges are extremely low and no abolition or reduction of these charges can be held to be justified.

4. Shortly stated, the union's case is that the management brought one of the workmen's five representatives into collusion and got the compromise filed with only his signature on behalf of the workmen. The compromise filed before the Arbitrator, Shri L. P. Dave, was, therefore, invalid and not binding upon the workers. In any case, the Union gave valid notice of termination of the award on the 9th January, 1967. Hence the award did not remain binding upon the Union. The workers enjoyed free housing, electricity, transport and conservancy services so that free enjoyment of these facilities became an implied condition of service.

5. After the hearing of this case began, Shri Nair, the General Secretary and spokesman of the Union, and Shri J. P. Sharma, Personnel Officer and spokesman of the company, filed a joint statement of facts, showing the extent to which both agreed. The facts stated in this joint petition may be summarised as follows:—

(i) The management issued notices under section 9A of the Industrial Disputes Act on the 9th June and 22nd July, 1964, for effecting recoveries on account of house rent, transport, electricity and conservancy.

(ii) On the 16th June, 1964 the workmen made a representation to the Regional Labour Commissioner (C), Dhanbad. Conciliation proceedings were commenced.

(iii) At the joint request of both parties the dispute was referred for arbitration to Shri L. P. Dave under Section 10A of the Industrial Disputes Act. Notification No. 23/28/64-LRI dated 5-4-1965 under reference No. ABN(I) of 1965 was published in this connection in the Gazette.

(iv) The parties arrived at a compromise on 29-11-1965 and it was presented to the Arbitrator so that he should pass an award in terms thereof. The Arbitrator passed an award accordingly and ordered that it will have effect from 1-12-1965.

(v) The Arbitrator directed that 50 per cent of the charges on account of the recoveries relating to the four items in question would be compensated by the management by way of grant of increments in the basic pay in the existing scale to the workmen.

(vi) On the 24th January, 1966, the union challenged the validity of the arbitration award on the ground that only one workers' representative out of five had signed the compromise.

(vii) The management and the union made a joint application to the Government of India under Section 10(2) of the Act on the 20th July, 1966, for reference of the dispute raised by the union. This has resulted in the present reference.

(viii) The union gave notice under section 19(2) of the Act on 9-1-1967 and terminated the arbitration award.

6. It is to be noticed that, while the Union has made certain allegations in its written statement to the effect that the compromise which was filed by the Workers' representative before the arbitrator was not a valid or genuine compromise, it has stated in para 5 of the joint statement (Ext. MW-1) that "the parties arrived at a compromise on 29-11-1965 and it was presented to the Arbitrator for passing an

Award in terms thereof: the Arbitrator passed the Award on the same date and gave direction for enforcement of the award with effect from 1-12-1965."

7. Both the parties have further stated in para 5 of Ex. MW-1 "It was directed by the Arbitrator that 50 per cent of the charges on account of above recoveries will be compensated by the management by way of grant of increments in the basic pay in existing scale".

8. It has further been stated in the same exhibit that the Union challenged the validity of the Arbitration Award on the ground that only one workers' representative out of five had signed the compromise. I do not think that this challenge to the validity of the award was of any consequence in view of the admitted position that the compromise had been arrived at by the parties. It also appears from annexure "B" of the management's written statement that a Barrister appeared for the workmen along with Shri S. K. Tah, a workers' representative.

9. The Arbitrator, Shri L. P. Dave, was satisfied that the compromise was fair and reasonable. Having regard to all the terms, he accepted the compromise and gave an award accordingly. This award was duly published in the gazette by the Govt. of India under section 17 of the Industrial Disputes Act. It thus became legally binding upon the parties and enforceable on the expiry of 30 days from the date of publication under Section 17A. Thus, there can be no doubt that the Arbitration Award was binding upon the parties. In this connection, I may mention that no oral evidence has been given on behalf of the Union at all. Shri J. P. Sharma, Personnel Officer, Kiriburi Iron Ore Mines of the National Minerals Development Corporation Ltd. has examined himself as the only witness on behalf of the management. Referring to Ext. MW-1, he has stated that this is the joint statement of facts made by the management and the union. Shri R. K. Nair who has appeared on behalf of the union has not even suggested at any stage that any statement made in this exhibit is wholly or partly untrue.

10. The admitted position under Ext. MW-1 is that the Union gave notice under Section 19(2) of the Industrial Disputes Act on 9th January, 1967 for termination of the Arbitration Award. The management's allegation, therefore, that the termination was invalid cannot be accepted. Indeed, both parties made a joint request under Section 10(2) of the Act to the Govt. for making the present reference.

11. The management has raised a preliminary objection to the effect that this reference is invalid on the ground that proper notice under section 19(2) of the Act was not given. This objection must be over-ruled on the ground that it was stated by both parties in the Joint statement (Ext.MW-1) that the Union gave notice under Section 19(2) of the I.D. Act) "and terminated the Arbitration Award".

12. The preliminary objection has also to be rejected on the ground that the fact that the management joined in making the request to the Govt. for making this reference amounts to waiver of notice under Section 19(2) of the Act. Reliance may be placed in support of the proposition that notice under Section 19(2) can be waived upon a decision of the Calcutta High Court in Workmen of Continental Commercial Company (Private) Ltd. *Vrs.* Govt. of West Bengal and others, 1962 (1) LLJ. 85.

13. In view of the aforesaid discussions, I can safely start on the basis that Shri L. P. Dave gave a binding award, laying down the following terms:

(a) House rent shall be charged at the rates of

(i) 7 per cent of pay for workers drawing upto Rs. 150 p.m. (Pay).

(ii) 10 per cent of pay for workers drawing above Rs. 150 p.m.

(b) Electric charges will be made at the rate of 12 paise per unit.

(c) Conservancy will be charged at the rate of Re. 1 p.m.

(d) Furniture hire charges will be made at the rate of 1 per cent of the capital cost of the articles supplied on the basis of the scales laid down in Kiriburu Project Office Order No. KP-13(1)/59 Adm. II dated the 15th April, 1961. For additional items, the rent will be charged at the rate of 2 per cent of the capital cost per month.

(e) Transport will be charged @ Rs. 5 upto Rs. 150 (Pay) and Rs. 7 above Rs. 150 (Pay) per month.

14. He has added at the end that, in order to minimise the hardship upon the workmen, the management has agreed "as a special case and irrespective of the merits of the workmen's contention to give relief to such by grant of advance increments to the extent of 50 per cent of the recovery of house rent, electricity, transport, conservancy and furniture charges as stated herein below". This term has then been elaborated later.

15. No dispute has been raised in this case about furniture hire. The dispute raised by the union can only be construed as a demand of the workmen for being absolved from paying house rent, electric charge, transport charge and conservancy charge which they are already liable to pay under the Award.

16. The balance sheet of the company for the years ending 1965, 1966, 1967 and 1968 (Exts. M, M-1, M-2 and M-3) show that the company has suffered losses to a higher or lower extent in each of the years. This shows that the Company is not in a position to bear a higher financial burden than it bears already

17. It has been stated by Shri Sharma that the minimum wage which is paid to a worker in Kiriburi Iron Ores Mines is Rs. 143.75 paise. This has not been controverted. The Union has filed a copy of the report of the Wage Board. This shows that the minimum wage payable to a workman in Iron Ore Mines is Rs. 130 per month. The maximum total demand under the four heads in question for a minimum wage earner will be a little over Rs. 13.50 paise. Thus a workman in Kiriburi will not be very much worse off even after paying the demands for Housing, Electricity, Conservancy and Transport as compared with a worker who receives pay in accordance with the recommendations of the Wage Board.

18. Ext. M-6 is a statement which shows that the total cost of maintenance of houses, cost of electricity, cost of supply of Sweepers and cost of maintenance of Sewerage system comes to Rs. 2,55,000 and that the total amount which can be expected to be recovered from House rent, Electricity charges, Transport charges, Conservancy charges and the furniture hire is Rs. 2,13,000. Thus the company stands to lose even after it recovers the amount which it has fired for different items.

19. The demand for free housing is obviously untenable. The Supreme Court has held in Patna Electric Supply Company Ltd., *Vrs.* Patna Electric Supply Workers' Union, 1959 (II) LLJ 366 that a scheme of wages properly fixed necessarily takes into account House Rent among other relevant facts. Their Lordships have further stated that Industrial Tribunals have constantly taken the view that Housing is the primary responsibility of the State and there has been no difference of opinion on the point that. in the present economic conditions of our industries it would be inexpedient to impose on the employers the obligation to provide Housing allowance for their employees.

20. The Company concerned in this case does not generate electricity. It already charges its workmen for electricity at subsidised rates. There seems to be no justification for the Company to be asked to give electricity free to them.

21. A good deal of expenditure is incurred in maintaining buses for transporting workers from their quarters to their work sites. While the company does provide the facility of such transport to its workmen, I do not think that any case has been made out for providing such transport free of cost

22. Conservancy charges are very small. There seems no reason for making this service free.

23. After taking all the circumstances into consideration from all points of view, I am of opinion that workmen in Kiriburi Iron Ore Mines are not entitled to the facilities in question free of charge. The second question does not. therefore, arise for consideration.

24. This is my award. Let it be submitted to the Central Government under Section 15 of the Industrial Disputes Act.

Sd./- KAMLA SAHAI,
Presiding Officer.

आवेदन-पत्र भेजने से पहले उम्मीदवार को नोटिस के पैरा 1 में दिए गए केन्द्रों में से किसी एक को, जहां वह परीक्षा देने का इच्छुक है, अंतिम रूप से चुन लेना चाहिए। सामान्यतः चुने हुए स्थान में परिवर्तन से संबद्ध किसी अनुरोध पर विचार नहीं किया जाएगा।

2. उम्मीदवार को आवेदन-प्रपत्र तथा पावती कार्ड अपने हाथ से ही भरने चाहिए। सभी प्रविष्टियां/उत्तर शब्दों में होने चाहिएं, रेखा या बिंदू आदि के द्वारा नहीं।

सशस्त्र सेना में कार्य करने वाले उम्मीदवार को अपना आवेदन-पत्र सीधे अपनी यूनिट के अफ़सर कमांडिंग को भेजना चाहिए जो आवेदन-प्रपत्र के अंत में दिए गए प्रमाण-पत्र को भर कर सचिव, संघ लोक सेवा आयोग, धौलपुर हाउस, शाहजहां रोड, नई दिल्ली-11, को अग्रेषित कर देगा। **जो उम्मीदवार अपनी यूनिट का स्वयं ही अफ़सर कमांडिंग हो उसे अपना आवेदन पत्र अपने से अगले उच्च अधिकारी के पास सीधे प्रेषित करना चाहिए, जो आवेदन-पत्र के अंत में दिए गए उपर्युक्त प्रमाण-पत्र को भर कर आयोग को अग्रेषित कर देगा।**

जो उम्मीदवार सरकारी सिविल नौकरी में हो उसे अपना आवेदन-पत्र संबद्ध विभाग या कार्यालय के अध्यक्ष की मार्फ़त भेजना चाहिए जो आवेदन-पत्र के अन्त में दिए गए प्रमाण पत्र को भर कर आयोग को भेज देगा।

ग़ैर-सरकारी नौकरी में लगे या सरकारी औद्योगिक संगठनों या इसी प्रकार के अन्य संगठनों में काम करने वाले दूसरे सभी उम्मीदवारों के आवेदन-पत्र सीधे लिए जा सकते हैं। यदि कोई ऐसा उम्मीदवार अपना आवेदन-पत्र अपने नियोक्ता की मार्फ़त भेजता है और वह संघ लोक सेवा आयोगमें देर से पहुंचता है तो उस पर विचार नहीं किया जाएगा, भले ही वह नियोक्ता को अंतिम तारीख से पहले प्रस्तुत किया गया हो।

नोटिस में निर्धारित तारीख़ के बाद आयोग को प्राप्त होने वाला कोई भी आवेदन-पत्र स्वीकार नहीं किया जाएगा।

3. (क) सशस्त्र सेना से पहले ही निर्मुक्त किए गए उम्मीदवार को अपने आवेदन-पत्र के साथ सेना/वायुसेना/नौ सेना मुख्यालय से इस आशय का एक प्रमाण-पत्र लेकर मूल रूप में (उसकी एक प्रतिलिपि के साथ) भेजना चाहिए कि वह सशस्त्र सेना में 1 नवंबर, 1962, के बाद कमीशन प्राप्त आपातकालीन आयुक्त/अल्पकालीन सेवा आयुक्त अधिकारी है और निर्धारित कार्यक्रम के अनुसार (आपातकालीन आयुक्त अधिकारी के मामले में)/अपने सेवा-काल की समाप्ति पर (अल्पकालीन सेवा आयुक्त अधिकारी के मामले में) निर्मुक्त हुआ है। प्रमाण-पत्र में (i) उम्मीदवार के सशस्त्र सेना में कमीशन-पूर्व प्रशिक्षण में सम्मिलित होने की तारीख, (ii) कमीशन पाने की तारीख और (iii) सशस्त्र सेना से निर्मुक्त किए जाने की वास्तविक तारीख अवश्य लिखी होनी चाहिए।

(ख) सशस्त्र सेना से विकलांगता के कारण निर्मुक्त हुए उम्मीदवार को अपने आवेदन-पत्र के साथ सेना/वायुसेना/नौ सेना मुख्यालय से इस आशय का एक प्रमाण-पत्र लेकर, मूल रूप में (उसकी एक प्रतिलिपि के साथ) भेजना चाहिए कि वह सशस्त्र सेना में 1 नवंबर, 1962, के बाद कमीशन-प्राप्त आपातकालीन आयुक्त/अल्पकालीन सेवा आयुक्त अधिकारी है और वह सैन्य सेवा के कारण हुई या बढ़ गई विकलांगता के फलस्वरूप निर्मुक्त हुआ है। प्रमाण-पत्र में (i) उम्मीदवार के सशस्त्र सेना में कमीशन-पूर्व प्रशिक्षण में सम्मिलित होने की तारीख, (ii) कमीशन पाने की तारीख, (iii) सशस्त्र सेना से निर्मुक्त किए जाने की वास्तविक तारीख, तथा (iv) यदि वह विकलांगता के कारण सेवा मुक्त न हुआ होता तो, वह तारीख जिसको वह निर्धारित कार्यक्रम के अनुसार (आपातकालीन आयुक्त अधिकारी के मामले में)/अपने सेवा-काल की समाप्ति पर (अल्पकालीन सेवा आयुक्त अधिकारी के मामले में) निर्मुक्त हुआ होता, लिखी होनी चाहिए।

नोट :—किंतु यदि ऐसा उम्मीदवार ए० एम० सी०, (गैर-तकनीकी), ए० डी० सी० या एम० एन० एस० का अधिकारी था तो उसे डी० जी०, ए० एफ० एम० एस० से अपेक्षित प्रमाण-पत्र लेकर प्रस्तुत करना चाहिए।

4. उम्मीदवारों को चेतावनी दी जाती है कि वे आवेदन-प्रपत्र भरते समय कोई भी झूठा ब्यौरा न दें और न ही किसी तथ्य को छिपाएं।

5. उम्मीदवार को अपने आवेदन-पत्र के साथ ऊपर पैरा 2 और 3 में उल्लिखित प्रमाण-पत्रों के अतिरिक्त नीचे लिखे प्रमाण-पत्र आदि अवश्य भेजने चाहिएं :—

(i) आयु का प्रमाण-पत्र

(ii) शैक्षिक योग्यता का प्रमाण-पत्र

(iii) उम्मीदवार के हाल ही के पासपोर्ट-आकार (लगभग 5 सें० मी०—7 सें० मी०) के फ़ोटो की दो प्रतियां।

ऊपर की मद (i), (ii) और (iii) में दिए गए प्रमाण-पत्र आदि का ब्यौरा इस प्रकार है :—

(i) आयु का प्रमाण-पत्र :—आयोग सामान्यतः जन्म की वह तारीख स्वीकार करता है जो मैट्रिकुलेशन के प्रमाण-पत्र या माध्यमिक विद्यालय छोड़ने के प्रमाण-पत्र (सैकण्डरी स्कूल लीविंग सर्टिफ़िकेट) या किसी भारतीय विश्वविद्यालय द्वारा मैट्रिकुलेशन के समकक्ष माने गए प्रमाण-पत्र या विश्वविद्यालय के समुचित प्राधिकारी द्वारा प्रमाणित विश्वविद्यालय के मैट्रिक-पास छात्रों के रजिस्टर के उद्धरण (एक्सट्रैक्ट) में दर्ज की गई हो। हिदायतों के इस भाग में आए "मैट्रिकुलेशन प्रमाण-पत्र" के अंतर्गत इन सभी वैकल्पिक प्रमाण-पत्रों को सम्मिलित समझा जाए।

इस प्रकार उम्मीदवारों को अच्छी तरह समझ लेना चाहिए कि आयु के प्रमाण के रूप में मैट्रिकुलेशन का प्रमाण-पत्र हर हालत में भेजना आवश्यक है और आवेदन-पत्र के साथ आयोग को अनिवार्यतः उसकी मूल प्रति, एक प्रतिलिपि के साथ भेजी जानी चाहिए।

कभी-कभी मैट्रिकुलेशन या उसके समकक्ष प्रमाण-पत्र में जन्म की तारीख नहीं होती या आयु के केवल पूरे वर्ष या पूरे वर्ष और महीने ही दिए होते हैं। ऐसे मामलों में उम्मीदवार को मैट्रिकुलेशन या उसके समकक्ष प्रमाण-पत्र के अतिरिक्त उस संस्था के हेडमास्टर/प्रिंसिपल से लिए गए प्रमाण-पत्र की मूल प्रति, उसकी एक प्रतिलिपि के साथ, भेजनी चाहिए जहां से उसने मैट्रिकुलेशन या उसके समकक्ष परीक्षा उत्तीर्ण की हो। इस प्रमाण-पत्र में उसकी जन्म की तारीख या उस संस्था के दाखिला रजिस्टर में दर्ज की गई वास्तविक आयु लिखी होनी चाहिए।

उम्मीदवारों को चेतावनी दी जाती है कि यदि आवेदन-पत्र के साथ इन हिदायतों में निर्धारित आयु का पूरा प्रमाण नहीं भेजा गया तो उनका आवेदन-पत्र अस्वीकार किया जा सकता है। उन्हें यह भी चेतावनी दी जाती है कि यदि आवेदन-पत्र में लिखी जन्म की तारीख मैट्रिकुलेशन प्रमाण-पत्र में दी गई आयु से भिन्न हो और इसके लिए कोई कारण न दिया गया हो तो आवेदन-पत्र अस्वीकार किया जा सकता है।

नोट 1 :—जिस उम्मीदवार के पास पढ़ाई पूरी करके माध्यमिक विद्यालय छोड़ने का प्रमाण-पत्र (कम्प्लीटेड सेकण्डरी स्कूल लीविंग सर्टिफ़िकेट) हो, उसे इस प्रमाण-पत्र की मूल प्रति के साथ केवल आयु से संबद्ध प्रविष्टि वाले पृष्ठ की प्रतिलिपि भेजनी चाहिए।

नोट 2 :— उम्मीदवारों को ध्यान रखना चाहिए कि किसी परीक्षा में प्रवेश के लिए जन्म की तारीख एक बार लिख भेजने और आयोग द्वारा उसके स्वीकृत हो जाने के बाद किसी अगली परीक्षा में उसमें कोई परिवर्तन करने की अनुमति सामान्यतः नहीं दी जाएगी।

नोट 3 :—जिन विस्थापित लोगों के मैट्रिकुलेशन के प्रमाण-पत्र की मूल प्रति पाकिस्तान में खो गई हो, उन्हें संबद्ध विश्वविद्यालय से उसकी अनुलिपि मंगवा लेनी चाहिए। यदि वे संबद्ध विश्वविद्यालय से मैट्रिकुलेशन के प्रमाण-पत्र की अनुलिपि न मंगवा सकते हों तो उन्हें विश्वविद्यालय के उस गज़ट का उद्धरण भेजना चाहिए जिसमें उनके परीक्षा परिणाम प्रकाशित हुए हों। इस उद्धरण में जन्म की तारीख लिखी होनी चाहिए और यह रजिस्ट्रार या हेडमास्टर द्वारा प्रमाणित होना चाहिए।

(ii) शैक्षिक योग्यता का प्रमाण-पत्र :—उम्मीदवार को अपने मूल प्रमाण-पत्र या डिप्लोमा को उसकी एक प्रतिलिपि के साथ भेजना चाहिए ताकि इस बात का प्रमाण मिल सके कि नियम 9 (क) में निर्धारित योग्यताओं में से कोई एक योग्यता उसके पास है। भेजा गया प्रमाण-पत्र उस प्राधिकारी (अर्थात विश्वविद्यालय या किसी अन्य परीक्षा -निकाय) का होना चाहिए जिसने उसे योग्यता विशेष का प्रमाण-पत्र दिया हो। यदि ऐसा प्रमाण-पत्र या डिप्लोमा न भेजा जाए तो उम्मीदवार को उसे न भेजने का कारण बताना चाहिए और अपेक्षित योग्यता के अपने दावे के समर्थन में जो अन्य प्रमाण वह प्रस्तुत कर सकता हो, उसकी मूल प्रति भेजनी चाहिए। आयोग इस दावे के औचित्य पर विचार करेगा, किन्तु वह उसे पर्याप्त मानने के लिए बाध्य नहीं होगा।

उप-नियम 9(ख) के अंतर्गत इस परीक्षा में बैठने वाले उम्मीदवार को उस संस्था के अध्यक्ष से जहां उसने सशस्त्र सेना में भरती होने से पूर्व अंतिम बार शिक्षा प्राप्त की थी, लिया गया मूल प्रमाण-पत्र, एक प्रतिलिपि के साथ, प्रस्तुत करना चाहिए। इस प्रमाण पत्र में कक्षा का नाम जिसमें वह पढ़ रहा था, वह तारीख, जिसको उसने संस्था में अपनी पढ़ाई छोड़ी तथा वह वर्ष, जिसमें वह, यदि सशस्त्र सेना में भरती होकर पढ़ाई न छोड़ता तो नियम 9(क) में निर्धारित योग्यताओं में से किसी एक की प्राप्ति के लिए परीक्षा में बैठा होता, लिखी होनी चाहिए। प्रमाण-पत्र पर हस्ताक्षर करने वाले को अपना पूरा पदनाम लिखना चाहिए तथा उस विश्वविद्यालय का नाम भी लिखना चाहिए जिससे वह संस्था संबद्ध है।

नोट :—यदि कोई उम्मीदवार ऐसी परीक्षा में बैठ चुका हो जिसे उत्तीर्ण कर लेने पर नियम 9 (क) के अनुसार वह इस परीक्षा में बैठने का पात्र हो जाता है पर अभी उसे परीक्षा के परिणाम की सूचना न मिली हो तो ऐसी स्थिति में वह इस परीक्षा में प्रवेश पाने के लिए आवेदन कर सकता है। जो उम्मीदवार इस प्रकार की अर्हक परीक्षा (क्वालिफ़ाइंग एक्ज़ामिनेशन) में बैठना चाहता हो वह भी आवेदन कर सकता है, बशर्ते कि वह अर्हक परीक्षा इस परीक्षा के प्रारंभ होने से पहले समाप्त हो जाए। यदि ऐसे उम्मीदवार अन्य शर्तें पूरी करते हों तो उन्हें परीक्षा में बैठने दिया जाएगा। परंतु परीक्षा में बैठने की यह अनुमति अनंतिम मानी जाएगी और यदि वे अर्हक परीक्षा में उत्तीर्ण होने का प्रमाण-जल्दी-से-जल्दी, और हर हालत में इस परीक्षा के प्रारंभ होने की तारीख से अधिक-से-अधिक दो महीने के भीतर प्रस्तुत नहीं करते तो यह अनुमति रद्द की जा सकती है।

(iii) फ़ोटो की दो प्रतियां :—उम्मीदवार को अपने हाल ही के पासपोर्ट आकार (लगभग 5 सें० मी० × 7 सें० मी०) के फ़ोटो की दो प्रतियां भेजनी चाहिएं। इन में से एक तो आवेदन पत्र के पहले पृष्ठ पर चिपका देनी चाहिए और दूसरी आवेदन-पत्र के साथ अच्छी तरह नत्थी कर देनी चाहिए। फ़ोटो की प्रत्येक प्रति के ऊपर उम्मीदवार को स्याही से हस्ताक्षर करने चाहिएं।

6. उम्मीदवारों को चेतावनी दी जाती है कि यदि आवेदन-पत्र अधूरा या ग़लत भरा हुआ होगा या उसके साथ ऊपर पैरा 3 और 5 में लिखे प्रमाण-पत्र आदि में से कोई एक संलग्न न होगा तो यह आवेदन-पत्र अस्वीकार किया जा सकता है और इस अस्वीकृति के विरुद्ध कोई अपील नहीं सुनी जाएगी। **यदि किन्हीं कारणों से कोई उम्मीदवार विवशतावश ऊपर पैरा 3 और 5 में लिखे किसी प्रमाण-पत्र को आवेदन-पत्र के साथ न भेज सके तो उससे अपना आवेदन-पत्र भेजते समय उन कारणों का स्पष्ट उल्लेख करना चाहिए। आयोग उन के औचित्य पर**

यथास्थिति विचार करेगा। उसे शेष प्रमाण-पत्र अपना आवेदन-पत्र भेजने के तुरंत बाद भेज देने चाहिएं और उन्हें हर हालत में आवेदन-पत्र पहुंचने की निर्धारित अंतिम तारीख से एक महीने के भीतर आयोग के कार्यालय में पहुंच जाना चाहिए। उसे किसी भी हालत में अपना आवेदन-पत्र भेजने में देरी नहीं करनी चाहिए और वह नोटिस के पैरा 6 में उल्लिखित तारीख को या उससे पहले आयोग के कार्यालय में अवश्य पहुंच जाना चाहिए।

उम्मीदवारों को यह भी चेतावनी दी जाती है कि जो प्रमाण-पत्र आदि वे प्रस्तुत क , उनकी किसी भी प्रविष्टि में वे कभी भी कोई भी शुद्धि या परिवर्तन न करें, न उनमें किसी अन्य प्रकार का फेर-बदल करें, और न ही फेर-बदल किए गए प्रमाण-पत्र आदि प्रस्तुत करें। यदि कोई अशुद्धि हो अथवा ऐसे दो या अधिक प्रमाण-पत्रों आदि में कोई असंगति हो तो उस असंगति के बारे में अलग से स्पष्टीकरण देना चाहिए।

7. यदि कोई उम्मीदवार किसी अनुसूचित जाति या अनुसूचित आदिम जाति का होने का दावा करे तो उसे अपने दावे के समर्थन में उस ज़िले के, जिसमें उसके माता-पिता (या जीवित माता या पिता) आमतौर से रहते हों, ज़िला अधिकारी से, या उप-मण्डल अधिकारी (सब-डिवीज़िनल आफिसर) या अन्य ऐसे अधिकारी से, जिसे संबद्ध राज्य सरकार ने यह प्रमाण-पत्र जारी करने के लिए सक्षम अधिकारी के रूप में नामित किया हो, नीचे दिए गए फार्म में प्रमाण-पत्र लेकर उसकी एक प्रतिलिपि के साथ, प्रस्तुत करना चाहिए। यदि उम्मीदवार के माता और पिता दोनों की मृत्यु हो गई हो तो यह प्रमाण-पत्र उस ज़िले के अधिकारी से लिया जाना चाहिए जहां उम्मीदवार स्वयं अपनी शिक्षा से भिन्न किसी अन्य प्रयोजन से, आमतौर पर रहता हो।

दिल्ली संघ राज्य क्षेत्र का उम्मीदवार उक्त प्रमाण-पत्र अतिरिक्त ज़िला मैजिस्ट्रेट या प्रथम श्रेणी के वृत्तिक (स्टाइपेंडरी) मैजिस्ट्रेट या रेवेन्यू असिस्टेंट से भी लेकर प्रस्तुत कर सकता है।

भारत सरकार के पदों पर नियुक्ति के लिए आवेदन करने वाले अनुसूचित जाति और अनुसूचित आदिम जाति के उम्मीदवारों के द्वारा प्रस्तुत किए जाने वाले प्रमाण-पत्र का फार्म—

5. सहायक आयुक्त

(x) नियम 6 (ख) (xvi) के अंतर्गत आयु-सीमा में छूट चाहने वाले श्रीलंका से प्रत्यावर्तित उम्मीदवार को श्रीलंका में भारतीय उच्च आयुक्त के कार्यलय से लिया गया इस आशय का मूल प्रमाण-पत्र, एक प्रतिलिपि के साथ, प्रस्तुत करना चाहिए कि वह एक भारतीय नागरिक है और श्रीलंका सरकार की प्रत्यावर्तन योजना के अंतर्गत भारत आया है।

(xi) जिस उम्मीदवार को आयोग द्वारा 1967 में ली गई परीक्षा में प्रवेश दे दिया गया था किंतु जो सशस्त्र सेना में नौकरी की अपेक्षाओं के कारण परीक्षा में नहीं बैठ सका तथा जो नियम 8 के परंतुक (ख) के अनुसार पात्रता का दावा करता है, उसे रक्षा मंत्रालय से प्रमाण-पत्र लेकर, मूल रूप में, एक प्रतिलिपि के साथ, यह दिखलाने के लिए प्रस्तुत करना चाहिए कि वह 1967 में ली गई परीक्षा में सशस्त्र सेना में नौकरी की अपेक्षाओं के कारण नहीं बैठ सका था।

(ख) यदि किसी व्यक्ति के लिए पात्रता प्रमाण-पत्र आवश्यक न हो तो उसे प्रथम श्रेणी मैजिस्ट्रेट के सामने नान-जुडीशल स्टाम्प पेपर पर नीचे लिखे किसी भी रूप में (जो उस पर लागू होता हो) शपथ लेकर शपथ-पत्र (एफ़िडेविट) प्रस्तुत करना चाहिए:—

नोट :—यदि कोई उम्मीदवार ऊपर की मद (2) के अंतर्गत आता है तो वह ऊपर के सब-पैरा (ख) में अपेक्षित प्रथम श्रेणी के मैजिस्ट्रेट के समाने के लिए गए शपथ-पत्र के स्थान पर भारत के नागरिक के रूप में पंजीकरण का मूल प्रमाण-पत्र, एक प्रतिलिपि के साथ, प्रस्तुत कर सकता है।

10. ऊपर के पैरा 3, 5(i), 5(ii), 7, 8 और 9 (ख) में उल्लिखित मूल प्रमाण-पत्र, प्रतिलिपियों के साथ, अवश्य भेजे जाने चाहिए। आयोग मूल प्रमाण-पत्रों के बिना इन प्रमाण-पत्रों की अभिप्रमाणित या किसी अन्य प्रकार प्रतियां स्वीकार नहीं करता।

ऊपर के पैरा 3, 5(i), 5(ii), 7, 8 और 9 (ख) के अनुसार भेजे गए सभी मूल प्रमाण-पत्र उम्मीदवार को आवेदन-पत्र के परिणाम की सूचना देते समय लौटा दिए जाएंगे। उम्मीदवारों को सलाह दी जाती है कि वे अपने प्रमाण-पत्रों को आयोग के पास भेजने से पहले उनकी अभिप्रमाणित प्रतियां अपने पास रख लें। आयोग आवेदन-पत्र के परिणाम की सूचना भेजने के पूर्व इन प्रमाण-पत्रों को न तो लौटा सकता है और न ही उनकी अभिप्रमाणित प्रतियां भेज सकता है, चाहे उम्मीदवार को उनकी आवश्यकता किसी भी काम के लिए क्यों न हो।

यदि उम्मीदवार ऊपर के पैरा 3, 5(i), 5(ii), 7, 8 और 9 (ख) में उल्लिखित प्रमाण-पत्रों को, संघ लोक सेवा आयोग द्वारा ली गई किसी और परीक्षा के संबंध में पहले ही भेज चुका हो, और उन्हें अभीतक उसे लौटाया नहीं गया हो, तो उसे अपना आवेदन-पत्र भेजते समय इस तथ्य का उल्लेख कर देना चाहिए और यदि हो सके तो प्रत्येक प्रमाण-पत्र की एक प्रतिलिपि भी साथ भेजनी चाहिए। यदि प्रमाण-पत्र आयोग के पास न हों तो, चाहे उम्मीदवार इस आयोग द्वारा ली गई किसी अन्य परीक्षा में पहले बैठा हो या नहीं, उसे आवेदन-पत्र के साथ प्रमाण-पत्र भेजने चाहिएं।

11. आवेदन-पत्र देर से प्रस्तुत किए जाने पर देरी के कारण के रूप में यह तर्क स्वीकार नहीं किया जाएगा कि आवेदन-प्रपत्र ही अमुक तारीख को भेजा गया था। आवेदन-प्रपत्र का भेजा जाना ही स्वत: इस बात का सूचक न होगा कि प्रपत्र पाने वाला परीक्षा में बैठने का पात्र हो गया है।

12. यदि परीक्षा से संबद्ध आवेदन-पत्रों के पहुंच जाने की आखिरी तारीख से पंद्रह दिन के भीतर किसी उम्मीदवार को अपने आवेदन-पत्र की पावती (एक्नालिजमेंट) न मिले तो उसे पावती प्राप्त करने के लिए आयोग से तत्काल संपर्क करना चाहिए।

13. इस परीक्षा में प्रवेश चाहने वाले प्रत्येक उम्मीदवार को उसके आवेदन-पत्र के परिणाम की सूचना यथाशीघ्र दे दी जाएगी। किन्तु यह नहीं कहा जा सकता कि परिणाम कब सूचित किया जाएगा। किंतु यदि परीक्षा के शुरु होने की तारीख से एक महीने पहले तक उम्मीदवार को अपने आवेदन-पत्र के परिणाम के बारे में संघ लोक सेवा आयोग से कोई सचना न मिले तो परिणाम की जानकारी के लिए उसे आयोग से तत्काल संपर्क करना

चाहिए । यदि उम्मीदवार ने ऐसा नहीं किया तो वह अपने मामले में विचार किए जाने के दावे से वंचित हो जाएगा ।

(iii) Two copies of recent passport size (5 cm × 7 cm. approx.) photograph of the candidate.

Details of the documents mentioned in items (i), (ii) and (iii), are given below :—

(i) *Certificate of Age.*—The date of birth ordinarily accepted by the Commission is that entered in the Matriculation Certificate or in the Secondary School Leaving Certificate, or in a certificate recognised by an Indian University as equivalent to Matriculation or in an extract from a Register of Matriculates maintained by a University, which extract must be certified by the proper authority of the University. The expression Matriculation Certificate in this part of the instructions must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age, and it must invariably be sent to the Commission, in original, with a copy thereof, together with the application.

Sometimes the Matriculation or equivalent Certificate does not show the date of birth, or only shows the age by completed years or completed years and months. In such cases a candidate must send, in addition to the Matriculation or equivalent certificate, an original certificate, together with a copy thereof, from the Headmaster/Principal of the institution from where he passed the Matriculation or equivalent examination, showing the date of his birth or his exact age as recorded in the Admission Register of the institution.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application the application may be rejected. Further, they are warned that if the date of birth stated in the application is inconsistent with the age shown in the Matriculation Certificate and no explanation is offered, the application may be rejected.

NOTE 1.—A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of only the page containing entries relating to age.

NOTE 2.—CANDIDATES SHOULD NOTE THAT ONCE A DATE OF BIRTH HAS BEEN CLAIMED AND ACCEPTED BY THE COMMISSION FOR THE PURPOSE OF ADMISSION TO AN EXAMINATION, NO CHANGE WILL ORDINARILY BE ALLOWED AT A SUBSEQUENT EXAMINATION.

NOTE 3.—Displaced persons, who have lost their original Matriculation Certificate in Pakistan, should obtain duplicate certificate from the University concerned. If they are unable to obtain the duplicate Matriculation certificate from the University, they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

(ii) *Certificate of Educational Qualifications.*—A candidate must submit a certificate or diploma, in original, with a copy thereof, showing that he has one of the qualifications prescribed in Rule 9(a). The certificate submitted must be one issued by the authority (*i.e.* University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted, the candidate must explain its absence and submit such other evidence, in original, as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

A candidate appearing at this examination under sub-Rule 9(b) must submit, in original, with a copy thereof, a certificate from the Head of the institution last attended by him before joining the Armed Forces, showing the class in which he was studying, the date on which he discontinued his studies at the Institution, and the year in which he would have appeared at an examination for the award of any of the qualifications prescribed in Rule 9(a), if he had not discontinued his studies on joining the Armed Forces. The signatory of the certificate should give his designation in full, and also indicate the name of the university etc. to which the Institution is affiliated.

NOTE.—A candidate who has appeared at an examination the passing of which would render him eligible to appear at this examination *vide* Rule 9(a) but has not been informed of the result may apply for admission to the examination. A candidate who intends to appear at such a qualifying examination may also apply provided the qualifying examination is completed before the commencement of this examination. Such candidates will be admitted to the examination, if otherwise eligible, but the admission would be deemed to be provisional and subject to cancellation if they do not produce proof of having passed the examination, as soon as possible, and in any case not later than two months after the commencement of this examination.

(iii) *Two copies of Photograph.*—A candidate must submit two passport size (5 cm. × 7 cm. approximately) copies of his recent photograph, one of which should be pasted on the first page of the application form and the other copy should be firmly attached with the application form. Each copy of the photograph should be signed in ink on the front by the candidate.

6. Candidates are warned that if an application is incompletely or wrongly filled or is not accompanied with any of the documents mentioned under paras 3 and 5 above, it is liable to be rejected, and no appeal against its rejection will be entertained. *If for reasons beyond his control a candidate is not able to submit*

any of the documents mentioned in paras 3 and 5 above with the application, he should state the reasons while submitting the application which will be considered by the Commission on merits. He should submit the remaining documents soon after the admission of the application, and in any case they must reach the Commission's office within one month after the last date prescribed for receipt of applications. He should in no case delay submission of application which must reach the Commission's office before the date specified in para 6 of the Notice.

Candidates are also warned that they should in no case correct or alter or otherwise tamper with any entry in the documents submitted by them nor should they submit a tampered document. (Remarks)

यद्यपि सारे भारतवर्ष में पंजीयन का प्रबन्ध है, फिर भी कई सूचनायें पंजीयक को नहीं दी जातीं। इस कारण पंजीयन का विवरण अपूर्ण रह जाता है। इसके अतिरिक्त पंजीयकों से राज्य सरकारों के मुख्यालयों को विवरण भेजने की व्यवस्था भी बहुत असंतोषजनक है जिसके कारण पंजित घटनाओं का बड़ा अंश दरें निकालते समय रह जाता है। इस पत्रिका में दी गई जन्म, मृत्यु तथा शिशु मृत्यु दरें कहीं अधिक और कहीं कम अपूर्ण हैं। इनको पूर्ण करने के लिये और विवरण भेजने की व्यवस्था को सुदृढ़ करने के लिए प्रयत्न किए जा रहे हैं।

जिन नगरों के आंकड़े प्राप्त नहीं हो सके उनकी जनसंख्या दरें निकालते समय छोड़ दी गई थीं।

[While arrangements for the registration of births and deaths exist in most parts of the country, a large proportion of births and deaths fails to be reported to the Registrars. The registration of births and deaths is, thus, incomplete. Further, arrangements for the transmission of returns from the Registrars to the State Headquarters are far from satisfactory with the result that a large proportion of events, although registered, are missed at the time of compilation of vital rates. The birth, death and infant mortality rates presented in this publication are, thus, deficient to a varying degree. Efforts are being made to improve the completeness and ensure efficiency in the transmission of returns.

Appropriate adjustments in the population base were made in cases, where the data for any town could not be included.]

1. These conditions will be applicable only to Public Sector imports where value of the licence is Rs. 50,000/- or less. For licences exceeding Rs. 50,000/- there is a different set of licensing conditions.

2. The licence will be issued with an initial validity period of 3 months. Firm orders on C & F basis must be placed on the suppliers in Germany within three months from the date of issue of the import licence. Licences may be submitted for revalidation to cover shipments, with documentary proof of firm orders having been placed and showing the contractual date of shipment.

3. Where orders could not be placed within 3 months, the licence may be submitted for revalidation during the 4th *months*, giving reasons for delay in placing order and indicating the date by which orders would be placed. Such requests will be considered on merits by Chief Controller of Imports and Exports, in consultation with the Ministry of Finance (Department of Economic Affairs), where necessary.

4. Payments against this import licence can be made to German suppliers for goods and services to be imported from the Federal Republic of Germany. Any payments towards Indian agents commission should be made in Indian rupees to the agents in India. Such payments will, however, be charged to the licence.

5. Payments against this import licence may be effected through normal banking channels by opening commercial letters of credit, through authorised dealers in foreign exchange and should be completed by the 30th June, 1970. *The letters of credit must be opened within one month of placing of orders* and a copy of the letter of credit(s) should be sent by the Bank concerned to the Joint Director (Accounts), Department of Economic Affairs, Jeevan Deep Building, Parliament Street, New Delhi-1.

6. The letters of credit mentioned in condition 5 above should stipulate submission of an additional set of import documents (Non-negotiable) comprising "invoice", "bill of lading" and a "certificate" of payment to supplier for use by the Ministry of Finance. As soon as the payments to the suppliers are made under the licence, the Bank opening the letter of credit should send the set of documents mentioned above alongwith a statement (in the proforma given in Annexure) to the Joint Director (Accounts), Ministry of Finance (Department of Economic Affairs), Jeevan Deep Building, Parliament Street, New Delhi.

7. Goods to be financed under the Credit should be transported by Indian and/or Federal Republic of Germany vessels only, even though shipment may take place from a third-country West European port. Failure to comply with this provision will involve German suppliers paying freight from their own resources. As the orders are on C & F basis, the German suppliers should be made responsible for payment of freight charges in DMs to the agents of the Indian and/or Federal Republic of Germany shipping companies carrying the cargo. A suitable provision should be made in this regard in the supply order and in the Letter of Credit. *Under no circumstances, the licensee should pay freight in rupees* to the agents of the Indian shipping companies (who should claim payment from the German suppliers).

(f) there is no disease of the bones or cartilages of the nose or nasal polypus or disease of the nasopharynx;

3. Standards for Height, Weight and Chest measurements :

(a) *Height*—

(i) The height of a candidate will be measured by making him stand against the standard with his feet together. The weight should be thrown on the heels and not on the toes or outer side of the feet. He will stand erect without rigidity and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar and the height will be recorded in centimetres and parts of a centimetre to halves.

(ii) The minimum acceptable height for a candidate is 157.5 cm. except in the case of Gorkha, Nepalese, Assamese and Garhwali candidates in whose case the height in correlation table at (b)(i) below may be reduced by 5.0 cm.

(b) *Weight*—

(i) Weight will be taken with the candidate fully stripped or with under-pants only. In recording weight, fraction of ½ kg. will not be noted. A correlation

table between age, height and average weight is given below for guidance.

Age last birth day	Height without shoes	Weight Minimum	Weight Maximum
Years	*Centimetres*	*Kgs.*	*Kgs.*
17 to 18	157·5 under 165·0	43·5	55·0
	165·0 and under 172·5	48·0	59·5
	172·5 and under 183·0	52·5	64·0
	183 and upwards	57·0	—
19	160·0 and under 165·0	44·5	56·0
	165·0 and under 172·5	49·0	60·5
	172·5 and under 178·0	53·5	65·0
	178·0 and under 183·0	58·0	69·5
	183·0 and upwards	62·5	..
20 and upwards	160·0 and under 165·0	45·5	56·5
	165·0 and under 172·5	50·0	61·0
	172·5 and under 178·0	54·5	66·0
	178·0 and under 183·0	59·0	70·5
	183·0 and upwards	62·5	—

(ii) It is not possible to lay down precise standards for weight in relation to height and age. The correlation table is, therefore, only a guide and cannot be applied universally. A 10 per cent departure from the average weight given in the table is to be considered as within normal limits. There may nevertheless be some individuals who according to the above standard may be overweight but from the general build of the body are fit in every respect. The overweight in such cases may be due to heavy bones and muscular development and not to obesity. Similarly for those who are underweight, the criteria should be the general build of the body and proportionate development rather than rigid adherence to the standards in the above table.

(c) *Chest.*—The chest should be well-developed with a minimum range of expansion of 5.0 cm. The candidate's chest will be measured by making him stand erect with his feet together, and his arms raised over his head. The tape will be so adjusted round the chest that its upper edge touches the interior angles of the shoulder-blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side. Care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times and the maximum and minimum expansions of the chest will be carefully noted. The minimum and maximum will then be recorded in cm. thus 84/89, 86/91 etc.

In recording the measurements, fractions of less than half a cm. should not be noted.

4. Dental condition—

It should be ensured that a sufficient number of natural and sound teeth are present for efficient mastication.

(a) A candidate must have a minimum of 14 dental points to be acceptable. In order to assess the dental condition of an individual points are allotted as under for teeth in good apposition with corresponding teeth in the other jaw;

(i) Central incisor, lateral incisor, canine, 1st and 2nd pre-molar and under-developed 3rd molar—1 point each.

(ii) 1st and 2nd molar and fully developed 3rd molar—2 point each.

When all 32 teeth are present, there will be a total count of 22 points.

(b) The following teeth in good functional apposition must be present in each jaw :—

(i) Any 4 of the 6 anteriors.

(ii) Any 6 of the 10 posteriors.

NOTE.—Candidates for direct commission and technical graduates, with well fitting dentures will, however, be accepted for commission.

(c) Candidates suffering from severe pyorrhoea will be rejected. Where the state of pyorrhoea is such that in the opinion of the dental officer it can be cured without extraction of teeth, the candidates may be accepted.

5. Visual Standard.

	Better eye	*Worse eye*
Distant vision (corrected)	6/6	6/18
Near vision (corrected)	J1	J6

Myopia of not more than —3.5 D in any one meridian. Hypermetropia of not more than +3.5 D in any one meridian.

NOTE 1.—Funus and Media to be healthy and within normal limits.

3. Should have good binocular vision, fusion faculty and full field of vision in both eyes.

6. Hearing Standard—

Hearing will be tested by speech test. Where required audiometric records will also be taken.

(a) Speech test.—The candidate should be able to hear a forced whisper with each ear separately standing with his back to the examiner at a distance of 609.5 cm. in a reasonably quiet room. The examiner should whisper with the residual air; that is to say at the end of an ordinary expiration.

Modified Black Fluids and Modified White Fluids shall, in addition to complying with the requirement in respect of the Rideal Walker Coefficient as specified in the preceding para (a), be tested for the Staphylococal coefficient by the method described hereinafter. Modified Black Fluids and Modified White Fluids shall have a staphylococal coefficient of not less than 2.5.

(3) *Storage*—

Disinfectant Fluids of all classes shall be stored in mild steel, tinned mild steel or other suitable containers. These shall not be stored in containers made of galvanised iron.

(4) *Labelling*—

Subject to the other provisions in these Rules, the label on the container shall state (*i*) the name of the product, (*ii*) the name and full address of the manufa cturer, (*iii*) the name and quantity of any other active ingredient added in the case of modified Black Fluids and Modified White Fluids, (*iv*) grade, type, R.W. coefficient of the product and in addition, for modified fluids the staphylococal coefficient (*v*) date of manufacture, (*vi*) date up to which the product can be used, (*vii*) quantity present in the container and (*viii*) indications and mode of use.

5. *Method of Testing*—

(1) *Preparation of Sample*—

The sample of disinfectant fluid to be tested is mixed thoroughly taking care that no air is beaten into the fluid immediately before withdrawing any portion for testing. The test portion is withdrawn from the middle of the sample.

(2) *Method of testing stability after dilution*—

(a) *Preparation of Artificial hard water*: 40 ml. of IN Hydrochloric Acid (Analytical Reagent quality) is neutralised with a slight excess of Calcium Carbonate and filtered. The filtrate is diluted to 1000 ml. with distilled water : 10 parts of this solution is further diluted to 100 parts with distilled water.

(b) *Preparation of Artificial Sea Water*: 27 G of sodium chloride (Analytical Reagent quality) and 5 G of Magnesium Sulphate (Analytical Reagent quality) are dissolved in Distilled water and diluted to 1000 ml. The solution is filtered before use.

(c) *Procedure*: Take 1 ml. and 5 ml. portions of the sample, in duplicates, in 100 ml. stoppered measuring cylinders (IS-878-1956) by means of pipettes. Dilute the samples with Artificial hard water or Artificial Sea water (as the case may be) upto 100 ml. mark. Mix thoroughly by inverting the cylinders 5 times.

Keep the cylinders containing the diluted fluids for 6 hours at the extremes of the temperature range specified for the particular type. The sample complies with the test if the solution shows not more than a trace of separation at its top and bottom.

(3) *Method of Determination of Rideal Walker Coefficient (R.W.C.)*

Apparatus Inoculating loop .	A loop, 4 mm. in internal diameter is made at end of a 28 SWG (0-376 mm) wire of platinum or platinum iridium alloy, 38 mm long from the loop to the holder. The loop s bent at such an angle to the length of wire as well facilitate its removal vertically from the surface of the liquid while keeping the plane of the loop horizontal.
Incubator	Set and maintained at 37°C±1°C.
Pipettes	Standard graduated pipettes of capacity 10 ml., 5 ml.- and 1 ml.
Dropping Pipette . . .	Made to deliver 0·2 ml.
Medication tubes . . .	5 sterile plugged rimless test tubes 125 mm x 20 mm. (5" x ¾") made of hard neutral glass.
Broth tubes	About 2 dozen of the same description as medication tubes.
Standard measuring cylinders, stoppered & graduated	500 ml. graduated in 10 ml—one 100 ml. graduated in 1 ml—five All apparatus must be scrupulously clean and sterile immediately before use.
Reagents	(a) *Broth*-Prepare a mixture of the following ingredients: Lab Lemoo—20 Gm. Peptone (Oxo)—20 Gm. Sod chloride—10 Gm. (Regeant quality) Distilled water—1000 ml.

Dissolve the solids in distilled water. Add sufficient Sodium Hyrdroxide to neutralise the solution; then boil to bring down Phosphates and filter while hot. The broth thus prepared is then adjusted to pH 7·6 with normal Hydrochloric Acid. The broth is then sterilised by autoclaving at 15 lbs. pressure for 20 minutes. It is then filtered and placed in 5 ml. quantities in sterlilised broth tubes. The tubes of media thus prepared are sterilized by autoclaving at 15 lb. pressure for 10 minutes. The final pH of the medium should lie between 7·3 to 7·5. Further re-sterilisation in bulk or in tubes is not permissible.

(b) *Test organisms:—*

The test organism used is *Salmonalla Typhi* (NCTC 786) of which suitable culture shall be obtained from the Director, Central Drugs Laboratory, Calcutta. This culture is maintained by weekly subculture on a Neutrient Agar Slope (made by dissolving 2·5 per cent Agar Agar Difco in the broth prepared as above), incubating the subculture for 24 hours at 37°C and then storing in Refrigerator at a temperature below 22°C. For the purpose of the test a little of the growth from the most recent sub-culture in Nutrient Agar Slope is placed in a tube of R.W. broth and incubated for 24 hours at 38°C. A standard loopful is then transferred to a second tube and incubated as before. This is done for atleast three times before a test is carried out. Sub-culturing in broth is limited to 14 days.

(c) *Standard Phenol—*

A 5 per cent w/v solution in sterile distilled water of chemically pure Phenol having a crystallising point of not less than 40·5°C is prepared. Test dilutions are prepared from this stock solution containing i.g. of Phenol in each of 95,100, 105,110, 115 ml. of the solution made. These dilutions shall be used within a week of preparation.

(d) *Test dilutions of Disinfectant (Sample)—*

The sample is prepared as described under "Preparations of samples". A test portion of 5 ml. is withdrawn and discharged into about 480 ml. of sterile distilled water in a 500 ml. glass stoppered sterile measuring cylinder and at the pipette is rinsed three times in the clear liquid, The whole is then made up to 500 ml. with sterile distilled water, the cylinder is stoppered and the contents thoroughly mixed with a cork screw motion of the cylinder several times. Suitable test dilutions in sterile distilled water are then immediately prepared from this stock solution.

Procedure—

5 ml. of 4 chosen dilutions of the disinfectant are placed in 4 medication tubes which are then placed in a rack provided with a water-bath maintained at a constant temperature between 17°C and 18°C, with the strongest dilution on the left. The fifth medication tube containing 5 ml. of the particular phenol dilution is placed on the right. When the content of the medication tubes and broth culture of the test organism have reached the temperature of the water-bath, starting at zero time, 0·2 ml. of the culture is added to the left hand medication tube and the tube is shaken gently. After 30 seconds the next tube is inoculated similarly and the process is repeated with each successive tube at intervals of 50 seconds until the phenol control has been inoculated. 30 seconds after this last addition (that is 2½ minutes from zero) a loopful of the well shaken contents of the tube at the extreme left is withdrawn and placed in a tube containing 5 ml. of the broth medium. 30 seconds after this, similar operation is performed on the second medication tube. The procedure is repeated at the interval of 30 seconds with each of the 5 medication tubes working from left to right until 4 sets of cultures have been made i.e. at 2½, 5, 7½ and 10 minutes respectively after exposure. In each withdrawal care should be taken to ensure that the loop is removed vertically from the surface of the liquid with its plans horizontally and without touching the side of the test tubes. The loop shall be sterilized by flaming between each operation, care being taken that the loop is cooled before being again used. The inculated broth tubes are incubated for not less than 48 hours and not more than 72 hours at 37°C when the tubes showing growth of the test organisms will be recognised by turbidity of the broth.

Calculation of Coefficient—

The R.W. coefficient is obtained by dividing that dilution of the disinfectant which shows life of test organism in 2½ and 5 minutes but no life thereafter by that dilution of the Phenol which gives the same response. A typical set of example is given below:—

Sample disinfectants	*Dilutions*	*Time of exposure* 2½	5	7½	10	
	1:1000	—	—	—	—	R.W.
	1:1100	+	—	—	—	Coeff.
	1:1200	+	+	1	—	1200
						100
	1:1300	—	+	+	—	=12
Phenol control	1:100	+	+	—	—	—

+growth —no growth

(4) *Method of determination of Staphylococus Coefficient (SA)*

General.—This method is a modification of the R.W. test described above, the same apparatus and the procedure being used but with a different test organism and culture medium.

Apparatus . . Same as for R.W. test

Reagents . . (a) Broth Prepare a mixture of the following:

Lab lemco	10 g
Peptone (oxo)	5 g
Sodium chloride (Reagent quality)	5 g
Distilled Water	1000 ml.

Dissolve the solids in distilled water and add sufficient IN Sodium hydroxide solution to bring the pH to 7. Sterilize the broth in bulk by autociaving for 20 minutes at 15 lbs. pressure. Filter the sterilized broth and place quantities of 10 ml. in sterlized test tubes. Sterilize the broth tube sby autoclaving for 10 minutes at 15 lbs. pressure. Re-sterilization in bulk or in tubes is not permissible.

(b) *Test organism*—The test organism is *Stephylococous Aureus* (NCTC 3750) of which a suitable culture is to be obtained from the Director, Central Drugs Laboratory, Calcutta. The details for maintaining and preparing the test organism are the same as for R.W. test.

(c) *Standard Phenol*—This is same as for R.W. test with the exception that the test dilutions are made in the proportions of 1 g. of pure phenol in 85, 90, 95, 100, 105 ml. respectively of solutions.

(d) *Test dilutions of Disinfectant Sample*—This is same as for R.W. test.

Procedure.—This is same as for R.W. test.

Calculation of Coefficient :

The Staphylococul Coefficient (SA) is obtained by dividing that dilution of disinfectant which shows life of the test organism in 2½ and 5 minutes but no life thereafter by that dilution of phenol (1 : 85, 1 : 90, 1 : 95, 1 : 100 or 1 : 105) which gives the same response.

II. *Provisions applicable to other Disinfectant Fluids* :

Disinfectant Fluids which are made with chemicals other than those specified under Part I of this Schedule shall conform to the formulae or list of ingredients shown on the label.

Labelling.—Subject to the provisions of labelling of the Rules, the label of the container shall state (*i*) the name of the product, (*ii*) the name and full address of the manufacturer, (*iii*) the full formula or list of ingredient of the preparation, (*iv*) date of manufacture, (*v*) date upto which the product can be used, (*vi*) quantity present in the container, and (*vii*) indications and mode of use.

1. As per Arbitration Agreement signed by the management of Birsinghpur Colliery of Johilla Coalfields (Pvt.) Ltd. P.O. Birsinghpur Pali, District: Shahdol (M.P.) and their workmen represented by Birsinghpur Colliery Mazdoor Sabha, published in Part II, Section 3, sub-section (ii) of the Gazette of India under Order No. 1/52/68-L.R.II dated 30th November 1968, the following issue was referred to me for arbitration under section 10A of the Industrial Disputes Act, 1947:—

"Whether the demand made by the workmen of Birsinghpur Colliery of Johilla Coalfields Private Ltd.; Birsinghpur Pali, Distt: Shahdol (M.P.) for wages for the period from 4th September 1968 to 7th September 1968 (both dates inclusive) to those workmen of the third shift, who have been denied the same by the management is justified? If so, to what relief are they entitled?"

2. Arbitration proceedings were held by me on different dates after the exchange of written statements and rejoinders. On 12th February 1969, both the

parties had extended in writing the period of submission of Award to the Government by 31st March 1969 through mutual consent. Finally on 21st March 1969, both the parties appeared before me and informed that they had entered into a mutual settlement as given below and requested that the Award be given accordingly:—

"It is agreed that the management shall pay 50 per cent wages for the period from 4th September 1968 to 7th September 1968 to all those workmen of the third shift who have not been paid wages for these dates and were either present or on authorised leave on September 3 and 8 of 1968. I find that the terms of the settlement are fair and reasonable. I therefore award accordingly.

STATE: West Bengal INDUSTRY: Coal Mines

AWARD

By Order No. 6/60/68-LRII, dated November 1, 1968, the Government of India, in the Ministry of Labour, Employment & Rehabilitation (Department of Labour and Employment) referred the following industrial dispute between the employers in relation to the P. D. Kajora Colliery and their workmen, to this tribunal for adjudication:

"Whether the management of P. D. Kajora Colliery, Post Office Kajoragram, District Burdwan was justified in terminating the services of S/Shri Jalim Harijan and Dila Mia, Pick Miners with effect from the 27th April, 1968? If not, to what relief are these two workmen entitled?"

2 In this case, the management filed a written statement at a very late stage, on March 22, 1969. Apart from this also, their conduct has not been most unsatisfactory. By an order, dated February 12, 1969, I fixed February 22, 1969 as the date for settling a date of hearing. On that date (that is to say on February 22, 1969), one Sri Abhoy Charan Patra appeared on behalf of the management and Sri Benarshi Singh appeared on behalf of the workmen. In their presence I passed the following order:

"To March 25, 1969, for peremptory date of hearing. All documents must be filed before the date fixed for hearing with list of documents so filed exchanged between the parties. Parties must come ready with

their witnesses on the date fixed for hearing. No adjournment will be granted on that date."

Thereafter, on March 5, 1969, there was an application received on behalf of the workmen for discovery of certain documents. The hearing of that application was fixed on March 14, 1969 and parties were informed. On that date, the representative of the workmen appeared but nobody appeared on behalf of the management. The application for discovery was disposed in the absence of the management and the order passed on the application was communicated to the management Thereafter, on March 19, 1969, the tribunal received the following letter, by post, from the management asking for adjournment of the hearing:

"With reference to above we beg to inform you that your aforesaid letter was received here only yesterday, i.e. 12th March, 1969 and that my dealing clerk is on leave till 16th March, 1969, as such the connected papers in relation to above are not available. In this circumstances we would request you to defer the case to some other date later and give us a prior notice so that staff concerned can be ready on that date."

This application was rejected and the party was informed. On the date fixed for hearing, the management did not appear and also did not apply for adjournment. In these circumstances the tribunal proceeded *ex-parte*.

3. I need observe that the conduct exhibited by the management shows scant courtesy to this tribunal. Applications for adjournment, sent by post, should not be encouraged and I do not encourage them If a party thinks that because he had made an application for adjournment by post, it must have been allowed and he need not even enquire about the fate of the application, he runs the peril Dates of hearing, before this Tribunal, are fixed well in advance with notices to the parties and to upset such dates means upsetting of the programme, planned in advance, to a considerable extent A substitute date in the near future may not often be had.

4. With the aforesaid observations, I turn now to the merits of the case. In the written statement filed on behalf of the workmen, represented by Khan Shramik Congress, it was stated that the two workmen who had been stopped from working, were permanent pick-miners with long record of service. In paragraph 5 of the written statement it was stated:

"5 *** it is the most important point to mention here that the workmen concerned were suspended with chargesheets, pending enquiry of the chargesheets But it is regretted that the Manager of the Prosonno Dutta Kajora Colliery has terminated i.e dismissed simpliciter the workmen just on the said date and time of the above chargesheets without holding any enquiry into the chargesheets. The Manager of the colliery also did not wait for the reply of the chargesheet from the workmen concerned nor given them any opportunity to defend themselves from the allegations which were charges falsely made by the management. ***"

In the written statement filed on behalf of the management, I find the following paragraph:

"7. With reference to the allegations made in paragraph 5 of the said written statement, this employer did not wait for the reply of the said chargesheet from the dismissed workmen and there arose no occasion for giving any opportunity to the said workmen to defend themselves as this employer terminated the services of the said employees being termination simpliciter there was no necessity to proceed on with the said chargesheet or to make an enquiry in respect of the said chargesheet."

In the written statement, it was also denied that the two workmen were permanent workmen.

5. The dismissed workmen themselves deposed before the tribunal. Dila Mia admitted in his examination in-chief that he had nothing to show that he was ever appointed as a permanent workman in the P D Kajora colliery. The other workman Jalim Harijan said:

"I say that I was permanent because I used to go on leave on that basis."

He, however, admitted in answer to a question put by the tribunal that he was not fully aware of the leave provisions of the company.

6. Mr. Banarshi Singh Azad, appearing for Khan Shramik Congress, argued that the workmen were getting bonus under the Coal Mines Bonus Scheme and were also eligible to contribute to the Provident fund. Some unsigned and unstamped bonus card were made exhibits before this tribunal. The workmen producing them could not even properly identify the bonus cards belonging to them I therefore do not place much reliance on them.

7 It was next contended by Mr. Azad that the workmen were eligible to contribute to Provident Fund and that by itself would indicate that they were permanent workmen. Excepting the oral evidence of the workmen themselves, there is no proof of this fact. Provident fund records were never called for and in the absence of better evidence, this tribunal does not think it safe to rely upon the verbal testimony of the witnesses on this point. Considering the evidence on the point, I do not find that the case that the two workmen were permanent workmen has been established.

8. The question that remains for me to decide is if the workmen could be discharged forthwith without chargesheet or by giving up the chargesheet in the manner done. It appears from the annexure E(2) to the written statement filed on behalf of the workmen that the letter of termination was couched in the following language:

> "Management has decided to terminate your services. It is a termination simpliciter. You will be paid one week's wages You vacate Quarters."

In paragraph 7 of the written statement filed on behalf of the management, this is not disputed. Now, even if the workmen were temporary workmen, could their services be so summarily terminated? Termination of service may be for misconduct or may be according to service rules and terms of service conduct. Here, admittedly, the termination was not for misconduct. On what terms the workmen were employed does not appear. The workmen do not themselves know it. If the termination of employment was according to the terms of employment or according to the rules prevailing in the company, then no fault should be found with such orders of termination. Unfortunately for the workmen, they did not even apply for discovery of the relevant documents pertaining to their appointment The employers kept discreetly away and I cannot compel them to come with the result that there is no proof before me concerning the claim of the workmen.

9 I, therefore, hold that it has not been proved that the management of the P. D Kajora colliery was not justified in terminating the services of Sri Jalim Harijan and Dila Mia, Pick Miners, effect from 27th April, 1968. That being the position, they are not entitled to any relief

This is my award.

The Central Government, having received on the 4th June, 1968, a written agreement between the employers in relation to Chapui Khas Colliery of M/s. Bharat Collieries Ltd., P. O. Kalipahari, Distt. Burdwan (hereinafter referred to as the management) and their workmen represented by the Colliery Mazdoor Congress (H.M.S.), Bengal Hotel, Asansol (hereinafter referred to as the congress) in pursuance of subsection (1) of Section 10A of the Industrial Disputes Act, 1947 (Act 14 of 1947) referring the industrial dispute between them, the specific matters in dispute being as detailed below, to my arbitration, and the Central Government being of the opinion that the industrial dispute referred to above exists between the management and their workmen, ordered publication of the said arbitration agreement in the Gazette of India, Part II, Section 3, Sub-section (ii) under its order No. 6/31/68-LR.II dated 20th June, 1968:

Specific Matters in Dispute:

"Keeping in view the recommendations of the Central Wage Board for Coal Mining Industry (as accepted by the Government of India, Ministry of Labour, Employment and Rehabilitation) and also the justifiability or otherwise of workers' demand what should be the basis of payment to the underground leaders of the Chapui Khas Colliery of M/s. Bharat Collieries Ltd. on the date/dates when they are detained on duty underground without provisions of any work by the management due to breakdown of machineries or for other reasons?"

2. The management submitted its written statement and forwarded the same to me under its Manager's letter No. LAB/RLC/2604 dated 18th April, 1968 received by me on 19th April, 1968. The Colliery Mazdoor Congress (H.M.S.), Asansol submitted its written statement dated 23rd July, 1968 which was received by me on 24th July, 1968. In the meantime, the Central Government having been satisfied that the persons making the said reference represented the majority of the each party issued notification to that effect, in pursuance of the provisions of sub-section (3A) of Section 10A of the Act read with Rule 8A of the Industrial Disputes (C) Rules, 1957 for the information of the employers and the workmen who were not parties to the said arbitration agreement but were concerned in the said dispute *vide* S.O. As such in order to give opportunity also to the employers and the workmen who were not parties to the said arbitration agreement but were concerned with the dispute to present their case before me in pursuance of sub-section (3A) of Section 10A of the said Act, M/s. Sahu Jain

Ltd., Managing Agents of the management of Chapui Khas Colliery, Colliery Mazdoor Sabha (A.I.T.U.C.), Asansol (hereinafter referred to as the Sabha) and also such of the workmen employed at Chapui Khas Colliery as were not either members of the Congress nor of the Sabha were also given opportunity to submit written statements latest by 28th August, 1968 under notice No. E. 1/2(1)/68 dated 17th August, 1968 sent to the management, vice-President of the Sabha and General Secretary of the Congress, the Manager of Chapui Khas Colliery under registered post with acknowledgment due. The Manager of the colliery was directed to display a copy of the notice referred to above on the notice board at the office of the colliery and at the main entrance of the mine. The Manager certified to have displayed a copy of the notice on 23rd August, 1968 as directed. In response to the notice referred to above, the Sabha submitted its written statement on 1st September, 1968 received by me on 3rd September, 1968. Neither written statement was received on behalf of M/s. Sahu Jain Ltd., nor on behalf of such of the workmen employed at Chapui Khas Colliery as were neither members of the said Congress nor of the Sabha. However, the management intimated to me that M/s. Sahu Jain Ltd. ceased to be the Managing Agents with effect from 1st September, 1968 under it Commercial Manager's letter No. BC/GEN/7007 dated 19th October, 1968. On 24th October, 1968 the management and the Congress entered into a written agreement to the effect that I could give my arbitration award in the instant industrial dispute latest by 31st March, 1969, which was forwarded to me by the management under its letter No. Lab./RLC/350 dated 24th October, 1968. The matter came up for final hearing on 30th November, 1968. On that date S/Shri S. S. Mukherjee, Advocate, Dhanbad and R. M. L. Khanna, Manager, Chapui Khas Colliery were present on behalf of the management, Shri N. Das, Advocate, Asansol, S/Shri S. N. Jha and Joyanta Podder, General Secretary and Joint Secretary respectively of the Congress and Shri D. N. Pandey, Branch President of the Congress were present on behalf of the said Congress and Shri Sunil Sen, Organising Secretary, Colliery Mazdoor Sabha was present on behalf of the said Sabha. Non was present on behalf of M/s. Sahu Jain Ltd. nor any body was present on behalf of such of the workmen employed at Chapui Khas Colliery as were neither members of the Congress nor of the Sabha. Neither any oral nor any documentary evidence was produced on behalf of the parties. I heard the arguments of both the parties.

3. The case of the management in brief is that the underground loaders of Chapui Khas Colliery are piece-rated workmen and the Central Wage Board for the Coal Mining Industry (hereinafter referred to as the Board) has placed them in group IV; that in para 33 of its recommendations, the Board has made it clear "that the fall back wages will be payable on *pro-rata* basis for the actual number of days a piece-rated workman works in the week" and that "the fall back wages will be exclusive of dearness allowance which will be payable on attendance"; that in para 31 of its recommendations, the Board has observed that "taking an overall view and in the interest of unanimity we are recommending 100 percent of the group wage as the fall back wage for group IV"; that it has been made further clear by the Board that "regarding the present system of weekly review the consensus in the Board is that it may continue"; that as per the recommendations of the Board, fall back wages for a group IV workman was fixed at the same rate as his basic wage, namely, Rs. 6/-; that the management had classified the loaders in group IV and after implementing the recommendations of the Board, the management had been paying them total fall back wages on an average per head per day at the rate of Rs. 7·08 (Rs. 6·00 as basic, Rs. 0·78 as dearness allowance plus Rs. 0·30 as underground allowance); that for the purposes of calculation of fall back wages, the management had been treating the days when the loaders were detained on duty underground without provision of any work by the management due to break down of machineries or for other reasons as their days of attendance and any workman who had failed to earn a total sum of Rs. 42·48 calculated for 6 days at the rate of Rs. 7·08 per day had been compensated; that there is absolutely no justification for the underground loaders to demand any amount more than what is being paid to them by the management in implementing the Board's recommendations.

4. The case of the Congress in brief is that the instant industrial dispute arose out of the refusal of the management to pay any lay-off compensation to the underground loaders employed at Chapui Khas colliery for days they were detained underground and the management failed to provide them with any work due to break down of machineries or for other reasons; that in the circumstances, the loaders who were otherwise qualified were entitled to get lay-off compensation as per the provisions of Section 25C of the I.D. Act, 1947 on the scales prescribed in Section 2 (kkk) of the Act; that according to the union, the management

failed to pay lay-off compensation to the underground loaders in question on the plea that their earnings for few days in the week on which they actually worked were more than the fall back wages for the week payable as per Board's recommendations; that this contention of the management indicated that the relevant provisions regarding payment of fall back wages in accordance with Board's recommendations impliedly superseded the relevant provisions regarding payment of lay-off compensation contained in the I.D. Act; that according to the union payment of lay-off compensation was mandatory and the Board's recommendations could in no way either infringe or supersede the right of the workmen to receive lay-off compensation; that if the contention of the management is accepted it would be free to keep the underground loaders idle for 2 days in the week, if each of them earned more than Rs. 36 as basic wages in remaining 4 days in the week without paying anything to them for those 2 days; that the provisions regarding fall back wages was recommended by the Board with a view to ensuring the earnings of the piece-rated workmen did not suffer any fall due to no fault of their own and the management had to make up the loss of wages to the extent of fall back wages; that in paragraph 33 of Chapter VIII of the recommendations of the Board it had been precisely laid down that fall back wages shall be payable on pre-rate basis for the actual number of days a piece-rated workman worked in the week and as such the management had to ensure that a piece-rated workman who worked for 6 days or less number of days in the week was adequately compensated by paying prescribed fall back wages on *pro-rata* basis, if his earnings was less than fall back wages only for the days he actually worked in that week; that failure of the management to pay lay-off compensation to the loaders for the days on which they were kept idle for no fault of their own simply because they happened to earn not less than the amount of fall back wages for the week amounted to voilation of the relevant provisions of the I.D. Act; that the management was liable to pay lay-off compensation on the scales provided in the I.D. Act to the underground loaders whenever they were detained underground without provision of any work by the management due to break-down of machineries or for other reasons.

5. The submissions made by the Sabha are in brief that problems faced by the underground loaders who were compelled to wait 8 hours underground because of the fault on the part of the management to provide them with any work, "day after day" were not covered by the recommendations of the Board contained in para 31 of its recommendations; that such detention "leads to demoralisation, tension, waste and erosion of physical capacity and kill the very initiative to work underground"; that the relevant provisions regarding lay-off had been made to take care of the situation known before hand; that in the instant case a worker waited patiently hours after hours deep inside the mine and then came back without doing any work in a bitter mood; that when such detention of workmen by the management was for the full shift and the management failed to provide any work to them they should be adequately compensated, otherwise the management would adopt a callous attitude towards the workmen; that if the management was required to pay adequate compensation, it would make it more efficient; that to keep a worker for 8 hours underground day after day without giving him any work was a kind of punishment and was unjustified and wrong; that in the circumstances, the Sabha demanded that the workmen when detained underground for the whole shift and were not provided with any work by the management, they should be paid full wages for that day.

6. During hearing Shri S. S. Mukherjee, learned counsel on behalf of the management tried to impress upon me that the possibility of failure on the part of the management to provide work to the underground loaders on account of break down of machineries or for other reasons could be ruled out and that in view of this consideration, the All India Industrial Tribunal (Colliery Disputes) in its Award (hereinafter referred to as Coal Award) made provisions for the payment of minimum guaranteed wages for the piece-rated workers in the event of their failure to earn normal wages for no fault of their own. The Labour Appellate Tribunal also confirmed the recommendations of the said Tribunal with only one modification that the earnings of the piece-rated workers should be reviewed at the end of every 6 working days instead of 13 working days. As regards the loaders who are in group IV, the Board has rejected the demand of the workmen against the weekly review and recommended that the present system of weekly review in their case should continue, conceded to the grievances of the workmen against the provision of payment of 75 per cent of the category wage as minimum guaranteed wage or in other words fall back wages and recommended 100 per cent of the group wage as fall back wages for the Group IV.

He added further that in para 33 of its recommendations, the Board also recommended that the fall back wages would be payable on *pro-rata* basis for the actual number of days a piece-rated workman worked in the week week. According to him, if the underground loaders remained underground without doing any work on account of the failure on the part of the management to provide any work on account of breakdown of machineries or for other reasons on any day or even on more than one day in a week, they were not entitled to anything more than the amount of fall back wages for the days they actually worked and also for the day or days on which they remained underground without doing any work for reasons stated above during the relevant week. According to him, the question of payment of lay-off compensation to those underground loaders did not arise because they were being adequately compensated by paying fall back wages. According to him, the underground loaders could not be deemed to have been laid off. He argued further that if the payment of lay-off compensation was allowed, it would lead to an anomalous position inasmuch as a underground loader who worked for 4 days, earned Rs. 36 for those 4 days and for no fault of his own earned only Rs. 4 for the remaining 2 days would get only Rs. 40 as his basic wages including fall back wages for that week, whereas another workman who worked for 4 days and earned Rs. 36 for those 4 days work and was laid off for the remaining 2 days in the week would get Rs. 42 i.e. Rs. 36 as basic wage for the 4 days plus Rs. 6 as lay-off compensation. This showed that a worker who worked for 6 days got only Rs. 40 whereas another worker received Rs. 42, that is, Rs. 2 more than that the former although the latter worked only for 4 days during the week as against 6 days work in case of former. Thus according to him underground loaders who are detained on duty underground throughout the shift without provision of any work by the management due to break down of machineries or for other reasons are neither entitled to lay-off compensation nor to any other compensation excepting fall back wages which are being given to them by the management.

7. Shri N. Das, learned counsel on behalf of the workmen had argued that fall back wages were payable to the underground loaders only in respect of those days on which they actually worked in view of the precise recommendations of the Board contained in para 33 Chapter VIII of its recommendations and accepted by the Central Government under its resolution No. WB-16(5)/68 dated 21st July, 1968, published in the Gazette of India. He added that in the instant case, the underground loaders could not also be deemed to have been laid off because they remained underground during the entire shift, although without any work for no fault of their own. According to him, it was never a pleasure for them to remain underground on the contrary, they suffered mental agony because they remained idle in uncongenial atmosphere underground. If the management had really no work to provide with, it could easily lay-off the workmen and pay only lay-off compensation as admissible under I.D. Act and rules made thereunder. Payment of fall back wages could not be a substitute for the mandatory provisions relating to the payment of lay-off compensation specially when the underground loaders were detained underground throughout the shift. He also invited my attention to the second proviso to Section 2(kkk) of the I.D. Act, wherein it was provided that even when a worker was laid off and was refused employment in the second half when he reported for duty as called upon to do so by the management, he was entitled to full wage for the second half. On that anology he demanded full wages for the underground loaders for the day or days on which they were detained underground without providing any work.

8. I have very carefully taken into consideration and analysed the arguments put forward by the learned counsels of the parties. I am inclined to accept the contention of Shri N. Das, learned counsel of the workmen that fall back wages are payable only for those days on which the underground loaders work. In para 33 of Chapter VIII of the recommendations of the Board which have been accepted by the Central Government under its resolution bearing No. WB-16(5)/68 dated 21st July, 1968, published in the Gazette of India it has been made precisely clear that the "fall back wages will be payable on *pro-rata* basis for the *actual number of days a piece-rated workman works in the week*". When the underground loaders of Chapui Khas Colliery of the management are detained on duty underground without providing them with any work by the management, due to break down of machineries or for other reasons in any shift, they cannot be regarded to have worked in that shift. When no work is provided to them, the question of their working does not arise. The word "work" implies "application of force in action" to accomplish a given task. In case of detention of underground loaders on duty underground without any work the loaders in question

remain passive idling their time underground without exerting their energy in performing any work which means negation of application of any force to accomplish any given task. Unlike the system of weekly review of earnings of the piece-rated workers for the purpose of payment of minimum guaranteed wages or in other words fall back wages as envisaged in the Coal Award read with L.A.T. decision, the system of review of the earnings of the piece-rated workers including the loaders with which we are concerned, for that purpose as recommended by the Board and as accepted by the Central Government has been modified inasmuch as the review is required to be done weekly but fall back wages are payable on *pro-rata* basis for the actual number of days the loaders worked in that week. It implies that if a loader actually works for 4 days in a week, his earnings are to be reviewed only for 4 days and adequate amount paid by way of fall back wages for those four days on which he actually worked, provided his earnings fall short of prescribed fall back wages for those 4 days. Thus, underground loaders who are detained on duty underground without any provision of work by the management during the entire shift due to break down of machineries or for other reasons for any number of days in a week are not entitled to be considered for payment of fall back wages for those days because they cannot be deemed to have worked on those days.

9. Next question for consideration is as to whether in the circumstances stated above, the underground loaders can be deemed to have been laid off. As defined in Section 2(kkk) of the I.D. Act, 1947, lay-off means failure, refusal or inability of an employer on account of shortage of coal, power or raw materials or the accumulation of stocks or the break down of machinery or for any other reasons to give employment to a workman whose name is borne on the muster rolls of his industrial establishment. In my opinion detention of underground loaders on duty underground for the entire shift without provision of any work to them by the management due to break down of machinery or for other reasons cannot be regarded to mean either failure or refusal or inability of the employer to give employment to them because they were detained on duty, though without any work. Section 25E(ii) provides that a workman will not be entitled to lay-off compensation if he does not present himself for work at the establishment at the appointed time during the normal working hours at least once a day. Section 35D provides for maintenance of separate muster roll of the workmen laid off. These provisions indicate that when a workman is laid off, he is not required to be present at the place of work throughout his shift. Perusal of the first proviso to Section 2(kkk) makes it quite clear that a workman who is laid off need not stay at the place of work and is required to report for duty again during the second half of the shift only when he is especially called upon to do so by the management. Moreover, whenever a workman is laid off, it is obligatory on the part of the management to notify the commencement and termination of the lay-off in accordance with rule 75A of the Industrial Disputes (Central) Rules, 1957 in form 0.1 and 0.2 respectively within 7 days of such commencement and termination of lay-off. In the instant case, admittedly the underground loaders remain underground and that too on duty through out the shift, no separate muster roll is kept for them and neither any notice of commencement nor of termination of lay-off is issued by the management. Moreover, it is admitted by the management that the underground loaders who are detained on duty underground without providing any worb to them during entire shift are not laid off. Thus it is quite clear that the uderground loaders in question cannot be deemed to have been laid off and as such the question of payment of any lay-off compensation does not arise.

10. It could have been argued on behalf of the management that the break down or another reasons on account of which no work are provided to the underground loaders might be of such nature that the management could not have foreseen that it would not be possible for it to provide work to underground loaders throughout the shift or even in subsequent shift or shifts and that in spite of the best intention and efforts on behalf of the management to provide work to underground loaders during the shift it could not be done and the workmen concerned were forced to remain underground. This was, however, not done. This does not mean that the possibility of the circumstances stated above is ruled out. In the circumstances stated above, detention of loaders underground without any work for the whole shift may be generally on good faith and for bonafide reasons. This, however, cannot be generalised. All depends on the attitude of the management and fair play on its part. To show its bonafides, the management ought to have produced evidences to indicate that along with the underground loaders other time rated workers in the shift were also detained

in hope of resumption of normal work underground as efforts were being made to resume normal work. Thus has not been done. No evidence has been adduced nor it has been mentioned in the written statement submitted by the management that along with the underground loaders other time rated workers were also detained. Thus is considered vital in view of the fact that the time rated workers are not entitled to any fall back wages and in case they are detained underground till the end of the shift without providing any work to them they are entitled to full wages without doing any work as they are not responsible for their idleness. It is true that in order to attend the break down or to remove other causes responsible for non-provision of work, some of the time rated workmen are bound to be engaged on effective work, but at the same time, it cannot be denied that in absence of normal work unserground, all time rated workers of all the categories in the shift are not expected to be provided work. Thus the fact of detention of non-effective time rated workmen underground without work along with the underground loaders would have indicated that the management had not discriminated and in good faith had detained the underground loaders as well as time rated workmen in hope of resumption of normal work underground. As already stated, the management has not produced any evidence on this point to show its bonafides. Besides, explanation to Section 2(kkk) of the I.D. Act, 1947 had made it quite clear that it the management failed to provide employment within two hours of the workmen so presenting themselves at the commencement of shift, the workmen concerned shall be deemed to have been laid off for that day. So the management can reasonably assess the situation within two hours of the commencement of the shift and come to a conclusion as to whether it would be possible for it to provide work to the loaders concerned. In the event of its inability to do so, it will be reasonable for it to lay-off at least the loaders. As the management neither did so nor indicated to do so in future, it showed that it was trying to take advantage of the above average earnings of the underground loaders employed in Chapui Khas Colliery and to deprive them of the lay-off compensation by not laying them off and deliberately detaining them underground for the whole shift on one day or even more. I agree with the contention of the representative of the Sabha that the detention of the underground loaders underground for the entire shift without providing any work causes undue hardship to them. I also agree with him that this has a demoralising effect on them and also embitters the employer-employee relationship because the workers in such circumstances start feeling that they are being harassed and punished. Reverting to the contention of Shri Mukherjee regarding the alleged anamolous position arising out of acceptance of the worker's plea for any relief to the underground loaders concerned other than payment of fall back wages, I consider it to be fallacious inasmuch as it is applicable only in cases where the loaders earn basic wages not less than Rs. 36/- in the week comprising of 4 days of above average work and remaining 2 working days of inadequate work and at the same time they fulfil all essential conditions for entitlement to lay-off compensation in the event of being laid off. He has not taken into consideration the fact that the second loader of his illustration who is laid off may not be qualified to get any lay-off compensation. Moreover, even if he is entitled to same and gets Rs. 2/- more than the first loader who was paid fall back wages, he gets it in accordance with the provision of law, namely I.D. Act. Thus I do not agree that there is any anamoly as pointed out by him specially in view of the fact that exceptional cases do not disprove a rule. The second proviso to Section 2(kkk) of the I.D. Act, 1947 provides that if a workman is not given any employment even after he presents himself for work during the second half of the shift for the day, he shall not be deemed to have been laid off in the second half of the shift of the day and shall be entitled to full basic wages and dearness allowance for that part of the day. In the instant case the underground loaders are neither refused employment nor sent back, on the contrary they are detained on duty underground throughout the shift without providing any work due to break down of machineries or for other reasons and as such in my opinion, full basic wages and other admissible allowances including dearness allowance and underground allowance will be reasonable compensation for their detention underground during the entire shift without providing any work due to break down of machinery or for other reasons.

11. In the result, I direct that whenever the underground loaders employed at Chapui Khas Colliery are detained on duty without any provision of work by the management due to break down of machinery or for other reasons, he shall be paid by the management at the rate of Rs. 6/- as basic wage plus other admissible allowance including dearness allowance and underground allowance with effect from the date from which this award becomes enforceable. I further direct

that all past cases should be reviewed by the management with retrospective effect from 15th August, 1967 to the date immediately prior to the date on which this award becomes enforceable in the light of any above direction and payment, if due, shall be made to the loaders concerned within two months from the date on which this award becomes enforceable. The award is made accordingly and submitted to the Central Government under Section 10A of the I.D. Act, 1947.

APPEARANCES:

On behalf of Employers—Shri M. L. Kedia, Chief Executive Officer.

AND

Shri R. L Chawachharia, Agent.

On behalf of Workmen—Shri Kalyan Shankar Roy, Vice-President, Colliery Mazdoor Sabha.

STATE: West Bengal. INDUSTRY: Coal Mines.

AWARD

By Order No. 6/109/68-LRII, dated December 18, 1968, the Government of India, in the Ministry of Labour, Employment and Rehabilitation (Department of Labour and Employment), referred an industrial dispute between the employers in relation to the Dhemomain Colliery and their workmen, to this tribunal, for adjudication, namely:

"Whether the management of Dhemomain Colliery, Post Office Sitarampur, District Burdwan was justified in retrenching Shri Banke Behari, Picking Belt Babu with effect from the 31st January, 1968? If not to what relief is the workman entitled?"

The workmen filed a written statement. Annexed to the written statement is a copy of the notice of retrenchment, dated January 1, 1968, served upon the workman, which reads:

"Due to impending closure of Dishergarh seam, your service will be rendered surplus to our requirements with effect from 31st January, 1968.

Your services accordingly will stand terminated with effect from 31st January, 1968. Retrenchment compensation payable to you under Section 25F-I.D. Act is hereby offered to you and you are asked to collect the same on or before 31st January, 1968."

3. The employer also filed a written statement. In paragraph 7 of the written statement, it is stated:

> The letter of retrenchment served on the workman will make it abundantly clear that retrenchment compensation was offered to the workman which however he did not collect. The management emphatically denies that it acted arbitrarily or whimsically or violated any provision of the Industrial Disputes Act."

4. At the hearing today, the management appeared through Messrs M. L. Kedia, Chief Executive Officer and R. L. Chhawachharia, Agent. None of them were ready to go on with the case and asked for adjournment. They had seen me few days ago, in my chamber, for seeking adjournment and I had made it perfectly clear to them that no adjournment would be granted on the date fixed for hearing. In spite of that, they were not ready with their documents nor with their witnesses and did not show any inclination to go on with the case.

5. Mr. Kalyan Shankar Roy appeared on behalf of the Colliery Mazdoor Sabha representing the workman. For reasons best known to him, he does not want to challenge the retrenchment any more but merely asked for the compensation which had been offered to the workman but not paid.

6. Thereupon I asked Mr. Kedia and Mr. Chhawachharia, appearing for the employers, as to whether they were willing to pay up what they had once agreed to pay. To my amazement they did not express their readiness. They wanted to consult the management over telephone in my office which I allowed them to do. Having done so, they stated before me that the proper authority of the management was not available on the phone and that they were unable to agree.

7. Be that as it may, I do not find any reason why retrenchment compensation, which had once been offered, should not be paid.

8. I, therefore, hold that the workman is entitled to retrenchment compensation calculated according to the provisions of clause (b) of Section 25F of the Industrial Disputes Act, that is to say, he shall be paid retrenchment compensation which shall be equivalent to 15 days' average pay for every completed year of continuous service or part thereof in excess of six months.

9. Since nobody gave any evidence before me as to the length of service of the workman or about the quantum of average pay, I give liberty to the union to send a bill of calculation for such compensation and also equal liberty to the management to send another calculation to the union about the quantum of compensation, if the management will not agree to the calculation made by the union. The amount of compensation must be paid by the management to the workman within 15 days from the date of receipt of calculation from the union.

This is my award.

Dated, March 31, 1969.

AWARD

The Central Government, having received on the 28th August, 1968 the arbitration agreement dated 28th August, 1968, between the employers in relation to Searsole Colliery of M/s., Searsole Coal Co., Ltd., P.O. Raniganj, Dist. Burdwan (hereinafter referred to as the management) and their workmen represented by the Colliery Mazdoor Sabha, G.T. Road, Asansol (hereinafter referred to as the Sabha) in pursuance of sub-section (1) of Section 10A of the Industrial Disputes Act, 1947 (Act 14 of 1947) referring the industrial dispute between them, the specific matters in dispute being as detailed below, to my arbitration, and the Central Government being of the opinion that the industrial dispute referred to above exists between the management and their workmen, ordered publication of the said arbitration agreement in the Gazette of India, part II, Section 3, sub-section (ii) under its order No. 6/91/68-LRII dated 18th September, 1968.

SPECIFIC MATTERS IN DISPUTE

"1. Whether the management of Searsole Colliery, P.O. Raniganj, Dist. Burdwan of M/s. Searsole Coal Co. Ltd. are responsible for the temporary closure with effect from 10th June, 1968, to 20th June, 1968, of the colliery under Section 22 of the Mines Act, 1952 having regard to the fact that they did not comply earlier with the order of the Mines Inspector under Section 22(1) of the said Act to rectify the defects of the Winding Engine.

2. If so, whether the workmen employed in the said colliery who have been forced to go idle with effect from 10th June, 1968, and are still to continue to be so, are entitled to full wages for the above period taking into consideration the fact that the management have not notified any lay-off as required under Rule 75A of the I.D. (Central) Rules, 1957 and have refused to pay lay-off wages.

3. Whether the management of Searsole Colliery is responsible for the stoppage of work in the colliery Pit Nos. 1 and 2 and Quarry No. 3 with effect from 21st June, 1968 to 28th July, 1968, and for not starting the work in Quarry No. 2 till date.

4. If so, whether the workmen rendered idle in the above pits during the above period and are still continuing to be so are entitled to full wages. If not, to what relief they are entitled."

2. The Sabha on behalf of the workmen, submitted its written statement dated 27th September, 1968, received by me on 10th October, 1968, a copy of which was forwarded to the management for submission of rejoinder, if any, under my letter No. E. 1/2(7)/68 dated 19th October, 1968. The management submitted its rejoinder on 10th December, 1968, received by me on 17th December, 1968,

endorsing its copy to the Sabha. Several dates for hearing were fixed namely on 4th December, 1968, 18th December, 1968, 16th January, 1969, 13th February, 1969 and 1st March, 1969, but the hearing could not take place on those days on the request of either of the parties and the hearing on those dates were adjourned with the consent of the parties. On 18th December, 1968, the parties entered into an agreement authorising me to give award by 31st March, 1969. The matter came up for final hearing on 26th March, 1969, when Shri P. N. Verma, Manager, Searsole Colliery was present on behalf of the management and Shri Kalyan Roy, Vice-President, Colliery Mazdoor Sabha was present on behalf of the workmen. On behalf of the workmen, three witnesses, namely Shri S. K. Mukherjee, Dy. Director of Mines Safety, Sitarampur, Shri Sunil Sen, Organising Secretary of the Sabha and Shri Ramasarey Teli, a worker of Searsole Colliery (WW. 1, WW. 2 and WW. 3 respectively) were produced and they were examined and cross-examined. The representative of the workmen produced an attested copy each of 36 letters and 3 original papers, which with the consent of the representative of the management were marked Exts. W. 1 to W. 39 including an endorsement with the signature of the Labour Welfare Officer of Searsole Colliery on Ext. 39 which was marked as Ext. 39A. On behalf of the management two witnesses, namely Shri P. N. Verma, Manager, Searsole Colliery (MW. 1) and Shri Pardeshi Rajbhar, a workman of Searsole Colliery (MW. 2) were produced and they were examined and cross-examined. On behalf of the management 5 registers and an office copy of the notice were produced, which with the consent of the representative of the workmen were marked Exts. M. 1 to M. 6. The representative of the management had confronted W.W. 3 with the counterfoil of a sick certificate which was marked X-1. The arguments of both the parties were heard by me on 22nd March, 1969.

3. The case of the workmen in brief is that Searsole Colliery was closed with effect from 10th June, 1968 due to restrictions imposed by the Directorate of Mines Safety under Section 22 of the Mines Act on account of persistent and deliberate violations of the Mines Act and Rules made thereunder by the management and its failure to rectify the violations pointed out to the management by Directorate of Mines Safety; that on 10th June, 1968 the management completely violated the provisions of the I.D. Act and took an illegal step by simply disappearing and leaving the workers in a state of utter confusion and helplessness and that too without paying the legal dues to the workmen which amounted to serious malpractices and unfair labour practices on the part of the management; that even after the withdrawal of the restrictions imposed under Section 22 of the Mines Act by the Directorate of Mines Safety, the management made no attempt to start the mine and kept the workmen of the colliery in a state of suspense; that the colliery office was completely closed and the management did not care to inform the workers anything about the same nor took any step to pay their dues; that the management resorted to an undeclared lock-out with malafide intention; that due to non-payment, electricity was cut off and even minimum requirements of explosives etc. were also not there with the result that the workmen had to become extremely panicky and had no other alternative but to resort to continuous hunger strike at the colliery office and Manager's bungalow demanding re-opening of the mine and payment of legal dues; that the actions of the management were in contraventions of I.D. Act, Coal Mines Standing Orders and against all cannons of justice and were malafide and unjustified and amounted to unfair labour practices; that even after re-opening of the mine it took a long time to re-employ all the workmen in various pits and quarries and the workmen had to go through terrific hardships and losses inasmuch as they had to incur heavy debt. In the circumstances, according to the Sabha the management must be called upon to pay full wages etc. to all the workmen who were made to remain idle from 10th June, 1968 to the relevant dates when they were allowed to join duties.

4. The case of the managmeent in brief is that after break of war between India and Pakistan in September, 1965, the management had practically no orders for coal because the majority of the coal raised by the colliery was being despatched to East Pakistan; that subsequently thereafter, there was general depression in the industries with the result that the management had faced the problem of surplus labour that when the management wanted to reduce the number of labour strength to bring the colliery to economical footing by retrenching the surplus labour, the Sabha rejected and resisted the proposal of retrenchment and induced the workmen to adopt all sorts of coercive tactics and to indulge in acts subversive of discipline, with the result that the management could not effect retrenchment with consequential financial hardship; that

when the management succeeded in procuring fresh orders, the workmen did not co-operate with the management and they refusd to do thir work on frivolous pleas; that the workmen frequently stopped work without any notice and without any justification and they also refused to load the wagons, as a result of which the management had to incur heavy demurrage amounting to over a lakh of rupees; that on account of the above factors combined with the general trend of recession in the industry the management was put to heavy financial losses and difficulties; that in April, 1968 the management as a gesture of good will towards the workmen had agreed that the entire sale proceeds of the coal despatches would be received and sent to the colliery office of the management at Raniganj and the same would be utilised for day to day purchases of essential materials and stores etc., and the balance for disbursement of workers dues in the manner desired by them; that as a result of the agreement referred to above the management lost all financial control and was almost placed at the mercy of the workers; that in the beginning of June, 1968 the management received a notice under Section 22(1)(A) of the Mines Act, 1952 from the Directorate of Mines Safety directing not to raise any coal from pits No. 1 and 3 with the result that the management was forced to lay-off the workmen; that the above-mentioned order of the Directorate of Mines Safety was relaxed with effect from 20th June, 1968 at the instance of the Manager of the colliery; that thereafter when the workmen were asked to go back to their work, very few workmen carried out that order but most of them refused and in fact from 22nd June, 1968 they in a body stopped the work completely and even forced the quarry workmen and/or other willing workmen not to work at the instance of the Sabha; that the stoppage of work referred to above by the workmen was illegal, wrongful and malafide and in breach of understanding given by the workmen; that the Sabha made false representation under its letter dated 22nd July, 1968 that the management was refusing to give employment to the workmen, to the Assistant Labour Commissioner (C), Asansol but prior to that, the Sabha had never raised any grievances nor made any representation to the management: that the above allegation of the Sabha was totally false; that only at the instance of the officers of Central Industrial Relations Machinery the illegal strike which was commenced by the workmen was ultimately withdrawn and normal work in the colliery resumed with effect from 29th July, 1968; that earlier the management had agreed before the officers of the Central Industrial Relations Machinery to pay certain sum towards the arrears of wages of the workmen provided the management was assured in presence of the C.I.R.M. officers that the workmen would not resort to illegal strike now and then and would also assure the management that normal production would be restored; that the allegation of the Sabha that the management had locked-out the workmen was incorrect; that the colliery office remained open and the workmen were asked to come back to work but they refused; that the workmen even did not do pumping and stopped other essential services from the last week of June, 1968; that this act of the workmen was of very serious nature inasmuch as it could have result in inundation of the mine and less of ventilation; that the defects in the winding engine could not be removed earlier because it was very old and required replacement of certain parts which were not readily available in the market; that the said engine was important and vital and could not be replaced as a whole nor it was possible to get import licence not to get necessary foreign exchange within the short period; that as the closure of the mine during the period 10th June, 1968 to 20th June, 1968 was for no fault of the management and was beyond its control, the workmen were not entitled to any wages for the period and the management could not be penalised simply on account of mere technical lapses on its part in not issuing relevant notices to the authorities prescribed under the I.D. Act, that for the work stoppage from 21st June, 1968 to 28th July, 1968 the management was not at all responsible, on the contrary majority of the workmen when called upon by the management to go back to work on and from 21st June, 1968 refused to carry out the orders and wilfully, illegally and with some ulterior motive did not go back to their work and as such the workmen were not entitled to any wages for that period.

5. Shri P. N. Verma, Manager, Searsole Colliery (MW.1) has stated that when he reached the mine office on 10th June, 1968, he found that four of the Overman had reported sick and hence the workmen were laid off for that day. He has also admitted that due to lack of supervisory staff no shift could be worked either on 10th June, 1968 or on 11th June, 1968 in Pit No. 1 but according to him the 2nd and 3rd shift in Pit No. 3 could work on 10th June, 1968 because underground supervisory staff for those shifts were arranged by the management. He also stated that on 11th June, 1968, he received order under Section

22(1A) of the Mines Act, 1952 prohibiting employment of workmen underground till the rectification of defects in the winding installation. Accordingly, he issued notice notifying that underground work would remain closed from 2nd shift of 11th June, 1968 onwards till the order of the Directorate of Mines Safety was complied with and after rectification of the defects the above-mentioned order of the Directorate of Mines Safety was vacated and underground work resumed from the first shift of 21st June, 1968. Thus it is seen that according to MW. 1 the underground work in Pit Nos. 1 and 3 Searsole Colliery remained suspended from the first shift of 10th June, 1968 till the end of the third shift of 20th June, 1968, excepting the underground work in the 2nd and 3rd shifts on 10th June, 1968 in Pit No. 3. Shri Pardeshi Rajbhar, Haulage Khalasi of Searsole Colliery (MW. 2) has stated that on the 10th and 11th June, 1968 the workmen had reported for work but they had to return back because there was none on behalf of the management and that during the period, 10th June, 1968 to 21st June, 1968 there was no work at the colliery. Thus it is seen that whereas the MW. 2 has generally corroborated the statement of MW. 1, he has not corroborated him that the 2nd and 3rd shift of Pit No. 3 worked on 10th June, 1968. The statement of MW. 1 is controdictory inasmuch as at one stage he says that on 11th June, 1968 only 2nd shift in Pit No. 3 worked but immediately thereafter he states that on receipt of the order of the Directorate of Mines Safety under Section 22(1A), he notified that the underground work would remain closed from the 2nd shift onwards of 11th June, 1968. In support of its contention, the management has produced an office copy of the notice dated 11th June, 1968 (Ext. M. 5) purported to have been issued by the Manager of Searsole Colliery on 11th June, 1968 at 4. P.M. notifying therein that "due to imposition of order under Section 22(1)(A) by the Mines department prohibiting use of winding engine at No. 1 and 3 pits till the defects pointed out are rectified, the underground work in both the pits will remain suspended till further order with effect from the 2nd shift to-day". No reliance can be placed on this notice, firstly because the date typed on the notice was 10th June, 1968 but subsequently the figure "10" was corrected in ink to read as "11" and no initial of the person who corrected it is there and secondly there is no indication in the office copy of the notice (Ext. M. 5) that it has to be displayed anywhere and neither the person who allegedly displayed it on the notice board as stated by the Manager of the colliery ,MW. 1 has been produced to give evidence to the effect that he had actually displayed the notice nor any other oral or documentary evidence has been adduced to prove the display of the notice. The management has also produced the register purported to be the attendance register in respect of the time-rated mazdoors of pits Nos. 1 and 3 from week ending 23rd March, 1968 to 2nd November, 1968 (Ext. M. 6). Whatever may be the worth of this register, which I will discuss separately later on. the register indicates that there was absolutely no work in pits Nos. 1 and 3 and none of the time-rated mazdoors from the fact that period, 16th June. 1968 to 22nd June. 1968 which is evident from the fact that there is absolutely no entry in respect of the names of the workmen, their designation, relay and the fact of the presence or otherwise during that period. The register, however, indicates that a few categories of workmen like firemen, sweeper, a few fitter mazdoors, surface mazdoors, blacksmiths, a few picking mazdoors and picking kamins, a few pump attendants, a few night guards worked in pit No. 1 during the period 10th June, 1968 to 15th June, 1968, a few workmen of above categories worked only intermittently during the period 10th June, 1968 to 15th June. 1968 but majority of the time-rated weekly paid workmen did not work during the period 10th June, 1968 to 15th June. 1968 in Pit. No. 1. Similarly, in Pit No. 3 winding engine attendant. fireman, banksman, fan attendent, boiler kamin, sweepers, pump attendant and pump mazdoors worked during the period 10th June, 1968 to 15th June, 1968 whereas the majority of the time-rated workmen did not work during the period 10th June. 1968 to 15th June, 1968 in Pit No. 3. The register, however, indicates that a few of the surface trammers and underground trammers. haulage attendant, dresser. drillers, timber mistry, timber mazdoors, looseman worked in 2nd shift on 11th June. 1968 but could not work thereafter. No reliance can be placed on this register because it has been maintained in a funny way inasmuch as the register has been maintained designation-wise and not shiftwise and the relevant entries in the register of the relevant period referred to above indicate that the same had been made by the same person in respect of all the shifts which is suspicious. The relevant entries were not authenticated by the person who had maintained it by putting his signature anywhere. Moreover, the register has not been maintained in the form prescribed for the purpose in the Mines Rules. Moreover important columns like age, sex, serial number of the "B" form register. time of entry and time of out. number of hours worked. time of commencement and termination of th

have not been mentioned. Moreover, MW. 1 has stated that "during the months of June, 1968 and July, 1968 although the office was opened and was never locked, none of the monthly paid workmen reported for work during the months of June, 1968 and July, 1968". The above-mentioned register is supposed to be maintained by the Attendance clerk who is a monthly paid workman and as such according to MW. 1 he did not work during the month of June and July, 1963. MW. 1 has not stated as to who in absence of attendance clerk prepared the above-mentioned register in respect of the relevant period. Whereas the MW. 1 has admitted that none of the monthly paid workmen worked during the months of June and July, 1968, the management has produced attendance register in respect of underground monthly paid workmen of Searsole Colliery from 1st January, 1968 to 31st January, 1969 (Ext. M. 2) and attendance register in respect of surface monthly paid workmen of Searsole Colliery from 1st June, 1968 to 31st December, 1968 (Ext. M. 3) which indicate that all the monthly paid workmen working underground as well as in surface had worked on all the working days during the months of June and July, 1968 excepting a few who were either sick or on leave for a few days during the said period. These two registers are also not maintained in the form prescribed in the Mines Act. At one stage the MW. 1 stated that out of 8 monthly paid office staff only 3 monthly paid office staff attended office and at another stage as already stated he categorically stated that none of the monthly paid staff worked during the month of June and July, 1968. He has further admitted that none of the monthly paid staff of the colliery was paid salary for the months of June and July, 1968. No reliance can be placed on the self-contradictory and contradictory statements of MW. 1 and MW. 2 and unreliable registers and paper exhibited by the management. No evidence, either oral or documentary has been adduced by the management to indicate that even the workmen who according to it worked during the relevant period was paid wages and allowance etc. for work allegedly done by them. On the contrary the MW. 1 admitted in cross-examinations that none of the monthly paid workmen was paid wages for the months June '68 and July '68. Shri S. K. Mukherjee, Dy. Director of Mines Safety, Sitarampur (WW. 1) has stated that the employment of persons of Searsole Colliery was prohibited by an order issued under Section 22(1A) of the Mines Act issued under the Directorate's letter No. RI/4289 dated 7th June, 1968 (W. 1) due to serious irregularities in the winding installation, cages, ropes etc., Shri Sunil Sen, Organising Secretary of the Sabha (WW. 2) has stated that there was closure of the colliery with effect from 10th June, 1968. He stood the test of cross-examination. His statement has been further corroborated by Shri Ramseray Teli, Trammer of Searsole Colliery (WW. 3) who has categorically stated that on 10th June, 1968 when he along with other workmen went for the work as usual, their attendances were recorded but neither there was Manager nor Assistant Manager to allocate work nor the colliery office was open. The statement of WW. 2 is further corraborated by the letter dated 11th June, 1968 written by him to the Assistant Labour Commissioner (C), Raniganj (Ext. W. 28) in which he had informed the Assistant Labour Commissioner (C), Raniganj that on and from 10th June, 1968 the workers went for duty but in the absence of the Manager and other supervisory staff they could not do their duties in first shift in both the pits, viz., pits Nos. 1 and 3 and that the management failed to take any action in the matter and also failed to make alternative arrangements and that in the 2nd and 3rd shifts the workers of pit No. 1 were not allowed to resume their duties and that the workers should be paid full wages from 10th June, 1968 onwards. Moreover, under its written statement, the management has admitted that there was temporary closure of the colliery from 10th June, 1968 to 20th June, 1968. Even in the terms of reference as incorporated in the arbitration agreement in question it has been admitted by both the parties that there was temporary closure from 10th June, 1968 to 20th June, 1968 under Section 22 of the Mines Act, 1952. In the circumstances, I have come to the conclusion that all the workmen employed at the colliery excepting a few workmen who worked to maintain the essential services were affected by the temporary closure of Pits No. 1 and 3 of Searsole Colliery with effect from 10th June, 1968 to 20th June, 1968.

6. The management has tried to make out a case in its written statement which has been briefly narrated earlier to indicate that it was not responsible for the temporary closure of the colliery from 10th June, 1968 to 20th June, 1968, but it has not adduced any evidence either oral or documentary to substantiate its case as made out in its written statement. There is absolutely no evidence either oral or documentary to indicate that there was surplus labour at the colliery, that the workmen resisted the proposal of the management to effect retrenchment, that the workmen had resorted to any strike much less frequent, prior to

10th June, 1968, to show that the workmen behaved in any indisciplined manner and that the financial position of the management had become bad. There is no evidence on behalf of the management to indicate that it took action to rectify the defects and the violation pointed out to them by the Directorate of Mines Safety from time to time. On the contrary, MW. 1 has admitted that the Sabha was co-operating with the management and that the disputes between the management and their workmen were always mutually discussed and settled between them amicably. Shri S. K. Mukherjee, Dy. Director of Mines Safety (W. 1) has stated that the notice under Section 22(1A) of the Mines Act was issued by the Directorate of Mines Safety under their letter No. JD/RI/14466 dated 10th November, 1967 (W. 3) pointing out the defects to the management. I have examined the Ext. W. 3 and I find that in the notice referred to above violations of regulations 80, 73(4)(b), 74(2), 182 read with regulation 73, 75(5), 190 read with regulation 73 were pointed out to the management by the Joint Directorate of Mines Safety and the management was called upon to fully rectify them by 31st December, 1967 failing which an order under Section 22(1A) of the Mines Act would be imposed. The letter dated 18th May, 1967 from the Organising Secretary of the Sabha addressed to the management (Ext. W.18) indicates that the Sabha had pointed out to the management that according to the Manager, Searsole Colliery there were serious violations on account of which it would not be possible to run the mine and that the Mines department would not allow the mine to work unless the violations were rectified and as such the Sabha requested the management to rectify the violations which had been continuing since long in spite of being pointed out to them by the Sabha on several occasions. In his letter dated 24th April, 1968 addressed to the Managing Director of M/s. Searsole Coal Co. Ltd., (Ext. W. 23), the Organising Secretary of the Sabha had precisely requested the management to make arrangements to rectify the mining and mechanical violations etc. and had also stated that if there would be any closure due to mining violations, the workers should be paid full wages for the period. Shri Sunil Sen (WW. 2) has categorically stated that the management had not informed the Sabha that there was any surplus labour force at the colliery, on the contrary, the management had retrenched about 50 loaders in 1967 and that there was no agreement between the management and the Sabha in April, 1968 as alleged by the management to the effect that the entire sale proceeds of coal despatched when received would be sent to colliery office at Raniganj. The WW. 1 had categorically stated that the defects pointed out by the Directorate of Mines Safety under their letter dated 10th November, 1967 were not rectified and hence the employment of workmen in the mine excluding those whose employment was essentially necessary for rectification of the defects was prohibited till the defects were rectified to the satisfaction of the Directorate of Mines Safety under their letter dated 7th June, 1968 (Ext. W. 1). This letter shows that although the defects were pointed out as early as in November, 1967, there had been no improvement in the rectification of the violations even though extension of time was allowed twice under their letter dated 24th January, 1968 and 20th March, 1968. The plea taken by the management for their inability to rectify the defects as mentioned in its written statement is not tenable firstly on account of lack of evidence in support of its contention and secondly in view of expert opinion of the Dy. Director of Mines Safety (W. 1) who has categorically stated that if the management had intention to rectify the defects they could have done it. There is nothing before me to indicate that the management took any action to rectify the relevant defects prior to 10th June, 1968. I, therefore, hold the management responsible for the temporary closure of Pits No. 1 and 3 of Searsole Colliery from 10th June, 1968 to 20th June, 1968.

7. It has been conclusively proved that the management had not allowed the worker employed in Pits No. 1 and 3 to work. The Sabha, as stated earlier, had repeatedly pointed out the continued violations of the Mines Act and the regulations to the management and had approached it to rectify the defects, otherwise it would have to pay full wages for the period of closure eventually if the mine was closed by the Directorate of Mines Safety on account of its failure to rectify the defects. The workmen were made idle for no fault of their own. The management could have laid-off the workmen and paid lay-off compensation in accordance with the provisions of the I.D. Act and the rules made thereunder but admittedly this was not done. As this was not done, the workmen had to undergo unnecessary harassment. I am, therefore, of opinion that the demand of the workmen for payment of full wages for the period of temporary closure from 10th June, 1968 to 20th June, 1968 is fully justified so far as Pits No. 1 and 3 are concerned.

8. As regards the stoppage of work during the period from 21st June, 1968 to 28th July, 1968 in Pit Nos. 1 and 3, the case of the management is that the workmen themselves abstained from work, although called upon to do so with effect from the first shift of 21st June, 1968 and that they had resorted to illegal strike. Admittedly the management did not submit report on the alleged strike by the workmen from the first shift of 21st June, 1968 either in form "N" appended to the I.D. (Central) Rules or otherwise to any of the officers of the Central Industrial Relations Machinery. No evidence has been adduced by the management to substantiate that after the vacation of the order referred to above under section 22(1A) of the Mines Act by the Directorate of Mines Safety the management issued any letter or notice either to the workmen or to the Sabha or to any authority intimating the fact of such vacation and direction to the workmen to report for duty as usual. The Manager of the colliery, MW. 1, however, has stated that no underground work was resumed from the first shift of 21st June, 1968 but the workers in Pit No. 3 only worked in the 1st and 2nd shift on 21st June, 1968 and abstained from work subsequently thereafter and that no workmen in Pit No. 1 reported for duties on 21st June, 1968 or thereafter. Shri Pardeshi Rajbhar (MW. 2) did not corroborate the statement of M W. 1. He has stated that in the month of June, 1968 there was strike because of non-payment of wages. He has added that so far as he remembered there was work in first and 2nd shift in Pit No. 3 either on 21st June, 1968 or on 22nd June, 1968 He has contradicted himself again and has stated that during the period 10th June, 1968 to 21st June. 1968 there was no work in the colliery because of shortage of amount in the payment of wages. In cross-examination he has admitted that from 11th June, 1968 there was no strike by the workmen. Exts. M. 1 which is attendance register of time rated workmen of Pit Nos. 1 and 3 from week ending 3rd December, 1968 to 31st March, 1969 is irrelevant. Ext. M. 2. Ext. M. 3 and Ext. M 6 are unreliable documents for reasons already stated in paragraph 5. In the circumstances, I am not inclined to believe the story of the management that the workmen had absented themselves from work from 21st June, 1968 to 28th July, 1968. As against this, Shri Sunil Sen (WW. 2) has categorically stated that the colliery was closed from 10th June. 1968 to 28th July, 1968. In his cross-examination he has further stated that on 21st June, 1968 the workmen reported for duties in their usual shifts but there was none on behalf of the management either to direct them to go to their respective places of work or to supply them K. oil and as such the workers found themselves in a helpless position and could not work. Shri Ramaseraya Teli (WW. 3) has also confirmed that no notice was issued by the management for providing them work. He has also confirmed that the workmen had not resorted to strike during the relevant period. It was suggested to him by the Manager (WW. 1) while cross-examining him on that he had reported sick on 10th June. 1968 He was also confronted with the counterfoil of sick certificate purported to have been issued to him by the Colliery Doctor. It was also suggested to him that he had taken medicine from the colliery dispensary from 10th to 15th June, 1968. He has categorically denied of having reported sick or to have any knowledge of any sick certificate being issued to him or to have taken medicine during the period referred to above. The management did not produce any evidence to substantiate that he was actually sick during the relevant period and that any sick certificate was issued to him The Organising Secretary of the Sabha informed the Assistant Labour Commissioner (C), Raniganj under his letter dated 22nd July, 1968 (Ext. W. 32) that the workmen of Searsole Colliery had been most illegally stopped from joining their duties in utter contraventions of the Standing Orders and without any notice whatsoever and that suddenly work stoppage started from 10th June. 1968 which was still continuing with a view to totally demoralising the workmen so that they might gradually leave the colliery by taking whatever money which might be offered to them by the management and that the same amounted to lock-out. He also made it clear in that letter that the work stoppage was illegal and the workmen were entitled to full wages. The management did not produce any evidence to rebut the contention of the Sabha. In the circumstances. I hold that for the stoppage of work in Pits No. 1 and 3 of Searsole Colliery from 21st June, 1968 to 28th July, 1968 also the management was responsible. The workmen cannot be made to suffer in any way because they were not at fault. on the contrary the evidenct before me sufficiently indicate that they were being harrassed due to the callous attitude of the management inasmuch as they were being refused employment without any reason and that too without any notice and on top of all these they were not paid huge amount of their outstanding legal dues by way of earned wages, bonus, etc. The management should have realised that the rules of hire and fire and 'no work, no pay are now matters of by gone days and the concept of social justice has undergone revolutionary changes after independence. If the management was not in a posi

tion to provide work for any genuine reason, it could have laid off the workmen concerned and in that case they would have been entitled to lay off compensation for the relevant period in accordance with the relevant provisions of the I.D. Act and the rules made thereunder. Admittedly this was not done. Any relief to affected workmen lesser than their full wages and all admissible allowances will mean giving premium to the management for its illegal actions and unfair labour practices. In the circumstances, the workmen who suffered on account of work stoppage in Pit Nos. 1 and 3 from 21st June, 1968 to 28th July, 1968 for which the management was responsible are entitled to full wages and all admissible allowances for that period excepting intervening weekly rest days.

9. Admittedly Quarry No. 3 was being run by Raising Contractor and the workmen engaged for raising coal from that quarry were engaged and paid wages, etc. by that contractor. As the raising contractor is not a party to the arbitration agreement and the master-servant relationship existed between the contractor and his workmen employed at Quarry No. 3, I am not in a position to express my opinion with regard to the alleged work stoppage in quarry No. 3 with effect from 21st June, 1968.

10. As regards quarry No. 2 of Searsole Colliery, the Manager, Shri P. N. Verma (MW. 1) has stated that the workmen employed at Quarry No. 2 worked upto 21st June, 1968 thereafter they also discontinued the work. In support of his statement the management produced attendance register in form "D" (Ext. M3) from week ending 22nd June, 1968 to 2nd November, 1968 to show that the workmen employed in Quarry No. 2 worked upto 21st June, 1968 and that none was present on 22nd June, 1968 and that 19 earth cutters again worked on and from 14th September, 1968. The strength of this earth cutters increased to 34 from 16th September, 1968 to 47 from 22nd September, 1968 and finally to 52 from 28th October, 1968. The register further indicates that the total number of earth cutters on roll of Quarry No. 2 during the week ending 22nd June, 1968 was 138. The register also indicates that none of the earth-cutters worked during the period 22nd June, 1968 to 13th September, 1968, but the register does not indicate as to whether the workmen absented themselves from work or were refusd work by the management during that period because there is no entry in the register to indicate that they were absent during the relevant period. Shri Sunil Sen (WW. 2) has stated that the work in Quarry No. 2 was resumed some time in the month of September, 1968 and added further that "the main reason for the management not to start the work in Quarry No. 2 was to drive away the old workmen to whom the management owed huge amount by way of legal dues". The notice dated 6th September, 1968 issued by the Manager, Searsole Colliery (Ext. W. 35) reads as under:—

> "Quarry No. 2 will be started from 14th September, 1968, workers as per the list given below who were working in the Quarry during week ending 22nd June, 1968 when the quarry stopped work on (are) eligible to resume work. At least 50 workers in the order of seniority given in the list should report for duty on or before the date".

This notice indicates that it was the management which had stopped the work at the quarry because if the workmen would have abstained from the work, the language of the notice would have been different. In that event the question of starting the Quarry No. 2 with effect from 14th September, 1968 by the management would not have arisen. Moreover, in that case the Manager would have written that during the week ending 22nd June, 1968 when the quarry workmen stopped work and not that "during week ending 22nd June, 1968 when the quarry stopped work". Another important aspect of the matter which cannot be ignored is that the management neither intimated nor gave any notice in form "N" appended to the I.D. (Central) Rules, 1957 to the Assistant Labour Commissioner (Central) Raniganj or to any other officer of the Central Industrial Relations Machinery regarding the alleged stoppage of work or the strike by the workmen employed in Quarry No. 2 with effect from 22nd June, 1968 nor initiated any disciplinary action against any of the workmen concerned for their alleged continued absence with effect from 22nd June, 1968. The pleas of the management that it did not do so with a view to maintaining harmonious labour-management relationship is not at all convincing inasmuch as the Coal Industry being a public utility service, it was obligatory on its part to give notice of any strike to the prescribed authority as per Section 22(3) of the I.D. Act. As against, these I find that in his letter dated 30th August, 1968 addressed to the Manager, Searsole Colliery (Ext. W. 39) with a copy to the Managing Director of Searsole Coal Co. Ltd., Calcutta, the Organising Secretary of the Sabha had complained to the Manager, Searsole Colliery that the quarry workers of No. 2 quarry were then without any employment for which the

management was responsible. It was also alleged therein that the attendances of the quarry workers were not being marked and that this matter was raised before the Manager by him earlier but nothing had been done till then. He further demanded that the old quarry workers be allowed to work with full back wages. The management neither challenged the authenticity of this letter nor produced any evidence to indicate that the allegations made by the Sabha were neither accepted by the management nor they were correct. Shri Sunil Sen (WW. 2) has stated that the "work in Quarry No 2 was resumed some time in September, 1968". In his cross examination, he has admitted that work started in Quarry No. 2 with effect from 14th September, 1968. He has, however, qualified this statement by adding that only 50 workmen were provided with work by the management with effect from 14th September, 1968 and that about 200 workmen of Quarry No. 2 were refused employment even on 14th September, 1968 and on subsequent dates. He has however, conceded that the Sabha has already lodged the complaint about the alleged refusal of employment to the workmen concerned by the management with the Central Industrial Relations Machinery which is pending. In view of this and also in view of the terms of reference incorporated in the arbitration agreement in question *vide* clause (i) (3), I have to confine myself till the date on which Quarry No. 2 was started. Admittedly Quarry No. 2 was started with effect from 14th September, 1968 and as such I confine myself to the work stoppage at Quarry No. 2 during the period, 22nd June, 1968 to 13th September, 1968 and for the alleged refusal of employment to the workmen concerned on and from 14th September, 1968 they may avail of the machinery provided for in the I.D. Act for redressal of their grievances, if any. Finally, I have come to the conclusion that the management was responsible for closing Quarry No. 2 with effect from 22nd June, 1968 to 13th September, 1968 and consequential idleness of the workmen employed at Quarry No. 2 during the period referred to above. As the workmen were rendered idle for no fault of their own, they are entitled to full wages and all other admissible allowances from 22nd June, 1968 to 13th September, 1968 excepting the intervening weekly rest days.

11. In the result, I hold that the management of Searsole Colliery of M/s. Searsole Coal Co. Ltd., was responsible for the temporary closure of Pits No. 1 and 3 of the colliery named above with effect from 10th June, 1968 to 20th June, 1968 for the stoppage of work in the said pits from 21st June, 1968 to 28th July, 1968 and for the stoppage of work in Quarry No. 2 of the colliery named above from 22nd June 1968 to 13th September, 1968 and accordingly I direct that the management shall pay full wages including all admissible allowances to all the workmen of Pits No. 1 and 3 of colliery from 10th June, 1968 to 28th July, 1968 and to all the workmen of Quarry No. 2 of the colliery from 22nd June, 1968 to 13th September, 1968, excepting intervening weekly rest days, within fifteen days from the date on which this arbitration award becomes enforceable. The arbitration award is made accordingly and submitted to the Central Government under sub-section (4) of Section 10A of the I.D. Act, 1947.

AWARD

By Notification No. 3/9/68-LRII dated the 22nd May, 1968, the Ministry of Labour, Employment and Rehabilitation (Department of Labour & Employment), Government of India, referred the following matter of dispute as stated in the schedule to the order of reference to this Tribunal, for adjudication:—

Matter of Dispute

Whether the management of Ballarpur Colliery of Messrs Ballarpur Collieries Company Limited, Nagpur, was justified in terminating the services of Shri Chokhoba son of Ramkishan, Timber Mazdoor with effect from the 27th February, 1968? If not, to what relief is the workman entitled?"

2. The workman concerned, Chokhoba, was a Timber Mazdoor in the Ballarpur Colliery of the Ballarpur Collieries Company, Nagpur. It may be mentioned that the company is not a "Limited" one and to this extent the description of the Company as Bailarpur Collieries Co. Ltd. is a misdescription. Similarly the mention in the first paragraph of the order of reference of Post Office Ballarpur district Chanda (Madhyya Pradesh) is again a technical inaccuracy. District Chanda is in Maharashtra and not in Madhya Pradesh. These are, however, technical errors which do not affect he validiy of the reference and the employers objection, therefore, is not such which may merit serious considerations.

3. On 2nd August, 1967, the worker, Chokhoba was examined by the Colliery doctor who submitted a certificate on that date (copy Ex. E/1) stating that he was unfit to work because of poor vision and was advised to consult an eye specialist and get the vision corrected. On the strength of this certificate the Manager issued an order (copy Ex. E/2) advising him to consult a specialist, undergo treatment and then report for work, if found fit for work. Chokhoba took the treatment and got himself examined by an Eye Specialist, Dr. Y. H. Sirdeshpande. He gave a certificate on 18th September, 1967 (Copy Ex. W11), mentioning therein that he had examined Chokhoba on 28th August 1967 under mydriasis. He found the right eye visual acquity as minus 6/9 and of left eye minus 6/6. He recorded his opinion that he was visually fit to resume his duties as usual in the mines. According to Chokhoba he approached the Colliery Doctor with this certificate who directed him to go to the Manager. He then approached the Manager and showed him the certificate. The Manager gave him no directions and on subsequent days he was not allowed to meet the Manager by the Chowkidar. Consequently, on 8th January, 1968 he sent the medical certificate with an application under registered cover (Copy of the application Ex. W/2). In spite of this, he was not allowed to resume duties and therefore he approached the Union, Bombay Pradesh Mine Workers Union. His Secretary, Sri R. D. Singh, addressed an application to the Manager on 20th January, 1968 and took him to the Manager. As a result of his intervention, the management gave him work but not as a Timber Mazdoor. He was, however, employed for two weeks as Chowkidar and another two weeks as Screen Coolie from 27th January, 1968. On 27th February, 1968 he sent an application to the Manager appealing that he was receiving Rs. 3 per week less by reason of this change in duties and prayed that he be allowed to rejoin his original duties as a Timber Mazdoor (Ex. W/4). Istead of doing this, the management terminated his services by an order dated February 26/27, 1968 with effect from 5th March, 1968 on the ground that he had failed to give a fitness certificate after the expiry of six months. The order was purported to be exercised under Standing Orders Clause 20(4)(b) (Copy Ex. E/4). The worker, therefore approached through conciliation which in due course resulted in this reference.

4. According to the management the workman had been given the unfit certificate dated the 2nd August, 1967 by the Colliery Doctor and the letter had been issued by the management on that date requiring him to consult a specialist and report for duties when found fit. He never approached the management. The management as a matter of grace waited for a further period of 25 days beyond six months before issuing the termination letter dated February 26/27, 1968 (Copy

Ex. E/4). When he had failed to produce the certificate the Standing Orders Clause 20(4)(b) was attracted and the services stood-terminated from 5th March, 1968. In the written statement-*cum*-rejoinder, the employers made no averment with regard to the allegation made by Chokhoba in his written statement that he had worked for four weeks from 27th January, 1968 to 27th February, 1968 till he was given a litter of termination with effect from 5th March, 1968. With regard to this allegation in the written statement, the employers simply stated that the worker did not work as a Timber Mazdoor at any time after 2nd August, 1967. It was further admitted that the services of the worker were terminated by the Manager by a letter dated 27th February, 1968 with effect from 5th March, 1968. Significantly, the averment that he worked for four weeks from 27th January, 1968 was skipped over by the management. Before the commencement of the hearing, the employers were required to produce relevant records and it was then found that in the hearing rendered on 19th, November, 1968 the employers representative instead of producing relevant records admitted the fact that the workman concerned, Chokhoba, had worked as Chowkidar for two weeks from 27th January, 1968 and then as Screen Coolie for next two weeks. In view of this admission they were not required to produce the records. The Manager of the mine, Sri M. K. Jha, came for the management as E.W.1 and attempted to explain this by saying that as a casual labourer the worker was employed without his knowledge by the Register Clerk and when the fact was brought to his notice by the Office Superintendent, he called the worker and told him that since he had not brought the fitness certificate he would not be given duties and was stopped from the temporary work. The worker did not protest and said nothing. No such question was put to Chokhoba when he came in evidence. If the story had been correct, it is natural to expect that Chokhoba in his cross-examination would have been put this as a suggestion of the management's case. In the absence of any such suggestion put to Chokhoba and omission to state it in the written statement-*cum*-rejoinder it would lead to the irresistible conclusion that all this is an after thought. It is difficult to believe that he would have been given duties without the knowledge of the Manager. Evidently he was employed on surface duty and when he complained on 27th February, 1967 that he was suffering a loss of Rs. 3 per week and prayed that he be given the original work, that the idea to terminate his services originated with the management on the ground of failure to produce tre fitness certificate and his services were terminated by an order dated 27th February, 1968 to be operative from 5th March, 1968. It is also significant to notice that in the termination order there is no mention whatsoever that by mistake he had been allowed to work as Screen Coolie and Chowkidar as a casual labourer even though no certificate of fitness had been produced. That there had been a fitness certificate by an Eye Specialist admits of little doubt and copy thereof has been filed as Ex. W/1. It seems to have been sent either original or copy with the letter dated the 18th January, 1968 (Ex. W/2) which was sent by registered post. The Manager only evaded knowledge by stating that he did not remember if the worker had come with the copy of the medical certificate of fitness and application Ex. W/1. There is little doubt that such an application was sent by registered post and the medical certificate of fitness of the Eye Specialist had been sent to management with this letter and it had come to their knowledge even earlier.

5. The certificate of the Colliery doctor merely mentions that he was suffering from poor vision. No data had been mentioned therein. The certificate of the Specialist gave the data and he was of the opinion that the worker was visually fit to resume his duties. No special treatment was necessary, nor was rendered by the Specialist. As a matter of fact, for poor vision it is difficult to comprehend what specialist treatment for correction could be envisaged. If the vision was poor, it could be corrected by a pair of glasses. Instead of recommending that, curiously the doctor advised him to consult an Eye Specialist and the management asked him to undergo the line of treatment suggested by the Colliery doctor. No line of treatment had been suggested. The very fact that for poor vision he was made idle and was directed to consult specialist shows the *malafide* of the management. Whatever, the worker could do was done and he produced a certificate of an Eye Specialist that his vision was good enough for mine duties. Even so, the management did not give him his original work and employed him as casual labourer for four weeks. They again made him idle and terminated his employment from 5th March, 1968 taking shelter under Standing Order Clause 20(4)(b). As a matter of fact, this clause of the Standing Orders is not meant for such cases. It runs as follows:—

"Clause 20(4)(b)—The workman has undergone medical treatment at the Colliery Hospital or elsewhere with permission of the Manager for

six months continuously and is not recovered from his ailment and not declared fit by the Medical Officer of the Colliery."

The workman had never undergone medical treatment at the colliery Hospital or elsewhere with the permission of the Manager for six months continuously and there is no declaration by the Medical Officer of the Colliery that he was not found fit even after treatment. The services, therefore, cannot bt terminated under this clause of the Standing Orders.. The whole action of the management was *malafide*.

Decision:—

The result is that the workman concerned, Chokhoba, is directed to be reinstated with back wages as a Timber Mazdoor with effect from 27th February, 1968. He shall be entitled to continuity of service and attendant benefits. He shall further be entitled to Rs. 50 as costs from the management.

AWARD

By Notification No. 3/8/68-LRII, dated 7th June 1968, the Ministry of Labour, Employment & Rehabilitation (Department of Labour & Employment), Government of India, referred the following matter of dispute as stated in the schedule to the order of reference to this Tribunal, for adjudication:—

Matter of Dispute

Whether the management of the Ballarpur Colliery of Messrs. Ballarpur Collieries Company Limited, Nagpur, was justified in retrenching Shri P. B. Gade, Zamindari/Patwari Clerk with effect from the 10th January, 1968? If not, to what relief is he entitled?

2. The concerned workman, P. B. Gade, was appointed to the post of Patwari rather Zamindari Clerk by an appointment order dated 30th September, 1966 (Ex. W/1) issued by the Secretary of the Company. He had passed examinations

earlier in Patwari Manual and the Record of Rights as also in the Chain and Cross staff survey (Ex. W/1A and W/1B). His main duties were to plot out the areas with reference to maps of revenue department whenever applications for lease of company's land were made both on the spot and paper. The company used to let out land on nominal rent for construction of residential huts to colliery's employees and also to strangers. He also used to collect rents whenever in default. The Office Superintendent was in over all charge of this section and Gade used to assist him. For court litigation also, the power of attorney was in the name of Office Superintendent and P. B. Gade used to help him and look after the litigation work also. According to P. B. Gade, in 1946 he was entrusted with some work in connection with agricultural operations, a fact which was denied by the management. He was Joint Secretary of the Union, Maharashtra Colliery Workers Union, from 1964. The management retrenched him by an order of the Mines Manager dated 10th January 1968 (Ex. W/2). The order runs as follows:—

"The Management has decided to retrench you from service with immediate effect, since we abolish the post of Jamindari clerk at the colliery. We have also decided to pay you wages in lieu of one month's notice to be given under Section 25F(a) and to relieve you forthwith. You are directed to collect this notice pay along with retrenchment compensation admissible to you under Section 25F(b).

Notice u/s. 25F(c) of the said Act is being served on the appropriate Government for their information."

According to the management retrenchment compensation and one month's wages in lieu of notice had been offered to Gade that very day and the payment voucher had also been prepared but he deliberabely did not accept the same till 2nd March 1968 when he accepted the payment of Rs. 3316.31 P. in full and final payment and without protest. It is, however, denied on behalf of the workman that he was offered any payment at the time of retrenchment and it was alleged that in spite of repeated demands for which he sent letters, payment was delayed till 2nd March, 1968. The main grievance of the Union is that there was no justification for retrenchment and the zamindari work of collection of rent is still being rendered by a junior clerk, Desh Pande. The grounds on which retrenchment has been challenged are enumerated in para 13 of the written statement and shall be dealt with serially when taking up issues. The following additional issues framed in the case will show the points in controversy between the parties:—

Addl. Issues

1. Whether the reference is bad for misdescription of the identity of the employers?
2. Whether reference should have been under Section 12(5) and is bad under Section 10(1)(d)?
3. Whether the workmen are estopped from challenging retrenchment having received payment on 2nd March, 1968?
4. Was the retrenchment invalid and unjustified for reasons mentioned in paragraph 13 of the Union's written statement?

Issues No. 1 *and* 2.—The plea with regard to Issue No. 1 was that there was a misdescription of the employers inasmuch as the Company has been described as Ballapur Collieries Company Limited, whereas it is not a "Limited" Company and that Ballarpur, district Chanda, has been stated in the Madhya Pradesh in the description part of the order, whereas it is in Maharashtra State. These were technical objections and were given up by the employers representative at the stage of arguments. The plea under Issue No. 2 was also given up.

Issue No. 3.—The fact that the payment of retrenchment compensation and notice pay had been received on 2nd March, 1968 without protest does not estop the workman from challenging retrenchment. It is well known that there is no estoppel in industrial adjudication. He had been protesting from the very beginning and had appealed to all concerned in the company which shows that he had not acquiesced for the retrenchment. The issue is, therefore, answered in negative.

Issue No. 4.—Under grounds (a) and (b) of para. 13, it was stated that the retrenchment was affected by the Manager who was not the appointing authority. It is indeed true that he was appointed by the Secretary of the Company in 1946, but the Manager, Sri M. K. Jha, stated that the post had been abolished about ten years ago and since then he is making and terminating appointments. It is

not in the evidence of the workmen that the post of Secretary of the Company is still continuing. Consequently the Manager who is the proper authority under the Mines Act and the Standing Orders was the competent authority to terminate appointment. It is pertinent to note that in the various communications which were addressed by Gade to the manager and the proprietor, no complaint was made that the manager was not the competent authority to terminate the employment. There is, therefore, no substance in the plea.

In sub-para (c) of para 13, it was stated that the management failed to give reasons for such immediate termination in the retrenchment order. The requirement to state reasons of retrenchment under Section 25F(a) are necessary when one month's notice in writing is given. But when the workman has been paid wages in lieu of notice for the period of notice there is no such requirement to state reasons. Moreover, it is wrong to say that the reasons has not been given. In the retrenchment order, it was stated clearly that the management had decided to abolish the post of Zamindari Clerk. That was a sufficient requirement, if at all reasons had to be stated which as observed earlier were not necessary when wages in lieu of notice were being offered.

In Clause (d) it was alleged that the worker was not paid his retrenchment compensation at the time of retrenchment. The retrenchment order specifically states that he should collect the notice pay and retrenchment compensation which means an immediate offer of payment. The Manager, Sri M. K. Jha, has specifically stated that the voucher had been prepared and the worker deliberately did not accept payment. The fact that when the worker accepted the payment on 2nd March 1968 he did not record any protest on the voucher clearly indicates that he had no grievance for the late payment, otherwise he should have recorded a protest before accepting. Moreover, in communications dated 13th January, 1968 to the Manager (Ex. W/6) and to the Partner, Seth Sunder Lal Daga, dated 22nd January 1968 (Ex. W/7) which were both sent under registered post there is no specific mention of letter dated 11th January, 1968 alleged to have been sent under certificate of posting. Significantly it is doubtful if any letter dated 11th January, 1968 was at all sent to the Manager, a fact which is denied by the Manager himself. In these communications dated 12th January 1968 and 22nd January 1968 there is no specific mention that he went to receive payment but was denied by the cashier. The statement of Gade, therefore, in this connection cannot be believed.

In sub-para (e), it was alleged that the management failed to comply with the provisions of Section 25G I.D. Act and Rule 77 of the Industrial Disputes (Central) Rules. It is an admitted case that Gade was a Zamindari Clerk and there was no other clerk of this category in the establishment. Section 25G only enjoins maintenance of seniority list among workmen of the particular category to which the retrenched workmen belonged. Consequently, there was no occasion for maintenance of seniority list under Rule 77 of Industrial Disputes (Central) Rules and Section 25G I.D. Act is not at all attracted.

In sub-clause (f), it was stated that Gade was an office bearer of the Union and was a protected workman and the management failed to comply with the provisions of Section 33(3) I.D. Act and Rule 61 of Industrial Disputes (Central) Rules. There is nothing to indicate that he was a "protected" workman. The Manager, Sri M. K. Jha, admitted that Gade was Joint Secretary of the Union and he had seen him carrying files with the President in conciliation proceedings. He, however, stated that the management had not recognised any office bearer of this Union as "protected" workman and there were seven or eight unions operating in the colliery. Without recognition and following the prescribed procedure the mere intimation of the list of office bearers by the union will not make Gade a protected workman. Section 33(3) and Rule 61 do not arise. However, it is not alleged that for pendency of which reference there has been a breach of section 33 I D. Act.

In the last clause (g) of para 13, it was stated that order of retrenchment was endorsed to Patwari which indicated that the post of Patwari was in existence. The manager has explained that this endorsement was made in a routine manner. The order was received by Gade himself and there was no flaw.

For justifiability of the retrenchment, it is in the evidence of the Manager, Sri M. K. Jha, that the practice of leasing out the colliery's land lying in the Busti for purposes of construction of residential huts had been stopped because the area was covered by new mining operation as also on account of agricultural operations. Gade made a general statement that the company was still leasing out plots for residential purposes and gave only two such instances, *viz.*, (1) Ram

Autar and the (2) Azim Mull, Timber Mazdoors who were allotted plots for houses. The Manager, Sri M. K. Jha for Sri Ram Autar Singh stated that he had been occupying the site near the new mining operation and had been asked to shift to new site. No question was not for Sri Azim Mull. With the specific statement of the Manager that no plot had been leased out since the retrenchment of Gade, it is not at all possible to accept Gade's statement in this respect and disbelieve the management's case that leasing of the plot has been stopped. When once this is found to be so, the principal work for which he had been employed as Zamindari Clerk automatically came to an end. The collection of rent nodoubt is being done by Desh Pande, but it was admitted by Gade himself that Desh Pande was a general mazdoor. According to the Manager, Desh Pande was a peon and as such collected the rent and gave receipts.

As for agricultural operations, it is true that Gade has been given some work of this section as stated by him in his evidence and in support of which he filed some documents Ex. W/11, W/12 and W/12A. It is, however, pertinent to note that this was just by the way and his essential duty was of a Patwari as was described by the Administrative Officer in communication dated 28th October 1966 (Ex. W/12A). When the leasing of plots had been stopped, the management had ample justification to retrench him. There was no oblique motive on their part in affecting the retrenchment and on the ground that he was Joint Secretary of the Union. He had been an office bearer for quite a long time as Member executive and Secretary also. If that had been the motive, the management could have terminated the employment much earlier.

Decision:

The result is that the retrenchment of P. B. Gade is held to have been justified and he is not entitled to any relief. No order for costs.

1. The Central Government, being of opinion that an industrial dispute exists, between the employers in relation to the Golden Sinidih Colliery, Post Office Tundee, District Dhanbad, and their workmen by its order No. 2/165/66-LRII dated the 13th of December, 1966, referred to the Central Government Industrial Tribunal, Dhanbad under section 10(1)(d) of the Industrial Disputes Act, 1947

for adjudication the dispute in respect of the matters specified in the schedule annexed thereto. The schedule is extracted below:—

SCHEDULE

If not, to what relief is the workman entitled?"

2 The Central Government Industrial Tribunal, Dhanbad registered the reference as reference No. 163 of 1966 on its file. While it was pending there the Central Government by its order No. 8/25/67-LRII dated the 8th May, 1967, transferred the dispute to the Central Government Industrial Tribunal No. 2, Dhanbad and there it was registered as reference No. 198 of 1967. 3 On 3rd January, 1968, Sri P. Burman, Secretary, Khan Mazdoor Congress filed written statement on behalf of the workmen. The employers filed written statement on 23rd December, 1968. Since the dispute has been settled amicably, I do not feel it necessary to state the respective cases of both the parties. On the 26th of March, 1969 the parties filed a compromise memo. It is duly verified by Sri P. Burman, Secretary, Khan Mazdoor Congress and Sri Ram Lochan Ram, the concerned workman on behalf of the workman. According to the terms of compromise the concerned workman Sri Ram Lochan Ram will be provided with the job of a trammer in the colliery from the date he joins the post, not later than 2nd April, 1969 and the period from 20th July, 1966, till the date Shri Ram Lochan Ram joins the post of a trammer, will be treated as if he is on leave without any wages for the purpose of continuity of service only.

4 I consider the terms of compromise as satisfactory and fair. I accept the same and pass an award in terms of the joint settlement at annexure 'A' which shall form part of the award.

5. The award may now be submitted to the Central Government under section 15 of the Industrial Disputes Act, 1947.

AWARD

1. The Government of India in the Ministry of Labour, Employment and Rehabilitation by their order No. 2/69/68-LRII dated the 30th of October, 1968 have referred to this tribunal an industrial dispute under section 10(1)(d) of the Industrial Disputes Act, 1947 existing between the employers in relation to the Dhansar Colliery of Messrs Dhansar Coal Company Limited, Post Office Dhansar, District Dhanbad, and their workmen in respect of the matters specified in the schedule extracted below :—

SCHEDULE

"Whether the management of Dhansar Colliery of Messrs Dhansar Coal Company Limited, Post Office Dhansar, District Dhanbad was justified in dismissing Sri Ulfat Saikh, Mining Sirdar, with effect

from the 30th January, 1968? If not, to what relief, is the workman entitled?"

2. On 30th November, 1968, the Bihar Koyla Mazdoor Congress filed the written statement, on behalf of the workman Sri Ulfat Saikh. The case of the union is that Sri Ulfat Saikh, the concerned workman had been working in Dhansar Colliery as a Mining Sirdar for the last 24 years. The management did not pay the workman the wages as per recommendation of the Wage Board for the coal mining industry and they also did not pay the profit sharing bonus to the workman for the year 1966-67. The concerned workman Sri Ulfat Saikh demanded from the management his wages as per the Wage Board Recommendations which was not liked by the management. The management got annoyed with the concerned workman Sri Ulfat Saikh for having demanded the wages as per Coal Wage Board Recommendations. The management issued chargesheet dated 11th December, 1967, against the concerned workman and without holding proper enquiry or giving any reasonable chance to defend himself discharged the concerned workman wiith a motive for victimisation.

3. Employers filed written statement on 27th November, 1968. According to the management the concerned workman Sri Ulfat Saikh was given a chargesheet on 11th December, 1967, for certain misconducts as stated therein. In this explanation dated 15th December, 1967, he denied the charges. Thereupon a notice fixing the date of enquiry was issued to him on 20th December, 1967, because his explanation to the charge sheet was not considered satisfactory. By notice dated 20th December, 1967, the enquiry was fixed to be held on 26th December, 1967. Since the enquiry could not be held on that day, the concerned workman was informed by letter dated 27th December, 1967, that the enquiry would now be held on 3rd January, 1968. The enquiry was held on 3-1-68 and 13th January, 1968, and the concerned workman participated in the enquiry. In this enquiry he was given full opportunity to cross-examine the management witnesses and to defend himself. In defence he gave his own statement and did not produce any witness although he was told to attend the enquiry with his witnesses. The enquiry officer after considering the evidence recorded during the departmental enquiry came to the conclusion that the charges were established against Sri Ulfat Saikh. the concerned workman and submitted his report. Since the charges were established during the enquiry, the concerned workman was discharged from service by the Director's letter dated 27th January. 1968. According to the management the dismissal of the concerned workman was for proved misconducts and the management's action is bona fide and justified and the workman is not entitled to any relief.

4. One witness was examined on behalf of the workman viz., Sri Ulfat Saikh, the concerned workman. On behalf of the management one witness viz S. P. Srivastva was examined and seven items of documents were marked as Ext. M-1 to M-7. Ext. M-1 is the chargesheet dated 11th of December, 1967. The charge was that he was ordered on 8th December, 1967, at about 4-30 P.M. by the Asstt., Manager to go to the quarry to see the working places for providing work to the miners of No. 4 Pit incline and then to go to pit No. 2 as No. 4 pit incline working was closed. The second charge against him was that he misbehaved with the Asstt. Manager. The workman by his letter dated 15th December, 1967, denied the charges. Ext. M-6 and M-7 are notice of enquiry. Ext. M 7 is the letter dated 27th December, 1967, stating that the enquiry will be held on 3rd January, 1968, at 4 P.M. in the general office of the colliery and the concerned workman was requested to attend with his witnesses. The enquiry was held on 3rd January, 1968. and 13th January, 1968. In the enquiry Sri B B Dayal, Assistant Manager, Sri Jagdish Hari and Sri Pratap N. Jha were examined on behalf of the management. On the evidence of Sri B. B. Dayal, the assistant manager and Sri Jagdish Hari, the enquiring officer came to the conclusion that the concerned workman never went to pit No. 2. The concerned workman Sri Ulfat Saikh was also examined and on his statement and on the evidence of Sri Pratap Narain Jha, the enquiring officer came to the conclusion that the concerned workman Sri Ulfat Saikh misbehaved with the Asstt. manager.

5. In this case I find that the chargesheet was served on the employee and that the enquiry was held in the presence of the concerned workman. The enquiry was properly held into the alleged misconduct of the employee and the records show that the enquiry was conducted with the adherence to the principles of natural justice

6. The Industrial Tribunal could not act as a court of appeal in scrutinizing the evidences and in reaching its own conclusion. The employer must have a free hand in the internal management of its own affairs. No outside agency should impose its will unless the action of the employer is lacking in bona fides or is manifestly perverse or unfair. There is no evidence that the action of the employer was mala fide or was actuated by unfair labour practice.

7. In this view of the case I am satisfied that the dismissal of Sri Ulfat Saikh, Mining Sirdar was justified and he is not entitled to any relief. This is my award. It may be submitted to the Central Government under section 15 of the Industrial Disputes Act, 1947

AWARD

1. The Central Government, being of opinion that an industrial dispute exists between the employers in relation to the Bhowra Colliery, Post Office Bhowrah (Dhanbad) and their workmen, by its order No. 2(172)/66-LRII, dated the 17th of February, 1967, referred to the Central Government Industial Tribunal, Dhanbad under section 10(1)(d) of the Industrial Disputes Act, 1947 for adjudication the dispute in respect of the matters specified in the Schedule annexed thereto. The Schedule is extracted below:—

SCHEDULE

Whether the management of Bhowrah Colliery, Post Office-Bhowrah, were justified in terminating the lien on the appointment of Shri Chhota Bharosi Pasi, Miner 10 seam and placing his name in the Badli list with effect from the 27th July, 1966? If not, to what relief is the workman entitled."

2. The Central Government Industrial Tribunal, Dhanbad registered the reference as reference No. 21 of 1967 on its file. While it was pending there the Central Government, by its order No. 2/25/67-LRII, dated the 8th of May, 1967, transferred the dispute to the Central Government Industrial Tribunal No. 2, Dhanbad where it was registered as reference No. 218 of 1967. The Central Government, by its subsequent order No. 8/71/68-LRII, dated the 13th of August, 1968 transferred the dispute to this tribunal where it has been renumbered as reference No. 88 of 1968.

3. 25th March, 1969 was the date fixed for hearing. On that date Sri K. C. Nandkeolyar, Dy. C.P.O. appeared on behalf of the employers. None appeared on behalf of the workman. The workman in this dispute did not appear even on previous dates i.e. on 23rd January 1969, 11th February 1969 and 15th March 1969. On 15th March, 1969 registered notice was served on the workman and was received by them on 31st March 1969 and they were informed that if they failed to appear on the date of hearing i.e. on 25th March 1969 the case will be disposed of in their absence. On 25th March 1969 the workman did not appear in spite of serving of registered notice. There is no explanation for this conduct, excepting disinterestedness in this dispute. I, therefore, hold that the workman is not interested in the proceeding.

4. In this circumstances, I presume that no dispute further exists between the parties and I record a "NO DISPUTE" award between the parties and hence my award accordingly.

5. It may be submitted to the Central Government under section 15 of the Industrial Disputes Act, 1947.

AWARD

1. The Central Government, being of opinion that an industrial disputes exists between the employers in relation to the Digwadih Colliery of Messrs Tata Iron and Steel Company Limited, Post Office Jealgora, District Dhanbad, and their workmen, by its order No. 2/126/66-LRII, dated the 20th of September, 1966, referred to the Central Government Industrial Tribunal, Dhanbad under section 10(1)(d) of the Industrial Disputes Act, 1947 for adjudication the dispute in respect of the matters specified in the schedule annexed thereto. The schedule is extracted below:—

SCHEDULE

"Whether the action of the management of the Digwadih Colliery of Messrs Tata Iron and Steel Company Limitted in terminating the lien on the appointment of Shri Seoraty, Miner, and placing his name in the Badli list with effect from the 13th June, 1966 was an act of victimisation? If so, to what relief is the workman entitled?"

2. The Central Government Industrial Tribunal, Dhanbad registered the reference as reference No. 136 of 1968 on its file. While it was pending there the proceeding was transferred to the Central Government Industrial Tribunal No. 2, Dhanbad by the Central Government by its Order No. 6/25/67-LRII, dated the 8th of May, 1967 and there it was registered as reference No. 173 of 1967. The Central Government by its subsequent order No. 8/71/68/LRII, dated the 13th of August, 1968 transferred the dispute to this tribunal and here it has been registered as reference No. 44 of 1968.

3. The employers filed written statement on 22nd March 1968 Their case is that Sri Seoraty, as a Miner, was granted 10 days leave from 27th March 1966 on account of his father's illness. Sri Seoraty sent an application dated nil which was received on 10th May, 1966 accompanied by a medical certificate dated 4th May 1966. The management, however, did not grant extension of leave and he was accordingly informed by letter dated 13th May 1966. Sri Seoraty again sent a medical certificate dated 20th May 1966 from the same Doctor. But the Manager, Digwadih Colliery by letter dated 26th May 1966 again informed Shri Seoraty that since the medical certificate was not endorsed by the Mukhiya of the Gram Panchayat no extension of leave could be granted to him and he was advised to report for duties immediately. Shri Seoraty afterward submitted a certificate from the Head of the Gram Panchayat. There was discripancy between the medical certificate and the certificate granted by the Head of the Gram Panchayat and therefore, the extension of leave was not granted. According to the management Sri Seoraty did not return within 8 days of the expiry of leave and offer satisfactory explanation of his inability to return and therefore, he automatically lost lien on his appointment and Sri Seoraty was intimated accordingly by letter dated 13th June 1966. According to the management the action of the management in terminating the lien on the appointment of Shri Seoraty, and placing him in the Badli list with effect from the 13th June, 1966 was not an act of victimisation. The employers are not aware if Sri Seoraty was a member of Congress Mazdoor Sangh or of any union at all at the relevant time

4. President, Congress Mazdoor Sangh filed the written statement on behalf of the workman on 31st October, 1968. Their case in brief is that Sri Sheoraty, Miner was working in permanent post for several years. He was sanctioned leave for 10 days commencing from 27th April, 1966 to 6th May, 1966 He submitted an application in writing on 4th May, 1966 to the Manager, Digwadih Colliery requesting him to grant extension of leave for 16 days. The Manager by his letter dated 13th May, 1966 refused to sanction extension of leave. Since his father was lying ill he sent another application on 20th May, 1966 for further extension of his leave for 25 days. Management by letter dated 26th May, 1966 rejected his request for extension of leave on the ground that the Medical Certificate sent by the workman in support of the illness of his father was not accompanied by the certificate of the Mukhiya of the Gram Panchayat. When his father recovered from illness, he came to the colliery on 19th June, 1966 which was a Sunday and he reported for duty on 20th June, 1966 to the Manager of the colliery, but the Manager did not allow him to resume his duty and he was verbally informed that his name had been struck off from the permanent rolls It was further contended that clause 9 of the Company's Standing Order under which the management had terminated the workman's lien on his appointment and placed him in the Badli list does not apply to the workman concerned for reasons that he was in the employment of the company since before the Standing Orders were certified on 24th August, 1953 and had been enjoying immunity from disciplinary action for overstaying of leave unless the period of overstay had exceeded 30 days. According to the union the refusal to grant extension of leave was unjustified and illegal and it amounted to an act of victimisation.

5. On behalf of the workman one item of document has been filed and was marked Ext. W-1. Seoraty, miner, the concerned workman was also examined as a witness (WW-1) on behalf of the workman. On behalf of the management 16 items of documents were filed and were marked Ext. M-1 to M-16. The management also examined Sri Kulbhusan Trehan, (MW-1) as a witness on their behalf.

6 The point for consideration in this reference is whether the termination of lien on the appointment of Sri Seoraty, miner and placing him in the Badli list was an act of victimisation.

7. The admitted facts are that the concerned workman Seoraty was initially granted leave for 10 days i e from 27th April, 1966 to 6th May, 1966. On expiry

of his leave he did not return to join his duty on 7th May, 1966. He sent an application for extension of leave upto 22nd May, 1966 (Ext. M-1) and the letter was received by the manager on 10th May, 1966. It was accompanied by a medical certificate granted by Kabiraj L. N. Pandey dated 4th May, 1966. The extension of leave was not sanctioned. The concerned workman did not return on duty even on 22nd May, 1966 but submitted another certificate by the same doctor Sri Kabiraj L. N. Pandey for extension of leave from 22nd May, 1966 to 16th June, 1966. He also submitted a certificate from the Head of the Gram Panchayat dated 5th June, 1966. The extension of leave was not granted and by letter dated 21st June, 1966, he was informed that his name had been struck off from the permanent roll and was being entered into 'Badli' list *vide* Ext. M-11.

8. According to the management the concerned workman Sri Seoraty submitted a medical certificate Ext. M-2. In the body portion of the medical certificate it was stated that his father Gokhul Koeri was suffering from typhoid fever and was under treatment but in the medical certificate Sri Seoraty's own signature was attested as the patient's signature. According to the management there was obvious discrepancy in the medical certificate and therefore, the medical certificate was not accepted and extension of leave was refused. In the second medical certificate granted by Kabiraj L. N. Pandey on 20th May, 1966, it was stated that Sri Seoraty Koeri was himself suffering from typhoid fever. In the certificate granted by the Head of the Gram Panchayat (Ext. M-I) it was stated that his father was ill and that Seoraty was looking after his illing father. According to the management there was obvious discrepancy in the certificate granted by the Medical Practitioner and the certificate granted by the Gram Panchayat. Under these circumstances the management did not consider the explanation for the extension of leave as satisfactory and refused extension of leave.

9. Kabiraj Sri L. N. Pandey who granted the certificate or Sri Awadh Prasad Singh, the Head of the Gram Panchayat was not examined before me. Under such circumstances the management did not consider the explanation of overstaying the leave satisfactory and struck off the name of the concerned workman Sri Seoraty from the permanent rolls and entered his name in the Badli list.

10. The employers relied upon Standing Order No. 9 which runs as follows:—

Any direct employee of the Company other than a miner or loader who desires to obtain leave of absence shall apply in writing to the Head of his Department or the manager of the colliery. Employees who due to illiteracy do not apply in writing must apply verbally. If the employee remains absent beyond the period of leave originally granted or subsequently extended he shall lose his lien on his appointment unless:

(i) he return within this 8 days of the expiry of the leave except those who have enjoyed the privilage of 30 days so far and

(ii) gives an explanation to the satisfaction of the manager of his inability to return before the expiry of leave. In case the employee loses his lien on the appointment he shall be entitled to be kept on the 'Badli' list.

11. In the case reported in Buckinghum and Carnatic Co. Ltd., *Vs.* Vekatayya, 1963—(2)L.L.J., page 638 their Lordships of the Supreme Court have observed as follows:—

"The certified Standing Orders of a Company represent the terms and conditions of service of the employees of the Company in a statutory from and they are binding on the employer and the employees as much as the contracts of employment embodying similar terms and conditions of service. When the employers case is that the action taken by them is in accordance with the standing order, it is matter of construing the relevant terms of the Standing Order itself, and in such a case consideration of equity and fair play do not arise. When the relevant Standing Order leaves it to the management to decide whether the explanation of an employee for absence without leave is satisfactory or not, its decision to reject the explanation given by an employee in any case before it cannot be interferred with by the industrial tribunal or Court, or by the High Court under Article 226, unless it is shown to be unfair or mala fide."

12. Under the Standing Order 9 it is clear that a workman must lose his lien on his appointment unless he returns within eight days of the leave, even assuming that the leave had been extended in this case and also gives a satisfatory explanation as to his inability to return in time. In the instant case the concerned workman Sri Seoraty did not return within eight days of the sanctioned leave and he had failed to give satisfactory explanation of his absence, the lien on his appointment had come to an end automatically [Pure Kustore Colliery and Khan Mazdoor Congress, 1969 (1) L.L.J., page 133 relied upon.]

13. In the written statement of the workman a plea was also taken that the Standing Order 9 was not applicable in the case of the present miner Sri Seoraty for reason that he was in the employment of the Company since before the Standing Orders were certified on the 24th August, 1953 and had been enjoying immunity from disciplinary action for overstaying of leave unless the period of overstay had exceeded 30 days. But this contention has got no force.

14. The employers filed Ext. M-16, service record of Sri Seoraty and it shows that his date of appointment is 23rd May, 1960 i.e. after the Standing Orders were certified on the 24th of August, 1953.

15. The case of the workman is that this action of the management is on account of victimisation because of his Trade Union activities. In this connection the workman has examined himself but from his evidence it only transpired that he was simply a member of the Congress Mazdoor Sangh, though he has not filed any paper to show that he is a member of Congress Mazdoor Sangh. MW-1 Sri Kulbhusan Trehan, the manager, on the other hand stated in his evidence that he has no knowledge that Sri Seoraty was a member of Congress Mazdoor Congress or as a matter of fact of any union. The workman has not led any satisfactory evidence to show that the action taken by the management was discriminatory. The employee had not been able to prove the case of discrimination. The finding of victimisation can not be made either in a casual or light heartedly manner.

16. In this view of the case I hold that the action of the management of Digwadih Colliery in terminating the lien on the appointment of Sri Seoraty and placing him in Badli list with effect from 13th of June, 1966 was not an act of victimisation and the workman is not entitled to any relief.

17. This is my award. It may be submitted to the Central Government under section 10(1)(d) of the Industrial Disputes Act ,1947.

For workmen—None

INDUSTRY : Bank DISTRICT : Jaipur (Rajasthan).

AWARD

By Govt. Notification No. 23/72/68/LRIII dated 12th November, 1968, the Ministry of Labour, Employment and Rehabilitation (Department of Labour and Employment), Government of India, referred the following matter of dispute as stated in the schedule to the order of reference to this Tribunal for adjudication.

Matter of Dispute

Whether the termination of service of Shri K. P. Thakore probationary clerk in the Kota Branch of the Bank of Baroda Limited, Baroda with effect from the 10th March, 1968 by the management of the Bank of Baroda Limited, Baroda was an act of victimisation. If so to what relief is he entitled?

The case related to the termination of a probationary clerk, Shri P. B. Thakore, which was sponsored by the Rajasthan Bank Employees Union, Jaipur. After the

reference both parties filed written statements followed by rejoinders. A communication was subsequently received from the Vice President of the Union informing that the workman concerned has secured an appointment in another bank and therefore did not desire to pursue the dispute. The Union consequently would not press the matter further and requested that "no dispute award" be recorded. When the case was taken up on the date of preliminary hearing which was 28th March, 1969 none turned up for the Union and the workman concerned was also not present. It is evident that neither the Union nor the workman concerned is interested in the dispute. As such a "no dispute award" as prayed by the Union is hereby recorded. No order for costs.

2nd April, 1969.

इस परीक्षा में प्रवेश चाहने वाले उम्मीदवारों को चाहिए कि वे भरे हुए आवेदन-पत्र के साथ आयोग को नीचे लिखे शुल्क का भुगतान अवश्य करें :—

रु० 28.00 (अनुसूचित जातियों तथा अनुसूचित आदिम जातियों के उम्मीदवारों के लिए रु० 7.00)। यह राशि सचिव, संघ लोक सेवा आयोग को देय **रेखांकित किए हुए** भारतीय पोस्टल आर्डरों के द्वारा भुगतान की जानी चाहिए। आयोग किसी अन्य प्रकार से किए गए भुगतान को स्वीकार नहीं करेगा।

3. आयोग, यदि चाहे तो, उस स्थिति में निर्धारित शुल्क से छूट दे सकता है जब वह इस बात से संतुष्ट हो कि आवेदक या तो 1 जनवरी, 1964 को या उसके बाद पूर्वी पाकिस्तान से भारत आया हुआ **वास्तविक** विस्थापित व्यक्ति है, या वह बर्मा से **वास्तविक** रूप में प्रत्यावर्तित मूलतः भारतीय व्यक्ति है और 1 जून, 1963 को या उसके बाद भारत आया है, या वह श्री लंका से **वास्तविक** रूप में प्रत्यावर्तित मूलतः भारतीय व्यक्ति है और 1 नवम्बर, 1964, को या उसके बाद भारत आया है, और निर्धारित शुल्क दे सकने की स्थिति में नहीं है।

उपाबंध-II

उम्मीदवारों को हिदायतें

1. इस नोटिस के पैरा 5 के अनुसार इस परीक्षा से संबद्ध नोटिस, नियमावली, आवेदन-प्रपत्र तथा अन्य विवरण संघ लोक सेवा आयोग के कार्यालय तथा कुछ अन्य प्राधिकारियों से प्राप्त किए जा सकते हैं। **उम्मीदवारों को चाहिए कि वे आवेदन-प्रपत्र भरने या निर्धारित शुल्क का भुगतान करने से पहले उन्हें ध्यान से पढ़ कर देख लें कि वे परीक्षा में बैठने के पात्र भी हैं या नहीं। निर्धारित शर्तों में छूट नहीं दी जा सकती है।**

आवेदन-पत्र भेजने से पहले उम्मीदवार को नोटिस के पैरा 1 में दिए गए केन्द्रों में से किसी एक को, जहां वह परीक्षा देने का इच्छुक है अंतिम रूप से चुन लेना चाहिए। सामान्यतः चुने हुए स्थान में परिवर्तन से संबद्ध किसी अनुरोध पर विचार नहीं किया जाएगा।

2. उम्मीदवार को आवेदन-प्रपत्र तथा पावती कार्ड अपने हाथ से ही भरने चाहिए। सभी प्रविष्टियां/उत्तर शब्दों में होने चाहिए, रेखा या बिंदु आदि के द्वारा नहीं। भरा हुआ आवेदन-प्रपत्र तथा पावती कार्ड सचिव, संघ लोक सेवा आयोग, धौलपुर हाउस, नई दिल्ली-11, को भेजा जाना चाहिए ताकि वह उनके पास नोटिस में निर्धारित अंतिम तारीख तक अवश्य पहुंच जाए।

नोटिस में निर्धारित तारीख के बाद आयोग को प्राप्त होने वाला कोई भी आवेदन-पत्र स्वीकार नहीं किया जाएगा।

विदेशों में या अंडमान एवं निकोबार तथा लकादिव, मिनिकवाय एवं अमिनदिवि द्वीप समूहों में रहने वाले उम्मीदवार से आयोग यदि चाहे तो, इस बात का लिखित प्रमाण प्रस्तुत करने के लिए कह सकता है कि वह नोटिस के पैरा 6 के प्रथम उप-पैरा में निर्धारित तारीख के पहले से विदेशों में या अंडमान एवं निकोबार तथा लकादिव, मिनिकवाय एवं अमिनदिवि द्वीपसमूहों में रह रहा था।

जो उम्मीदवार पहले से ही स्थायी या अस्थायी रूप से सरकारी नौकरी में हो, उसे अपना आवेदन-पत्र संबद्ध विभाग या कार्यालय के अध्यक्ष की मार्फत भेजना चाहिए जो पृष्ठांकन (देखिए आवेदन-प्रपत्र का सैक्शन "सी") को भर कर आयोग को भेज देगा।

गैर-सरकारी नौकरी में लगे या सरकारी औद्योगिक संगठनों या इसी प्रकार के अन्य संगठनों में काम करने वाले दूसरे सभी उम्मीदवारों के आवेदन-पत्र सीधे लिए जा सकते हैं। यदि कोई ऐसा उम्मीदवार अपना आवेदन-पत्र अपने नियोक्ता की मार्फत भेजता है और वह संघ लोक सेवा आयोग में देर से पहुंचता है तो उस पर विचार नहीं किया जाएगा, भले ही वह नियोक्ता को अंतिम तारीख से पहले प्रस्तुत किया गया हो।

सशस्त्र सेनाओं में कार्य करने वाले उम्मीदवार को अपना आवेदन-पत्र अपने कमांडिंग अफ़सर की मार्फ़त भेजना चाहिए जो पृष्ठांकन (देखिए आवेदन-प्रपत्र का सैक्शन 'सी') को भर कर आयोग को भेज देगा ।

नोट :—अनाज्ञप्त नौसैनिक (Naval Ratings) (बाल एवं शिल्पी अप्रेंटिसों सहित), ऐसे स्पेशल सर्विस अनाज्ञप्त नाविकों को छोड़कर जिनकी नियुक्ति पूर्ण होने में छः मास से कम समय शेष है इस परीक्षा में बैठने के पात्र नहीं हैं । ऐसे स्पेशल सर्विस अनाज्ञप्त नाविकों के आवेदन पत्र जिनकी नियुक्ति पूर्ण होने में छः मास से कम समय शेष है, तभी स्वीकार किए जाएंगे जबकि वे उनके कमांडिंग अफसर द्वारा विधिवत अनुशंसित हों ।

3. उम्मीदवारों को चेतावनी दी जाती है कि वे आवेदन-प्रपत्र भरते समय कोई भी झूठा ब्यौरा न दें और न ही किसी तथ्य को छिपाएं ।

4. उम्मीदवार को अपने आवेदन-पत्र के साथ निम्नलिखित प्रमाण-पत्र आदि अवश्य भेजने चाहिए :—

(i) रु० 28.00 (अनुसूचित जातियों तथा अनुसूचित आदिम जातियों के लिए रु० 7.00) के रेखांकित किए हुए भारतीय पोस्टल आर्डर, जो सचिव, संघ लोक सेवा आयोग, को नई दिल्ली जनरल डाकघर पर देय हों ।

(ii) आयु का प्रमाण-पत्र ।

(iii) शैक्षिक योग्यता का प्रमाण-पत्र ।

(iv) उम्मीदवार के हाल ही के पासपोर्ट-आकार (लगभग 5 सें० + 7 सें० मी०) के फोटो की दो प्रतियां ।

(v) नाबालिग उम्मीदवार के माता-पिता/अभिभावक के हस्ताक्षर से प्रस्तुत किया जाने वाला प्रमाण-पत्र ।

ऊपर की मद (i), (ii), (iii), (iv) और (v) में दिए गए प्रमाण-पत्र आदि का ब्यौरा निम्नलिखित है :—

(i) **निर्धारित शुल्क के लिए रेखांकित किए हुए भारतीय पोस्टल आर्डर** :—सभी पोस्टल आडरों पर जारी करने वाले पोस्ट मास्टर के हस्ताक्षर और जारी करने वाले डाकघर की स्पष्ट मुहर होनी चाहिए। सभी पोस्टल आर्डर रेखांकित किए जाएं और इस प्रकार भरे जाएं :—

"Pay to the Secretary, Union Public Service Commission, at New Delhi General Post Office."

किसी अन्य डाकघर पर देय पोस्टल आर्डर किसी भी हालत में स्वीकार नहीं किए जाएंगे । विरूपित या कटे-फटे पोस्टल आर्डर भी स्वीकार नहीं किए जाएंगे ।

नोट :—जो उम्मीदवार आवेदन-पत्र भेजते समय विदेश में रह रहे हों, वे निर्धारित शुल्क की राशि (रु० 28.00 के बराबर और अनुसूचित जातियों तथा अनुसूचित आदिम जातियों के उम्मीदवारों के लिए रु० 7.00 के बराबर) उस देश में स्थित भारत के उच्च आयुक्त, राजदूत या प्रतिनिधि के कार्यालय में जमा करवाएं, और उनसे कहें कि वे उस राशि को लेखा शीर्ष "XXI-Miscellaneous Department Examination Fees–Receipts of the Union Public Service Commission"

में जमा कर दें । उम्मीदवार उस कार्यालय से रसीद लेकर आवेदन-पत्र के साथ भेजें ।

(ii) **आयु का प्रमाण-पत्र** :— आयोग सामान्यतः जन्म की वह तारीख स्वीकार करता है जो मैट्रिकुलेशन के प्रमाण-पत्र या माध्यमिक विद्यालय छोड़ने के प्रमाण-पत्र (सैकण्डरी स्कूल लीविंग सर्टिफिकेट) या किसी भारतीय विश्वविद्यालय द्वारा मैट्रिकुलेशन के समकक्ष माने गए प्रमाण-पत्र या विश्वविद्यालय के समुचित प्राधिकारी द्वारा प्रमाणित विश्वविद्यालय के मैट्रिक-पास छात्रों के रजिस्टर के उद्धरण (एक्सट्रेक्ट) में दर्ज की गई हो । हिदायतों के इस भाग में आए "मैट्रिकुलेशन प्रमाण-पत्र" के अन्तर्गत इन सभी वैकल्पिक प्रमाण-पत्रों को सम्मिलित समझा जाए ।

इस प्रकार उम्मीदवारों को अच्छी तरह समझ लेना चाहिए कि आयु के प्रमाण के रूप में मैट्रिकुलेशन का प्रमाण-पत्र हर हालत मे भेजना आवश्यक है और आवेदन-पत्र के साथ आयोग को अनिवार्यतः उसकी मूल प्रति, एक प्रतिलिपि के साथ, भेजी जानी चाहिए ।

कभी-कभी मैट्रिकुलेशन या उसके समकक्ष प्रमाण-पत्र में जन्म की तारीख नहीं होती या आयु के केवल पूरे वर्ष या पूरे वर्ष और महीने ही दिए होते हैं । ऐसे मामलों में उम्मीदवार को मैट्रिकुलेशन या उसके समकक्ष प्रमाण-पत्र के अतिरिक्त उस संस्था के हैडमास्टर/प्रिंसिपल से लिए गए प्रमाण-पत्र की मूल प्रति, उसकी एक प्रतिलिपि के साथ, भेजनी चाहिए जहां उसने मैट्रिकुलेशन या उसके समकक्ष परीक्षा उत्तीर्ण की हो । इस प्रमाण-पत्र में उस संस्था के दाखिला रजिस्टर में दर्ज की गई उसकी जन्म की तारीख या वास्तविक आयु लिखी होनी चाहिए ।

यदि उम्मीदवार को मैट्रिकुलेशन या उसके समकक्ष प्रमाण-पत्र नहीं दिया गया हो, तो उसे विद्यालय के हैडमास्टर से आयु का एक प्रमाणपत्र लेकर भेजना चाहिए, जहां से वह मैट्रिकुलेशन या या उसके समकक्ष परीक्षा में बैठा हो । ऐसे उम्मीदवार को इंडियन मिलिटरी एकेडमी में प्रवेश दिए जाने से पूर्व अपना मूल मैट्रिकुलेशन या समकक्ष प्रमाण-पत्र प्रस्तुत करना होगा । यदि आगे चल कर उसके द्वारा आवेदन-पत्र में लिखी गई जन्म की तारीख मैट्रिकुलेशन या उसके समकक्ष प्रमाण-पत्र में दर्ज जन्म की तारीख से भिन्न हुई और इस बारे में संघ लोक सेवा आयोग की संतुष्टि के लिए कोई स्पष्टीकरण नहीं दिया गया होगा तो उसे अनर्ह घोषित कर दिया जाएगा ।

उम्मीदवारों को चेतावनी दी जाती है कि यदि आवेदन-पत्र के साथ इन हिदायतों में निर्धारित आयु का पूरा प्रमाण नहीं भेजा गया तो आवेदन-पत्र अस्वीकार किया जा सकता है । उन्हें यह भी चेतावनी दी जाती है कि यदि आवेदन-पत्र में लिखी जन्म की तारीख मैट्रिकुलेशन प्रमाण-पत्र में दी गई आयु से भिन्न हो और इसके लिए कोई स्पष्टीकरण न दिया गया हो तो आवेदन-पत्र अस्वीकार किया जा सकता है ।

नोट :—1. जिस उम्मीदवार के पास पढ़ाई पूरी करके माध्यमिक विद्यालय छोड़ने का प्रमाण-पत्र (कम्प्लीटेड सैकण्डरी

स्कूल लीविंग सर्टिफिकेट) हो, उसे इस प्रमाण-पत्र की मूल प्रति के साथ केवल आयु संबंधी प्रविष्टि वाले पृष्ठ की प्रतिलिपि भेजनी चाहिए ।

नोट 2 :— उम्मीदवारों को ध्यान रखना चाहिए कि किसी परीक्षा में प्रवेश के लिए जन्म की तारीख एक बार लिख भेजने और आयोग द्वारा उसके स्वीकृत हो जाने के बाद किसी अगली परीक्षा में उसमें कोई परिवर्तन करने की अनुमति सामान्यतः नहीं दी जाएगी ।

(iii) **शैक्षिक योग्यता का प्रमाण-पत्र :**—उम्मीदवार को अपना मूल प्रमाण-पत्र या डिप्लोमा, उसकी एक प्रति लिपि के साथ, भेजना चाहिए ताकि इस बात का प्रमाण मिल सके कि अधिसूचना के पैरा 8 में निर्धारित योग्यताओं में से कोई एक योग्यता उसके पास है। भेजा गया प्रमाण-पत्र उस प्राधिकारी (अर्थात् विश्वविद्यालय या किसी अन्य परीक्षा निकाय) का होना चाहिये जिसने उसे योग्यता विशेष प्रदान की हो । यदि ऐसा प्रमाण-पत्र या डिप्लोमा न भेजा जाए तो उम्मीदवार को उसे न भेजने का कारण बताना चाहिये और अपेक्षित योग्यता से सम्बद्ध अपने दावे के प्रमाण में किसी अन्य प्रमाण-पत्र की मूल प्रति भेजनी चाहिये । आयोग इस प्रमाण के औचित्य पर विचार करेगा, किन्तु वह उसे पर्याप्त मानने के लिये बाध्य नहीं होगा ।

जो उम्मीदवार अधिसूचना के पैरा 8 (b); या पैरा 8 (e) या पैरा 8 (k) के अन्तर्गत आता है उसे अपनी शैक्षिक योग्यता के प्रमाण स्वरूप सम्बद्ध विश्वविद्यालय के रजिस्ट्रार/कालेज के प्रिंसिपल/संस्था के हैडमास्टर से निम्नलिखित निर्धारित फार्म में एक प्रमाण पत्र लेकर उसकी एक प्रतिलिपि के साथ, भेजना चाहिये ।

(v) **नाबालिग उम्मीदवार के माता-पिता/अभिभावक के हस्ताक्षर से प्रस्तुत किया जाने वाला प्रमाण-पत्र :** नाबालिग उम्मीदवार को यह प्रमाण-पत्र, आवेदन प्रपत्र के साथ संलग्न फार्म में, अपने माता-पिता/अभिभावक से विधिवत भरवाकर आवेदन-पत्र के साथ प्रस्तुत करना चाहिये । यदि कोई ऐसा उम्मीदवार आवेदन-पत्र के साथ यह प्रमाण-पत्र भेजने में असमर्थ है तो उसे अपने आवेदन-पत्र में इसे न भेजने का उचित स्पष्टीकरण अवश्य देना चाहिये । ऐसी स्थिति में उसे प्रमाण-पत्र को आवेदन-प्रपत्र से अलग कर लेना चाहिये और यदि वह इस परीक्षा के लिखित भाग में उत्तीर्ण हो जाता है तो उसे सेवा चयन बोर्ड के समक्ष उपस्थित होने पर प्रस्तुत करना चाहिये ।

नाबालिग उम्मीदवारों को यह ध्यान रखना चाहिये कि उन्हें इस प्रमाण-पत्र के बिना सेवा चयन बोर्ड के साक्षात्कार में सम्मिलित नहीं किया जायगा ।

उम्मीदवारों को चेतावनी दी जाती है कि वे इस प्रमाण-पत्र के उपलब्ध न होने पर भी आवेदन-पत्र भेजने में किसी भी हालत में विलम्ब न करें ।

5. उम्मीदवारों को चेतावनी दी जाती है कि यदि आवेदन-पत्र अधूरा या गलत भरा हुआ होगा या उसके साथ ऊपर पैरा 4 (ii) 4 (iii) 4(iv) और 4(v) में लिखे प्रमाण-पत्र आदि में से कोई एक न लगा होगा और उसे न भेजने का

उचित स्पष्टीकरण भी नहीं दिया होगा तो आवेदन-पत्र अस्वीकार किया जा सकता है और इस अस्वीकृति के विरुद्ध कोई अपील नहीं सुनी जायगी। यदि कोई प्रमाण-पत्र आदि आवेदन-पत्र के साथ न भेजे गए हों तो उन्हें आवेदन-पत्र भेजने के बाद शीघ्र ही भेज देना चाहिये और वे [ऊपर पैरा 4 (iii) तथा 4 (v) के नोट में निम्नलिखित स्थिति को छोड़कर] हर हालत में आवेदन-पत्र भेजने की अन्तिम तारीख से एक महीने के भीतर आयोग के कार्यालय में पहुंच जाने चाहिये। यदि ऐसा न किया गया तो आवेदन-पत्र अस्वीकार किया जा सकता है।

उम्मीदवारों को यह भी चेतावनी दी जाती है कि जो भी प्रमाण-पत्र आदि वे प्रस्तुत करें, उनकी किसी भी प्रविष्टि में वे कभी भी कोई शुद्धि या परिवर्तन न करें, न उनमें किसी अन्य प्रकार का फेर-बदल करें, और न ही फेर-बदल किए गए प्रमाणपत्र आदि प्रस्तुत करें, यदि कोई अशुद्धि हो अथवा ऐसे दो या अधिक प्रमाण-पत्रों आदि में कोई असंगति हो तो उस असंगति के बारे में अलग से स्पष्टीकरण देना चाहिये।

12. यदि परीक्षा से सम्बद्ध आवेदन-पत्रों के पहुंच जाने की आखिरी तारीख से पन्द्रह दिन के भीतर उम्मीदवार को अपने आवेदन-पत्र की पावती (एक्नालिजमेंट) न मिले तो उसे पावती प्राप्त करने के लिये आयोग से तत्काल संपर्क करना चाहिये।

No. DC/LC/Gen.—Attention of the importers is invited to the erstwhile Iron & Steel Controller Public Notice No. 91/IP(PN)/69 dated 25-2-1969 on the above subject.

Due to prolongation of the strike it has been decided that all licences revalidated automatically up to 31st March, 1969 in terms of the above Public Notice to the limited extent of letters of credit already established (or commitments already made), may be automatically deemed to have been further revalidaed up to 31st May, 1969. In no case will Postal Orders payable at any other Post Office be accepted. Defaced or mutilated Postal Orders will also not be accepted.

The candidates should forward the receipt from that Office with the application.

(ii) *Certificate of Age.*—The date of birth ordinarily accepted by the Commission is that entered in the Matriculation Certificate or in the Secondary School Leaving Certificate, or in a certificate recognised by an Indian University as equivalent to Matriculation, or in an extract from a Register of Matriculates maintained by a University which extract must be certified by the proper authority of the University. The expression Matriculation Certificate in this part of the instruction must be understood as including these alternative certificates.

Candidates will thus understand that Matriculation Certificate is required in all cases as evidence of age and it must invariably be sent to the Commission, in original, together with a copy thereof, with the application.

Sometimes the Matriculation or equivalent Certificate does not show the date of birth, or only shows the age by completed years or completed years and months. In such cases a candidate must send in addition to the Matriculation or equivalent certificate, an original certificate, together with a copy thereof, from the Headmaster/Principal of the Institution from where he passed the Matriculation or equivalent examination, showing the date of his birth or his exact age as recorded in the Admission Register of the Institution.

If the Matriculation or equivalent certificate has not been issued to a candidate, he should submit along with his application an age certificate from the Headmaster of the school from where he appeared in the Matriculation or equivalent examination. Such a candidate will be required to submit his original Matriculation or equivalent certificate before he is admitted to the Indian Military Academy. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation or equivalent certificate unless the discrepancy is explained to the satisfaction of the Union Public Service Commission.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application, the application may be rejected. Further they are warned that if the date of birth stated in the application is inconsistent with the age shown in Matriculation Certificate and no explanation is offered, the application may be rejected.

NOTE 1.—A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of only the page containing entries relating to age.

NOTE 2.—CANDIDATES SHOULD NOTE THAT ONCE A DATE OF BIRTH HAS BEEN CLAIMED AND ACCEPTED BY THE COMMISSION FOR THE PURPOSE OF ADMISSION TO AN EXAMINATION, NO CHANGE WILL ORDINARILY BE ALLOWED AT A SUBSEQUENT EXAMINATION.

(iii) *Certificate of Educational Qualification.*—A candidate must submit a certificate or diploma in original, with a copy thereof, showing that he has one of the qualifications prescribed in paragraph 8 of the Notification. The certificate submitted must be one issued by the authority (*i.e.*, University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted, the candidate must explain its absence and submit such other evidence, in original, as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

A candidate whose case is covered by para 8(b) or para 8(e) or para 8(k) of the Notification must submit a certificate in original together with a copy thereof, in the form prescribed below, from the Registrar of the University/Principal of the College/Head of the Institution concerned, as proof of the educational qualification possessed by him.

(Remarks)

यद्यपि सारे भारतवर्ष में पंजीयन का प्रबन्ध है, फिर भी कई सूचनायें पंजीयक को नहीं दी जातीं। इस कारण पंजीयन का विवरण अपूर्ण रह जाता है। इसके अतिरिक्त पंजीयकों से राज्य सरकारों के मुख्यालयों को विवरण भेजने की व्यवस्था भी बहुत असंतोषजनक है जिसके कारण पंजित घटनाओं का बड़ा अंश दरें निकालते समय रह जाता है। इस पत्रिका में दी गई जन्म, मृत्यु तथा शिशु मृत्यु दरें कहीं अधिक और कहीं कम अपूर्ण हैं। इनको पूर्ण करने के लिये और विवरण भेजने की व्यवस्था को सुदृढ़ करने के लिए प्रयत्न किए जा रहे हैं।

जिन नगरों के आंकड़े प्राप्त नहीं हो सके उनकी जनसंख्या दरें निकालते समय छोड़ दी गई थीं।

[While arrangements for the registration of births and deaths exist in most parts of the country, a large proportion of births and deaths fails to be reported to the Registrars. The registration of births and deaths is, thus, incomplete. Further, arrangements for the transmission of returns from the Registrars to the State Head-quarters are far from satisfactory with the result that a large proportion of events, although registered, are missed at the time of compilation of vital rates. The birth, death and infant mortality rates presented in this publication are, thus deficient to a varying degree. Efforts are being made to improve the completeness and ensure efficiency in the transmission of returns.

Appropriate adjustments in the population base were made in cases, where the data for any town could not be included.]

STATEMENT OF OBJECTS AND REASONS

The Delhi Shops and Establishments Act, 1954, which was enacted by the then Delhi Legislative Assembly, regulates the hours of work, payment of wages, grant of leave and holidays, terms of service and other conditions of work, of persons employed in shops, commercial establishments and establishments for public entertainment. The working of the Act has revealed certain difficulties in the effective enforcement of its provisions. With a view to removing these difficulties, it is now proposed—

(*a*) to widen the coverage of the Act so as to bring within its scope apprentices, piece-rated workers and persons employed on commission basis;

(*b*) to provide for a period of thirty days instead of fifteen days in respect of any change to be communicated to the Chief Inspector under section 6;

(c) to make it obligatory for the employer to fix interval for rest and meals and to intimate it to the Chief Inspector;

(*d*) to vest in the Government the power to specify by notification the "close day", locality-wise, trade-wise or uniformly for the whole of the Union territory of Delhi;

(*e*) to provide that claim applications arising out of delayed payment or non-payment of wages can also be filed by any official of a registered trade union if authorised in writing by the employee;

(*f*) to increase the time limit for filing claims from six months to twelve months;

(*g*) to raise the ceiling for accumulation of privilege leave from two years to three years' entitlement and to permit grant of sickness or casual leave on a proportionate basis; and

(*h*) to prohibit employees from contracting out of any of the benefits extended by the Act.

The Bill is intended to give effect to these proposals.

NEW DELHI; JAISUKHLAL HATHI.
The 17th July, 1968.

Secretary.
